○ President Steph sends her apologies as she, along with many others are enjoying CROE (The Campbelltown Rotary Outback Experience).

○ It is with regret & deep sadness that we announce the sudden passing away of member Joe Hudspith. Joe joined the Club way back on May 1st, 1982. Both he & Jule gave much to this Club & Rotary. Our thoughts and prayers are with Joe's wife Jule and family. Their son Tim, who is interstate, would like to invite a small group of Rotarians to the funeral, subject to covid restrictions. TBA.

- **Thank you to all those who attended the Annual Campbelltown Service Club Dinner held last Tues 31st Sept.** The Council put on a great night, the Speaker [Dr Muecke](#) was inspirational, the different service clubs, members, activities & culture inspiring, the catering & service by Orlando Catering exceptional, and the company on the night magnificent. It was another great opportunity to catch up and share the night with other dedicated service Clubs, the Councilor's, and their committed staff. We are all extremely fortunate to have Campbelltown Council's support, so we can work together to assist & benefit the local community. So yes, despite covid, the Service Clubs & Council have continued on regardless, & making a difference. (Editor: See Photos of night at end of newsletter).

Rotary Information by -RCC Past President Tony Uren July 1983-June1984

Tony Uren enlightened us all, of his year as President of the Club from July 1983-June1984 .

It was a most interesting and entertaining talk that refreshed the memories of some older members and gave an intriguing glimpse into the past for newer members.

At the time, it was an all male club & they met at the Reservoir Hotel. They assembled at the bar for pre -dinner drinks and afterwards for fellowship; they had song books; the loyal toast was done after the meal so the smokers could light up; monthly fellowship comprised highly competitive rounds of darts or carpet bowls; committee meetings were in private homes where the partners would often compete on who provided the best or most supper; there were 59 members; 0 resignations; 1 death; 12 members had 100% attendance. There were many club legends active in the club at the time -namely, Richard Fereday, Barry Donaldson, Len Rowlands, Albert Sommariva, Eric Webb, David Tuckwell, Gordon Strawbridge, Vic Sharp, Ray Grosvenor, Theo Inkerharg & Ian Reddy to name a few .

Kevin Parkinson was nominated for DG.

They setup a Probus Club , Morialta RC & an Interact Club.

A Link to a copy of the first 9 pages of Tony's Presidential Annual Report for 1983-1984 is [HERE](#) .

Some highlights were :-

Fundraising – Film & Theatre nights; Christmas puddings; Inaugural Campbelltown Art Show; Soap Box Derby netting a whopping \$40 ; No auction but Shed Sales . Total \$9278

Youth – Youth exchange and a Rotaract Club started.

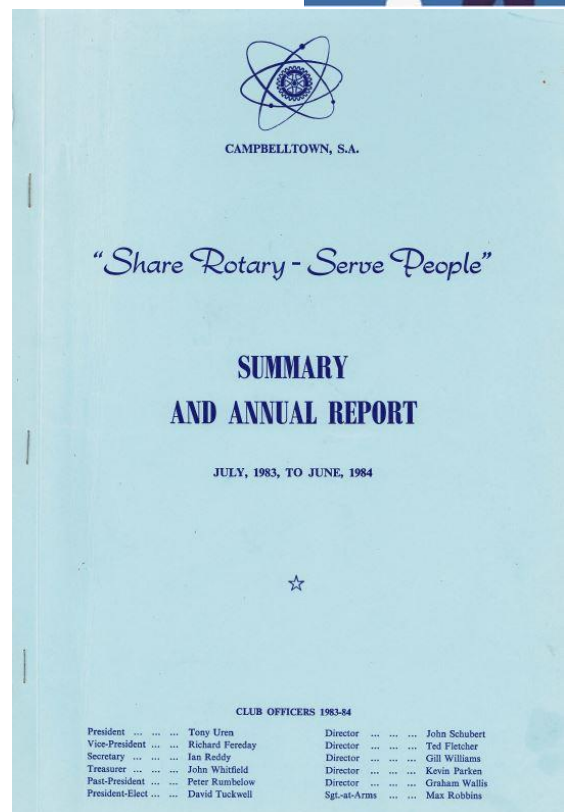

International- Matched Clubs; IPAC projects in Malaysia & Lae; FAIM 100%; The donation Pot for meetings changed it's name from Copper Pot to Foundation Pot (Now known as Gold Pot) ; Ray Rosses Scholarship.

