We won't go until we get some  
We won't go until we get some

So bring it right here  
Good tidings we bring to you and your kin  
We wish you a merry Christmas and a happy new year  
We all like our figgy pudding  
We all like our figgy pudding  
We all like our figgy pudding  
With all its good cheers  
Good tidings we bring to you and your kin  
We wish you a merry Christmas and a happy new year  
We wish you a merry Christmas  
We wish you a merry Christmas  
We wish you a merry Christmas and a happy new year

### Rudolph the Red Nose Reindeer

Rudolph, the red-nosed reindeer  
had a very shiny nose  
and if you ever saw it  
you would even say it glows.  
All of the other reindeer  
used to laugh and call him names  
They never let poor Rudolph  
play in any reindeer games  
Then one foggy Christmas eve  
Santa came to say:  
"Rudolph with your nose so bright,  
won't you guide my sleigh tonight?"  
Then all the reindeer loved him  
as they shouted out with glee,  
Rudolph the red-nosed reindeer,  
YOU'LL GO DOWN IN HISTORY!

### Aussie Jingle Bells

Dashing through the bush  
In a rusty Holden Ute  
Kicking up the dust  
Esky in the boot  
Kelpie by my side  
Singing Christmas songs  
It's Summer time and I am in  
My singlet, shorts and thongs  
Oh! Jingle Bells, Jingle Bells  
Jingle all the way  
Christmas in Australia  
On a scorching summer's day, hey  
Jingle Bells, Jingle Bells  
Christmas time is beaut  
Oh what fun it is to ride  
In a rusty Holden Ute  
Engine's getting hot  
Dodge the kangaroos  
Swaggie climbs aboard  
He is welcome too  
All the family's there  
Sitting by the pool  
Christmas day, the Aussie way  
By the barbecue  
Oh! Jingle Bells, Jingle Bells  
Jingle all the way  
Christmas in Australia  
On a scorching summer's day, hey  
Jingle Bells, Jingle Bells  
Christmas time is beaut  
Oh, what fun it is to ride  
In a rusty Holden Ute  
Come the afternoon  
Grandpa has a doze  
The kids and Uncle Bruce  
Are swimming in their clothes  
The time comes 'round to go  
We take the family snap  
Then pack the car and all shoot through  
Before the washing up  
Oh! Jingle Bells, Jingle Bells  
Jingle all the way  
Christmas in Australia  
On a scorching summer's day, hey  
Jingle Bells, Jingle Bells  
Christmas time is beaut  
Oh, what fun it is to ride  
In a rusty Holden Ute  
I said, oh what fun it is to ride  
In a rusty Holden Ute, hey

## Silent Night

Silent night, holy night!  
All is calm, all is bright  
Round yon Virgin, Mother and Child,  
Holy infant so tender and mild,  
Sleep in heavenly peace,  
Sleep in heavenly peace

Silent night, holy night!  
Shepherds quake at the sight,  
Glories stream from heaven afar,  
Heavenly hosts sing Alleluia,  
Christ the Savior is born!  
Christ the Savior is born  
Silent night, holy night!  
Son of God love's pure light,  
Radiant beams from Thy holy face  
With dawn of redeeming grace,  
Jesus Lord, at Thy birth  
Jesus Lord, at Thy birth

## O Come All Ye Faithful

O come, all ye faithful,  
Joyful and triumphant,  
O come ye, O come ye to Bethlehem,  
Come and behold Him,  
O come, let us adore Him,  
O come, let us adore Him,  
O come, let us adore Him,  
Christ the Lord.

Sing, alleluia,  
All ye choirs of angels;  
O sing, all ye blissful ones of heav'n above,  
Glory to God  
In the highest glory!

O come, let us adore Him,  
O come, let us adore Him,  
O come, let us adore Him,  
Christ the Lord.

Yea, Lord, we greet Thee,  
Born this happy morning;  
Jesus, to Thee be the glory giv'n;  
Word of the Father,  
Now in the flesh appearing.

O come, let us adore Him,  
O come, let us adore Him,  
O come, let us adore Him,  
Christ the Lord.

## Hark! The Herald Angels Sing

Hark! the herald angels sing,  
"Glory to the newborn King!"  
Peace on earth, and mercy mild,  
God and sinners reconciled,  
Joyful, all ye nations, rise,  
Join the triumph of the skies;  
With th' angelic host proclaim,  
"Christ is born in Bethlehem."

