Speaker: Dr Trudy Lin

Dr Trudy Lin was named the 2022 SA Young Australian of the Year as the youngest of only 20 practicing specialists in Australia's Special Needs Dentistry sector, providing oral healthcare to people with disability, psychiatric illness and complex medical issues such as cancer.

In May 2021, Trudy received Australia's Career Achievement Award and is also the 2021 South Australian Young Achiever of the Year for her contributions to the community outside her profession. During COVID-19, Trudy self-funded and established a Supported Independent Living Facility which provides specialised accommodation for people with disability to live independently in the community.

Rotary Information- Margaret Northcote - My Year as President 2005-2006

In July 2005 this Club did something it had never done before. In it's fortieth year it inducted a **female** president. Me. That year turned out to be one of the most exciting and event filled years of my life.

It also happened to be the 100th anniversary of RI
It's theme was what it had always been: SERVICE above SELF

My aim for the year was to have FUN while doing just that.
And we did!

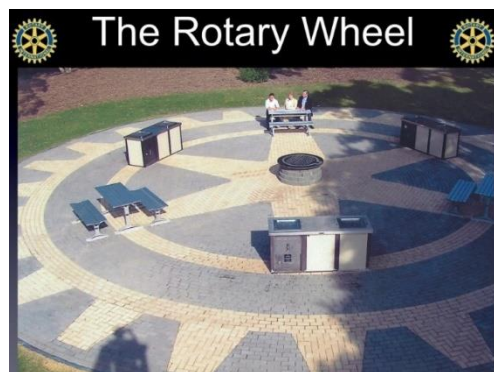

I was nervous at my induction; can you believe that of a teacher!

And for quite a few meetings there after. But after a while I was happy and could enjoy the FUN we had doing what we did for Rotary, our community both local and international.

The Board

At the end of the year, we had 76 members .

Major achievements

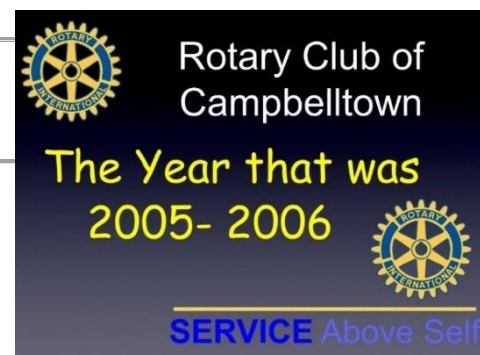

Community

23 October with the official opening of our **Rotary Wheel** at Thorndon Park. The largest wheel in the southern hemisphere. But the weather turned out to be so awful! We did manage to snatch a sausage in between downpours.

Later in March the Club enjoyed a most enjoyable meeting at The Wheel. This is an event that should become annual, because The Wheel is such a great facility.

Undoubtedly, the most exciting event of the year was the visit of Rotary International President Elect Bill Boyd and his wife Lorna to our Club in April 2006.

We met as a club at the Thorndon Park Rotary Wheel with some VIPs. And it rained!

Comfort Boxes & Children's bags

A new venture for us was the **Comfort Box** Community project for women coming to the Eastern Domestic Violence Centre. Often women have had to escape from their situation of violence in such haste that they arrive at the centre **without even a toothbrush**

It came into fruition through Annita Sommariva.. Inside the Comfort Box are essential personal items, including a tooth brush, to tide them over until government assistance begins.

Domestic Violence project

Children are also given a bag of school essentials. Including a bear knitted by Pat Donaldson, wife of charter member Barry.

ROMAC: Mervyn

International Service highlights were

- Our hosting for the first time of a ROMAC (Rotary Oceania Aid for Children) patient. Mervyn, from Vanuatu, needed facial surgery. He and his mother Leonie enriched the lives of those who met them. (For me it was his joy at seeing a giraffe and a kangaroo for the first time on a visit to the zoo.)

Schools into Smiles

- The 'signing off' of two Rotary Foundation Grants with RC Madras Palava for '*The Schools into Smiles*' project. Two teams from the club visited India to review progress in February and March. Bob and I went in February. We were given a great time. Having the GSE team from Mexico with us for six event packed days in April.

