- **Ralph Holmes gave his Shed report.**

It is my pleasure to report on the activities of all of our wonderful volunteers, Rotarians and Partners for the work done at the Rotary shed over the last month, including on Tuesday mornings.

Thank you to all who responded to my plea for help – I ended up overstaffed in the BBQ and coffee area, but that is a great thing as we now have more people trained on the fantastic coffee machine donated by Paradise Mazda and fed with filtered mains water thank to Rotarian Mick Mitolo, Crystal Clear Purification Systems and Scotts Plumbing Plus – thank you to all of our supporters.

This month, I wish to highlight the great work of our amazing volunteers and Rotarians who work tirelessly at the Shed every Tuesday morning of the month to prepare for shed sales – no days off for these amazing people led by Renata Allen. One of our non-Rotarian volunteers, Alysse, works tirelessly (and I am sure she would not like to be singled out) in our book and stationary section and really needs a little help and if any Rotarians or partners have an interest in this area they would be very welcome.

Renata Allen often takes special donated goods to Scammells Auctions and this month she made \$600 (actually \$599 but I will give the sergeant a dollar). Val and Mal's daughter sold \$130 on line. Thank you to Renata, Val and Sandy. Other sales during the course of the month, largely from our on-line sales amounted to \$2,538.

The on-line marketing (a big thank you to David Richards and Val Hansen and all Rotarians who attend at the shed many times each week to finalise sales) has really raised awareness of not only our shed, but of Rotary. As an example, while one customer came to the Shed to finalise a sale for a lounge suite for \$150, he was able, as a recent migrant to our State, furnish his new home including refrigerator, for \$820. So many new regular customers, were once Marketplace customers and this is really fantastic!

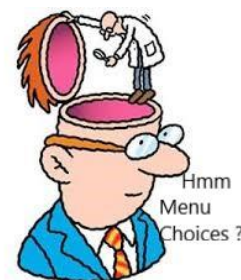

On Saturday sale day we raised \$4,040.90 giving a total raised for the month of \$7,307.90 – an excellent result for all of the hard work done by our Rotarians and volunteers – well done Team!

I again wish to sincerely thank Jeff and Jenny Neale and Paradise Mazda for their generous support in terms of the Van for pickups and the reception facility for our goods Donors and everything else including the photocopying of shed sale notices – Thank you Jeff and Jenny.

And finally, to ensure I have not missed anyone, thanks again to everyone who contributes to the success of our major hands-on fundraising project, The Rotary Shed.

- Luigi D'Angelo President of the San Giorgio La Molara Community Centre Inc.** thanked our Club for our support in meeting at San Giorgio's who like us are a Community based Club. Regarding the choice of meals and menu he spoke on how he wants to work with us & strive to improve the meal quality and choices available. "We want to help you and you to help us ". It is difficult for San Giorgio if at short notice too many Rotarians request a different meal than scheduled or numbers on the night do not match what was originally expected based on attendance/apologies supplied by David Munro. Some flexibility can be allowed for to a limited degree but can be problematic and really needs to be done better in the future to realistically make things easier, more satisfying & cost effective for all. Luigi said that he will supply the menu in advance which can be published in the newsletter each week . Going forward he suggested that he would like to see suggestions, or a survey done for types of meals / menus that members would like to see offered by his Club for our meetings. He can then plan to offer other choices based on the majority of likes/dislikes in the weekly menu that reflect what we want or prefer. We can then all work to a common goal where everyone is happy. Attendance officer David Munro offered to prepare a survey to be circulated to members asap.

- DG Jeff said a few words.**
  - Both Jenny & he had visited 79 clubs this Rotary year and had 5 left to go.
  - The District was very strong and that Campbelltown is the biggest Club but that other smaller Clubs are doing a great job.
  - Thank you to Kevin O'Neil for allowing us to hold the District Assembly last weekend at Charles Campbell College. It is a great facility & was ideal for the Assembly. Also thanks to everyone who helped or attended on the day. That is what Rotary is about.  
A special thanks to Damian Leach.
  - Stephany Martin will be taking over the Area 8 Governor role from Brian Kretschmer. The buzz word is Regionalisation but we haven't got the full details yet !
- Margaret Beare gave a report on the April District Conference which was a great success.** She thanked all who took part Club members & partners. Over 400 attended and spoke highly of the organisation of the event and the quality of speakers etc. Thanks to DG Jeff & Jenny, Susan Harris as Conference Chair, ably assisted by John Schubert , Jane Gascoigne Registrar , PE Michael McCabe and many others who all worked together putting in many dedicated hours to make it the success it was. Other highlights were the Quiz Night which was a lot of fun & the Masquerade Dinner where the food & entertainment was fantastic. Nutbush City limits wore us all out! Thanks to Elizabeth Gagliardi and her team for all the hard work they did to organise and prepare and cleanup after both events. A herculean effort that paid off in spades. Thanks To Don Marcoionni & others for the making of the huge colourful masks & centre table pieces all decorated and on display throughout the hall. Fantastic! I know DG Jeff and Jenny were very proud. Well done everyone and Thanks.

### Rotary Information- Babu Kanagasabai – My year as President 2018-2019

---

D G Jeff, President Steph, guests and Rotarians,

Several members came up to me and said 2018 – 2019 was their better years in Rotary. As naïve as I am, I did not understand what they meant.

Then I realized I was President that year. They were not wrong. It was also MY best year. I was taken from zero to hero.

