### Speaker for August 24th. Chris Christopher, PhD

Dr. Christopher has been teaching at SRJC for 26 yrs and has lead many trips to the rainforest in Costa Rica. Courses that he teaches include: Human Physiology, Exercise Physiology, Conservation of Tropical Rainforest Biodiversity, Rainforest Biology and Ecology, Tropical Cloud Forest Conservation. Dr. Christopher is also the Chair of the Life Sciences Department. at SRJC .

### MEETING NOTES

Bob Scott told the meeting that the Japanese students thanked their host families at the BBQ on the 11th. Bob said that they stayed within the \$2,000 budget. It should be noted that President Russ took an unexpected swim at the BBQ and that one certain CPA in our club needs to REALLY watch her back particularly if she sees a

rubber fish.

The big news of course was the Concours. Ken and Casidy gave special thanks to those that headed up committees and those that put out special effort for the event. Seems like about a third of the club got the much deserved recognition. The event raised about \$29,000 total, to be split between the two clubs. Ken reported that we had a 50% increase at the gate over last year and the auction brought in about \$10,700.

Jonathan Ingram from Carnal Newman was one of our RYLA representatives and attended this mornings meeting. He said that there were 70 other young leaders there from as far away as Eureka. The 7 A.M. wake up call was the primary downside.

### ANNOUNCEMENTS:

No news is good news

Randy Seelye announced that he has some extra clubs shirts in different sizes. Extra shirts were ordered in case current members forgot to order shirts or new members want shirts.

President Russ announced that Phil Sitzman has resigned from the club.

## Club History

Do you know who our clubs first president was?

Vicki Lockner announced that she has some gift certificates left from the auction and are available to the club, for a price.

Who was seargent at arms before Jerry Johnson?

There are 5,000 lollipops, donated to the Concours by Sees Candies, to deal with. Call Ken Coker if you can find home.
