

<p style="text-align: center;">Chagrin Valley Rotary Club Community Appreciation Program (CAP)</p>

Overview

There are members of our respective communities that consistently and selflessly give their time, talent and effort to serve and in so doing reflect the very ideals of Rotary:

“Service Above Self”

The intent of the CAP program is to identify, recognize and honor these special individuals who personify and act upon the spirit of giving of self for the betterment of those less fortunate.

The Chagrin Valley Rotary CAP each year recognizes one individual from our local community to so honor. It is our privilege to identify an individual again this year.

Why do we do this? Apart from the fact that these individuals deserve recognition, there may be ways in which the Chagrin Valley Rotary can assist in replicating, enhancing or expanding an individual’s service program or his/her efforts in the community. In that regard our efforts may well be to publicize, assist and nurture that effort.

Please take the time to nominate an individual you believe deserves to be the Chagrin Valley Rotary’s CAP award winner for 2012/2013.