Before I proceed, I once again would like to thank the members of this Club for entrusting me with this very responsible and prestigious role and it was my privilege and honour to have served as President of this great Club.

I could not have done it alone without the support of the Board and the members and the several members who played the behind the scene roles .

The theme for the year was “Be The Inspiration “  
District Governor was Kim Harvey and the R I president was Barry Rassin.

My vice President was the late Bryan Schell who volunteered for the role and was a true gentleman and a good friend of mine.

By a strange coincidence I had 2 members from ASIC on the executive Board. I was not sure if they were there to keep me straight. But they were no second best. They were the best and my sincere gratitude was to Ralph Holmes who also volunteered to be Secretary and he also continued to be Secretary the following year when Benny Bosman was President.

Michael McCabe was treasurer and the following year taught me how to cook the books when our Treasurer the late Lee Aldenhoven passed away suddenly, and I am still cooking the books.

On the Board was Elizabeth Gagliardi as Immediate Past President and Benny Bosman as President Elect.

Vince Belperio was the Director of Community Services and we spent \$20,000 on various community projects including donating \$5,000 towards the Farmers drought Relief Fund. The Charles Campbell Grave

restoration Project was completed under the capable hands of Enzo and David Fenton.

The late Pat Routolo was Director of Fellowship Committee and kept us entertained and together at the Rezz Hotel, children's Party. Club B'day and our highlight was the visit to Paradise Motors and DG Jeff Neale was presented with the Pride of Workmanship award. Another highlight was a visit to the Hindu Temple where we had a vegetarian dinner.

Paul Eliseo was Director of Vocational Services. The year began with the combined fellowship and vocational visit to Paradise Motors.

Jeff Blanco presented another pride of workmanship award to Michael Auciello of Chemist King at a later date. Paul also organised a visit to the Enfield Cemetery with the Director of cemeteries Robert Pitt as our Tour guide.

Veteran Tony Lagozzino was the Director of International Services and we spent \$21,000 in various projects including \$3,000 to Shoes That Grow, \$5750 to RAM and \$6,200 to Shelter Box.

John Russo was Director of Fund Raising. Approximately \$95,000 was raised. Shed sales were \$65,500 under the capable hands of Brian Stevens, Artshow raised \$11,000 under the capable work of Netty Heinrich and Porchetta night raised \$3,700 under the capable hands of the late Bryan Schell.

We raised a total of \$95,000 and spent \$72,000 with a surplus of \$23,000.

Brad Silby was Director Of Youth Services and \$16,000 in the various projects including RYLA, NYSF RYPEN and Sports Grants.

Elizabeth Gagliardi was our Membership Director and we had 5 new members inducted that year. Des Collinson, Tyler Lawrence, Bob Basedow, Hiep Nguyen and our only red hair Aaron Stobie. Sadly, we lost Vic Agostonelli, Chris Gascoigne and Ian Reddy who were called to higher services.

We bid farewell to Jenna Saxe who was our Long-Term Youth Exchange student and were fortunate to host the GSE team from District 6040 Missouri and Jane Gascoigne coordinated a visit to Parliament House to witness a sitting of the House hosted by the then Speaker Hon Vincent Tarzia.

We also awarded the Paul Harris Fellow award to David Fenton and Enzo Piperone.

In conclusion, all this would not be possible without the behind the scenes assistance from Auditor Dean Crook , Attendance Officer Susan Harris , Bulletin Editor Bruce Barnes ,Historian Peter Rumbelow , Property Manager Bill Allan, Program John Bennett ,Photographer Enzo Piperone ,Public Relations Jeff Blanco, Sergeant Peter Allen.

As we all know The President is always given a running sheet to tell him what to say and when to say it. I consider myself fortunate they never told me where to go.

I consider it was a successful year and I handed over the reins to our Benny Bosman.

*Pictured left congratulating PP Babu for his talk on his Rotary Year is President Stephany.*

## Polio Survivors

Guest Speakers -Andrew Kyprianou & Helen Leach-from Polio SA

**Chairman Dr Nigel Quadros** who is also involved with Polio survivors introduced guest speakers Andrew and Helen from Polio SA and spoke briefly on the history of Polio and how the first vaccine began in 1956.

**Helen said that [Polio SA](#) has some 220 members on it's books.** Not many GPs know the long-term effects of Polio, so Polio SA is there to provide support & assistance to Polio survivors.

It's objectives are

- 1) To maintain POLIO SA
- 2) To liaise and promote an understanding between the professionals in our field and the community
- 3)To have the late effect (post-polio syndrome) recognized as a legitimate medical condition.

**Andrew as President of Polio SA** also spoke and said there was no main specialist group to assist Polio Survivors other than Dr Nigel's Team who provide great support for which they are so grateful.

It's no secret that we, the members of Polio SA are now entering our autumn and winter years and in 15 odd years' time, unless migrants become active in maintaining the organization it will no longer be needed....

however, in the meantime it is up to us, the current members to try and keep survivors informed, understand what latest developments are out there to ensure the best quality of life, people with polio, can achieve and to keep the Medico's alert to our specific medical requirements . Polio survivors are often overlooked even for such simple matters as disability car parks where many have mobility issues that need special considerations.

Thank you very, very much for your donation of \$3000 to Polio SA which will be put to very good use to continue our work and assist our members many.

After the presentation of the cheque Andrew and Helen presented the Club with Certificates of Appreciation to both the Club and Dr Nigel Quadros.