Hark! the herald angels sing,  
"Glory to the newborn King!"  
Christ, by highest heav'n adored;  
Christ, the everlasting Lord;  
Late in time behold him come,  
Offspring of the favored one,  
Veil'd in flesh, the Godhead see;  
Hail, th' Incarnate Deity;  
Pleased, as man, with men to dwell,  
Jesus, our Emmanuel!  
Hark! the herald angels sing,  
"Glory to the newborn King!"

Hail! the heav'n born Prince of peace!  
Hail! the Son of Righteousness!  
Light and life to all he brings,  
Risen with healing in his wings,  
Mild he lays his glory by,  
Born that man no more may die;  
Born to raise the sons of earth,  
Born to give them second birth,  
Hark! the herald angels sing,  
"Glory to the newborn Ki

## The North Wind

The north wind is tossing the leaves,  
The red dust is over the town;  
The sparrows are under the eaves,  
And the grass in the paddock is brown;  
As we lift up our voices and sing,  
To the Christ-child the heavenly King.

The tree ferns in green gullies sway;  
The cool stream flows silently by;  
The joy bells are greeting the day,  
And the chimies are adrift in the sky,  
As we lift up our voices and sing,  
To the Christ-child the heavenly King.

- **President Stephany welcomed everyone to the Club's Christmas Dinner.** Special guests included Mr. John Gardner MP -Minister of Education, Kristen Newlyn from the Royal Flying Doctor Service, Jeff Neale- District Rotary Governor & wife Jenny & also Tineke Inkenharg daughter of founding member Theo Inkenharg. Many members, partners and other guests attended. A surprise very special guest, Father Christmas dropped by with his reindeers to say hello and collect all the children's gifts kindly donated by members, for distribution to through the Women's Safety Service.

- MC for the night was Aaron Stobie & the organ music for the carols, Stephanie Neale.
- A big thank you to Fellowship Director Denise Dinham and her committee for organising another great night and to celebrate Christmas.
- **The only official function for the night was a presentation by Val & Mal Hansen on the history of CROE (Campbelltown Rotary Outback Experience) and most importantly a cheque for \$305,000 handed over to Kristen Newlyn from the RFDS representing the total money raised by the 10 CROE trips held since 2004.**

Mal started his presentation with...- Firstly, let me explain the meaning of the acronym CROE, ....note.... this has nothing to do with the Football team, or even the bird. Tony Uren came up with CROE in 2003. Campbelltown Rotary Outback Experience.

then thanking sponsors for CROE 10, Paradise Motors, Colin Steinert and Di Watson (passed CROE attendee)

Then handed to me (Val) to do mine.....

Mal and I began organising CROE events in 2003, after doing Annual 10-day Rotary Bush Trips from 1987 to 2002.

Since 2004 we have organised and ran 10 such events.

It has been a great experience for everyone.

We both really felt that we wanted to raise much needed funds for RFDS, but also to enable Rotarians and friends to go out into the real outback and to see the beautiful country of ours, through our eyes e.g. not just sealed roads and high end Motels and hotels.

The decision was made to have everything provided for, eg. all meals, beds, entertainment etc. with Mal and I organising the route to be taken and the logistics of finding enough beds for all those that needed one and to find suitable caterers by doing this we felt we would be helping outback communities

As a result of all this planning and preparation we have....

Generally followed dirt roads, not the sealed road, that may even have run parallel with it. We have travelled on the Old Stuart Highway, potholes, bull dust and all. In addition, we have covered many kms on, the Oodnadatta Track, Birsdville and Strezlecki tracks. Followed the road that runs beside the Indian Pacific train line, enjoyed Googs Track, crossed the barren part of the Nullarbor, from north to south and parts of the old Eyre Highway, to name just some of them.

We have Been as far west as Cook, and as far East as Tibooburra in NSW.

As far north as the APY lands and as far south as Loxton.

We have stayed in various forms and standards of accommodation. From very nice cabins to not

much better than a mattress on the floor. Motels, Hotels, Shearers Quarters of various standards - even in what was to be a Glamping tent which turned out not quite glamping! Possibly the most talked about accommodation is the Gladstone Goal, where everyone got to choose their own cell to sleep in. a great night. Yes we always found a bed of some sort for those who wished to have one.

Campers have supplied their own swag, tent or camper.

