2020-21 ROTARY CITATION

The Rotary Citation is the road map for Clubs for any given Rotary year.

In 2020-21 Rotary International President Holger Knaack framed his theme **Rotary Opens Opportunities** in a set of **25** available goals.

To achieve the Rotary Citation, in 2020-21 clubs were required to review the **25** available goals, select at least **13** of them, achieve those goals, then report their achievement in Rotary Club Central.

Holger Knaack awarded **10 clubs** in our District with a Rotary Citation.

Congratulations to the following clubs whose Citations will be presented in due course:

• Adelaide	• Murray Bridge
• Campbelltown	• Prospect
• Edwardstown	• St Peters
• Irymple	• Stirling
• Morphett Vale	• Waikerie

Rotary Opens Opportunities

- **Attendance Officer David Munro** reminded all that if you are bringing guests, please advise David beforehand so he can advise the numbers to San Giorgio's for catering purposes.

Rotary Information by -Margaret Beare

Rotary Information

Good evening, President Steph, fellow Rotarians and guests.

I have been asked to let you know what other committees I am on or have been on during my time as a Rotarian which as you all know is coming up 2 years.

I am heavily involved in the District RYLA Program being their treasurer. I always said once I leave work, I won't do any treasurer position however when Damien asked me I couldn't say no as I am really interested in doing something for the District.

Last year I was treasurer for both RYLA and RYPEN. I took on RYPEN as they couldn't get a treasurer and I only decided to do it for that year. This year I am still the treasurer for RYLA and I have met some wonderful people.

Our committee consist of

Chairperson Helen Marshall from RC of Blackiston,

Dianna Gomez from the RC of Edwardstown

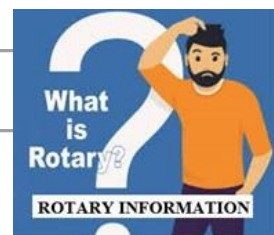

Thomas Kauschke who is not a Rotarian but a RYLA alumni

plus people from the host club usually host parents, registrar and Co-ordinator

Previously RYLA financial were a separate entity and they had their own bank account and record keeping.

When the 2 districts merged RYLA was set up under the districts banking facilities and accounting system call Xero. This meant that I had to learn a whole new accounting package as well as their banking and payment procedures. I have had wonderful support by the district treasurer who has helped me immensely.

For our new members would like to know RYLA is a 7 day residential leadership seminar. Young adults keen to exercise their leadership potential participate in a range of formal and informal activities, which promote leadership skills as desirable qualities.

Activities

Awardees will be supported and encouraged through activities like:

- Guest Speakers; Forums; Seminar Sessions; Team Building; Problem Solving; Sport & Recreation.

RYLA incorporates guest speakers who cover a diverse array of topics including public speaking, conflict resolution, ethics, living your passions, goal setting, self defence, volunteering & leadership. The week incorporates a lot of self development through a variety of mechanisms including reflection (individually and as a team), team work, sports and outdoor activities, dancing, and many others. RYLA will provide the opportunity for you to make a lot of new friends. RYLA will challenge awardees and test them, but a lot of fun will be had at the same time.

Skills

Through these activities, you will learn and reinforce valuable leadership skills, including but not limited to:

- Public Speaking; Self Confidence; Presentation; Conflict Resolution; Corporate and Social Ethics; Creative Thinking; Problem Solving; Team Building; Being a valuable Team Member; Goal Setting; & Building Relationships

RYLA's focus is on assisting young people to develop their abilities as leaders, and to encourage them to reach their full potential as valuable members of society.

Participants can seize the opportunity to develop leadership, communication and problem solving skills, can practice new behaviours, forge life-long friends and challenge their personal belief systems and values.

Who is Eligible?

RYLA is open to young people aged 18 to 25 years with an ambition to improve their leadership skills. So, if you see yourself making and shaping your community in the future, we want you

RYLA is a 7 day residential leadership seminar. Young adults keen to exercise their leadership potential participate in a range of formal and informal activities, which promote leadership skills as desirable qualities.

Guest Speaker – Mr Hagen Stehr AO

- Chair Frank Augello introduced Guest Speaker Dr Hagen Stehr AO

Dr Hagen Heinz Stehr AO is a German-born multi-millionaire businessman, tuna fisherman and founder of the Stehr Group.

Born: 1941 , Salzgitter, Germany .

