GLEANINGS FROM THE TABLE SCRAPS

EVENTS!!!

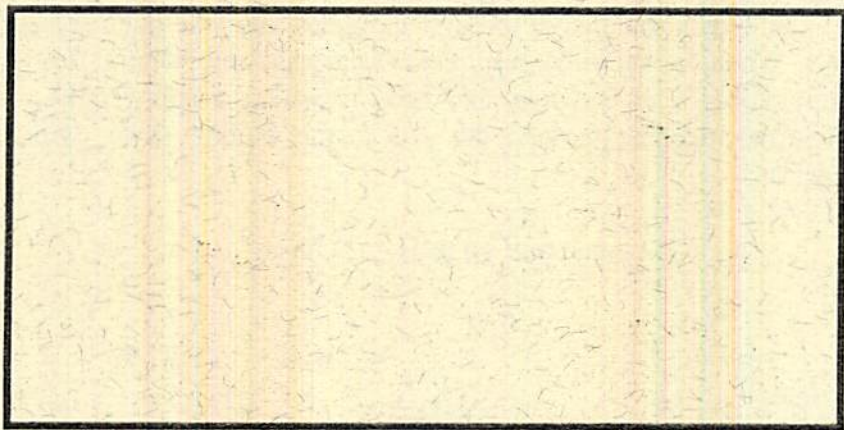

LAST CHANCE!!!

Be sure to get your registration in for the District Assembly, April 15 and 16 in Ukiah.

Also, don't forget the District Conference in Rohnert Park, May 12 thru 15.

SUNSHINE REPORT: Pat Turner's surgery went very well. Hopefully she will be coming home Friday.

THIS SPACE TO LET:

TALK IS CHEAP BECAUSE SUPPLY EXCEEDS DEMAND.

## AN ODE TO THE BICYCLE CONTINGENT:

A man (Willie of course) who was dead in love with a bicycle died and his beloved wheel was put in a coffin. When he arrived at the pearly gates St. Peter was surprised at the machine he had with him and asked:

"What is that? What's it for?"

The spirit told him.

"Why did you bring it here?"

"I have read a great deal in the Bible about your golden pavements, and I thought this would be a fine place to ride," answered the spirit.

"Let me try it," said St. Peter.

"All right," said the spirit.

St. Peter trundled it through the gates and was gone for some time. When he returned his robe was ripped into tatters, his face was scratched and bleeding and he was withal a sorry sight. He shoved the machine through the gate to the waiting spirit, with the injunction:

"Take that and go to H.... with it."

## RECOGNITION CORNER

by Shauna Lorenzen

Larry Martin, our newest member, was inducted into the club by sponsor Bruce Reyes. Bruce had told Larry that Prez Nancy would nickle and dime him to death so he brought a nickel and a dime. She charged him \$15 for the insult. She also paid \$50 towards her Paul Harris for forgetting his red badge.

Leroy Carlenzoli has been faking having pneumonia for the last three weeks. Instead he was planning a surprise birthday party for Carole. It cost him \$100 for his Paul Harris.

Frank Cercone is helping Jan celebrate her 40th birthday in San Francisco. It seems she will be singing at the Mason Street Wine Bar and then he's taking her to dinner. \$15 and a flashlight (from Hall's Gifts). Frank also had a high \$5. His grandma just turned 103!!!

Peter Treleaven spent his birthday in Yosemite. \$15 and a flashlight to light his way in the dark.

Bob Kingsley is celebrating 19 wonderful years married to Jeanne on April 12. They're going to the northern coast. It only cost Bob and additional \$10.

Dan Davis was awarded the "Good Sport of the Year" with a framed map of his bicycle trek of 19 1/2 miles. He finished the entire ride; a little sore but still smiling.

\$100 went to Archie Julian's Paul Harris for the sale of Dumac Leasing to Exchange Bank. Dan also paid \$20 for the privilege of being his attorney.

Prez Nancy and Warren Smith have been missing one another regarding Warren's birthday. It seems he has been carrying around a check for \$100 made out to Paul Harris for quite some time. She graciously relieved him of the burden.

Rolf Wessman and Terry Cheney both paid \$5 for not knowing one of our newest members and this week's mystery Rotarian... Matt Wallace.

## GLEANINGS FROM THE TABLE SCRAPS

### EVENTS!!!

Start firming up your plans for the District Conference in Rohnert Park, May 12 thru 15. Remember, we'll be Dark for the 12th so you can keep up your attendance with some participation in the conference. It's good for you and good for the club. See you there.

Where's Willie??

