Santa Rosa Sunrise Rotary Club Ski Trip

The dates are January 21, 22 and 23 at Heavenly Valley, Pacifica Lodge. Members, family and friends are all invited. Randy Seelye is requesting a deposit equal to the cost of the first night's lodging by December 21, 1993 to secure the accommodations. Please talk to Randy to reserve your room.

The meeting on December 9 is the last day to bring in contributions. If you don't have the wish list and haven't been shopping, please make a donation at the meeting. The committee is requesting 100% participation. We repeat the procedure below so everyone can help. Please check with any of the committee members if you have any questions.

Christmas is a Time for Giving

The YWCA has requested our assistance in providing them with much needed items for their *Child Care Services and A Children's Place* programs. Here's what you can do:

1. *Review the lists and look around your household for items that you can contribute. Items should be in good, usable condition. Please bring your contributions to the meetings on December 2 & 9 for collection.*
2. *Select items from the lists you wish to contribute and while out Christmas shopping, purchase them. Again, please bring your contributions to the meetings noted above for collection.*
3. *If you do not have items to contribute or don't have time to shop, a cash donation of at least \$5.00 would be greatly appreciated. These funds will be used to purchase items on the YWCA's wish list.*

During our Christmas party on December 15, our contributions will be presented to a representative from the YWCA.

Committee Members: Terry Cheney, Steve Davis, Russ McCracken, Stan Walker and Drew Turner.

Welcome to STEVE HERRON

Please introduce yourself to Steve and make him feel welcome.

Club Assembly - December 2, 1993

Dan Davis reminded us of the Christmas Party scheduled for Saturday night, December 15 at 6:15 p.m. at Lena's. (Just in case you can't figure out who Lena is, Lena's is a restaurant at 509 Adams Street in Santa Rosa. Lena is not necessarily someone you know and she is not a member.) The Chamber Singers will be there from the Santa Rosa High School and you should be too.

Russ Lockner is again officiating at the Club Speech contest. He is looking for speakers from grades 9 through 12.

Steve Davis did the honors for the club and presented a check for \$2000.00 to the Council on Aging.

Bob Dunn expertly and efficiently handled the duties of election of officers for another year. Here are the names we will be hearing a lot more of in the not too distant future.

<i>President:</i>	<i>Dan Davis</i>
<i>Vice President:</i>	<i>Steve Owles</i>
<i>Secretary:</i>	<i>Carl Jacobson</i>
<i>Treasurer:</i>	<i>Shauna Lorenzen</i>
<i>Directors:</i>	<i>Buster Finch Bob Kingsley Drew Turner Albert Handelman</i>

Stan Walker and Steve Owles were given certificates for their good work with the Foundation and Scandia Night, respectively.

Nancy announced the clubs intention to continue to add \$50 for every \$100 contribution to the Foundation through the end of 1993. The club is now #7 in the district for Paul Harris contributions. That is a great record and Nancy still has the goal for the club to go 100% with \$100.00 contributions this year.

Dan Lambert celebrated a Sunday birthday at his home with the Rams and the 49ers. Sounds exciting to me. Happy Birthday!

Riki and Bob Intner celebrated Bob's birthday and Riki celebrated a one year anniversary in the club (12/3/93) with perfect attendance. That date was also Leroy's six year anniversary in the club. Warren Smith was a little mysterious about a siren near his home but I suppose I would be too. STEVE HERRON got his red badge and the usual complement of goodies. Happy to have you join us Steve. And Del Raby volunteered for another \$25 contribution when President Nancy missed the opening presented to her.

John Voyles invites program suggestions and we are all asked to start thinking GOLF TOURNAMENT and FUND RAISING!

Now is the time to start making Christmas what you want it to be!

