A Brief Report on the Club Assembly:

## **A STATUS REVIEW**

### **GOALS AND OBJECTIVES FOR 1993-1994**

Efforts continue to be made to MAXIMIZE THE PROFITS from the Scandia Nights and the Golf Tournament. The last Scandia night netted about \$1,300.00. The focus now is on the Golf Tournament to be held on June 3, 1994. There is no mystery about what it will take to make it a success. The expectation was plainly stated: That EVERYONE in the club will participate to accomplish that goal. Nancy is looking for volunteers, energy, enthusiasm and work. Let's make it happen and thanks to Nancy and Doli for some straight talk.

The possibility of starting an Interact Club is still being pursued, perhaps with the new Santa Rosa high school. Stay tuned!

To increase our membership by 5% we need to add 4 new members. John Dolinsek outlined the process and the reasons. What we need are members who can't wait to share their own involvement and excitement with Rotary. Ken Coker will provide some open classifications to be published in a subsequent edition of the bulletin.

Several events exist (new and old) that allow everyone to increase the participation and involvement of spouses and significant others; club parties, ski trips, piano concerts, Firesides and evening travel programs. The opportunities are there and it is hoped they will be taken advantage of.

The club has added 5 new Paul Harris Fellows already this year. This is a wonderful accomplishment and there is still a possibility for more. And, to date, 85% of the membership has contributed \$100.00 to the Foundation. This puts us in a good position to achieve the 100% goal before year's end.

Efforts continue to establish a Sister Club and to achieve the goal of the Literacy Committee and to establish a Drug Awareness Program. With half the year left, it's a good time to take stock, see what remains to be done and roll up our sleeves and do it.

## Recognition Corner

Congratulations to Gary Jensen for showing up at the non-meeting last week. In spite of the fact Gary earlier contributed \$100.00 to the Foundation, it was another \$20.00 for Gary to reward his determination to attend every meeting possible (or even impossible). We expect a similar fate awaits Bob Scott when and if he shows up again. Glad you were there last week Bob but sorry you weren't today. (Better come prepared with the sawbuck next week!)

Del Raby, we are told, is gathering scrap books from Presidents past for some mysterious purpose known but to the elite. If you yoosta was a Pres, we presume you know what to do.

John Dolincek and Gary Doolittle had their annual combined stand in honor of their respective birthdays. Gary celebrated with a 49ers game (if you care, you already know who won and who lost) and Doli celebrated with "working for the first time in 10 years". (His words, not mine!) There were those who tried to make a connection with John's almost newlywed status but that remains unsubstantiated. Happy Birthday to both of you!

Cari Jacobson celebrated his 29th anniversary with a skiing trip with his former bride Judy and a visit to the Reno "Zoo" where he admits to losing some money on New Year's Eve.

Phil Hulen had his anniversary of joining the club on January 5 and Archie Julian celebrated his seventh year on January 8. Albert Handelman was put back on the correct rocker to acknowledge his 2 years of perfect attendance.

School principal, jet setter and new grandmother Vicki Lockner was off again to NYC where she enjoyed a white Christmas with the family. Then, I think, it was off to southern California but I missed some of the details because there seemed to be an echo in the transmission of the story. (It almost sounded like Nancy took the trip instead of Vicki) Leroy gets the credit for pointing out that the trouble was not in my set. Credit for now but I think it may cost him in the future.

Dan Lambert paid \$15.00 to tell us about the name change of his business. It's certainly a lot clearer to me now.

Rick Franke is no longer opening his garage door manually. The opener is out of Doli's truck and back where it belongs.

Dan Davis got a blank certificate for his good efforts on the Christmas party and a \$5 fine for asking for Nancy Bucks instead.

## GENERAL INFORMATION YOU SHOULD KNOW:

---

### *If you are going on the club ski trip:*

Trip coordinator Randy Seelye has announced 25 people are going and there will be three times as much fun this year as last because there will now be three party suites instead of one.

Get your \$40.00 lift ticket for \$31.00 at Safeway.

### *If you know a Junior in high school who is a leader:*

We will again be sponsoring two students to RYLA in June 1994. This is a great opportunity and applications are now being accepted. If you know anyone who may be interested and qualified, or if you have questions, please contact Art King.

### *If you like football and wearing funny hats:*

Steve Olsen has donated to the club 4 tickets for the East/West Shriners Football Game which will be raffled off to the highest bidder. Presumably next week and presumably before the game. Come with money and just kidding about the funny hats.