### HOST FAMILIES WANTED

This Summer Santa Rosa Sunrise Rotary and Friends of Kagoshima will host fifteen high school age students from our sister club in Kagoshima, Japan. The students will arrive in Santa Rosa on July 29th and depart on August 13th. A variety of activities will be planned for them which will include opportunities for family outings. Past host families highly praise the program. If you are interested or want further information please call Dan Lambert, Bob Scott, or Vicki Lockner.

If you try to make yourself appear more important than you really are, you run the risk of being considered less so.

## MYSTERY ROTARIAN

This is the space normally reserved for the epic poetry of our master of the mystery - Archie - However, if President Nancy asks you who the Mystery Rotarian is this week - be bold and shout out,

"There ain't one!!!" (if you miss this one I can only quote the late Dizzy Gillespie, "shame on ya baby")

We were all pleased to welcome a new member today. Jo Gennuso. Jo was introduced by her sponsor, Pat Solar. Pat informed us that Jo comes to us from the Windsor Club where she established a record of 6 years of perfect attendance. She is the corporate manager of Travel Centers of Sonoma. Jo would have been presented with her Red Badge but president Nancy forgot it.

President Nancy also lost her marbles, really, no kidding. So the search is on for a new marble bag and marbles. Toys R Us was suggested. In any event...Nancy thought of a number but Randy failed to pick up the telepathy so he didn't get the \$150 and the pot grows to \$160.

### BY LAWS

Included with this bulletin are three proposed by laws amendments. Please take a few minutes to review the changes. Past President Kent has included a rationale for each change. After appropriate publication we will vote on the amendments at our next club assembly.

It is inaccurate to say I hate everything. I am strongly in favor of common sense, common honesty, and common decency. This makes me forever ineligible for any public office.

*H.L. Mencken (1880-1956)*

PROPOSED AMENDMENT 2 - 1993

- PROPOSED BY -

Past President and Charter Member Kent Seegmiller.

- CURRENT BY-LAW -

ARTICLE VII - Committees

SECTION 1, Paragraph f - The president shall be ex officio a member of all committees and, as such, shall have all the privileges of membership thereof.

- PROPOSED REVISION -

SECTION 1, Paragraph f - The president shall be ex officio a member of all committees, with the exception of the Nomination Committee, and, as such, shall have the privileges of membership thereon.

- RATIONALE FOR PROPOSED CHANGE -

It was never the intention of the authors of the Rotary Club of Santa Rosa Sunrise By-Laws to include the current president as an ex officio member of the Nominating Committee. This is best indicated by ARTICLE I, SECTION 1 of the by-laws which states " At least one month prior to the annual meeting, the presiding officer shall appoint a nominating committee to be made up of the five (5) immediate past Presidents of the club who still retain membership in the club other than honorary."

This nomination procedure (with the exclusion of the "presiding officer"), is consistent with the By-Laws of District 5130.

PROPOSED AMENDMENT 3 - 1993

- PROPOSED BY -

Past President and Charter Member Dave Lorenzen.

- CURRENT BY-LAW -

ARTICLE I - Election of Directors and Officers

SECTION 1 - At least one month prior to the annual meeting, the presiding officer shall appoint a nominating committee to be made up of the five (5) immediate past Presidents of the club who still retain membership in the club other than honorary. The chairman of the nominating committee shall be the member with the longest tenure as Past-President and the vice-chairman shall be the member with the next longest tenure as Past-President. This committee shall place before the club one nomination for each of the following: President, President-Elect, Secretary, Treasurer, and three (3) Directors. Additional nominations may be presented by the club members from the floor. If there are no further nominations, the election may be held at this meeting. If there are further nominations, all nominations duly made shall be placed on a ballot in alphabetical order under each office and shall be voted for at the next regular meeting. The candidates for President, President-Elect, Secretary, Treasurer, and the three Directors receiving the highest number of votes shall be declared elected to their respective offices. Term of office for President, President-Elect, Secretary and Treasurer shall be one year. Term of office for Directors shall be two years.

- PROPOSED REVISION -

ARTICLE I - Election of Directors and Officers

SECTION 1 - At least one month prior to the annual meeting, the presiding officer shall appoint a nominating committee to be made up of the five (5) immediate past Presidents of the club who still retain membership in the club other than honorary. The chairman of the nominating committee shall be the member with the longest tenure as Past-President and the vice-chairman shall be the member with the next longest tenure as Past-President. This committee shall place before the club one nomination for each of the following: President, President-Elect, Secretary, Treasurer,

and three (3) Directors. Additional nominations may be presented by the club members from the floor. If there are no further nominations, the election may be held at this meeting. If there are further nominations, all nominations duly made shall be placed on a ballot in alphabetical order under each office and shall be voted for at the next regular meeting. The candidates for President, President-Elect, Secretary, Treasurer, and the three Directors receiving the highest number of votes shall be declared elected to their respective offices. Term of office for President and President-Elect shall be one year. Term of office for Secretary and Treasurer shall be two years, with each term beginning on alternate years. Term of office for Directors shall be two years.

