

ROTARY CELEBRATION GARDEN

CELEBRATE LIFE

Rotary Celebration Garden is the newest fund raiser for the Summerside Rotary Club.

The Rotary Celebrations Garden will be located within Rotary Friendship Park. It is being created to provide an opportunity to celebrate:

- accomplishments,
- milestones,
- weddings,
- graduations,
- anniversaries,
- birthdays,
- loved one,
- business,
- pet,
- anything worth recognizing.

Purchasing a brick or stone, sponsoring a garden section or dedicating a bench is also an excellent way to commemorate the life of a loved one.

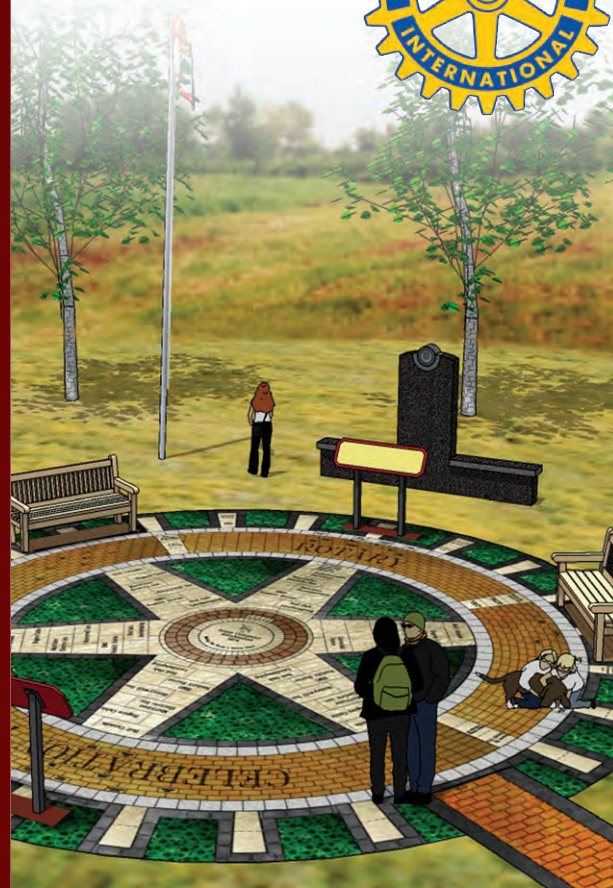

If your team wins a big tournament have it inscribed in the Rotary Celebration Garden...

A graduating class can perpetually recognize its accomplishment by placing a brick or stone in the garden.

An office group looking for a way to support community projects can make a contribution to work of Rotary.

There are so many things worth celebrating there in no end to the possibilities.

** All funds go to support Rotary projects.*

Bricks and stones range from \$50 - \$475.
