- **After Sergeant Garth's invocation & loyal toast**, President Stephany welcomed members, guests & those attending on Zoom. A warm welcome to guest speaker, Martin Haese who will speak on Business SA & a special welcome to Betty Gebhart who is being inducted as a member.

Secretary Frank Orlando

Please see Secretary Frank if you require new social name badges etc. The last batch of nametags that were distributed were "sticky" & faulty, so if you need them replaced, please hand them back & they will be replaced with a new order, free of charge.

- **Susan Harris announced that last years 2020-2021 Annual Report for PP Vince's Presidential year is now available** and is being distributed tonight. Susan thanked Jane Gascoigne for the enormous amount of work she has personally done in publishing the report and thank you to all the Directors, and contributors. A special thanks to Paradise Motors who printed them all. Please take the time to check your details in the Report and let Margaret Northcote know if they are not correct or need to be updated, especially regards your personal contact details, email etc.

- **Denise Dinham spoke on next week's meeting which is Melbourne Cup Night**, a Partner's night. Cost is \$25 a head for a lovely meal. Please bring small change for the Sweeps & raffles (Cash only). Prizes for best dressed Male & Female; We have a Guest Speaker, Dr Campbell Baker a Veterinarian associated with the horse racing industry. It will be a fun night so please join in and make the most of it. Please let the attendance officer know if you are bringing a partner or guest or are an apology.

Please see the Flyer.

- Denise also announced the **Club's Christmas Dinner for Monday 13th Dec**. It will be \$45 ahead and payment 3 weeks before i.e., Monday 22 Nov.

- **Community Services Director Elizabeth Gagliardi spoke on the Community Connections Café** held on the 2nd & 4th Wednesday of each month at the Margary Dunn Centre and is fully supported by Campbelltown Council. Please come along and see what we are doing or to offer help on the day. For more info, please contact Elizabeth 0403 602 999.

Special thanks to those members & partners who assist on the day.

It provides a much needed casual & friendly community meeting place to catch up, get connected with others, have a chat, a cuppa, a light meal, play games & craft, be entertained, do group exercise, participate in cooking demonstrations etc. All the while, it is a place to GET CONNECTED, meet new friends and discover what community services or assistance is available. A great way to avoid isolation or loneliness and improve everybody's physical & mental wellbeing.

A video grab (A link is [Here](#)) taken from the Mayor's September Campbelltalk was then played with PP Vince narrating and speaking on the Café and it's growing success.

Stills from video shown here

- **Ralph Holmes thanked PP Vince and Elizabeth, along with Council for getting the Community Connections Café up and running so well.** It was a project envisioned in Vince's year and now it is a reality & growing steadily.
Just a reminder -There is a Shed sale this Saturday, so help is needed on the day & the Friday morning before to setup.

Induction of new member Betty Gebert

- **Damian Leach introduced his nominee Betty**
Thank you, President Stephany, Rotarians and guests, It is my please tonight to introduce Betty Gebert. Betty has had a diverse work career as well as volunteer work ongoing throughout.

Betty worked alongside and supported her late husband on their dried fruit property for over 53 years. Before that qualifying as a nurse and community health educator.

Much of Betty's volunteer work has been after work, evenings, and weekends, including many years providing diabetes screening at the annual Mildura Show.

Other local programs involving her volunteering included being a First Aider for numerous programs for the Merbein Centennial celebration, Children's activities coordinator at the Great Australian Vanilla Slice Triumph, and 16 yrs as an inaugural founding member of Chaffey Aged Care facility from application to fruition to a 60-bed low care ageing in place Facility (which has now been expanded to 100 beds).

Betty is a returning Rotarian and a multiple President of the Rotary Club of Merbein, I came to know her through my time as the District Chair of Learning and Development, and I think we first met at the Presidents-Elect Training held in Renmark. Betty is a Paul Harris Fellow.

Betty has spent substantial time raising and following her four children's lives, including her grandson Chase who is here tonight. When her late husband passed away, Betty moved to Adelaide to be closer to them, as they all moved away to pursue higher education and find their life partners. Betty has 11 grandchildren, with 7 in South Australia. Betty says that family has always been central for her.

President Steph then inducted Betty into the Club.

She will serve under Elizabeth Gagliardi Director of Community Services & her mentor is Gail Casey.

- **After her induction** Betty responded by thanking President Steph and the Club for the opportunity of rejoining Rotary after four years. She was proud to have her grandson Chase attend with her tonight and she is looking forward to building many more friendships within this great Club.

Pictured above are Director of Community Services Elizabeth Gagliardi., Damian Leach, Betty Gebert, her grandson Chase bower, President Steph, Secretary Frank Orlando and Gail Casey (mentor)

Rotary Information –My year as President- Peter Allen 1990-1991

The year was 1990 to 1991 and what a year
The District Governor was Keith Shaw
The world President was Paulo Costa and his theme for the year was

HONOUR ROTARY WITH FAITH AND ENTHUSIAM.

The night of the change over a charter member looked at the banner and said “what a good Idea “I asked what, and his reply was Euthanasia as he knows of a few that should be put down... so that started my year.

The meetings were held at the Reservoir hotel and We had a very busy year with raising monies and had a wonderful Fellowship year which included a Mocking wedding, Mayoral Ball, Barn Dance and a progressive dinner to name a few.

Ghost Gum Gully Tree Planting

We built the now old shed where the electrical good are tested,

Worked up at the Ghost gum Valley planting over four hundred plus trees,

Then to Black Hill to eradicate the olive trees which was a very hairy job hanging over gullies to cut and poison the trees.

We also took on the job of demolishing a house in Lennox St which was part of the N.E. Community Hospital we raised \$3000 and did not lose one Rotarian No thanks to the late David Tuckwell who got on the roof and throw the tiles down while we were pulling the floor up and removing the windows.

Stan McPhee run the Auction and Jumble Sale raising \$12078, This was held at the Memorial Oval which meant transporting everything down there and binging the leftovers back the Benjamin Street.

The Rotary club had previously bought a special van for a Spina Bifida Girl by the name of Abby Burton, when Abbie no longer required it and handed it back to the club, the committee searched around and found a worthy

Access Van for Chris Wilcox

recipient by the name of Christopher Wilcox a 6yr. old with cerebral Palsy who was limited to what his parents could do in regards to take him out.

David Sipek Group Study Exchange to India

We also donated \$3000 to the R.A.H. Spinal Dept. for a special chair.

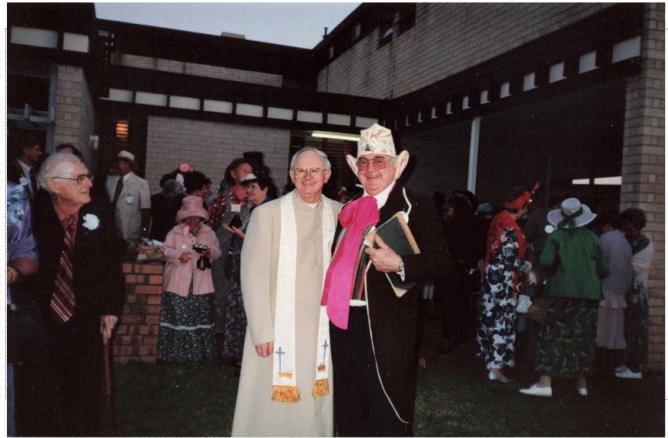

One of our senior members the late Vic Sharp was inducted into the Baron of Barossa Wines Fraternity.

We said Goodbye to our Exchange student Juan Ramon Domingues from Mexico in July and Jennifer Weiwo from Vanuatu at Xmas and in the new-Year welcome Lillian Hattstad and Erk Wiemer new exchange students.

Fun Raising Barn Dance

Mock Wedding

Mock Wedding

Mock Wedding

The club also supported David Sipek for the Group Study Exchange to India. Who gave an interesting talk on his return.

Peter Rumbelow ran a very successful Art Show raising a total of \$27000 with a \$6700 profit for the club. In total the club raised a healthy sum of \$29437.00

We had as fellowship progressive dinners a night at the Trots, Lawn Bowls at the Tranmere Bowling Club, A Barn Dance held at the Stoneyfell winery.

On the 18th. February, we had the 25th. Anniversary of the formation of this our club. This was held at the Reservoir Hotel where 140 members, partners and special guests attended, Included in that numbers were still Nine of the original charter members. The night was enjoyed by all.

Members of the Board 1991

DG's Change Over 1985 – 86
"The Campbell's are coming"

On this occasion the then Mayor of Campbelltown Max Amber approached the club with a suggestion that for our 25year that we as a club build a Rotunda in the Thorndon Park. After taken this to the board it was agreed to do this project and we started plans allocated monies and after a slow start in got under way and was completed early in the following Rotary year.

