We collected \$159.50 in gold coin donations and Council gave us another \$150 for the Club's services at the Expo.

- Jane Gascoigne reminded those who have not yet booked for the District Conference that the early bird discount finishes at the end of this month.

- Ralph Holmes gave his Shed report.

- Firstly, another great big thankyou to Rotarians, Partners and Volunteers for the work done in the Shed over the course of the month. Sadly, sales were a little slow on Saturday despite our best efforts in raising the profile of the Shed through the Public Image Committee and the great work Alyssa does and the emails and other advertising we do.
- The gross sum earned for the month of November to date is \$5765.30 which is a really valuable contribution to the funds available for distribution on our Charitable projects.

- My sincere thanks and appreciation to Jeff and Jenny Neale at Paradise Mazda for the provision of the van and trailer which enables us to undertake the pickups and also deliveries on sale day.
- **Gail Casey needs help in the Manchester department** so if any Rotarian or partner would like to spend a couple of hours and also enjoy great fellowship on a Tuesday morning, please contact me or Gail.
- With the Donut apron on, thank you to everyone who has volunteered to assist with the Moonlight market stall on Friday and also the Carols in the Park stall on Saturday. I will circulate the draft rosters to those members and partners involved. I hope these events this week are really successful.

Guest Speaker - Matthew Richardson-Renewal of the PA Football club

- **Port Power fan & Chair David Fenton introduced & welcomed Guest Speaker Matthew Richardson.**

Matthew completed his Bachelor of Education (Phys Ed) in 1993 and joined the South Australian Cricket Association (SACA) as a Development Officer in his final year of study. At the SACA, he progressed with to Game Development Manager, with the growth of sports development, whilst undertaking further

study with a Graduate Diploma Business (Marketing) at University of South Australia and then commenced an MBA which he completed in 2009.

During his time with the SACA, he co-founded a sports management business, Athletes1 Australia, and then joined the Port Adelaide Football Club (SANFL) as Marketing Manager in February 2001. The sports management business continued to grow and expand, and Matthew maintained a key role in strategy and business planning as a Director.

In May 2004 Matthew was appointed the Chief Executive of the Port Adelaide Magpies Football Club (SANFL) and oversaw the SANFL Club through a period of significant challenge and change, dealing with many financial and strategic issues which would shape the future of the Club.

In 2009 Matthew joined the Port Adelaide Football Club (AFL) in a special projects role focused initially on commercial growth. This quickly saw the move to Adelaide Oval and then leading the Club's strategy to unite Port Adelaide as One Club, bringing the Magpies in the SANFL and Power in the AFL together. This led to the official reunification of the Port Adelaide Football Club in November 2011, which was a catalyst to the club's successful move to Adelaide Oval in 2014 and membership growth from less than 30,000 in 2010 to over 60,000 in 2015.

Matthew was appointed Executive General Manager of the Port Adelaide Football Club in 2018, and in October 2020 as the Chief Executive, replacing Keith Thomas with whom he had worked closely for nine years.

He has extensive experience across the journey of the Port Adelaide Football Club including.

- AFL and SANFL separation
- Port Adelaide's brand and membership strategy
- One Club reunification
- Transition of AFL football to Adelaide Oval
- Playing the historic AFL games in Shanghai in 2017-19
- Managing through COVID
- Strategic Planning and the way forward

Matthew was instrumental in building and implementing the Club's bold strategic vision, Chasing Greatness and is now leading the Club as it works to a new agenda in the post-COVID era of the AFL and the Port Adelaide Football Club.

- **Mathew then spoke** and gave a presentation about the Renewal of the PA Football club. As a child his family were avid Sturt supporters but always respected Port's success within the SANFL. They were a powerhouse in their BRAND, VALUES, SPORTING SUCCESS & COMMUNITY. He then spoke about the historical journey of the Port Club since those earlier days and his involvement over the years to where the Club has evolved now.

