- David Fenton gave his report on last Tuesday's Zoo BBQ: -** Our Club together with the RC of Unley provided a BBQ lunch for 930 disabled and disadvantaged children and their carers, at the Adelaide zoo in conjunction with Variety SA.

Judged by the smiles on their faces, and the sheer joy the kids displayed, I think the day was very successful.

We worked well with the Unley Rotarians and had fun doing so, which is what Rotary is all about.

I would like to thank the following volunteers who helped on the day: -

Betty Gebert, Gail Casey, Susan Harris, Margaret Beare, Elizabeth Gagliardi, Ralph and Jenny Holmes, Garth Holmes, Frank Orlando, and my wife Karen. Thank you all for your help. We will be doing another one on Sept 27th.

- Frank Augello set up a wine tasting for some Club Wine, selling at a great discount price.. The wine was from the Cadell Training Centre in the Riverland and was sourced thanks to Mal Hansen's many contacts far and wide.

Guest Speaker – Esther Simbi

Living well with disability

Chair Dr Nigel Quadros introduced Esther Simbi

Born in South Sudan to a poor peasant family and contracting polio as a child, Esther Simbi came to Australia in July 2005 as a refugee, and has resettled in the North Eastern suburbs of Adelaide, after living in extreme hardships in refugee camps in Uganda for 19 years. Esther is the youngest of six children and a single mother of two beautiful daughters. Since arriving in Australia, Esther has worked with Families SA and Disability SA in many roles. Esther worked with the Young Women's Christian Association in Adelaide as a Project Coordinator and she now works with Julia Farr Association, Purple Orange as a SKILL CALD Project Officer for people living with disability from CALD backgrounds.

Esther lives with post-polio syndrome which is associated with muscle weakening, headaches, fatigue, and general body exhaustion. With a strong belief that access to quality education gave her opportunities to establish a career as a Social Worker, as a Family Dispute Resolution Practitioner, and now as a published Author of the books *Beyond Calamity* and *Blessed*, through an emphasis on education, Esther now empowers others to understand that disability is not inability. Esther graduated with a bachelor's degree in Social Work and with a Master's degree in Mediation and Conflict Resolution from the University of South Australia. Esther is a motivational speaker, and she was also the Founder of, and the coordinator for, the Crossing the Bridge Project in 2014 which was aimed at supporting African Women with Disability in South Australia. Esther ran for Parliament with Dignity Party SA (formerly known as Dignity for Disability) in the Upper House as a Lead candidate for the South Australia's State Election in 2014 and she was also on the Dignity Party's Upper House ticket for the 2018 South Australia's State Election, representing people with disability in South Australia. Esther was the first African Woman from a refugee background to ever run for Parliament in Australia. Esther is a two-time community volunteer award winner for her work with African women with disability in South Australia and for leading African women from a refugee background in Australian politics.

Esther loves singing, writing, watching a good movie, catching up with family and friends for meals and Esther enjoys going for long drives.

Esther began "I live with a disability"

She recalled as a child, growing up in South Sudan after contracting polio and waking up one morning with a paralysed body. She grew up in a very poor family and her mother did all she could, to help her. Sometimes this was simply supporting her by tying her limbs between two poles so she could stand. At 7yo her family of 8, migrated to Uganda to a refugee camp & stayed for 19 years. She learnt English at the camp in expectation of a better life, which helped her when she arrived in Australia, but learning the Australian accent and slang was difficult at first but now she has mastered it. No worries, mate!

Living well with disability:- It is a choice. You can either be happy or sad .
She chose to be happy & to live a successful life.

As a child with a disability in her culture, she was considered by others as bad luck, but to her, it was good luck. Disability gave her strength!

"When you have a disability, it is not the end of you.

All that I am today is because of my mum, the people around me and my disability."

Practically she has to live with pain.

Post-Polio syndrome means her muscles get weaker as she ages. She wears a leg brace. She has a lot of pain in one knee, but she is still strong and can do a lot with her life & help others.

Esther then spoke on what she has achieved and her work in Australia.

“Against all odds, I was able to have children. I am working, contributing, and paying taxes. How your story starts are not important, it is how your story ends that matters most.”

Following question time John Gardner MP, spoke in support of Esther.

He knows Esther well and is inspired by how she works with and is committed to people with disability and making a difference in the community, breaking down barriers & raising awareness.

“Esther also runs workshops, and the feedback is really good. Thanks to her many people with disabilities, their carers and loved ones, know more about what’s available through the NDIS and what support services are available.”

As this week is National Volunteers week, he spoke on the great works volunteers did within our community & thanked those who unselfishly gave their time and talents to help others.

Chair Dr Nigel Quadros thanked Esther for sharing her inspiring journey and wished her and her carer Jennifer all the best for the future.

Please share the attached flyer with your organisation’s members.

We hope to see you at our next event June 12th. (Editor : See Flyer at End of Newsletter)

Rotary Information- Benny Bosman – My year as President 2019-2020

I was inducted by President Babu at the changeover lunch at the T.T. Gully Golf Club.