### *If you can't wait to dance with your Valentine:*

Dust off your dancing shoes, dust off your honey, mark Saturday, February 12 on your calendar to be at the Saturday Afternoon Club and do it. Phil Hulen says it will be the same as last year only better. Watch this space for details.

### *If you have never been to a Fireside (or if you have)*

#### *If you are a new member or an old member:*

Russ McCracken is hosting the next Fireside at his home at 7:00 pm on Tuesday night, February 15. Address, map and details to follow.

### *IF YOU WANT TO GOLF TOURNAMENT TO BE A SUCCESS:*

*Volunteer - Help - Work - Be there - JUNE 3, 1994.*

---

You already know that Albert Handelman offered 10 Happy Bucks because his two kids are now living with him full time. Perhaps I am missing something (because I am still wet behind the ears with all this fathering business) but I'll see your ten Albert, and raise you ten if you just take my kid for a week. (Just kidding, everyone. JUST A LITTLE JOKE, GOGA!!!!!!) Happy family Albert!

## RECOGNITIONS:

The ecstasy I was experiencing with my fruit this morning fogged my consciousness and, I fear, caused a momentary neglect of my reportorial duties. I hope at least some portion of these early stories is accurate. (The editor)

DEL RABY is being dispatched to Caracas on some important Rotary duties. I think Del wants to go and I think there is still time for us to hear more about this before the mission is executed. I also think he wants to come back but that part was unclear.

BUSTER is planning something at BRUCE REYES' house for May 13 involving up to 10 couples. I'm not sure if there is any connection to the party suite/ski trip stories but I am confident Buster will shed some more light on this event in time so we can all have a chance to participate. I hope so at least and I think Bruce even knows about it.

SHAUNA LORENZEN is back, 16 weeks and a bouncing baby boy later. Great to see you back and looking so good. Enjoy the flowers!

CAROL ESTES still getting recognition for the first SRSRC pregnancy. Must have been momentous! How long ago was that?

CARL JACOBSON will surprise Judy with a great party and skiing on Sunday to celebrate her \_\_\_th birthday. (Me too, Steve!) \$25 to the club and \$50 to the Foundation.

BOB SCOTT celebrated his 33rd anniversary with a romantic dinner and dancing at Mark West Lodge. Congratulations Bob and Kathy.

RIKI INTNER, husband Bob and 2 daughters all flew to Spain to visit the balance of the family (a son/brother) who is living there. The \$20 fine didn't fly (someone in recent memory paid \$25 for a lousy car trip to Los Angeles) so it was upped to \$25. Sounds like a great trip and I bet they didn't spend even a single night sleeping in a car.

PAT SOLAR is both the President of the NorthBay World Trade Association and the treasurer of the Hispanic Chamber of Commerce and was properly recognized for both. Congratulations Pat!

STEVE DAVIS and Rita spent 10 wonderful days (plus or minus) in Hawaii with Rita's family and apparently had a wonderful time, and, safe to say, probably did not spend a night sleeping in a car either.

BUSTER FINCH got the promotion a long time ago and finally got the raise to go along with it. Is it true that TERRY CHENEY held it up as long as she could? It cost them both, \$15 and \$10 respectively.

DAN DAVIS had a real "vacation". Put the wife and 5 kids in the Suburban and drove for 30 hours. (Finally, here's a vacation I can relate to.) Let the record show, Dan said ---- after a thoughtful pause --- he "had a good time." But, what I want to know is, "Did they sleep in the car and where did they go?"

CAROL and NANCIE were out partying. Nancie "doesn't remember a thing & Carol couldn't recognize her own boyfriend. Sorry I'm out of spa-

We will again be sponsoring two students to RYLA, June 12-17. This is a great opportunity for participants and applications are now being accepted. If you know anyone who may be interested and qualified, or if you have questions, please contact Drew Turner.

*I hope my lack of specificity (and my attempt to be cute) in last week's bulletin did not account for the mind-numbing disinterest in the East/West Football Game. As nearly as I can determine, there will be actual College type football players there on the field and not a bunch of funny-hatted Shriners reliving past glories and/or fantasies.*

Russ McCracken is hosting the next Fireside at his home at 7:00 pm on Tuesday night, February 15. All you need to know will follow next week. For now, just put it on your calendar.

**IF YOU WANT THE GOLF TOURNAMENT TO BE A SUCCESS:**  
***Volunteer - Help - Work - Be there - JUNE 3, 1994.***  
***-and be at the regular meeting on Thursday, February 3 when we will be doing some serious discussion and planning.***

Did you know about Gary Doolittle's role as  
Dedicated Supporter of the Quad Club?  
A well deserved acknowledgement of that fact was given by  
Nancy. Congratulations and thanks to Gary!

*The next event in the travelogue series has been set. Steve Olsen will host interested members and guests at his house and will present a program of videos on the World Pairs Championship which he recently attended in New Jersey. This is the ultimate competition in the world for driving horses. The program will be scheduled in the week of February 21. Watch for details or ask Steve for information.*

## Report from the Rotary Truancy Reduction Committee.

The following report is provided by the Quad Club Committee that is addressing the problem of truancy in Santa Rosa. This effort is being coordinated by the four Santa Rosa Rotary Clubs. Progress is being made on a regular basis and they have asked our help in informing all Rotarians about this worthwhile program. Stickers of the notice below are available upon request. You are encouraged to keep the notice by your phone.

*Fighting truancy in schools is important to students and the community. Unexcused school attendance, or truancy, cost our city schools over a half million dollars in state funding in 1992. Truant students represent all socio-economic groups and frequently begins at an early age. Frequently truancy is one of the first warning signs of more serious problems facing students. The problems resulting from truancy effect students, parents, schools, and the community.*

*Please post the small notice below at a convenient location in your business so a quick call can be made to the Santa Rosa Schools Truant Office if you or your staff see truant students out of school. It will do them good and it will help our community too.*

## Sunrise Rotary Annual Valentine Party

Saturday, February 12 at 6:30 p.m.

Saturday Afternoon Club - 430 Tenth Street, Santa Rosa

"THE EVENT OF THE YEAR."

\$80.00 per couple - Guest Couples Welcome

RSVP before February 2, 1994. Please call Phil or Bette Hulen (539-1041) or Stan or Valeri Walker (525-0152) to make your reservation.

## RECOGNITIONS

GREG DOBBIN graduated from Red Badge to Blue. Congratulatory and welcome to Greg.

ROLF WESSMAN apparently needs some ideas for exciting ways to spend his birthday. All he could think of was work.

BOB INTNER, frequent and always welcome visitor, had a card and (he thought) a gift for Riki's birthday on the 25th. Or was that a 25th birthday? Anyway, it cost him \$5. That's how much we think of him as one of our own.

Details were sketchy, but President NANCY'S title was not enough to save her from getting a ticket from a woman CHP Officer (would that be a Chipette?). Neither were the fluttering eyelashes so using an Off Ramp as an Off/On Ramp cost Nancy \$10 to the Chipsterette and another \$10 to the club. Thanks to ever-vigilant Steve - Sergeant w/ Arms - Owles.

AL ABRAMSON got not a new anything. Just a rental vehicle to drive while his Explorer was recovering from a bashing. Cost him \$10 plus the deductible.

DAVE LORENZEN started a new job as Business Manager for KRSH, Wine Country Radio. That's 98.7 on your FM dial. Seems like it should have cost him \$98.70 but guess it was only \$9.87 and Owles kept the change.

JOHN VOYLES had a great trip to Maui, enjoyed the wonderful weather, came all the way back and it still only cost him twenty bucks. Not only is it smarter to go to Maui than to LA but it's cheaper.

RANDY SEELYE was in Dallas. Did he say at a mini-convention? A mini-anything in Texas? Anyway. I think he shared a hotel with some losing GB Packers and I'm not sure what could be worse. I guess being in Green Bay in the winter. Hope it doesn't get to 25 below on the ski trip!

KENT SEEGMILLER was in Gualalalala. (You decide which letters are silent.) I guess the whole club was out trying to find some morels, at least that's what Kent said. I'm sure Kent never lost his.

DAN - the last person of whom you would expect it - Davis tried twice to get by, with the finesse of an attorney, with not paying the \$5.00 late charge and then paying the \$10 fine with a five.

BUSTER was the one who reminded us it was so cold in Minnesota that the attorneys were keeping their hands in their own pockets for a change.

***Our business in life is not to get ahead of others, but to get ahead of ourselves - to break our own records, to outstrip our yesterday by our today.***

*Stewart B. Johnson*

**The week of February 6, 1994 is NATIONAL BOY SCOUT WEEK. We salute all those involved in scouting and the fine work that they do.**

*Russ McCracken is hosting the next Fireside at his home at 7:00 pm on Tuesday night, February 15. Everyone (and everyone's spouse) is welcome. These are always fun evenings so come and join in.*

There are new and exciting changes in the works for the June 3rd GOLF TOURNAMENT. Rick Franke asks everyone to begin assembling their foursomes for the competition. This year it will be at Fountaingrove - complete with a sit-down dinner after the golf. Please be at the meeting February 3rd to find out the details and to volunteer to be a part of the fun.

