- **Chair Damian Leach introduced Sarah**

Sarah Hennessey is a long-term resident of the North Eastern suburbs.

A former student of St Dominic’s College, Susan Harris was an early connection for Sarah, nurturing her through her adolescent years.

Sarah spent many years working in a variety of roles at Alzheimer’s Australia SA with the likes of Deb Belperio. After a decade, Sarah commenced working for a member of parliament, and is now an advisor.

In the limited spare time she has, which will now be taken up serving through Rotary, she enjoys foraging for edible weeds, writing a fringe show, and searching for the perfect latte.

Sarah is joined here tonight by her children, Brontë who attended RYPEN in 2018 and Amelie.

- **Sarah was then inducted by District Governor Jeff Neale & welcomed into the Club & Rotary.**

Sarah will serve under Jane Gascoigne in the Vocational Committee & Elizabeth Gagliardi will be her mentor.

Sarah responded by thanking DG Jeff and the Club for the honour of now being a member of Rotary.

Her fellow colleague at Alzheimers Australia SA, Debra Belperio wife of past President Vince often chatted about their involvement with Rotary. Sarah was so impressed she thought “One day I will be

part of that “ and here she is, & so much looking forward to her journey with Rotary & the future.

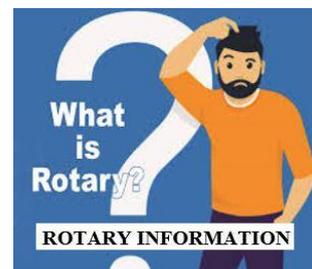

Pictured left are : DG Jeff Neale, Chair Damian Leach, new member Sarah Hennessey, Vocational Committee Director Jane Gascoigne , Secretary Frank Orlando, President Steph, Brontë & Amelie Hennessey.

Rotary Information- by Alyssa Morann

- Alyssa spoke on Public Image and the plans for the future. Public Image is also interconnected to membership & mentoring.

She and her committee are exploring ways to better share information between members , that is more seamless and user friendly.(including QR Codes)

This Club generates a lot of information (eg photos ,articles,contacts etc)through events,projects & activities that for convenience can be stored in one place easily and accessible when needed. At the moment there is a new Public image email address so everyone is welcome to submit any items you would like to share with others.

The  **new RC of Campbelltown’s Public Image Email is RCCpublicimage9510@gmail.com**

Alyssa welcomes any ideas or suggestions that members may have. One idea is to showcase some members on social media & the website, as related to their experience & journey with Rotary. This would give a great insight to curious members of the public & engage them on a personal level ie Who we are ? What attracts us to Rotary ? Why do we do it ? How do we do it ? What do we achieve ? etc.

Guest Speaker -DG Jeff Neale

• President Steph introduced DG Jeff Neale

Jeff's Rotary involvement started over 50 years ago, attending "Family Meetings" at the Rotary Club of Campbelltown with his parents Reg and Shirley. Reg is a charter member of the Campbelltown Club. Jeff was invited to join the Rotary Club of Campbelltown in 1990 and served as President in 2007-2008. Jeff is a Paul Harris Fellow with three sapphires.

Jeff is the Dealer Principal of Paradise Mazda, a family business started by Reg in 1956. Jeff has been invited to participate on several Mazda advisory groups and is a representative on the National Dealer Council.

Jeff was a member of St. John Ambulance and held the position of Divisional Superintendent. Through St. John, Jeff met his wife Jenny, also a Divisional Superintendent with St. John Ambulance. Jeff and Jenny were married in 1984 and retired from St. John to start a family.

Jenny trained and worked as a Registered Nurse. For the last 25 years, she has worked at Paradise Mazda. Jeff is a train enthusiast and is building a model railway. He also loves music.

Jeff and Jenny have three adult children and recently welcomed a new grandson.

- DG Jeff then outlined the Rotary's International President Shekhar Mehta Rotary's inspiring Vision for this Rotary year & what this means on a District, Club and personal member level for 2021-2022.

Quoting from RI President Shekar Mehta's Presidential address : Friends, to live for others, to care for others, to serve others and change their lives is the best way to live our own lives. Just as Albert Einstein said, "Only a life lived for others is a life worthwhile."

- Jeff's wife Jenny, then gave an inspirational talk on her chosen DG Partner's Project . She urged all Rotarians and Clubs within the District to give to this great program, that delivers manifold for all .

Rotary District 9510  

What is it?

Five challenge-filled days sailing a tall ship, where great life lessons are learnt and wonderful friendships formed. All this happens on a moving deck without mobile phone contact.

How can Rotary Clubs become involved?