My Board consisted of VP John Schubert, Pres Elect Vince Belperio, IM Past Pres Babu Kanagasabai, Sec Ralph Holmes, Tres Lee Aldenhoven & Babu Kanagasabai. Directors, Community Service was looked after by Amanda Thomas. Fellowship Pat Ruotolo. Fundraising Lou Dimech & Paul Trotta. International Tony Lagozzino. Membership Elizabeth Gagliardi. Vocational Service Paul Eliseo, Youth Brad Silby.

The year turned out to be a challenging one. It started with members and partners doing the things we do in Rotary, volunteering our time to successfully operate our Club.

Throughout the year Treasurer Lee Aldenhoven, Charter Member and PP Eric Webb, PP Bryan Schell. Partners Pina Silvestri and Wendy Parken, Charter Member and PP former member Barry Donaldson all passed over.

Events which were conceived in PP Babu's year were successfully held, the Gala Ball and the inaugural Classics on the Park a massive winner. Another outstanding CROE fundraiser was completed.

The Campbelltown Christmas Pageant was canceled due to the heat.

5 new Members were inducted during the year. 2 PHF's, 1PHF+1 Sapphire and 1PHF+2 Sapphire we're also awarded.

Covid 19 reared its ugly head in March forcing many cancellations, the Shed, and after 36 continues years the Art Show, the District Conference, the District Assembly, and the World Conference were all canceled.

After one missed meeting, Zoom meetings were started.

Under the circumstances these meetings were a success as they kept us in touch with each other.

In these difficult times we still managed to raise over \$65,000 to distribute to International and local projects I think a job well done.

Thank you

Pic Right: President Steph with PP Benny Bosman

Youth Director's Maria Figg's Report on the meeting

These were our guests as recipients of the Athelstone Youth / Rotary Club of Campbelltown Junior Sports Grant, with each club receiving \$1,500:

- Adelaide Atletico (Pic Left)
 - Martin Lara
 - Jonas Lara
- Eastern United FC (Pic Right)
 - Tony Travaglione
 - Harrison Tierney
 - Cruz Carozzi

- Norwood Bears Volleyball Club (see Pic Left)
 - Alex Costales
 - Tracy Frith
 - Hannah Tanti

Unfortunately, our 4th grant recipient, Hectorville Netball Club, was unable to attend because their members have netball games on Monday nights. However, they sent us a message that I read out to the Club inviting us to the Heccies Clubhouse for dinner.

We also gave \$1,500 to Athelstone Kindergym \$1,500 to assist them with purchasing new equipment and play mats, they were represented by:

- Bernadette Agostino
- Stella Agostino
- baby Marcie Agostino
- Cara Killian
- Hanna Killian

Our guest speakers were Willem Potter and his father Mark.

The Club sponsored Willem on the April trip of the Rotary Youth Sailing Challenge on the One and All. Will came highly recommended to us by David Binks and Briony Casburn. Will's application spoke about facing his fears. Will spoke about getting over his shaky leg when he had to climb the mast up to reach the sails.

Mark spoke about his experience as a parent sending his son off to a sailing voyage and following Will's trip as a dot on a screen. He unashamedly shared how he cried when he saw the ship from Maslin Beach, being so proud of his son on going on this experience. He said it was profound for him reflecting on ANZAC day knowing that he and his son were looking at the sunrise and sharing the experience from their different vantage points. He confidently declared that his son is going to grow up to be an amazing man from all these experiences.

Since Tyler Copeland and Magnolia Gibbs, who we sponsored on the September trip of the Youth Sailing Challenge, were unable to attend the meeting, I read to the Club what they had written regarding their experience.

Tyler said that he learnt that he does not need cigarettes and that people are not too bad.

This is what Magnolia wrote:

What I have learnt about myself from this voyage is that when I ever start to doubt my abilities or lose courage, I have to remember that I'm not alone. There are always people who will want to help. I also learnt not to judge people straight up. For example, there's a boy on the boat who was very different from me, everything he did bugged me because he was just a normal, gross boy who just wanted people to laugh. The first few days he was really getting on my nerves. But, on the last day he made an amazing speech and confessed that he was struggling with suicide and depression a few weeks ago and this had changed his life. Thank you for giving me this experience!

- Welfare officer's Report- (Please contact Peter Rumbelow on 0402 844 304 or peter@rumbelow.net)

Peter Rumbelow Welfare Officer

Tony Uren has been scheduled for plastic surgery on 22nd June to reduce the bulk of the muscle transplant on his jaw. He claims he will end up looking like George Clooney, but this may be a little optimistic. We wish him well and hope the surgery is successful.

Lou and Meryl Dimech recently celebrated 60 years of marriage with their family, including 5+ great-grand-children. It was an emotional experience that left Lou flat when I contacted him. Congratulations to you both; you are in our thoughts and prayers.

Dave Richards, Garth and Gina Holmes and about another 12 residents of Langton Park have Covid. Dave has tested regularly and finally succumbed.

Please think of Gwenda and John Schubert as she embarks on a course of chemotherapy to combat a blood disorder.