Mexico goodbye

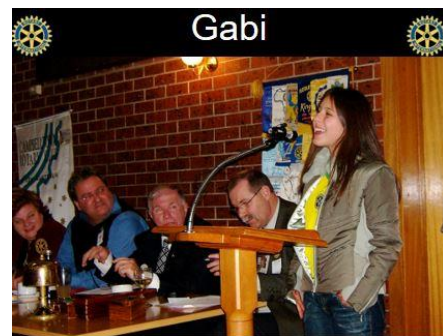

GSE Mexico

In *Youth* we had students in the Rotary Youth projects of RYLA, RYPEN, NYSF, and the Siemens Science forum.

What was new for us was the hosting of inbound long term youth exchange student, Gabi Amarale from Mexico. Our meetings and our lives are enhanced by enthusiastic, happy, charming Gabi, who is a great ambassador for her country.

Must mention the scariest **Vocational visit** to a Funeral home. These two creatures jumped out on me.

FUNDRAISING

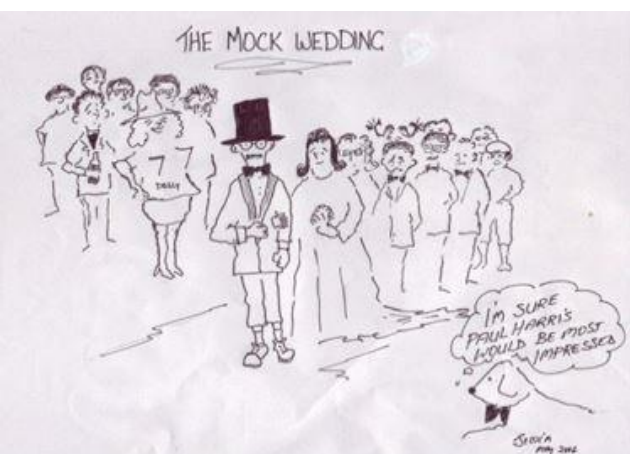

The SHED. Made \$46,000 in my year

The Bill Boyd visited the Shed on that day in April

Carnevale was a great success too. I miss it.

The FUN award for the year went to **'The Mock Wedding'**, where the reception for Wanda Doitt and Justa Biggins, their families, and assorted guests took place at the Athelstone Football Club. It was an absolutely hilarious evening, of constant laughter. Such unforgettable fun only happens when ingenious ideas are brought to fruition through clever planning.

At that year's District

Conference our club won three awards
 Best Fundraising: for the Shed
 Best Community: The Rotary Wheel
 Best International: The Schools into Smiles in India

Cartoonist Garth was so much Fun. This one being one of my favourites.

At the end of my year as president I did something that would have been quite unusual for Rotary: *I presided over the meeting the inducted my husband as the incoming District Governor.*

And that next year was amazing!