- RATIONALE FOR PROPOSED CHANGE -

Since the charter of the Rotary Club of Santa Rosa Sunrise, it has proved to be a tremendous benefit to each successive President, to have at least one office of either Secretary or Treasurer occupied by a member with one year experience in the office. This affords an opportunity to better lead the club with at least one experienced Secretary or Treasurer.

PROPOSED AMENDMENT 1 - 1993

- PROPOSED BY -

Past President and Charter Member Kent Seegmiller.

- CURRENT BY-LAW -

ARTICLE I - Election of Directors and Officers

Section 2 - The officers and directors so elected shall constitute the Board of Directors.

- PROPOSED REVISION -

Section 2 - The officers and directors, so elected, together with the immediate Past President, shall constitute the Board of Directors.

- RATIONALE FOR PROPOSED CHANGE -

To be consistent with ARTICLE II, SECTION 1 which states: "The governing body of this club shall be the Board of Directors, consisting of eleven (11) members of this club, namely six (6) directors elected in accordance with ARTICLE I, Section 1, of these by-laws, the President, the President-Elect, the Secretary, the Treasurer and the immediate Past President."

## RECOGNITION CORNER

President Nancy made it clear at the outset she had money to make today... so without further ado:

Nancie Mika, who may or may have not seen her husband in the past year, is celebrating a birthday by spending some time in the Monterey/Carmel area and then heading East to spend some time with her family. Presented with the famous flashlight kit from HALL'S GIFTS she will be sure to find her way back.

[Al has promised to give a detailed program on how the flashlights work at the end of this Rotary Year]

Tom and Joanne Eakin celebrated their mutual birthdays...if it hadn't been for Gary Doolittle we wouldn't have known that Joanne threw a surprise party for Tom for his big four oh.

Eric van Cleve was pleased to acknowledge his and Lori's third anniversary of wedded bliss. He also noted the event was marked by a trip to Sonora Bay...That yielded \$50 to Lori's Paul Harris.

John Voyles was recognized for his 1st anniversary in the club and Steve Davis for his 5th anniversary. Both appropriately awarded their own personal copy of the ABCs of Rotary.

It seems that postcards from the edge (of Kauai) with comments about not having enuf money for fines constitutes written sniveling. However, comments from the peanut gallery about whale watching in the mirror were sufficient to transfer the intended fine of \$15 from Gary D. to Leroy C.

Our traveling membership included Riki Intner who just returned from a combo trip - a long weekend at Hilton Head followed by 9 days in Denmark. A \$20 recognition reduced by \$5 for the flag Riki brought back from the Rotary Club of Copenhagen.

It was duly noted that Mike Sass was just inducted into the Breakfast Club..\$15 please for attitude. (Woman's work indeed!)

## GLEANINGS FROM THE TABLE SCRAPS

### EVENTS!!!

Continue firming up your plans for the District Conference in Rohnert Park, May 12 thru 15. Remember, we'll be Dark for the 12th so you can keep up your attendance with some participation in the conference. It's good for you and good for the club. See you there.

You could also help out by hosting a visiting Rotarian and spouse during the conference. Make new friends, cover your attendance and have some fun. If you are interested call Buster Finch.

### GOLF TOURNAMENT NOTES

Various issues need to be dealt with: As of this meeting we have 2, no, make that 3 raffle prizes. A gentle suggestion...either GET a contribution for a prize or MAKE a contribution for a prize. This is our number one fundraiser so let's all get in there and work for the good of the club and the community.

Speaking of working, Golf Chair Steve Owles finally got a job! and a "No Sniveling" badge...AND a replacement for the committee, Thanks to Carol Estes and Nancie Mika for leaping boldly into the breach

Pay no attention to the man behind the curtain.

## MYSTERY ROTARIAN

Our Mystery Rotarian came from Marin,  
where his sweetheart today was also his then.  
They now have two children, Kristin and Gretchen.  
and a new venture which, his ability, it is stretching

His dog is named Sadie,  
she is gentle as can be.

