Wastewater Pipeline*

The world's largest geothermal power complex is in the U.S. at The Geysers of northern California. As of 1991, The Geysers had a generating capacity of approximately 1400 megawatts (MW), enough to satisfy most of the electrical demand of the San Francisco metropolitan area 170 km (105 mi) to the south.

"Gopher Fat Choy" was what President Shauna was selling her combination "Ground Hog Day" hat and "Chinese New Year" hat as, but Leroy thought she was talking about one of his famous barbecued appetizers.

Interested in Reading: Well, if you got a spare hour a week, Vicki Lockner has a deal for you! Come read to a child at Steele Lane Elementary, where she guarantees not only a satisfying hour, but an opportunity for at least one good laugh from how a child looks at the world. "An hour a week, that's all we ask".

Craft Talk from Steve Worthen: New member Steve gave us a little insight about himself. Steve is married to his "high school sweetheart" Georgia, and they have two great kids that he is very proud of. Steve is the owner of Interiors, Inc., (1325 North Dutton, 544-4770) a custom office furniture business, that I'm sure most of us have an occasional need for. Thanks to Ken Coker for sponsoring Steve into the club.

Better late than that's what they say. Past President Russ Lockner took the opportunity to present a special award of recognition to a member for "always stepping in when he continued on Page 2

**Observe World
Understanding Month**

Last year, Ilta Sinojmeri, an Albanian doctor who was a Rotary Foundation Ambassadorial Scholar in England in 1997-98, joined a group of medical volunteers who provided round-the-clock help, on a rotating basis, to refugees in the Balkans. Sinojmeri said that, in addition to the needs of the refugees, her motivation was the Service Above Self ideal she learned from Rotary. Sponsoring an Ambassadorial Scholar is just one way Rotarians heed Paul Harris' plea to be "ambassadors of goodwill" and "purveyors of tolerance, forbearance, justice, kindness, neighborliness, and friendliness" worldwide. Inspired by their founder's philosophy, Rotarians engage in an astonishing range of activities, from club-to-club contacts to participation in wide-ranging RI and Rotary Foundation programs.

World understanding is as crucial today as in Paul Harris' day. During World Understanding Month (February), plan programs and projects that promote the advancement of international

Particularly for helping with the bulletin last year, and the Randers / Denmark Student Exchange, **Eve Nighswonger** received a plaque from **Russ** in appreciation of her willingness to always "step up to the plate" when the club needs her help. Thanks for always being there when we need you Eve!

ANNOUNCEMENTS:

Attention all Eagle Scouts: Next week, our speaker will be an Eagle

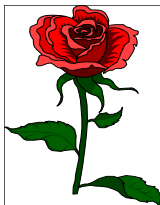

Scout from the Boy Scouts of America. **Del Raby** (Classification Senior Active: Boy Scouts Executive) has something special planned for any member who was an Eagle Scout, or has a family member who was an Eagle Scout. Plan on attending, and give Del a call, 838-6701, to let him know that you will be there!

Blood Donors: On Saturday, April 15th, from 8 am to 1 PM, Sunrise will have a Blood Drive at the Blood Bank of the Redwoods, 2324 Bethards Drive. Contact **Frank Cercone** to schedule an appointment, and a great chance to serve the community. Call Frank at (h) 526-9852 or (w) 542-1644. Also remember that donating blood is great for reducing your cholesterol!

**FLOWER DELIVERY
THIS COMING MONDAY,
FEBRUARY 14th**

The Santa Rosa Quad Club S.O.S. (Support Our Students) Project, derives the majority of its annual fund raising from the Valentine Flower Delivery, and the Mother's Day Flower Delivery. Members from all four Santa Rosa Clubs can assist by participating as either a driver, or a buddy, delivering the flowers for Grohe Florist. It is expected that the Valentine Delivery alone will raise as much as \$4,500 for the project. You can help by spending the morning, afternoon, or both, delivering flowers. Call **Eve Nighswonger** at (h) 575-1767, or (w) 524-1732.

Rotary's Commitment To Family
 "Community Service, the "heartbeat of Rotary," has always been a central concern for Rotarians and Rotary clubs. Today, as new and increasingly complex problems plague our communities, we must re-examine our efforts.

