IN SEARCH OF AMBULATORY DEVICES: Walkers, wheel chairs, crutches, canes, and the like, are wanted. Contact new clubmember, *Hugh Helm*. He's in charge of collecting these items and assures us that they will be put to good use. Go ahead. Get up and take a look in that hall closet, garage, or basement. You know you've got some of this stuff.

FOUR WEEKS IN JAPAN, SRKSP'S IN SEARCH OF STUDENTS TO VISIT JAPAN: Mr. Bob "*Bahboo*" Scott announced exciting summer plans for a lucky group of young Americas who'll be traveling to Japan this summer. Do you know someone who should apply? See the insert in this bulletin or next week's for more information.

VISITING DANISH STUDENTS NEED HOST FAMILIES:

Please consider opening your home to a student for two weeks in April. I've taken careful measurements of my apartment and have determined that the whole lot of them can stay with me, if necessary. Of course they'd have to remain standing the entire time—so this elevator's out of the question. Call Eve for details.

Thanks for donating blood! Wish I could've participated, but I've been in too many malaria infested areas in the last few years. I lamented about this to my friend, Craig Thompson, who is a regular donor. He told me he recently ran across a record book showing he donated blood in June '77 in my name. The call had gone out for donations as I had been hurt in a car accident and required nine pints. I was glad to have the opportunity to thank him.

ON TO ENSENADA: *Our club's chlorination project at an orphanage will be led by Ezbon Jen. Dan Lambert and Luann Poulsen will also be going for the long weekend beginning Feb 19. I'm a little concerned that this much club "intellectual property" will be leaving the country, if even for a short period of time. Perhaps Ross Jones should accompany them. After all, his speciality is protecting intellectual property.*

**** The Rotary Youth Leadership Activity (RYLA) program will be held June 13 -18, 1999. This is a week-long instructional camp for the development of leadership skills. It is open to students who have completed their Junior year in high school and is being held at Westminster Woods, near**

Occidental. If you know of anyone who is interested and would like more information, please contact Jim McCracken.

Meeting Notes, Feb. 4, '99
 Canadian immigrant and Past President, **Warren Smith**, led us in the pledge to our country, a nation of immigrants. Were lucky to have had Warren as our club's first president. Of course, it would be against the law for him to become President of the United States. This must weigh heavily on Warren's mind.

Leonard Le Branche gave us an inspirational thought: "*The way life treats you is a merciless mirror image of your attitude toward life.*" Another reminder that attitude can be everything. In some cases, I'm sure, it's all we've got. Thanks, Leonard.

Casidy Ward introduced our visiting Rotarians. Thanks, Casidy.

Art King stood up for a high five claiming to have recently become a *grandfather*. Needless to say, we were all shocked. But then Art explained that, because he brought in **Steve Amend** and Steve brought in **James Brenton**—that should qualify him to be a granddad, kinda, sorta, maybe. Thanks for keeping us on our toes, Art.

Bob's wife, **Kathy Scott** is celebrating a birthday—\$20 and a lovely card.

Gary Bayless celebrates his spiffy nifty fifty and will be heading for Antelope Lake. Gary happens to have a very interesting side job writing articles about racing.

Congratulations, Gary, on your recently published article, "Best Kept Secrets In Racing."

Golf Tournament '99': Steve Amend, chair of the '99 Sunrise Golf Tournament announced that he's still looking for a few good Sunrisers to help with the raffle component of what has traditionally been our biggest fundraiser, the annual Santa Rosa Sunrise Golf Tournament at Fountaingrove Country Club. *Next committee meetin' date is Mon, February 22 at Moss Adams.*

Flower Delivery: Still room for a few more volunteer Valentines delivery persons and "jumpers." Flower delivery dates are Fri. Feb. 12, Sat. Feb. 13, and Sun. morning Feb. 14. If you're interested in raising money for our community service projects and having a good time. Call Eve for info.

Ross Jones was the featured speaker about Y2K for a crowd of hundreds. This certainly was "a fine" occasion worthy of \$10. Congratulations, Ross. Your craft talk to the club will seem like a fire-side chat compared to your Y2K speech.

Next Fireside: March 18
 Speaking of firesides, the next one will be @ Al & Robin Abramson's place Thursday evening, March 18—mark it in your calendar. This is a wonderful opportunity to learn about Rotary and get to know other Sunrisers, especially our newest members. Attending a fire-side is a red badge requirement. Al, everyone knows that our firesides are always fun, even if they're not held at Merle's. Besides, I've already checked with Robin and she says it's okay for us to dance on the table tops. The name of the game was "Name that Singer" which was happening so fast, that neither Jerry, our sargent at arms, nor this reporter, could keep up. Suffice it to say that President Russ focused his music choices on an era a little before my time. Did you notice he never mentioned any rap music? It cost a lot of folks \$2 each.