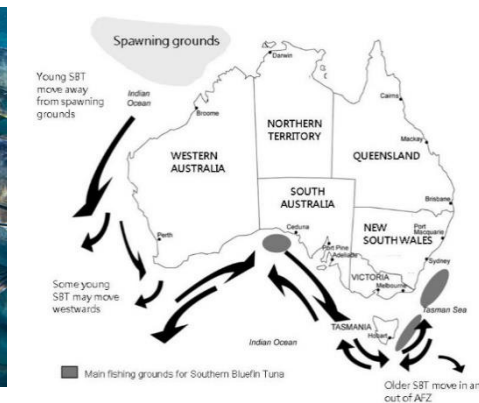

Hagen lives in Port Lincoln, South Australia where he made ages his business interests in fishing and aquaculture, most notably Southern bluefin tuna fishing and offshore ranching in Spencer Gulf for export markets. The Stehr Group also propagates and grows Australian Yellowtail Kingfish and Australian Mulloway through its aquaculture division, Clean Seas Aquaculture Growout Pty. Ltd. One of the wealthiest men in South Australia, Hagan is also the founder and chairman of the Australian Maritime and Fishing Academy. The Stehr Group has a commercial fleet of nine vessels.

Hagen Stehr was awarded Officer of the Order of Australia on Australia Day, 1997. He received the award for service to the commercial fishing industry and to education and training, particularly through the South Australian Fishing and Seafood Industry Skills Centre Inc. He also received the Centenary Medal for services to the community in 2000. He was awarded an Honorary Doctorate of the University of the Sunshine Coast in 2010, and was included in the "three wise men" ceremony together with diplomat Richard Woolcott and Deputy Chancellor of the University, Tim Fairfax.

He was named Seafood Icon, South Australia in 2009 and initiated into the National Seafood Hall of Fame in 2013.

[The Stehr Group](#) is a family owned company spanning three generations; founder and Chairman Hagen Stehr, his son Marcus Stehr (Managing Director) and his grandsons Saxon and Sanchez. Please welcome Dr Hagen Stehr AO .

- Hagen gave a an enlightening and passionate talk on his personal background, history & involvement with the Tuna Industry . He was an adventurer from a young age and had itchy feet , leaving home in Germany as a young man at the age of 12 to join the merchant marines, then jumped from job to job working on cargo ships, joined the French Foreign Legion for adventure & travel & eventually arrived in Port Lincoln at the age of 18 with little money and no employment prospects . There he met his wife Anna and became a tuna fisherman in 1961.He spoke of the development of the Tuna Industry , and his Company , showing a presentation with some fantastic pictures taken from the world he loves and is passionate about – The ocean , the tuna industry he helped develop & the fisherman & characters involved in this great industry. A lot of ground was covered , such as the life cycle of the tuna , where they spawn, the deveopment of tuna farming , the high costs involved ,government policies, enviroment & sustainability , international markets & statistics etc .

As a businessman Hagen admitted that he loves to make a deal and his unofficial business motto was Keep Fishing and make money !

On a personal level he enjoyed the ocean and what it had to offer . He cared about the enviroment,sustainability and loved Port Lincoln and the community there. He was an advocate for local Indigenous Joint Ventures within the Tuna Industry- Link [Here](#) and has supported & donated to many local organisations & causes. He said if you get the chance visit [Tsukiji](#) -- the world's biggest fish market in Tokyo .

He confided that he was speaking to President Steph just prior to his talk , and he learnt that we just concluded our CROE (Campbelltown Rotary Outback Experience) trip that raised money for the RFDS. **Hagen thought about it briefly and there and then, promised generously \$5000 to the RFDS , doubling the funds raised .**

He was thanked for this most generous donation and he said the RFDS was close to his heart. A few years ago, his wife & he were travelling in a 4WD north of Ceduna and rolled their vehicle. His wife Anna sustained serious injuries .

Within a few hours, the RFDS flew her out to Adelaide where she received emergency treatment & recovered. So thanks to the RFDS & thank you to Rotary for reminding him tonight of the great work the RFDS do.

Many interesting questions were then answered at the conclusion of Hagen's talk and he was thanked with a round of applause.

A special thank you for your generous \$5000 donation to the RFDS.

- **A message to all from Angela Ruotolo**

On the 7th October it will be the 1st Anniversary of Pat's passing away.