We have eaten some very fine food, steaks, whiting, oysters, prawns: and some that I could only describe as "different" . eg Kangaroo tails, cooked traditionally at Mimili in the APY Lands and voted as quite good. But Not to

be outdone while at Iga Werta we were served Kangaroo cooked traditionally, but almost still

hopping complimented with raw baked pumpkin. This was despite, while doing a reccy, we were given assurance by the Elder that all would be perfect on the night - he must've forgotten!! We were given a Dingo Lunch while at Moomba.

(after a gourmet morning tea and tour of the plant!). This was a very large, packed lunch each, to have while on the Strezlecki Track.

We have had various types of Entertainment and visited various sites. - Singers such as Peter Coad and Coad Sisters on 8 of the 10 events.

We have been entertained by Mimili women dancing traditionally, A Recycling Depot,

The Moomba gas plant, Toured Maralinga Bomb site, Loxton Historical Village

Also, the Loveday Internment Camp (currently a private residence), Participants were privileged to tour it, it is the only habitable camp within Aust and is not open for tours.

We did a tour of the school of the air at Tibooburra in NSW, and Anlaby Historic house and gardens.

A boat tour on the Cooper Creek. and had an eerie tour of the Gladstone Goal, this is to name just a few of the things enjoyed.

Beer drinkers have been in the bar at the Tibooburra Pub, Packsaddle Pub both in NSW also Cameron Corner, William Creek, Mintabie Opal field, Underground in Coober Pedy, Innamincka and Nullarbor Pub.

We have auctioned or raffled such things as Air Flights, from west, to east. We have auctioned diving with seals and sharks, Balloon Flights, Fishing trips and various accommodation packages

As I have already said, we have been fed by many and dined in many different places.... including Nursing Homes, Hospitals, Hotels, CWA halls, Sports Clubs, Station properties, properties owned by other organisations, Maralinga Mess Hut, Self-catered in the bush, but always had a good feed of something.

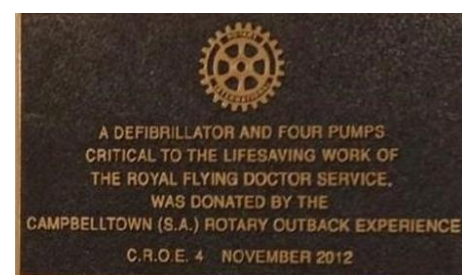

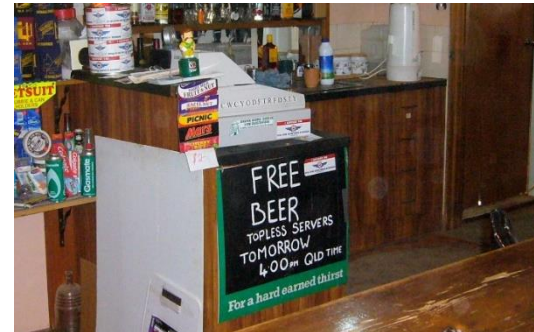

We have experienced many types of 4x4 tracks, including sand, mud, water and mountain ranges and gorges.

While doing all of this our main focus is in raising funds, and would incorporate local people wherever possible, by providing entertainment to them, and holding auctions etc. We appealed to businesses to sponsor us with a donation to RFDS. Many business houses donated items for auctions, from small items to some very large ones.

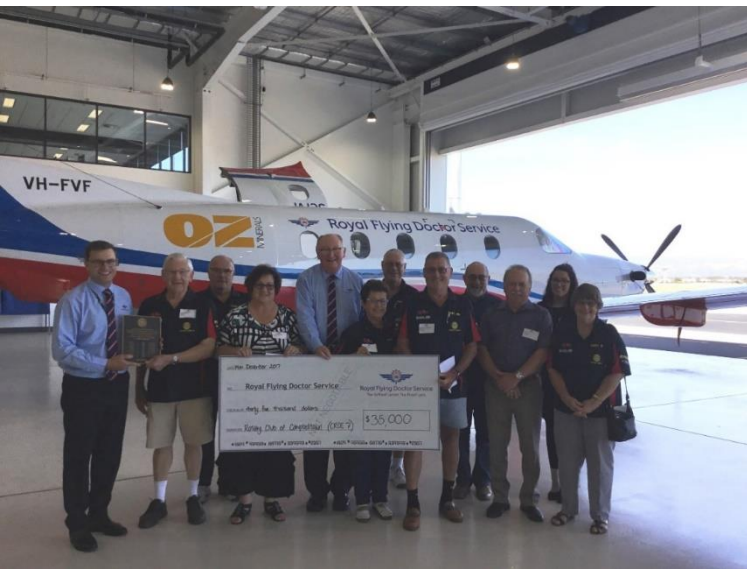

We have donated money to other charities, in lieu of paying directly to the station for a meal, e.g., Isolated Children & Parents Association, School of the Air, other RFDS Auxiliaries, Sports Clubs and CWA to name a few. Angel Flight and Australian Rotary Health has also benefited. We have also made many outback communities and groups not only aware of Rotary and what Rotary is, but also Campbelltown Rotary. The name of the Club has been spread far and wide.

We have taken Rotarians from many different clubs, including from clubs in Victoria and also Malaysia. Friends of Rotarians have always been welcomed.

One such couple from Victoria, Paula and Charlie, became a big part of CROE with Paula being one of

the sergeants and entertainment officer... But sadly, they could not join us this year, or for this evening. We took a District Governor on our first CROE and also on our 10th event.

So - it is with mixed feelings and emotions that I say this is the final CROE that Mal and I will arrange, naturally if anyone else wishes to continue them we would do our best to support them if requested.

We will continue to support the vital services of RFDS whenever possible.

**At the conclusion of Mal & Val's presentation a cheque for \$305,000 to the RFDS & representing the monies raised over the 10 CROE trips from 2004-2021.**

Pictured Left to Right are Jenny & Jeff Neale the DG of Rotary District 9510, Val Hansen, RFDS representative Kristen Newlyn, Mal Hansen and President Steph.

President

Steph thanked Mal & Val for all their vision dedication and passion in making CROE an outstanding success, & which will be hard to repeat in the future. Not only did it raise the profile of Rotary within the community and outback it raised much needed funds for the RFDS. It touched the lives of many people, away from the bustle of the big smoke and raised hope & strong bonds of friendship & goodwill wherever the CROE map took them. Mal & Val are to be congratulated. They shared their love & intimate knowledge of the outback with everyone, making the Campbelltown Rotary Outback Experience true to its name. A totally unique experience, a successful fundraiser, and a lot of fun!

- **On the following day Ralph Holmes added the following comments: -**

Following some discussions about CROE and interest expressed to hear a little more, I thought I would add some more information regarding the dollars raised and contributed - let's leave the RFDS until last.

Participants on the CROE 10 trip contributed

- \$9,682 to drought affected stations owners by way of accommodation and meals
- \$1,780 to other not for profit organisations form meals and excursions
- \$3,298 to Flinders Ranges small businesses for food (not to mention fuel and other expenses not processed through the CROE account)
- \$2,500 to Australian Rotary Health.

The RFDS has received from Participants on CROE 10, the wonderful donors and Sponsors including our fantastic Paradise Mazda family, Rotarians of the great Rotary Club of Campbelltown and the wonderful people in the bush with whom we met on CROE 10 a grand total of \$46,364.68 (with the last RFDS fundraising tin to be counted).

A heartfelt thankyou to all involved, but particularly Mal and Val Hansen.

- **Books on my Wish list :** In *Cars We Used To Drive*, , well-known Holden author, reveals his lifelong interest in all makes of cars on Australian roads in the years 1946 to 1966.

Don Loffler has assembled a remarkable collection of 280 colour slides and black-and-white photographs of owners and their cars, from Austin to Zeta. Makes like Morris, Vanguard, Wolseley, Oldsmobile and Hudson, which have long since disappeared from the new car scene, were once household names, with owners making sure their favoured make was included in a photograph of a beautiful Australian scene.

The images record the social history of an era very different from today, when people were content to sit on travelling rugs by the roadside to enjoy a picnic lunch brought from home, perhaps with the addition of sausages and chops cooked over a small open fire. Caravan holidays were also popular at a time when motels were not yet in vogue.

Older readers can be assured of a great nostalgia trip into times they remember, while younger people will gain an insight into what it was like living in those times.

### Changeover of "Paradise Motors" van to the Campbelltown Rotary Club

Today Wednesday, 29th December 2021, Jeff Neale, Dealer Principal of Paradise Mazda, handed over a replacement Van to the Rotary Club of Campbelltown for use by the Club, principally for the Shed project.

Paradise Mazda have been a wonderful sponsor of the Rotary Club and replacing the vehicle as mentioned with a later model vehicle is a wonderful gesture.

The vehicle replaced was received by the Club on 7th September 2012 and on the day of replacement (29<sup>th</sup> December 2021) the Van had travelled 69,837 kms or approx. 7,500 Kms a year on Rotary programs.

Thank you Paradise Mazda.

PS Attached are photos of the "old" and the "new" for Club records