She begs, but with an unusual "feed me,"  
by merely touching your knee, ever so gently.

His new product is something we all may use,  
it keeps us in order, classifying things we choose,  
it stores a lot, papers, pencils and maybe some booze,  
and you may find it on a ship on which you cruise.

He did attend San Jose State,  
where he tells his kids, "to class, I was never late."

His original goal was to teach wood shop,  
when he saw the pay, off his list that was chopped.

He has an old truck he keeps close to Kent,  
He's banged on it to straighten each and every dent.

He also knows about planes that are old,  
in fact, to this club about them he once told.

He's done everything from line by line design,  
drafting and crafting, erection and correction,  
plus investing a lot of time into his new line.

Soon you will hear his story as he tries to dispel,  
future objections he may find when, this product he tries to sell.

This man is around and about,  
when our club meets and when it lets out.

He plans some day, to serve a stint,  
as our illustrious President.

That's all the clues, no more, no less,  
who is the Rotarian, that will upon us bless,  
a talk about his new baby, his cause for stress.  
After reading this mess, who it is should be easy to guess.

## RECOGNITION CORNER

First of all some recognition for the entire club...at the Foundation dinner we received awards for 3rd for most improved Foundation donations and 2nd for per capita donations. Yea team!

Speaking of dinners - we are hosting the association dinner, at Equus, on the 28th of April. Contact Bob Kingsley if you are interested.

Kudos for Drew Turner for seeing the RYLA selection process through to completion.

Stan Walker was inflicted with the famous flashlight for the celebration of Valerie's birthday.

Mike Sass acknowledges his first wedding anniversary. He sez Tracy is going fishing with Leroy and he is taking Carol shopping.. I'm not sure we all understand that one...anyway, Mike also had to pay the piper for seven, count 'em seven, mentions in Gaye LeBaron's column.

Shauna Lorenzen has the dubious distinction of being the coach that missed the game for friend Sue McGuire...missed the delivery by 2 minutes.

[Does anyone else get the feeling that this whole section of the bulletin is in code??]

Buster Finch spent a \$10 time in Yosemite.

Vickie Lockner spent a \$15 time in Mexico...a stressful week determining how much sand could sift between her toes.

**SURPRIZE!!** There really was a mystery rotarian...Archie sez he was surprised too because he had it on schedule for next week. Oh well... We were all pleased to hear from PAT SOLAR. Would you have guessed that she is a hang glider pilot and a motorcycle enthusiast??

## MYSTERY ROTARIAN

It is quite a sight,  
to see someone work over a byte.  
and not get uptight  
even when working late into the night.

He came from a town in New York named Pulaski,  
a place he still goes back once in a while to see.  
The town was named after a General of Polish descent,  
who did very well doing a military stint.

He later attended College at Lemoyne,  
then the University of Texas where he felt at home.  
"Hook em horns." must be accompanied by gesture of hand,  
where not just one, but two fingers stand.

He spent some time in the Navy,  
and had a job some would call gravy,  
He worked on oceanographic research,  
from his land based Navy perch.

One night while out with the guys,  
he met a girl who captured his eyes.  
He fell in love with the lady of his life, named Kay.  
It is a fact, they have stayed on the same track,  
and are married until this day.

Their oldest daughter Christina works with those who flee,  
Central America and come to this country, to be free even as a  
refugee.

Andrea the youngest studies Psychology and Japanese at  
UC San Diego

Where she works to make her knowledge grow.

In his line of work he is Oh so hot,  
to the Government of Venezuela he became a real big shot.  
He worked on a system of equipment tracking,  
so, the highway workers wouldn't come up lacking,  
the tools they need,  
when toiling on the days deed.

## **MYSTERY ROTARIAN**

continued from the facing page....

He knows a lot about Japan,  
and even though the Pacific Ocean is a great span,  
friendships can be made if a man,  
is willing to stretch forth his hand,  
and be willing the differences to understand.

by ARCHIE JULIAN

Our scheduled program for the 28th, John Ash, sends his sincere apologies. He tells us that he has a very good excuse....

He forgot!!

Zen and the art of cooking must have heard the sound of one hand clapping.

## **HIKE II**

### **(Revenge of the shin splints)**

Russ McCracken announces for the benefit of the Santa Rosa Sunrise Rotary "BIKE AND HIKE CLUB" the scheduling of the long awaited sequel. Hike II will take place on Saturday, May 21 in the AM. Russ promises "More details to follow." Watch this space.

Your bulletin editor apologizes for the lack of reporting on the recognition. No sniveling...just forgot to get someone to cover for me.