It is traditional to have a one year Mind Mass and I have arranged it for the 7th October at

7 pm at the Annunciation Church Montacute Road Hectorville.

As there were restrictions the day Pat's funeral was held, quite a few Rotarians were unable to attend.

If anyone from the club wishes to attend his one year mass they are more than welcome.

It will only be half to three quarter of an hour service.

Thank you & Regards

Rotary Youth Sailing Challenge

What is it?

Five challenge-filled days sailing a tall ship, where great life lessons are learnt and wonderful friendships formed.

It involves learning the complexities of sailing, climbing the rigging, navigating, helming the ship, working as a team, standing 4 hour watches, instantly obeying orders and keeping the vessel ship shape.

All this happens on a moving deck without mobile phone contact.

How can Rotary Clubs become involved?

- Identify and sponsor a suitable 15-18 year old student
- Voyages in the Sep/Oct and April school holidays

For more information:

- See our website at www.youthsailing.com.au or
- Contact David Binks (0438 221 937) or Bill Walsh (0427 396 258)

The CROE team have had a wonderful time staying at the Merna Mora Station these last 2 days. Last night they were privileged to hear from the station owners Kae and Don who spoke about the impact our recent Hay to Hawker project had on them and their community as livestock owners struggled with the impact of drought in the region. They were appreciative of the support of hay and potatoes provided through this project, and although this was the main project focus, they advised the greatest impact this project had was reconnecting the community at the morning tea and lunches provided at the hay drop offs.

Merna Mora was a perfect location for our CROE team to finish this amazing outback experience. #CROE10 #HaytoHawker #droughtrelief #RFDS

We want to thank our very generous sponsor Paradise Mazda for providing 4 of these BT50 beasts for participants to use on our recent Campbelltown Rotary Outback Experience (CROE). It's safe to say they've been tried and tested on some rough terrain this last week and handled the challenge exceptionally! 🐨

Rotary District 9510
12 September at 03:24

Drought in the Northern Flinders Ranges became evident in late 2018 by the Rotary Club of Campbelltown through their Campbelltown Rotary Outback Experience (CROE), a fundraising project where they raise funds for Royal Flying Doctor Service of Australia. A Service that is heavily relied on in remote areas.

Reports were provided where many water tanks had become bone dry, to put this into perspective farmers were paying up to \$1000 to buy tankers of water. The community were in a position that they could lose everything.

The concern for the struggling farmers and towns people there grew, and this incited some action in our Rotary Community. Members of Campbelltown contacted Past District Governor of 9520 Bob Cooper who was running a drought relief project through RAWCS - Rotary Australia World Community Service and plans were made to offer support and the 'Hay to Hawker' Project was created!

Rotary have been responsible for providing farmers with donated hay and potatoes on multiple occasions to continue the support of helping the livestock survive, along with providing morning tea and lunch to the community. The community, who were very grateful for the support in hay and potatoes have since provided feedback that the morning tea and lunches were the highlight for struggling farmers, as this helped them regain connection in their community and feel supported.

7 large truck loads of hay have been delivered since first running the project in July 2020. This came to 516 bales distributed (with 88 bales donated, some with freight free), to put this into perspective, 6 bales feeds approximately 400 sheep for 1 week. Rotary Club of Peterborough, Magill Sunrise Rotary, Rotary Club of Mount Barker, Rotary Club Of Goddwa, Rotary Club of Roxby District, Rotary Port Augusta, Rotary Club of Morialta, Rotary Club of Onkaparinga and Rotary Club of Burnside all assisted Rotary Club of Campbelltown in donations with support and some reimbursement through the RAWCS initiative. This meant RAWCS funded in excess of \$75,000 to the community for Hay and freight costs.

A Muster (bush dance) was organised for the 31st October 2020. This was great weekend with a carnival atmosphere, including children amusements, stalls and live music. 430 attendees were there from both Rotary Clubs, the local community and community organisations supporting the event.

Sponsors in the community included; Paradise Mazda who continued their support in this project with a vehicle with tow bar. Spuds were donated by Mitola Family Farms, Beef was donated by Elders, Strawberries were donated by Green Valley Strawberries, and icecream from Golden North Ice Cream.

The Campbelltown Rotary Outback Experience (CROE) have since visited this past week and have heard nothing but gratitude from the community for the support.