Family Week 2000
 February 7-13

Rotary action is needed to go beyond the "safe" community needs, such as cleaning up a local park, and on to more difficult issues such as domestic violence, gang activity, child abuse and neglect. Through a more realistic assessment of our Community Service programs, we may find our communities need much more from us... and that we have much more to give. Let us begin with the basic unit of society in our community — the family. Today's families are beleaguered by a host of complex problems. Severe economic hardship is tearing families apart in many parts of the world, and even parents with the best intentions have difficulty fighting the influence of drugs, gangs, and violence in their children's lives."

Embracing the concepts above as stated by the Family and Community Concerns Task Force in 1995-96, the RI board agreed to make commitment to family an invaluable part of Rotary's vision for community service. At its November 1995 meeting, the Board adopted a statement on Rotary's commitment to family,

THIS WEEK'S PROGRAM

February 24, 2000

Greg Tracey on "Workplace Safety, from a different angle".

Greg is from the Workman's Safety Association of America.

PROGRAM CHAIRPERSON FOR FEBRUARY IS LEROY CARLENZOLI

Upon Our Honor, We Will Do Our Best ...

A DAY OF NEW STUFF! Our meeting got started with a stand-in President (incoming Prez Russ McCracken), and had the feeling of youth with significant participation by our visiting Boy Scouts! (By the way, Russ, you did a great job, especially for your first time. Looks like next year will be a great one!)

BIRTHDAYS: Recognition for this week to Ann

Wessman, Randy Higgins, Brian Rondon, and especially to PP Warren Smith, since his was on Thursday, so he got the "Party Hat", and a rousing version of "Happy Birthday to You"!

FLOWER DELIVERY A GREAT SUCCESS: This past week's Valentine Flower Delivery project for the Support Our Students Program was a great success! Program co-ordinator Dan Lambert reported that the Santa Rosa Area Rotary Clubs made over 400 flower deliveries, and that the delivery proceeds will go to that program. Thanks to all the Sunrise Rotarians who participated in this terrific program!

CRAFT TALK: We also had the pleasure of learning about one of our newest members, Penny Millar, as she presented her "Craft Talk", well on her way to receiving her Blue Badge. Penny is a CPA

ROTARY MINUTE HIGHLIGHTS

PP Peter Treleaven used this opportunity with the visit from the Boy Scouts, to share with us the similarities between the Scout's oath, and The 4-Way Test.

One of the most widely printed and quoted statements of business ethics in the world is the Rotary 4-Way Test. It was created by

Rotarian Herbert J. Taylor in 1932 when he was asked to take charge of a company that was facing bankruptcy. Taylor looked for a way to save

the struggling company mired in depression-caused financial difficulties. He drew up a 24-word code of ethics for all employees to follow in their business and professional lives. The 4-Way Test became the guide for sales, production, advertising and all relations with dealers and customers, and the survival of the company is credited to this simple philosophy. Herb Taylor became president of Rotary International in 1954-55. The 4-Way Test was adopted by Rotary in 1943 and has been translated into more than a hundred languages and published in thousands of ways. Here it is in English:

- "Of the things we think, say or do:*
- 1. Is it the Truth?*
 - 2. Is it Fair to all concerned?*
 - 3. Will it build goodwill and better friendships?*
 - 4. Will it be beneficial to all concerned?"*

FOUNDATION UPDATE

This week's contributions were from the following members:

- Randy Seelye for Eleanor = \$100**
- Frank Cercone for Jan = \$100**

Don't forget! The end of February is drawing near, and that is when the deadline has been set for the members who have yet to use their 100 dollar guaranteed matching monies to loose the opportunity, and made available for others who have made contributions. If you plan on making that contribution, it is important that you call either **President Shauna** at (h) 539-4332 / (w) 576-6368 or **Foundation Chairperson Dave Lorenzen** at (h) 539-4332 or (w) 535-4111. Don't wait till it's too late. There are others who can use the match. If you're not

here in Santa Rosa, where she specializes with clients who need her help to "Clean-Up" their books. She is also proud of being an "X-Games Mom". We're proud to have

you as a member, Penny! If you have yet to give Penny a business card, do so and help her acquire her Blue Badge.

DRAWING THE MARBLE: I don't know if it was because last week **Stan Walker** drew the

black marble for \$300+, but someone needs to tell **Del Raby** that their

suppose to look AFTER they pull the marble out of the bag.

A DAY FOR THE SCOUTS: Our speakers for the day were two young men who explained about the requirements in achieving the status of "Eagle Scout". It seems that one of the most difficult aspects of acquiring the level, is to do so before the age of eighteen. In recognition of those efforts, PDG

Del Raby (and Eagle Scout), had special presentations of certificates

to Sunrise members who have themselves, or have family members who have done so. Recognition went to **Dan Davis** for 3 of his sons, **Leroy Carlenzoli**, **Del Raby**, and **PP Pete Treleaven**, both for himself as well as for his father **Lewis**. Thanks to **Del** and the "Rotary Fellowship of Scouting" for putting on the the presentation.

OH YEA, THE HAT! Even with **President-Elect Russ** standing in, we still had a "Hat-O-The-Week". Setting in a spot of honor, was the "President's Hat" in honor of "Presidents Day".

Anniversaries

INTERACT

Interact is a Rotary-sponsored service club for young people age 14-18. Interact Clubs can either be school or community based and are required to carry out at least two service projects annually — one that serves their school or community and another that furthers international understanding. Although each club is sponsored by a local Rotary club whose members offer guidance, Interact clubs are responsible for planning, financing, organizing, and executing their own projects.

The first Interact club was formed at Melbourne High School in Florida, USA on 28 October 1962. The club had 23 members. Today, there are 6,605 Interact clubs in 101 countries and an estimated 151,915 Interactors worldwide.

The following are the basic policies and procedures that govern the Interact program: Each Interact club must carry out at least two service projects a year — one that benefits the school or community and one that furthers international understanding.

Each Interact club must have a Rotarian advisor who is a member of the sponsoring Rotary club. This resource person must attend Interact club and board meetings and provide advice on organizing service projects, fund-raising, and club administration. The Rotarian advisor also acts as a liaison person between the Interact club and the sponsoring Rotary club.

An Interact club can be school-based or community-based. A community-based Interact club may draw members from several different schools within the territorial limits

of the sponsoring Rotary club. The Rotarian advisor must attend every meeting of a community-based club. A school-based club is subject to the policies and regulations governing all other organizations of that particular school. In most instances, a faculty counselor — who may or may not be a Rotarian — is appointed to work with the Interactors. In the case of a school-based club, the Rotarian advisor is only required to attend the Interact club's board meetings.

An Interact club must have a minimum of 15 members. The Interact constitution requires clubs to meet at least twice a month. To remain eligible for membership, Interactors must attend 60 percent or more of the regular meetings.

Interact clubs are self-supporting organizations that require little or no financial support from the sponsoring Rotary club.

Each Interact club must elect a new slate of officers and directors annually.

Dues, if any, should be minimal; money for projects and activities should be raised through club activities.

Two Rotary clubs may jointly sponsor an Interact club with the approval of the district governor. A substantial percentage of the Interactors must be drawn from within the territorial limits of each sponsoring club, and a joint Interact committee must be established and include representatives of both Rotary clubs.

A Rotary club may sponsor more than one Interact club, provided each club draws its members from within the sponsoring club's territorial limits and has its own five-member Interact committee of Rotarians.

**G R E A T
 FIRESIDE!**

Everyone seemed to have a wonderful time at the fireside hosted by **Ezbon Jen** at the new, state of the art, S.R.J.C. Health Sciences Building. Truly a "High Tech" facility that they should be proud of. Even Ann Wessman looked like she was having fun in that dentist's chair with Ezbon looming above her. Thanks to Ezbon for a great tour, and the fellowship!

CRAB FEED FUN - Thursday was the

annual "Cloverdale Crab Feed" and was a great success. If you have never attended this wonderful event, do

your best to attend next year. The proceeds from the \$25 fee goes to the Cloverdale Rotary Club sponsored FHA Group. The kids work hard on the event, and everyone else enjoys the evening of

fellowship!
HAT-O-THE-WEEK - President Shauna did her very best impersonation of **Paul Harris** in honor of the 95th Anniversary of Rotary! (who'd a guessed).