***IF YOU WANT THE GOLF TOURNAMENT TO BE A SUCCESS:  
Volunteer - Help - Work - Be there - JUNE 3, 1994.***

### ***Sunrise Travelogue Series***

The next event in the travelogue series has been set. Steve Olsen will host interested members and guests at his house and will present a program of professional videos on the World Pairs Championship which he recently attended in New Jersey. This is the ultimate competition in the world for driving horses. The program is scheduled for Friday Night, February 25 at 7:00 pm.

## *Follow-up Report from the Rotary Truancy Reduction Committee.*

This is the second report provided by the Quad Club Committee that is addressing the problem of truancy in Santa Rosa. This effort is being coordinated by the four Santa Rosa Rotary Clubs. You are encouraged to keep the notice by your phone.

*Fighting truancy in schools is important to students and the community. You can help fight this problem by recognizing that truancy is a problem that frequently begins at an early age. Contact the Santa Rosa Truancy Office to report any suspected truancy incidents. This is especially important in high traffic retail shopping areas where many truancy problems manifest themselves. Also make other parents aware of the free counseling services available to students, parents and families for problems in attending schools.*

*Please post the small notice below at a convenient location in your business so a quick call can be made to the Santa Rosa Schools Truant Office if you or your staff see truant students out of school. It will do them good and it will help our community too.*

## Mystery Rotarian

Look at me, I can ski  
Join the Patrol and I ski free,  
On top of that they even pay me to freely ski.

My "Snow Job" I do with my spouse.  
It gets us into nature and out of the house.  
When there is snow, to the mountain we go,  
and put to practice that we've learned to know.  
It's a job I thoroughly enjoy,  
When I'm not at my regular employ.

Mostly I help people who choose a hill,  
much too steep for their skiing skill.  
I help them down to safer ground,  
Unless of course, their macho prevails,  
and they act like donkey tails.  
This battle the hill may win,  
and the skier will surely rue his sin.  
So I ask them to sign a waiver then,  
Releasing the saver, who is me,  
from all responsibility.

It is most difficult to cope  
when skiing across a slope,  
in charge of the sled tail rope.  
It's an art to work the sled rope tail,  
in fact, most skiers at this job fail.

I'm on the Patrol because I love to ski,  
and I'm also a Certified EMT.  
Often I arrive at an accident scene,  
which occurs when a skier's descent turns mean.  
The situation I assess,  
to determine what's required to clean up the mess.

It's part of my "Snow Job" you see,  
to make sure you can safely ski,  
down the hill around the bend,  
hoping the mountain becomes your friend.

Can you guess who I may be?  
You should as everyone knows I love to ski.

by Archie Julian - Epic Poet

*The club wishes to extend it's sympathy to the family of Jeff Abrahamsen who died last week. Jeff was a good member of our club and a fine person who will be missed by all who knew him.*

*Our condolences also to Steve Olsen on the passing of his father and to Rhoann Ponseti on the passing of her mother.*

*Russ McCracken is hosting the next Fireside at his home at 7:00 pm on Tuesday night, February 15. Everyone (and everyone's spouse) is welcome. These are always fun evenings so come and join in. It will be fun even if we do some serious talk about literacy. (If you come it doesn't mean you ain't and if you don't it doesn't mean you is.) Just be there and see for yourself.*

### *Sunrise Travelogue Series*

Steve Olsen will host interested members and guests at his house and will present a program of professional videos on the World Pairs Championship which he recently attended in New Jersey. This is the ultimate competition in the world for driving horses. The program is scheduled for Friday Night, February 25 at 7:00 pm.

## **Coming soon - Piano Concert II**

*Straight from the Republic of Georgia and back by popular demand, Muza Mdzinarishvili will present another concert of classical piano music at Dale Zumfelde's house at 7:00 p.m., Saturday, March 5, 1994. Details to follow.*

### **Recognitions continued:**

Gary Bayless tried to do a HighFive and tell us about the February 1 move of A Study in Gold to the Eureka Bank Building (50 Old Courthouse Square). He was so happy about it, we all got into the act, soon it was \$100 to the Paul Harris Foundation and Gary is thinking he should have stayed downtown when he was there years ago. Wouldabeen cheaper!