President Rusty went for the sure \$10, leaving Leonard to draw the wrong marble. Mike Kelly presented Ross Andress with his blue badge. Ross hit the floor running when he joined our club by quickly becoming very involved in a number of club activities. Congratulations, Ross. We're glad you're a Sun-riser.

Our club is sweet on fine new members like James Brenton and Dan Fee. That's why they were presented with candy when they were inducted into the club. Now I guess a fellow would feel pretty special getting some candy from the president, but a REALLY NICE GIFT would have been one of our club's famous ROTARY APRONS. Alas, you gentlemen were not THAT lucky, now were you? Well, back to to the future can happen yet again. One never knows.

Valentines Social/Dance
Carl Jacobson has organized what will be a really fun party this Saturday. Please join in this event—there are special surprises in store that are sure to be entertaining. Be there.

Meeting of 2-11

Thank you "Tux" for being our greeter and for introducing our visiting Rotarians. New member, *James Brenton* led us in the pledge, and, *Steve Herron* provided us with some words o' wisdom from that bible o' love and relationships, "Men are from Mars, Women are from Venus." Suffice it to say that no matter how well designed & high tech that potato peeler is, nor how many Geng

Su knives come with it, women will not perceive such an item as a romantic, let alone an acceptable Valentine gift. The other piece of advice was for the ladies. Never expect your man to meet or exceed the amount of time and detailed planning in his gift to you that you expended to bestow upon him your gift to him.

Ramblin'Rotarian,

John Dolinsek, has been traveling & skiing. He's even got a friend who's going to be inducted into the baseball hall of fame—that's in Coopersville.

Seein' as how our boy, John, is a "bleeding heart," he redistributed his fine to *Dan Davis*, *Steve Amend*, and *Mike Kelly* @ \$10 per person, but then added \$50 toward his son's Paul Harris—*thanks, John*. John put up some Pepperdine basketball tickets to auction that brought in another \$20.

Rolf Wessman described his recent birthday celebration as a quiet dinner at home with his wife. Rolf was also recognized for having completed the Dale Carnegie course. With considerable coaxing from our President, Rolf confessed that he expects to be far more talkative as a result of completing his Carnegie training.

New clubmember, *Dan Fee*, was blessed with his first fine. \$10 for flagrant

advertisements of his company's plans to hold a dinner at Equus.

We're sorry to learn that *Randy Seelye's* grandmother passed away recently, but it nice to know she was blessed with 104 years—we should all live so long. Thanks, Randy, for \$50 toward another Paul Harris.

Happy Birthday wishes to

So, do you golf? Or know someone who does?

Then, please fill out a player referral form and fax it back to *Art King*. Our annual golf tournament will take place Friday, May 14. This is a really fun event that raises a lot of the money that funds our projects.

Hugh Helm—have fun in San Francisco. *Warren Smith* also has birthday coming soon—President Russ suggests a calendar would make a nice gift—so Warren doesn't miss any more board meetings.

Congratulations to *Dave* and *Shauna Lorenzen* on their 20th anniversary and \$100 toward son, Cole's, Paul Harris—thanks.

Tux, congrats to you on getting your blue badge. Now if we could just remember your real first name.

Frank Cercone thanked all the Sunrisers that participated in the blood drive. Thanks, Frank, for organizing this important community service activity.

Bon Voyage to *Ezbon Jen*, *Luann Poulsen* &

Dan Lambert as they leave this weekend for Ensenada.

All our best wishes for a safe and successful trip. Installing the chlorinator at the orphanage should make a big difference for the health of the residents there.

THIS WEEKS PROGRAM

Jamie Douglas from CALIFORNIA WELCOME CENTER

The California Welcome Center is designed to give the visitor an overview of Sonoma County's Wine Country. Travelers can taste wines, learn how wine is made, and view a topographical relief map while watching a specially designed video presentation of the area's highlights. From there, visitors may plan a self-directed itinerary with the aid of a simple touch-screen computer kiosk containing traveler information about wineries, hotels, restaurants, and other fun activities in Sonoma County. Direct phone lines are also on hand to over 100 area wineries.

January is ROTARY AWARENESS MONTH What's New

Regular users of Rotary's World Wide Web site may find this the section they visit most regularly. That is because its several elements are updated regularly.

On a weekly basis, each Thursday morning at the World Headquarters, a new edition of the Rotary News Basket is posted. The News Basket reports on activities, programs and happenings throughout the Rotary world, from projects in local clubs to the people and events of the international organization. It constitutes a short-deadline news service for Rotary club and district leaders who are free to pass along latest information to other Rotarians in their area.

Birthdays

Frank Cercone 2/24
David Brown 2/25
Vicki Lockner 3/2

The Rotary Youth Leadership Activity (RYLA) program will be held June 13-18, 1999. This is a week-long instructional camp for the development of leadership skills. It is open to students who have completed their Junior year in high school and is being held at Westminster Woods, near Occidental. If you know of anyone who is interested and would like more information, please contact Jim McCracken.

Valentines Drivers:

Thank you for doing a great job of delivering flowers and earning money for our community service projects. I'll announce our totals next meeting.

February 18 Meeting
Happy Birthday! Happy Birthday! Happy Birthday posters all over the room. But, whose birthday was it? Many didn't know.
Red Badger, Jim Brenton

didn't know. Neither did Steve Amend, Red Badger, Hugh Helm, nor Ken Coker. It was ROTARY'S birthday. The first Rotary meeting was held Feb. 23, 1905. Let's all remember that for next year's meeting.

Frank Cercone spent his birthday skiing at north shore Tahoe which cost him \$20. Congratulations, Frank, for being a good sport at our Valentines party and bidding on an overpriced pair of "love cuffs", a red feather boa, and a cigar. It cost you \$100, but we'll make sure \$60 of that that goes to Jan's Paul Harris.

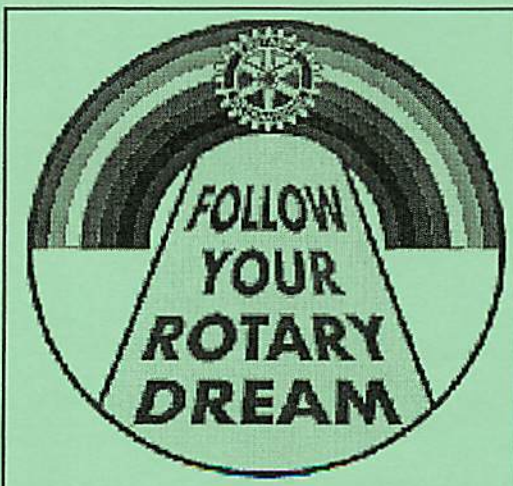

Red badger, Brian Rondon, had a birthday that was absolutely unforgettable—and it cost him \$20. Rolf Wessman mean't well when he got up early before Rotary to give his wife, Ann, her birthday surprise. Unfortunately, he ended up setting off the smoke alarm. Leroy and Carol Carlenzoli celebrated 34 years of wedded bliss at the Duck Club at Bodega Bay and then spent the night at the hotel. Hope he didn't shoot any ducks. Leroy pledged \$180 to fin-

ish Carol's Paul Harris. Thanks, Leroy!
Al Abramson went to a trade show in Vegas and got a free ride—his stay was comped, probably because he's such a big spender. Al passed his \$15 fine on to Peter Treleaven.

Gary Bayless was NOT mentioned in a full page ad for Sawyer's in the PD. Hmmm, since when is Gary a shrinking violet? Another bleeding heart, Gary passed his fine on to Dan Fee. Thank you Dan for telling us a little about yourself in your craft talk. 33 years is a long time to be in telecommunications. Good luck with Advanced Telecom and it's challenge to Pacific Bell and welcome to Santa Rosa Sunrise Rotary. We're glad you chose to join our club.

Special thanks to Steve Davis, for taking meeting notes for me last Thursday. Eve, the absent reporter.

An Next Fireside: March 18
Speaking of firesides, the next one will be @ Al & Robin Abramson's place Thursday evening, March 18—mark it in your calendar. This is a wonderful opportunity to learn about Rotary and get to know other Sunrisers, especially our newest members. Attending a fireside is a red badge requirement. Al, everyone knows that our firesides are always fun.

Cross Cultural Communication With SRKSEP '99...

In 1997, the Santa Rosa-Kagoshima Student Exchange Program (SRKSEP) was founded as a joint venture of the Friends of Kagoshima and the Santa Rosa Sunrise Rotary Club. Santa Rosa Sunrise Rotary Club is now the sponsor. The purpose of SRKSEP is to send exchange students to Japan and to host exchange students from Japan in order to improve the cultural understanding of our young people and to broaden their horizons. The program sends students to Japan one year and the following receives students from Japan.

HISTORICAL BACKGROUND

In 1865, a young samurai student, Kanaye Nagasawa, left Japan to learn what made the West economically strong and technologically advanced. Ten years later, he founded a small winery in Santa Rosa, California, called the Fountaingrove Round Barn and Winery. Soon he became known as the grape king of California. Nagasawa came to California to learn, and stayed to enrich our lives. Both our countries owe much to this Japanese warrior - turned business man.

It has been more than fifty years since Nagasawa's death. We hope this cultural exchange will inspire many lifelong friendships and strengthen the bonds of world peace.

TRAVELING TO JAPAN

The Santa Rosa Kagoshima Student Exchange Program (SRKSEP) is now organizing a four week tour of Japan for students from Santa Rosa.

