DARK

Come and hear about where your Rotary funds are helping throughout the world.

The Rotarian Magazine this month shows the fairy tale castle, Neuschwanstein, on the cover. Built by King Ludwig II and copied by Walt Disney (Sleeping Beauty's castle at Disneyland).

David Brown's 25th anniversary—\$25.

Babou's trips to Hawaii & Tahiti—\$30.

Dave Lorenzen/ Art King (each)—\$5.

Eve Nighswonger's new apartment—\$10.

Russ McCracken's first Thanksgiving by candlelight—\$12.

Steve Heron tried the marble game and lost.

Linda from Kid's Street Learning Center says kids are developing skills through working together. They are trying to start a charter school for at risk and in risk kids. Their saying and goal is "Love is stronger power than punishment"; their teaching is "Love in action".

The AIDS coin collection brought in \$75. (upped to \$100. by Del, \$50. by Eve, \$50. by Pres Russ.

DECEMBER 10th MEETING

Boy, I lost a whole week being sick; I hope you and yours are well. If not, two weeks with doctor's care or if you endure by yourself—14 days and you'll start to feel well.

Bell ringing went, once Archie got the special bells. Gloves were needed and the results of the buckets still not totaled.

Singing at Chanate: About 23 showed up. Thank goodness a couple

Any member who has an objection to the election of the proposed members shall notify the in writing stating the reason for the objection within 10 days.

FROM THE SECRETARY

Hiya Rotary folk,

Here are some requests that will make my job easier as your secretary.

1. When making up a meeting indicate on the visitor's slip just which date you want this applied. If you're going away and want this applied to a future absence then how about stating this on the make up slip. Otherwise I have to hold onto them and remember to log you in an absent and then log you in as a make-up.
2. If you wish to propose a member, we have an application form which you need to fill out and then get over to Scott Holder.
3. If you want flags, Rusty usually has some on his person but if he doesn't I am the keeper of the flags. This holiday season you may be wanting to go away and take a couple of flags. Let me know and I'll bring some to the meeting for you.
4. Also, if you're curious about your attendance I have the club's records on my laptop which I ALWAYS have at the thursday meeting. Just come on over either before or after and we'll look you up.
5. And finally, if you need stationary for your particular project I have the club's cache of letterhead and envelopes. I can also bring these to the Thursday meeting.

Thanks and Have a Great Holiday Season!

Mike Kelly

SUNSHINE REPORT

Our condolences to Del Raby on the passing of his sister.

Our condolences to Pat Martin on the passing of her brother.

BOARD NOTES

Approved a youth grant in the amount of \$250 to Stacy Garritson. Authorized a check for \$510 to the Giving Tree from membership birthdays through 12/31. Endorsed the idea of a joint fundraiser with the downtown club if we could negotiate an acceptable division of the proceeds and costs. Approved a 6 month leave of absence for Jo Genusso effective 12/10.

MEETING *(page 1 continued)*

could really sing. Warren stood up and praised those who did sing. You did bring a lot more than just singing to those in residence.

Note: AIDS coin collection total came up to \$350. Shows every penny, washer and button adds up if everyone pitches in.

Stacy Garrett was introduced by Russ as a grant recipient—\$250 from us. Just one of those wonderful students out there making a difference.

Elizabeth Lopez from Elsie Allen got her award of Student of the Month. Thanks, Jim McCracken.

Charles James' wife's birthday (Roxanne) on the 12th—\$20.

Stan Walker's 17th anniversary—going to San Francisco for the day—\$20.

Frank Cercone won four raffle prizes—\$10. + two more raffles.

Prez Russ "42" on the 13th—no cards—\$20.

Ken Coker is collecting motel soap or wants you to pick them up when you stay out—plus shampoo and other items—not T.V.s. The items will be well used at the Living Room and the homeless so pick up the extras when you travel. Also, Ken can still use help with the median strip. It's looking so good.

Will Parker's Palm Desert anniversary—\$7.00. Jerry's bank in the men's bathroom—\$10. Don't ask! Shanna got her chance and pulled the white marble, Del the Ezy \$10.

The talk was given by a real swinger from Rooster Run golf course. The Petaluma course took 16 months to build and get good drainage. The run has a first class restaurant and practice area that's grass. They have a camp for kids to learn golf—the rules, safety and courtesy. Then three basic body styles were selected—John Dolinsek, Warren Smith and Gary Bayless—and we were shown basic swings.

COWBOY WISDOM

-Thursday, December 10th-
*One good thing about being a cowboy is
that you just don't have time for golf.*

SINCERE THANKS FROM EVE

Since my brother, Mark, died from AIDS three weeks ago I've been overwhelmed by your cards, phone calls, offers of assistance, and other expressions of sympathy for my family's loss. This has given me great comfort which I should have expressed to the club at Thursday's meeting but just wasn't up to it. Thank you for contributing much more than pennies for the "Pennies for Life" campaign I announced Thursday. We will be able to turn over \$200 to two different organizations that give support to people and families with AIDS.

YET ANOTHER REQUEST:

"Pillows-with-Legs" Need Good Home

The REAL reason I moved into a larger apartment was to be able to accommodate, when the time came, my brother's cats, Hazel and Avoidansia. It gave Mark great comfort knowing his cats would have a good home. As much as I love these cats, I am allergic and must find them a permanent home. They are sisters and having been "together since the womb", Mark felt strongly that they should not be separated. They are fixed, healthy, have had all their shots, and would do well as indoor/outdoor cats in a home without dogs or children. They are beautiful animals. Hazel (the Holstein) is black and white. Avoidansia (the Angus) is jet black. Oh, Mark often referred to them as "pillows-with-legs" because, well, they're both a little overweight. Please call me at 539-1886 or 524-1732 if you have any questions or leads for me. Thank you!

President's Message:

We can't all be heros, because someone has to sit on the curb and clap as they go by.

 (Captain Yo)

*Come and hear about where
 your Rotary funds are
 helping throughout the world.*

Prez Russ read letter of thanks from Rotoplast for the \$750. donation. It happened to make 1100 children smile. Value, about \$10 million—personal value, priceless.

The club gave Joe Green (our server) his Christmas cheer.

Carmen Taylor, Keith's wife, was presented her Paul Harris Fellow—the club's 71st member.

Dan Davis said he had no clue as to what Susan was getting for her birthday but a card did help—\$20.00.

Will Parker celebrated their 7th anniversary by going to a 49er game—she went too—\$14.00.

Archie is still collecting Motel 6 bars of soap (a prize to the person who collects the most?). He stayed at the Hilton in Death Valley for three days but his tent had no extra soap bars—\$15.00.

Pat Martin's new job as Vice President: New phone, larger loans, at Sonoma County Credit—\$25.00.

Cassidy Ward wanted Prez Russ to tell her where she went—a little confusion—\$10.00.

Leroy has a new structural engineer—\$5.00.

Mystery Rotarian, Gary Holtz, found out how to fish for alligators. Then Archie pulled the white marble which entertained us all.

Speaker gave a condensed 2 year course in astronomy about the 9 planets and 35 moons—but mainly discussed Jupiter. Ya had to see the slides and lots of info. If you want more—January 22 at Sonoma State University.

+Paul Harris Fellow

Think about this:

If we shrank the earth's population to a village of 100 people, preserving all existing human ratios, we'd have 57 Asians, 21 Europeans, 14 from the Americas and 8 Africans. 70 would be non-white; 70 non-Christian. Half of the world's wealth would be in the hands of 6 people—all U.S. citizens. Only 30 people would be able to read, 50 would suffer from malnutrition and 80 would live in substandard housing (in our terms). Only 1 person would have a college education.
