## HOW YOU CAN SUPPORT ROTARY

As a part of Rotary International, Lancaster Sunrise Rotary is a non-profit organization where local business leaders and problem-solvers share ideas and take action to create lasting change in our communities - locally and internationally. We invite you to participate in this process by joining us for a breakfast meeting to learn more about Lancaster Sunrise Rotary and also consider how your business can actively engage with the community through an annual corporate sponsorship or an event sponsorship.

Our primary initiatives focus on the positive impact we can have on the community through educational opportunities. Here is an example of where your sponsorship dollars may be directed:
