ROTARY INFORMATION – Mal Hansen-My Year as President

I was inducted into the World of Rotary in 1980 while on Kangaroo Island.

Then inducted into Campbelltown in June 1983,

My year as President commenced on June 28th, 1998. I was inducted by immediate past President the late Joe Hudspith.

The theme for my year was.... Follow your Rotary Dream.

World president James L Lacy issued his challenge to all strive to realise our dream of a world free from conflict, hunger, illnesses and a lack of education. Now we dream of a World that is free from Covid and its restrictions and loss of life.

DG was Geoff Simpson. The late David Tuckwell was my secretary and past member John Donaldson my Sergeant. John Schubert was my Vice President.

The Board also consisted of President Elect, past member Duncan Elsdon; Treasurer Brian Stevens; Community Dean Fleming - the 1st time as a Director after 25 years in the club; International Reg Bennett; Vocational / Youth the late Vic Agostinelli; Fundraising Geoff Brett; Fellowship past member Peter DePalma; Joe Hudspith - Membership; the late Bob Northcote was Bulletin Editor; the late Des Elson Almoner; past member Josie Di Girolamo Attendance; Jeff Neale song leader generally with some form of musical instruments; David Richards - Programme; past member; Jim Everett - Historian.

Our annual subscriptions were \$165,

Some highlights of my year.

We supported a total of 2 students to each of RYWELL, a YMCA Camp and Young Scientists of Australia Siemens Experience Programme. In addition, 1 student attended RYLA Seminar and was granted \$180. Plus 6 students were supported with TAFE fees and safety boots for a pre-vocational course.

First club assembly outlined the proposal for the toilets at the shed plus outlined the longer-term proposal of one large single shed to replace our then 2 smaller sheds on the block. The Lions Club owned the 3rd shed. Eventually they handed their shed to us. The end result is our one large shed.

The Club maintained District leadership in contributions to The Rotary Foundation, earning a PHF from the District Conference where the club's 'duck' won the Duck Race!

A banner for 100% FAIM membership was presented to our Club.

The City of Campbelltown established an Emergency Plan, and our Club supported the plan with Dean Fleming as the contact person in the case of an emergency. In the case of an emergency, eg bushfire, or earthquake our Club would be asked to act as support personnel to provide refreshments or do light work.

The Artshow - over \$22,000 worth of paintings, Aboriginal Art and Artefacts

and pottery were sold with an overall profit of \$8,072.

In addition, we had Bowls and Bocce night, A Quiz night, Theatre Nights, Golf weekends, and 2 Weekends on Troubridge Island.

PNG had suffered a Tsunami - There was a Rotary appeal raising funds to help re establish communities. subsequently teams were sent to assist - past member Geoff Thorpe went from our Club... he volunteered his time, showing the perfect example of real 'service above self'. Our club then donated \$3,000 to the relief fund.

Denise Dinham hosted our exchange student Kristen at her farm at Tailem Bend.

\$1,100 donated to S.E.S. for new safety vests.

The Club unanimously agreed to having a major Auction in October combined with a Street sale, outside the shed premises,

this then to be followed by regular shed sales monthly from January to May. - the beginning of the now monthly sales.

Val took it upon herself to take the 1st items to Scammels Auction House, having identified that they appeared to be of value..... This has been continued from then on.

A Trailer and contents, all donated, was raffled at Christmas with tickets sold 4 days a week for 6 weeks prior to Christmas and the drawing of the raffle. 9,800 tickets were sold. Members were rostered on to sell tickets... really labour intensive. Over \$6,000 was raised.

Australia Day celebrations were held at Darrach House, then owned by past member Des Bowen. Some Australia Day Awards were handed out... all fun and tongue in cheek awards. The last seats and picnic tables were installed on the Rotary Walk and handed to the Council. We used the BBQ recently for one of our events.

Peter Rumbelow might not like to be reminded that in August 1998 he underwent an emergency appendectomy. As can be seen he recovered fully!! A November meeting was a blood donation evening with a BBQ to sustain donors. 30 of our, then, 72 members donated. This encouraged members to become regular donors.

Milton Lewis was nominated as the GSE team leader to go to Denmark. We sold Akubra style hats, with 120 sold initially to 3 other Clubs, plus many sold to our own.

We had 4 Vocational visits to R.M. Williams factory. These were small groups each time. We also visited Townsend House and Oasis Griffiths Coffee.

A Progressive Dinner was held and voted a huge success, with 55 Rotarians and partners participating. We set a fundraising budget at \$36,000 and achieved \$35,000 - this was deemed a great outcome.

Each "O" birthday was celebrated with a cake. We had a memorable birthday cake made and decorated by now District 9510 Deputy Governor Areas, Sandy Sumsion.

Our Annual Rotary 1998 Bush Trip was in the form of a cleanup of the Simpson Desert, with Rotarians and Friends from, Magill Sunrise, Morialta, Drouin (Vic) and our club. Val catered for 35 in total. Many tonnes of rubbish were picked up and loaded onto trailers and a large truck and taken out to a rubbish dump (photo) at Clifton Hills on the Birdsville Track. This included 3 abandoned trailers that were filled with rubbish. In 1999 the 12th Annual 10-day Rotary Bush Trip was to the Flinders with 31 from 4 Clubs, including Drouin again. We held a Rotary meeting and raised \$240 from fines for RFDS, this was then boosted with \$500 from each Drouin and ours. We also had 5 guest speakers at the Flinders meeting.