ADVENTURE IN NEPAL

Thanks to Randy and Katheryn for entertaining several members and guests at their house last Tuesday night. The slides were fantastic as were the stories about trekking in the Himalaya (where travel becomes travail). It sounded like a great trip (not without it's challenges, however) and we appreciate the opportunity to be a part of it in a nice comfortable chair with a glass of good wine nearby. If you missed it, you missed a great evening and we missed you. We hope to do it again, with another adventure and in another place. If you would like to volunteer to share your travel experiences, please talk to Dale Zumfelde for information and scheduling.

Classical Piano on the Mountain

All indications were that Muza's concert at Dale and Shirley's house last Friday was both a critical musical success and a popular social success. We all had a great time. My thanks to everyone who came. We appreciate your interest and support and Muza was most thankful for the consideration given to her. We hope to see Muza again at the Christmas Party at Lena's where she will help us celebrate (perhaps with a short piano selection) and we can help her celebrate her birthday which is December 15, the day of the party.

The following sample letters were left with us by Bob Cassidy of C.A.R.E. They address his concerns with the "Victims of Crime Restitution Fund" and he asked for our assistance. These or similar letters sent to the Governor (or your Assembly Representative) would be appreciated.

Governor Pete Wilson
State Capitol
Sacramento, CA 95814

Dear Governor Wilson,

I am writing to alert you to a serious problem affecting crime victims in California, particularly child victims. The State Board of Control has virtually stopped paying for services for crime victims even though the State has made a clear commitment to assist these children. The stated reason is that of a budget deficit in the Victims of Crime Restitution Fund. A closer inspection reveals the real reason for this deficit is that restitution moneys are being diverted to other state programs.

We urge you to stop this budgetary theft, and restore solvency to this fund directing restitution to go to crime victims first.

Without your immediate intervention, valuable services such as counseling to child sexual abuse victims will cease to exist.

Sincerely,

or

Dear Governor Wilson:

I am writing to express my concern regarding the Victims of Crime Restitution Fund, which I understand has a serious deficit, resulting in funds not being paid to providers of services to crime victims. I urge you to make an emergency appropriation to this fund to alleviate the deficit so that crime victims, especially child victims, can receive therapeutic treatment. I am concerned that unless providers of this valuable service can be reimbursed through this fund in a timely manner, they will not be able to continue to operate and it will be the child victims and their families who will have to go without treatment.

Please help to restore this program to its original intent: *that crime victims receive restitution from criminals*. Thank you very much.

Sincerely,

RECOGNITION CORNER:

By Steve Olsen:

BOB CASSIDY of C.A.R.E. was presented with our check for \$2,000.00. Bob thanked the club for continuing the support and asked for some assistance in trying to get the State to manage the "Victims of Crime Restitution Fund". Samples letters are included in this bulletin if anyone would like to send off a letter to the Governor.

DEL RABY was the only member of the club to attend the foundation dinner in Eureka. He was also the only member to win anything in the raffle. His \$50.00 restaurant gift certificate was promptly reduced by \$10.00 by lite fingered Nancy.

DAN LAMBERT got a freebe by way of recognition for his efforts on behalf of SRKSEP. (or is it freeby?)

Birthdays included: RUSS LOCKNER and Dan Davis's wife SUSAN

Anniversaries: STAN and VALERIE WALKER
CARL JACOBSEN: One year with the club
ALBERT HANDELMAN: Two years

JEFF YOUNG was relieved of \$25.00 in recognition of "publishing problems" together with the recent newspaper article about the business merger.

Speaking of newspaper articles: "he's the finest person I've ever met" in reference to our own JOHN DOLINSEK. John got ten Nancy Bucks for that one.

