Guest speaker Mr Richard Smith -The "City of Adelaide" Clipper Ship

- Chair Gus De Angelis recalled how he** "had the pleasure of meeting our guest speaker Richard at a lunch meeting at the ADELAIDE CLUB some weeks ago.

During our discussion we discovered we had a strong synergy between us in construction and heritage.

Richard has expertise in strategic planning and constructionability issues.

His background Richard has undertaken PM and representative roles on larger projects, especially distress projects.

Richard has been a facilitator for various value management and strategic management workshops including for the Department of Building Management, Department of Defence, health and private clients, including Hansen and Yuncken and co-founding Director of Savant.

He is the director of clipper ship "City of Adelaide" Director of the Royal SA Yacht squadron Past Commodore and life member.
Australian Day Honours 2019 for services to Construction and Heritage preservation.

What really interested myself was his passion and envelopment with the restoration of the CLIPPER SHIP "CITY OF ADELAIDE"
Hence where we are today.

May I have great pleasure in the introduction of Mr RICHARD Smith to explain to us his work with the clipper ship "City of Adelaide".

Richard then took us on a very interesting and informative journey on the history of the “City of Adelaide “. He then showed an amazing video on the preparation and shipping of the clipper back to SA . All this work was made possible due the many dedicated volunteers and sponsors who are focussed on it’s restoration . It is a SA icon, a link to the foundation years of the colony and the fantastic role such ships played in those early days . A link to the Clipper “City of Adelaide “ is [HERE](#) At the conclusion of Richard’s presentation and question time , Chairman Gus thanked Richard for sharing with us his story & vision of the the “City of Adelaide “ Clipper. *Pictured right is President Michael, Guest Speaker Richard Smith and Chairman Gus DeAngelis.*

Betty Gebert hosted a very successful and enjoyable 'Christmas in July' Dinner Party at her home in Lightsview Village recently . It was dedicated to fun and fellowship, a meal,

beverages and games with Hats worn to Celebrate [Australian Rotary Health](#) 'Lift the Lid on Mental Illness' fundraiser for as many Rotarian friends and partners as

she could fit in. (A Lift the Lid Link is [Here](#))

To quote Betty .

“ This is something I have been passionate about for a long time now via the Rotary Club of Merbein Inc. D9520, having supported 'Lift the Lid' events over the years and bringing 3 successful, funded by ARH, Mental Illness Community Forums to Sunraysia and being the Sunraysia Clubs Representative to District 9520 ARH Committee for a number of years. (This period of my time in Rotary, I have enjoyed immensely.) “

Funds raised for Betty's ‘ Christmas in July ‘

Dinner Party night was an amazing \$310 which was sent directly to ARH with all donations over \$2 Tax Deductible. The official ARH receipt from last year in October 2021 for RCC and Lightsview Village, as well as this event , all show The RC of Campbelltown is acknowledged for these individual/group donations and adds to any cumulative amount recorded for RC Campbelltown each year.

Australian Rotary Health does tremendous work in Research, Education and by raising Awareness of Mental Illness, For Australians by Australians. Many other Countries have also benefited from Programs designed to support communities in which we live, including Children's Support Programs. ARH now focuses on Children aged 1-12 years as the need is identified as crucial to the mental health and wellness of our younger generations' future wellbeing.”  [Donate to ARH HERE](#)