We awarded 3 Paul Harris Fellowships, One Sapphire Pin, A Four Avenues of Service award, Certificate of Appreciation, Volunteer Service Award, Service above Self Award, 2 Community Service Awards, 2 Pride of Workmanship Awards and A Youth Leadership Award.

Our photographer was Paul Eliseo. The Perpetual Trophy for the most fines went to Reg Neale.

Some membership statistics. We had 14 under 50; 33 ... 50 to 60; 26 ... over 60.

A total of 73 members. Of those 11 got 100% attendance. Although no new members were inducted, it was not because we were not trying...

We had 20 nominations for Membership, of those 15 were unable to accept and 5 were at various stages of processing.

I handed the Presidents collar to Duncan Elsdon.

Dean Fleming as Director of Community Service - posed this question... Did you join Rotary just to come to the Monday meetings for the meal? or does the Rotary Motto "Service above Self" really mean something to you? I guess this question is still very relevant in today's Rotary.

The Club assembly was then followed by question time and the meeting closed.

The meeting was then formally closed by President Stephany and the singing of the National Anthem.

After a short break the Club Assembly followed.

Reports were given by President Steph, Secretary Frank Orlando, Vince Belperio as Immediate Past President, Babu Kanagasabai-Treasurer, Gail Casey acting for Community Services Director Elizabeth Gagliardi, Alyssa Morran - Public Image, Jim Silvestri- Fundraising, Margaret Northcote -International, Damian Leach - Membership, Jane Gascoigne -Vocational, Maria Figg-Youth .

I am a Physiotherapist working in a private sports practice. I will choose one patient per week that I do not charge for their Physiotherapy appointment. Sometimes the financial burden of healthcare can be a lot for some people and I want to make sure everyone has an equal opportunity to access these services. • WHEN TOGETHER, WE DO GOOD IN THE WORLD

PDG PETER GARNETT, REGIONAL ROTARY FOUNDATION COORDINATOR — NOV 8, 2021

*November is
The Rotary Foundation Month*

The Foundation's Mission is to enable Rotarians to advance world understanding, goodwill and peace through the improvement of health, the support of education and the alleviation of poverty. These causes resonate with today's Rotarians, future Rotarians and donors.

Here are some words of wisdom from a man and Rotarian I look up to with huge respect – Past RI President and TRF Trustee “Ravi” Ravindran:

“... when I consider, as I sometimes do, the ways in which my life would be different today; I realize how much poorer I would be now had I not joined Rotary; not in money perhaps, but in affection, in respect, in achievement, in friends, in everything that is worthy and worthwhile.
- I might, perhaps, now have a larger bank account, but I would be a smaller person.

For Rotary is a place where people go, not to make their living, but to make their contribution; heeding the words of Winston Churchill, that “We make a living by what we get; we make a life by what we give.”

To me, Rotary is both a means to an end, and an end in itself; it is a way to make the world a better place, but it also makes my world a better place, for me and for my family. It is a way to give of what I have; but what it gives in return makes my own life richer. It allows me to make my mark on the world—and yet it also has made its own mark, indelibly, inalterably, upon me.”

(extract from his address on being conferred with a Doctor of Business Administration by the University of Korea, Dankook).

These words resonate with me. They reflect in so many ways why I am a Rotarian and why I have personally chosen to actively support The Rotary Foundation. The Rotary Foundation is “Our Charity”. As such, it relies on regular contributions from both our clubs and from us as individual Rotarians. November is the month when I make my personal contribution to Our Charity.

I ask each of you (who haven’t already done so) to join me, to make a pledge to start your personal giving to our Foundation this November.

Welfare officer's Report- (Please contact Peter Rumbelow on 0402 844 304 or peter@rumbelow.net)

Peter Rumbelow reported that he had a long telephone conversation with PP Milton Lewis. Milton is in care with Alzheimer's Disease and is frustrated at his lack of freedom to drive and leave his care facility. He is unable to accept that his family have his best interests at heart. Janette is with him in a Helping Hand Facility.

Tony Uren has the feeding tube removed and is able to eat solids and drink his beloved red wine, albeit with some tenderness of the tissue in his esophagus. Thankfully, the infection has settled.

John Schubert is home after his hip replacement and doing well. Keep up the exercises John!!

David Richards had skin grafting following a skin cancer removal and is resting at home with his leg elevated.

If you do contact an unwell club member, please let me know so that it can be reported to the Club.

Peter Rumbelow Welfare Officer

For all those who are unwell, under treatment or convalescing and are mentioned in this column your Rotary family are sincerely thinking of you and your loved ones as your welfare and health are of concern to us all. May you get better soon.

**SERVE TO
CHANGE LIVES**

PORCHETTA Night an Annual Club Fundraising Activity for many years was again held on Sat 20 November at the Council Function Rooms.

Some 200 were in attendance, with the Porchetta cooked and prepared by [Fine Food Cucina](#) and all the organisation, serving and preparation done by the Club under the directorship of Frank Augello and his willing and hardworking team of dedicated helpers. The night featured live entertainment, fine dining, raffles, a wine wall, a silent auction for great prizes provided by generous local sponsors eg Paradise Motors Mazda, Glynde Mitre 10 and many other local businesses & donors. We were honoured to have attending Vincent Tarzia, Minister for Police, Emergency Services and Correctional Services of South Australia & a honorary Rotarian of the Campbelltown Rotary Club. Nevertheless despite sleep deprivation after a busy week and as a recently proud new Dad of a baby boy, he enjoyed the night & festivities.

The Porchetta night raised funds for much needed local community, national & global projects and will be used to Change Lives for the better.