From 1997 to 2011 the PAFC BRAND was

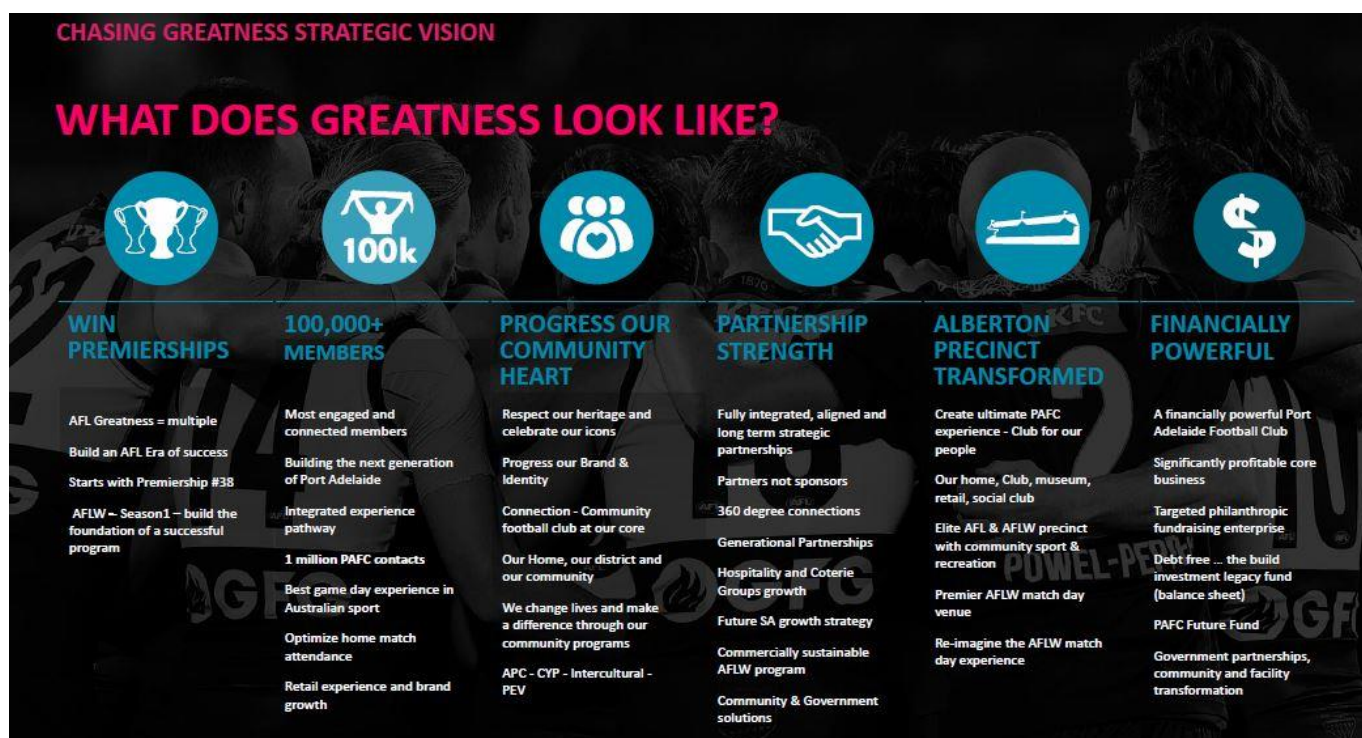

- Inconsistent In The Way It Looked
- But More Importantly, In The Way It Acted
- It was 'schizophrenic'
- Which one is THE REAL PORT ADELAIDE...?

It was in 2013 they changed the coach and in 2014 they changed the narrative to reconnect with members & stakeholders. Mathew said that as Chief Executive he sees himself "as a bus driver who must have a clear picture of what direction the Club is going & the best way to get there -i.e. a Strategic Vision."

CHASING GREATNESS Strategic Vision

AN ERA OF UNPARALLELED SUCCESS

At the conclusion of Matthews talk there were many questions, especially from the avid Port fans who were dressed for the occasion.

Matthew skillfully answered all the questions with “no handballs”, with Chair David Fenton thanking him for his time & most interesting presentation.

Pictured right are Chair David Fenton, President Steph and Matthew.

• **WHEN TOGETHER, WE DO GOOD IN THE WORLD**

PDG PETER GARNETT, REGIONAL ROTARY FOUNDATION COORDINATOR — NOV 8, 2021

*November is
The Rotary Foundation Month*

The Foundation's Mission is to enable Rotarians to advance world understanding, goodwill and peace through the improvement of health, the support of education and the alleviation of poverty. These causes resonate with today's Rotarians, future Rotarians and donors.

Here are some words of wisdom from a man and Rotarian I look up to with huge respect – Past RI President and TRF Trustee “Ravi” Ravindran:

“... when I consider, as I sometimes do, the ways in which my life would be different today; I realize how much poorer I would be now had I not joined Rotary; not in money perhaps, but in affection, in respect, in achievement, in friends, in everything that is worthy and worthwhile.

- I might, perhaps, now have a larger bank account, but I would be a smaller person.

For Rotary is a place where people go, not to make their living, but to make their contribution; heeding the words of Winston Churchill, that “We make a living by what we get; we make a life by what we give.”

To me, Rotary is both a means to an end, and an end in itself; it is a way to make the world a better place, but it also makes my world a better place, for me and for my family. It is a way to give of what I have; but what it gives in return makes my own life richer. It allows me to make my mark on the world—and yet it also has made its own mark, indelibly, inalterably, upon me.”

(extract from his address on being conferred with a Doctor of Business Administration by the University of Korea, Dankook).

These words resonate with me. They reflect in so many ways why I am a Rotarian and why I have personally chosen to actively support The Rotary Foundation. The Rotary Foundation is “Our Charity”. As such, it relies on regular contributions from both our clubs and from us as individual Rotarians. November is the month when I make my personal contribution to Our Charity.

I ask each of you (who have not already done so) to join me, to make a pledge to start your personal giving to our Foundation this November.
