Meeting 2589 – 4th July 2022

After Sgt Margaret's invocation & loyal toast President Michael

McCabe welcomed everyone to this

his 1st meeting of his Rotary Year as President. Michael apologised for the last-minute changes last week at the Changeover when initial plans were disrupted due to covid. Secretary Ralph, DG Jeff Neale and Michael were unable to attend due to isolating with covid but thanks to Zoom, could join in from home and be part of it. Michael is the first President in the Club to be inducted vide Zoom! "The good news is that we all have recovered." Michael reported that both Jacquie and he represented the Club yesterday, on their first day out of isolation, at a nonprofit function in Whitmore Square with the RC of Magill Sunrise.

- **Secretary Ralph Holmes** spoke on some Club matters and a couple of resignations from long standing member Bruce Davis and Veronica Dottore who is a carer for her husband. We sincerely thank them for their contribution as members and dedicated service to the Club.

The Gold Pot for this year is to go to the Mary Potter Foundation.
Tonight, is Committee night

- **Ralph Holmes "Behind the Badge talk II"**-then completed another chapter in his behind the badge talk that he initially did some years ago. His talk covered a topical year that was momentous in his life - 1994. Ralph spoke from the heart, on the events that were a Rubicon for him, his colleagues and family.

Garth Holmes introduced Jennifer Atisson (nee Waiwo) from Vanuatu

It was great to see Jennifer return to our club at this week's meeting. Jennifer was sponsored by The Campbelltown Rotary Club during 1990 to attend Charles Campbell High School.

Geoff Thorpe who recently passed away, was a Past President of our Club. When he retired in 1989 as a High school Principal, he volunteered with his wife Judy to teach in at Matabulu College in Vanuatu for 12 months. Geoff returned with glowing reports about one student, Jennifer Waiwo, with a recommendation that the club sponsor her to attend school in Adelaide which the club agreed to sponsor her for year 11 during 1990. Peter Allen was president for this year.

Jennifer lived with the families of our Rotary Club which included the Thorpe's, Matheson, Neale's, and Holmes families.

During her stay Jennifer was involved in youth activities at the Campbelltown Uniting church.

DAD GEOFF AND MUM JUDITH THORPE

On her return to Vanuatu Jennifer became a teacher then a School Principal and recently wrote the Primary School curriculum for schools in Vanuatu

Jennifer has remained in contact with all the friends she made in Australia. Several Rotarians and friends she made whilst in Australia have also visited Jennifer in Vanuatu.

Jennifer intended attending Geoff's funeral but because of the Virus couldn't attend. She decided to visit for a memorial service for Geoff instead.

ME AND HARRY

Jennifer thanked Garth and the Club for sponsoring her all those years ago in 1990. It had a big positive impact on her life. She then gave a presentation as below: -

Behind the Badge - Dr Dora Iuliano

Chair Jane Gascoigne introduced fellow Rotarian Dr Dora Iuliano

Dr Dora Iuliano is a passionate life-long learner, educator and leader.

She has worked for the S.A. Department for Education at various public primary schools and at head office, since 1980.

She is currently the Principal at Rose Park Primary, an International Baccalaureate School.

Her first teaching appointment was at St. Morris Primary School, where one of her earliest achievements in education was introducing Italian language and culture into the state curriculum.

In the 1990s, at Blair Athol and at Ardtornish Primary Schools, she balanced the dual roles of teacher and Literacy Co-ordinator.

From 2000, she continued in leadership roles at Tea Tree Gully Primary School - in Literacy, Numeracy, Technologies, Science, Teacher Librarian, Deputy and shared Principalship.

During this period, Dora was accredited as an Advanced Skilled teacher, which later saw her assessing other highly accomplished and lead teachers, state-wide.

In 2012 Dora was appointed as Deputy Principal at East Adelaide School, and from 2016 won Principalship at Thorndon Park Primary School, before becoming the Principal at Rose Park in 2021.

Dora holds:

a Bachelor of Education;

Graduate Diplomas in Languages and Educational Computing;

Master of Education; and a

Doctorate of Education.

She loves travelling both in Australia and internationally, skiing at home and abroad, watching action movies, dancing, and catching up with friends and family.

WHY ROTARY? Dora thanked Jane and said her Dad would have loved that she had joined Rotary , as he was very community minded and was involved with Lions , The Italian Club and sporting Clubs most of his life. Her father immigrated as a young man to Australia in 1927 and settled in Newton working in the market gardens before starting a family and getting a block of his own.

His motto was “you get back what you give.”

Why Rotary ? Well it all began with Kevin O’Neil , invited her to Immediate Past President’s Stephany Changeover and was very impressed on the day and the message of Rotary “Serve to Change Lives.”

Her passion is to instill Hope and pathways through Education & being actively involved in the Community. She also really enjoyed last April’s District Conference.

Dora then did a great presentation of her background ,growing up in Newton - some of the slides are shown below

- **Welfare officer's Report-** (Please contact Peter Rumbelow on 0402 844 304 or peter@rumbelow.net)

The following members of our Rotary Community have recently been isolated with Covid infections. If there are others who should be recognized I apologize as I have not been advised. - . Benny and Heather Bosman, Michael McCabe, PDG Jeff Neale, Dean Fleming, John and Gwenda Schubert, Dean and Sue Crook, Steph Martin and Alexa Leach (Damian expects to succumb as he travelled to and from the DG Changeover with Steph and Alexa). I believe that Susan Harris and Babu and Sue Kanagasabai are the latest additions.

Bill Allan's heart surgeon requires assurance the his lung infection is clear before he repairs/replaces the faulty valve. We wish him well.

Jim Beare is recovering at home following open heart surgery. He is progressing well and exercising as directed but has lost significant weight which is of some concern.

Lou Dimech has bad and not so bad days but is always happy to have a chat. We admire his spirit.

John Bennett rang me to advise that Dorothy has been hospitalized. Evidently her body has reacted to the stress she is experiencing, and she requires rest and healing. His daughter is supporting him, and another daughter and a niece are coming from Queensland to care for him.

Mal Hansen is having a cataract removed on 5th July. We wish him a successful result.

It was good to see Jim Silvestri at the meeting following his recovery from heart surgery.