Finally, regarding membership that year, we inducted 10 new members, Had 3 Resignations due to work commitments and sadly we lost a Charter member Gordon Strawbridge a true gentleman, this gave us for the year a total of 68.

Well, that's the year 1990 to 91.

Guest Speaker –Mr. Martin Haese – Topic Business SA

- **Chair Jane Gascoigne introduced Mr Martin Haese** who is the current Chief Executive Officer of Business SA and has an impressive track record as a business owner and entrepreneur. Having previously owned his own national retail companies, Youthworks and Sole Shoes, Martin founded and then grew the business to achieve annual sales of \$25 million, employ several hundred team members and oversaw a global supply chain. Following the sale of Youthworks and Sole Shoes in 2005, Martin opened Retail IQ, a specialist advisory business working with local governments in Australia and Real Estate Investment Trusts in Southeast Asia.

Martin co-founded the Entrepreneurs' Organisation in South Australia and has taught entrepreneurship for MBA students across the nation. From 2010 to 2013, Martin headed the Rundle Mall Management Authority, a subsidiary of the Adelaide City Council, where he led Rundle Mall's upgrade. As General Manager of the Rundle Mall Management Authority, Martin provided advocacy and program support for more than 700 retailers and 300 business and commercial property owners. He deeply understands the challenges facing SMEs.

In 2014, Martin successfully ran for the office of Lord Mayor of the City of Adelaide where he successfully served a four-year term. As Lord Mayor, Martin delivered a number of key innovations to drive economic growth in the city, including Ten Gigabit Adelaide, Australia's fastest fibre optic data network. He is highly respected by the business and employer community, has extensive networks and is well-regarded by all sides of politics.

Martin was born and raised in Adelaide and South Australia has always been his home.

Martin is married to Genevieve who was born in Singapore and educated in the United States and United Kingdom. Genevieve worked for a global advertising agency in London before founding her own media and wellness businesses in Singapore and Southeast Asia.

Despite the heavy workload and frenetic pace of public office, Martin was able to forge relationships and strengthen ties with people from all walks of life. He is as comfortable in conversation with the Works Department staff as he is in the company of Prime Ministers and other world leaders.

Martin is an accomplished public speaker having addressed several thousand local government, retail sector and entrepreneurship events in Australia, Asia and Europe, throughout his career.

While 'free time' is often a foreign concept, Martin enjoys reading, writing, nature and the arts but particularly music which he enjoys both actively and passively. Martin is also passionate about historic motoring and especially British vehicles from the 1960's.

Martin speaks conversational French and is learning Mandarin and Bahasa.

- **Martin then gave a most interesting and candid talk** on his background & history. His first retail business was at the Brickworks markets & it was there he learnt how to buy & sell, & to look after your clients. He believes in the role of service, and it serves well both in business, public & private life. When he started business there were no rule books, but he always had mentors he looked up to, and always asked a lot of questions. His strong retail background & philosophy took him to pursue other endeavours. ie to do his MBA & later teaching MBA and eventually Lord Mayor of Adelaide. He spoke briefly on his role on Council and as Mayor. It was challenging, exciting, busy but it was always an honour & a privilege to serve. You just have to get on with it and put yourself and your reputation on the line. Between 2014 -2018 he was home for dinner with his wife about 4 nights a year! He spoke on the different challenges facing the City Councils. Simply put, Suburban Councils are mostly residential with some business, but City Councils are mostly business with some residential. You have to be collaborative & ensure the Council Chambers are a place for rational, considered debate & make those tough decisions in a timely manner.

In the service of Council, he has met, many good people, who are motivated by service.

He then spoke on Business SA, formerly SA Chamber of Commerce & it's history as being the oldest such business organisation in Australia, that can be traced back to 1839 founded in SA.

Business SA -is bipartisan & not for profit, is membership driven and advocates and provides client services for members.

Covid has caused havoc for many members, and they have had a torrid time. Some businesses however have done better with covid, either by circumstances, demand for their niche services or by reinventing their business model to adapt.

Like us all, Business owners crave certainty most, so they can make the right decisions for the future.

When he was 23yo and running his shop at the Brickworks he discovered motivational books by Paul J Meyer of the [Success Motivation Institute](#). He still believes in that philosophy. “You have to have the heart of a servant”. It is true in life and business.