It's almost the end of the year and maybe a good time to look at the Club's GOALS AND OBJECTIVES for 1993-1994:

*Maximize Profits from Scandia Night and Golf
Interact Club*

Five New Paul Harris Fellows

Increase Membership by 5%

Increase Spouse Participation

\$100.00 per person Foundation Contribution

This story is from a little book, *Random Acts of Kindness.*

During the Depression my grandmother was a society matron in Cleveland and, as she put it, "quite taken with myself." One morning she found a basket of food on her doorstep. It made her furious- how could anyone think that she was some poor needy person? Not knowing what to do, she put the basket in the kitchen without even bothering to unpack it. The next morning another basket of food was on her front step. By the end of the week she had five food baskets beginning to clutter up her immaculate kitchen, and she decided that the least she could do was to pass the food along to those who were really needy. The baskets continued to arrive for a couple more weeks, and my grandmother realized that she had begun to look forward to her part in helping to find someone who needed them. When the morning deliveries finally stopped, she started making her own food baskets to give away.

The moral of the story? Said my grandmother, "Someone knew I really was a poor needy person and found the best possible way to help me."

In this season of Hannukah and Christmas and solstice and New Year, let us remember to remember.

There are needy people out there and we are needy ourselves. Let us give what we can and take what we can, always with love.

There are wars going on; on the streets, across international borders and inside our heads. There are a lot of people who need baskets: baskets of food, baskets of patience, baskets of teddy bears, baskets of discipline, baskets of laughs, baskets of love and compassion, and baskets of help.

Let us remember what we have and what we need.

There is also peace and there is love.

Let us remember.

Merry Christmas, Everyone!

Because of the festivities of the Christmas Party, there was a dearth of RECOGNITION to be done but what there was of it was certainly pretty high powered.

MIKE YAEGER was welcomed into the Paul Harris Fellowship with a lot of kind words from Jack Vallerga. However many kind words were spoken, it probably wasn't enough. We all saw a lot of the good work Mike did at our club and we also know there was a lot more of that at the Sonoma Club from whence Mike cometh. And it was great to see Mike and Lee Anne and family at the party.

And not only that! CAROLYN DOOLITTLE also joined that select fellowship and received the appropriate hardware, certificate, etc. Carolyn was introduced as someone who actually lives the Four-Way Test and that should be inspiring to us all. Thanks to Carolyn and to Gary for his kind words too. Congratulations to both Mike and Carolyn.

The party seemed to be a big hit with everyone in attendance. Thanks to everyone who turned out and especially to Dan Davis for his efforts to organize the party for everyone to enjoy. I can only hope everyone has paid Steve Owles for the party or that jolly little elf himself may show up on your roof to do who knows what!

GENERAL ANNOUNCEMENTS

There will be another piano concert at Dale and Shirley's house:

for those who missed the first one;

for those who were there and can't wait to do it again; and

for those who got a preview of Muza's playing at the party!

Time and Date after we've recovered from the Holidaze.

There will also be another evening travelogue. This will be another good one and promises to be unique. Stay tuned for details. Anyone wishing to get on the schedule for hosting this event is invited to call Dale Zumfelde.

"Let us not be satisfied with just giving money. Money is not enough, money can be got, but they need your hearts to love them. So spread your love everywhere you go."

MYSTERY ROTARIAN by Archie Julian

In Cotati he did study
at Sonoma State to become an alum.
He learned how to use numbers to reach a sum,
and make them fit in place, tightly plumb.

Out of school with degree in hand,
he joined a hardworking conservative band;
intuitively he then knew,
his talents would improve the crew.
Now he's a partner and owns part of the show,
and he's pushing the company, bigger to grow.

At a Lutheran Church retreat
his future wife he did meet,
and realized she was one he wished to keep.
Now his wife and three kids,
Christopher, Steven and Elise
give him happiness that will not cease.

When he's free, which is rare you see,
He makes attempts at golf and makes the claim:
"It's a shame to call this a game."

With bow in tow,
he hunts pigs,
among the twigs,
and calls it quite a trick
to hunt with his dog names Maverick.

With these clues you can see,
who the Rotarian of Mystery will be.

At the meeting on December 23, 1993 we will be taking up a Holiday collection for our longstanding and loyal server, Gary Horton. President Nancy requests we show our appreciation for Gary's fine service through the year with a \$5-10 contribution.