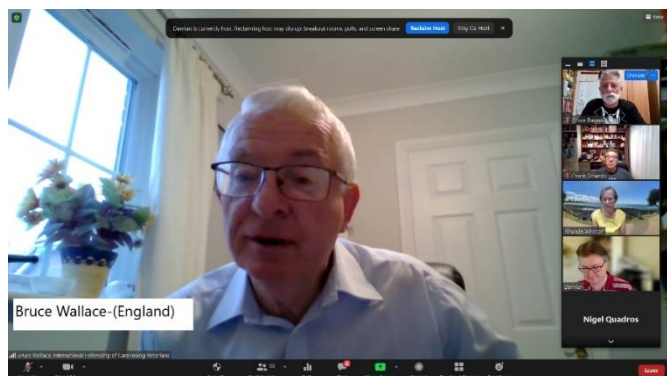

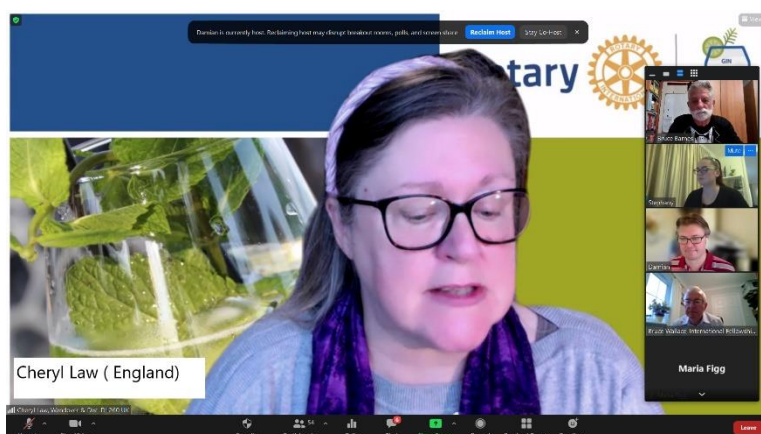

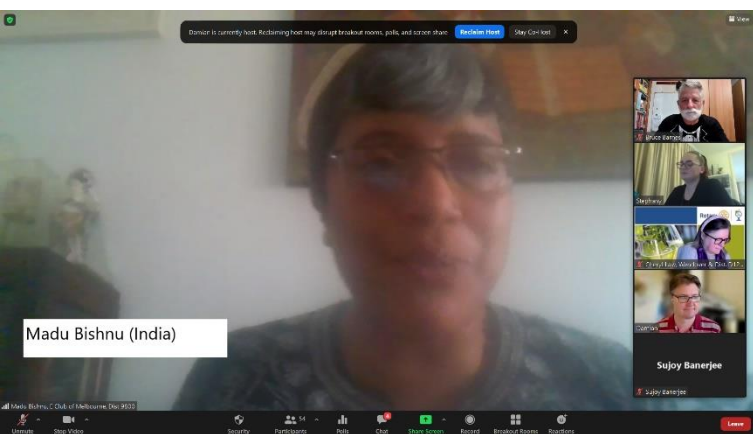

Guest Speakers Vide Zoom – Rotary Fellowships

Rotary Fellowships are international groups that share a common passion. Being part of a fellowship is a fun way to make friends around the world, explore a hobby or profession, and enhance your Rotary experience.

- Madu Bishnu from the [International Rotary Educators Fellowship](#) and the [International Travel and Hosting Fellowship](#), (from India)
- Cheryl Law from the [International Fellowship of Gin Drinkers](#) and [Rotary Wine Appreciation Fellowship](#); (from England)
- Rhonda Whitton from the [International Fellowship of Cruising Rotarians](#); (from the Gold Coast Qld)
- and Bruce Wallace from the [International Fellowship of Caravaning Rotarians \(England\)](#)

Rhonda Whitton

All the speakers were passionate about their particular fellowship and Rotary. Fellowships are a great way to share common interests, learn & discover new things, make new friends and stay in touch . Give it a try. I will ! Just not sure which one to join first . You will discover a whole new world. (See Flyer)

- Pics of the Australia Day BBQ Breakfast held at Rotary Park Wednesday 26 January**

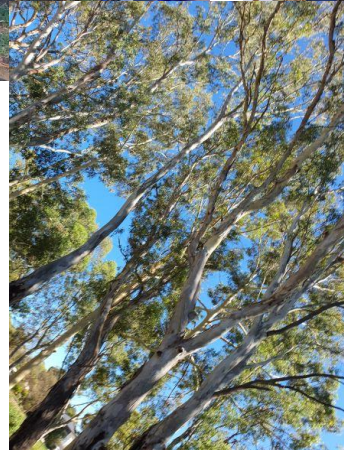

There was a great turnout at the Australia Day BBQ Breakfast. Thanks to Denise Dinham and her fellowship team; Babu & Jane Gascoigne collecting the money; the guys cooking the BBQ and the many helpers, the morning was a great success with everyone enjoying the special day at Rotary Park. The BBQ breakfast was fantastic, and the pavlova & lamingtons topped it all off. The weather was nice as was the company. A great relaxing morning with great fellowship. Did you know that Rotary Park & its stretch of the luscious lawn is the only irrigated section within the linear park precinct in the Campbelltown Council area.

It is a credit to our great Rotary Club and past members who had the vision to liaise with Council and create this gem for all to enjoy. It was great to see the public either passing through on the walking trails or stopping to enjoying the family playground and the facilities. A big thank you to past member Chris Gascoigne who was passionate about establishing this park. He was the Club's Community Services Director in 2013-2014 when the Park officially opened on the 23rd of February 2014, for all to enjoy.

In memory of Chris who passed away on Thursday 24 Jan19, nearly 3 years ago to the day, you may have noticed, there was a park bench with a plaque, quietly tucked away and near where we celebrated. We salute you Chris for your vision, for your altruism and with the support of your loving wife Jane, you certainly left your mark on the world and made it a better place.

- Advance Rotary's public image and identity
- Serve as an incentive for joining Rotary and for maintaining active membership

ORGANIZATION

- Function independently of Rotary International by establishing their own rules, dues requirements, and administrative structure.
- Are open to Rotarians, their family members, as well as participants and alumni of all Rotary and Foundation programs.

STARTING A NEW FELLOWSHIP