Martin concluded by saying “Service is embodied in the DNA of every Rotarian. Thank you for what you do and do so well- SERVICE.”

At the conclusion of his talk Martin answered some questions ranging from climate change & his thoughts on the energy path in SA for the future too the challenges of being a City Mayor.

Pic Left: President Steph after thanking Martin for his great talk Martin & Chair Jane Gascoigne.

- **Move over cattle, stock tank plunge pools are the new cool trend**

Another interesting segment on the ABC Country Hour recently relates to the following:

Apparently, due to covid and people locked down & staying home some enterprising rural steel tank manufacturers have unwittingly found a new niche market & diversified by supplying steel water tanks custom made for the residential /urban backyard plunge pool market. They are a growing trend. Read about it [Here](#)

BE WELL PLAN

- Flinders Órama Institute for Mental Health and Wellbeing has partnered with the SAHMRI Wellbeing and Resilience Centre to deliver a new program called the Be Well Plan; a program that helps you craft a unique evidence-based strategy matched to your needs and your unique circumstances, so you can stay feeling well and grounded.

The Be Well Plan is a 5-session (10 hour) program that teaches you to find and master easy-to-use skills to build your mental health, wellbeing, and resilience. It is currently being offered for free. The program is tailored to you and backed by research.

Hundreds of people have participated in the program and well over 2,000 people have requested a free wellbeing measurement. The initial evaluation showed that the results are profound, with significant improvements noted in all measured mental health outcomes, but more importantly showing real impact on participant lives. Link is [HERE](#)

After completing the Be Well Plan my friends and family have commented I sound 20 years younger! My wife says she's rediscovered her husband again. The program includes a whole of life analysis, the materials are superb, it's tailored to your specific needs. My personal relationships with others have really benefitted from me completing the Be Well Plan. There's been a big change; I am communicating more, more openly and I am more engaged with the other person's needs. I have gained far more than I could have imagined by completing the Be Well Plan.

Fines session by Sgt Garth (contact Aaron (0431 213 870 aaron.stobie@salvationarmy.org.au)

Those who haven't had a jab; Manfred & Netty for stopping the Sgt getting out of his car tonight; Tony Uren hadn't played golf at Victor for a few years and went to play and had to cough up \$2000 in membership fees; Peter Rumbelow being a nurse to Tony Uren; David Fenton good to see you so that is \$1; Geoff Brett taken the car to Victor for golf so his wife has to walk everywhere.

Welfare officer's Report- (Please contact Peter Rumbelow on 0402 844 304 or peter@rumbelow.net)

David Munro was unfit for golf on Monday morning but bravely battled on and was able to attend Rotary. Rotary dedication exemplified.

Gina Holmes has returned home after a spell in hospital with pneumonia. Weakened but recovering. Tony Uren has further surgery scheduled to rectify persistent infection in his jaw. His recovery is considered to be outstanding by his medical team.

While I have not contacted Lou Dimech for several weeks he is reported to be recovering quietly. We wish him well and hope to see him back among us as soon as he is able.

John Schubert will have a hip replacement on 18th November, and we urge him to build up the surrounding muscles to make his recovery less traumatic.

It was good to see Hans Graf at our meeting. Hans has recovered from a gall bladder procedure and been unable to attend meetings due to lowered resistance to infections.

For all those who are unwell, under treatment or convalescing and are mentioned in this column your Rotary family are sincerely thinking of you and your loved ones as your welfare and health are of concern to us all. May you get better soon.

Ageing Well in Campbelltown – Expo and Celebration Expressions of Interest sought.....

You are invited to express your interest in participating in Campbelltown City Council's, **Ageing Well in Campbelltown – Expo and Celebration 2021**.
The Expo will be held at the Campbelltown City Council Offices & Function Centre,
172 Montacute Road, Rostrevor,
on Tuesday 23 November 2021 from 10.30am – 2.30pm
Fashion Parade 2.30 – 3.30pm

This Expo will celebrate and showcase information, organisations, services, groups, facilities, opportunities and support, to *Age Well*, in the City of Campbelltown. The target group for the day is people over 65, their families, care givers & friends. We plan on having information stalls, talks, workshops, light refreshments and entertainment. It will be a great opportunity to promote your organisation, share information and meet our Community.

To be involved on the day please complete the EOI form below.

For further information please contact:
Bianca Connelly, Community Development Officer - Active Ageing.