Vocational- Factory Visits; Case Study nights; guest speakers; invited business guests to meetings

Fellowship: Clubs Visit; Games night- Pool & Table tennis; Picnic at the Gorge- tennis , cricket, races etc Christmas night at the golf club; Bowls at Tranmere- 70 attendees; Globe Derby Park

This was all done at a special meeting where the van was presented at Paradise Motors ; Mardi Gras; Elderly Christmas Night; Urine testing- 446 tests (Not Urine Tasting!) Donations to the RFDS & the Athelstone CFS.

Tony concluded his talk with some amusing yarns & anecdotes of the times. They were great times !

- **A message to all from Angela Ruotolo**

On the 7th October it will be the 1st Anniversary of Pat's passing away.

It is traditional to have a one year Mind Mass and I have arranged it for the 7th October at

7 pm at the Annunciation Church Montacute Road Hectorville.

As there were restrictions the day Pat's funeral was held, quite a few Rotarians were unable to attend.

If anyone from the club wishes to attend his one year mass they are more than welcome.

It will only be half to three quarter of an hour service.

Thank you & Regards

Rotary Youth Sailing Challenge

What is it?

Five challenge-filled days sailing a tall ship, where great life lessons are learnt and wonderful friendships formed. It involves learning the complexities of sailing, climbing the rigging, navigating, helming the ship, working as a team, standing 4 hour watches, instantly obeying orders and keeping the vessel ship shape. All this happens on a moving deck without mobile phone contact.

How can Rotary Clubs become involved?

- Identify and sponsor a suitable 15-18 year old student
- Voyages in the Sep/Oct and April school holidays

Rotary Matters

September 2021 DG Newsletter

Dear fellow Rotarians, partners and friends of Rotary,
 Well, time has gone by very quickly and we are already 2 months into the new Rotary year. With restrictions easing, clubs have been able to return to most of their regular meetings and projects, although gatherings are still limited and we still have a few functions being cancelled. We are also conscious of the clubs in our District that are in other states that are still facing varied levels of lock-down. We think of those clubs in Alice Springs but more particularly the clubs that are being severely impacted in New South Wales and Victoria. I would encourage clubs in these regions to maintain contact with their members and utilize the technologies that have become available over the last 18 months to continue meeting where possible. I am sure that we are all looking forward to a time when restrictions are over and we can safely return to normal activities across the whole district.

Jenny and I have just attended the last of the Changovers that were moved because of restrictions. As mentioned in last month's edition, Jenny and I started our official visits on the 2nd August and so far we have completed 15 club visits. We have 69 Rotary clubs and 5 Rotaract clubs still to go, but who's counting.

We have enjoyed the visits we have made so far and it has been a great experience. We have visited clubs near and far and there has been a common thread throughout all the visits and that is Rotary fellowship and commitment to serving the community. Although membership continues to be an issue for Rotary, it has been encouraging to note that regardless of size, clubs are still making an impact on their communities.

September is Basic Education and Literacy month. There are many opportunities to support this initiative in the community and overseas. One example of this is Jenny's partner project which is to support AllKids.

allkids The purpose of AllKids is to ensure that all children in the Ream Commune Cambodia have access to Education by eliminating the barriers that prevent children from attending school. They also offer Early years education and school-based Education from year 1 to International Standard year 12. Jenny will be presenting information about this project as we visit clubs. AllKids is a RAWCS project and information is available online.

Although the Rotary calendar has a different focus each month, membership must still remain an important focus for us moving forward. Last month I shared some of RI President Shekhar's goals, many of which focused around increasing our membership and strengthening the impact Rotary has on the community. It has been encouraging to see the clubs have been engaging with these goals and ideas and incorporating them into their clubs strategic plans.