Committee chairman Bob Scott has passed out a brochure on the program and is now seeking applications for students interested in going. Students must be between 16 and 20 and be at least a high school junior (as of September). The application deadline is April 16th.

Last year a number of Japanese students toured Santa Rosa and California. Now it's our turn to send a delegation. The trip is planned for July 12th through August 9th.

"Rusty's Ramblings"

I attended the Valentine's Dinner Dance last Saturday evening at the Benzinger Brewery. It was a rainy night and I arrived a bit late to a room full of Sunrise Rotarians, There was a real log fire burning in the large fireplace which added to the "cozy" feeling of the room. As I reflected on the evening, I was keenly aware of two things. First, members are very proud of the club, and experience real joy in what we have accomplished. Several times I heard the words "this is really a great club". I believe this to be true and also know that it is the membership not the leadership that does the work of Rotary.

Second, I have a real feeling of fellowship and the importance of friends. Personal experiences of the past few months have given me the opportunity to appreciate the importance of personal relationships. Sunrise Rotary club is nearing 65 members and yet it still has the feeling of a much smaller club. We all need to continue our efforts to ensure that we keep that "small club feeling". What can you do? Make sure that you meet our newer members, sit next to someone new at breakfast, and participate in our upcoming work parties.

Rusty

Fireside @ Al & Robin Abramson's Home: *Don't miss this opportunity , Thursday evening, March 18th to learn about Rotary . This is always a fun and social event. For red badgers, attending a fireside is an important step to getting your blue badge. Don't miss out—be there.*

The Guatemala Eyeglass Project *is scheduled for June 12th-20th. This will be our third eyeglass project abroad. John Jones and Ed Carrette have been working on this for some time and Ed has arranged for lodging for our team, among other accommodations, at his hotel there. There's lots of work to be done in preparing an additional 2000 pairs of glasses for this project. John will keep us posted on opportunities to help. The cost of travel to participate in this project is a mere \$750. As many as 25 club members plan to participate by going on the trip.*

S.O.S. (Support Our  
Students) program.  
~~~~~

Meeting of February 25

John Jones started us off with a truly inspirational thought, a story really, about friendship.

John's teenage son, **Steve**, and his friend, **Jordan**, were pig

hunting with John when they had a close call with a wild boar. While Jordan is not a licensed hunter, he was armed in order to serve as a back up. This was a good thing. A 200lb charging boar that had already been shot was finally stopped just yards in front of Steve—thanks to his friend, Jordan. A good friend never hesitates to step in and help, but it is especially impressive how Jordan remained calm and took the

necessary action to save his friend, Steve, from what could have been serious injury. **Friendship is a blessing.**

New club member, **Jim Brenton**, did a first-rate job of introducing our visiting Rotarians. This may seem like a simple task, but done incorrectly it can be a bit embarrassing. Done right it shows respect and is a source of club pride.

Thanks, Jim.

Steve Amend's son is quite the golfer, but recently he played his best game of golf ever.

Steve's \$10 fine was passed on to

Hugh Helm as

Steve is already a bleeding heart.

Peter Treleaven's annual trip to Colorado apparently was really a reconnaissance mission to seek out excellent

fishing locations for the benefit of our fishing friend and president, **Russ Lockner**. It was necessary, according

to Peter, to patrol the mountain tops—hence the use of snow skis, in order to get the best views of the fishing areas.

Peter brought Rusty a wonderful t-shirt featuring, yes, a fighting rainbow trout. Bearing this gift allowed Peter a \$3 discount and hence, left him with only a \$17 fine. **Sylvia Higgins** husband, **Randy**, will celebrate his birthday with dinner out with Sylvia and their kids. We had a birthday boy last Thursday, **Dave Brown**. Because we know he already likes us, the whole club sang (to the best of our ability)

happy birthday to him. We are not a singing club and anyone who's ever heard us sing knows why, but we always put a lot of effort into the endeavor.

Vicki Lockner has enviable plans for her March 2nd birthday—a massage and dinner out. Now I'd have a hard time staying awake after a massage, but somehow I doubt Vicki will fall asleep at her birthday dinner. **Mary Caruso** from our Interact club @ Elsie Allen was awarded a certificate of appreciation by **Jim McCracken** for her hard work and leadership in that club. It was great that her family could be there to see her accept her award. Mary was quick to say "yes" when I asked her to help us deliver flowers as a fundraiser on Valentines.

Even though I am not a car buff (I'd rather two-step), I found **Larry Clark's** talk last week on Tucker, the man and his machine, to be quite interesting. Larry's knowledge on this subject is obviously extensive. Tucker was clearly a character and life is always more interesting when a character is leading the way.

Have you heard? We have a great club! We are a very active, hands-on club in the work we do for our community and we're fortunate to be able to draw from a very talented and productive group of club members. We also are a very friendly and fun club, so our meetings are a guaranteed good time as much as our service to the community.
