## Rotary Celebration Garden

Please use the following to submit your inscription on your Rotary Celebration Park stone. Please center your inscription as you would like it to appear on the stone. While every effort will be made to construct your stone as indicated, modifications may be required.

If you do not wish to use up all the lines, please center the inscription accordingly, and we will enlarge your inscription to a suitable size for the stone.

If you would like to add your company logo to the design, these can be very accurately replicated. Please enclose an additional \$ 25 and provide a copy of your logo.
