Rotary Information- by Peter Rumbelow

I was President in 1982-3 at 45 years of age.

At the time I was Manager Bankcards for the Savings Bank of SA at the Head Office in King William Street.

David Richards handed over to me and I passed the baton to Tony Uren.

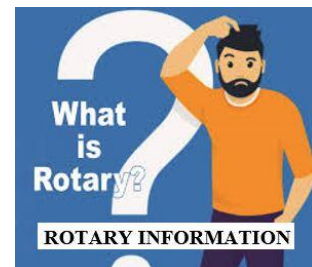

Current members who had roles during my year were VP David Munro, Treasurer Dean Fleming, Pres – Elect Tony Uren, Graham Wallis Chair Community Service, Don Marcoionni chair Fellowship.

My Secretary was the late, great, David Tuckwell – the most laid back Secretary ever to draw breath.

We aimed to raise \$10,000 but actually achieved \$13,500

Highlights of the year were

- Presentation of PHF to Richard Fereday, the second from our Club and a Sustaining Member to Kevin Parkinson.

- Gwen Rosenberger from Quincey BC was our youth exchange daughter. She was sadly killed in a vehicle accident soon after marriage.
- The annual Auction and Jumble Sale and the Mardis Gras were significant activities.
- Malcolm Hansen and Reg Bennett were inducted during the year.
- The conference was at Broken Hill.
- We constructed a pergola at the NECH Day Care Centre.
- Dean Fleming led a GSE Team to Long Island NY.
- We hosted the return team from Long Island.
- Working bees cleaning up after significant bushfire.
- Supervised Urine Testing. 589 tests with 37 positive tests.
- Inter-Club visit to Tailem Bend.
- Founded a Probus Club
- Rotary was fun in 1982-3.

Guest Speaker -Fiona Biedermann - Public Image Building a Club that people want to be part of

- **Chair Damian Leach** introduced Fiona Biedermann .

Fiona has been a Rotarian for a shorter period than some. She joined as a Charter member of the Seaford Rotary club in 2016. In her short time as a Rotarian, she's been President of her club, has presented on Membership at numerous clubs and District training events and is in her second year serving as the District Membership Chair, also picking up a dual responsibility taking on the Public Image role this year as well.

She brings 15+ years of Change Management, Project Management and Leadership Coaching skills in her work life into everything she does within Rotary. Fiona is passionate about building on the strengths and skills of every individual within our clubs to improve membership and public image across the district. Please welcome Fiona.

- **Fiona then spelled out , together with a presentation , what Public Image is, and how important it is for the life of the Club , Rotary and attracting new members. Especially those yearning for positive action, engagement & belonging to an organisation that values them & offers a means of fulfilling and developing with others, their own altruistic goals by making a difference together.**

What does our Public Image say about us ? What do your members want? What does the Club value & stand for ? To the public- Why choose or follow your Club? How do you promote yourself ? What do they need to know? What is your call to action ? How do members find you & what matters the most to them? Why should they join & why should they stay? What's in it for them?

Some more takeaway points : People are our most valuable asset; Put your best foot forward to build a strong club ;Know what matters (Who are you ?) Promotion -Be loud & proud ; Show Passion -Don't forget the fun!

Your website is for the public and potential members to find out what you do.

Facebook is for real time interaction

Who is your audience & how can you engage them ?

“Progress is impossible without change “ George Bernard Shaw

Practical Tips for your website .

Connect with your audience, keep it fresh & informative, be consistent in your branding and logos.

Rotary *It's not all hard work!*

Rotarians have a lot of fun while helping others. Rotary combines service with opportunities to make professional connections and friends.

Fiona complimented the recently updated Campbelltown Website developed by Alyssa Morran. "It is one of the best websites in the District, congratulations !-It catches the eye, very informative & fresh.

" Link to the websire is [Here](#)

Practical Tips for your social media .

Post regular ,high quality content,tag speakers ,venues ,events & club activities that promote engagement & call for action, Share great action photos & don't forget to show those people or organisations that are benefit from your actions.

Other Tips.

Use Club uniforms/clothing/promotional items which are clean, well branded & instantly recognisable.

Engage with emails ,newsletters & partnerships .

Improve your Club Culture-Start conversations and build goodwill; run great events & projects

Some Ideas

- Don't forget the FUN (Alyssa would like some ideas please members)
- Pick 3 people from the club and showcase Who they are & What they do . Showcase peoples' strengths . eg Reg & Jeff Neale – that is a great story you did on your website recently & the public would be interested to know that they are active Rotarians , give back to their community , all while running a major car dealership . It shows the public that though you may be busy in whatever field,business or family day to day life , there is a way to enrich your life and others in need,by joining Rotary.

Fiona concluded by sharing why she joined Rotary . She had a busy life, but was looking for more and not

sure what. After searching websites (mostly dull static ones), she noticed in the local paper that Seaford Rotary were calling for people interested in joining . Their website & social media was interesting, engaging and promoted what they believed in and wanted to achieve . When she went to their meeting , everyone was friendly and welcoming & there was no pressure . She joined and hasn't looked back. . So Public Image is a game changer and a portal to the future .

Rotary Youth Sailing Challenge

Rotary
District 9510

ONE & ALL

What is it?

Five challenge-filled days sailing a tall ship, where great life lessons are learnt and wonderful friendships formed.

It involves learning the complexities of sailing, climbing the rigging, navigating, helming the ship, working as a team, standing 4 hour watches, instantly obeying orders and keeping the vessel ship shape.

All this happens on a moving deck without mobile phone contact.

How can Rotary Clubs become involved?

- Identify and sponsor a suitable 15-18 year old student
- Voyages in the Sep/Oct and April school holidays
