Important Club Activities

HOSTS NEEDED FOR DANISH STUDENTS: Dan Lambert is heading a committee to find hosts for a group of 22 Danish students visiting Santa Rosa for two weeks from Friday, April 9th through April 27th. Luann Poulsen and Eve Nighswonger are also serving on this committee. This is a wonderful opportunity to learn about Danish culture as well as to share your own. It is sure to be a memorable experience for both the student and the host family. Please call Eve for information and an application to host a student.

DELIVERING FOR DOLLARS: Valentine's weekend is fast approaching and we're looking for volunteers to deliver flowers for Santa Rosa Flower Shop and Grohe Florists. This project is a lot of fun—especially if you buddy up with either a friend, Interact student, or another clubmember. We have an opportunity to raise a lot of money for our community development projects. Last year half the club participated and we raised some serious money while having a good time. We're asking volunteers to donate their time and provide their own vehicle. If you've not already signed up, contact Eve. Let her know if you'd like to be partnered with an Interact student.

Follow Your Rotary Dream

Our mystery Rotarian was Dr. Ezbon Jen, Dean of Health Sciences at SRJC. He definitely qualifies as most educated Sunriser with three masters degrees in micro-biology, public health, and education, as well as Phd. in public health. He spent 13 mos in Vietnam as an infantry medic and has traveled throughout the world, but specifically, Africa, working on public health projects. SRJC has been recognized as offering some of the finest health care programs in registered nursing, dental assisting, and psychiatric technician training. But what I want to know is, do you two-step, Ezbon?

The Board of Directors has approved the following for membership in the Santa Rosa Sunrise Rotary Club.

DAN FEE
Telecommunications

JAMES BRENTON
Building Materials Sales

Any member who has an objection to the election of the proposed members shall notify the club in writing stating the reason for the objection within 10 days.

Fun Fireside
Thanks, Merle!
Wow, what a nice turnout to our club fireside. It was great to see everyone having such a good time getting to know our new members.

Thank you, Sylvia Higgins, for leading us in the pledge. Next time we promise to follow.

An inspirational thought was shared by Gary Bayless. Gary reminded us that while we all endure trying and painful times in the course our lives, those hardships do help us savor and delight in the joys of living during our better times. None of us should awake each morning to check for a tag tied to one's toe. Gee, Gary, I'm already paranoid enough as it is and now I'll be checking for that toe tag every morning..

Thanks, Gary, for the inspiration, being our greeter, and introducing our visting rotarians.

We welcomed Steve Amend's guest, Jim Brenton. Jim is with Allied Building Supplies. Every Thursday is a good day to bring a friend to rotary, and every day is a great day to share rotary with a friend.

Wil Parker spent his Jan 17th birthday celebrating with his nephew at his

BLOOD DRIVE: Frank Cercone asked if there was club interest in participating in a blood drive. By the show of hands it was clear that there is support for this and Frank will let us know what he's arranged with the Blood Bank of the Redwoods on Bethards Dr. If you've been reading the papers lately you know that the nation's blood banks are running very low on blood supplies, so it's particularly important that we're participating in donating at this time.

birthday party. It's fun to share a birthday, especially if you get to share a party. Everybody knows kids' parties are the best.

Steve Amend was fined \$30 (after the \$3 fishing discount was applied) for his new "big buck truck." Steve's convinced that it rides as smooth as a cadillac, although he admits that he's never owned a cadillac.

Billy Hoyer made the papers big time in the teen section this week. Naturally, Al Abramson had to pay up for the honor of his step son's publicity.

Deborah Corrigan paid up for funny business going on at a massage parlor next door to her office. Hey, Deborah didn't know about any of that and didn't ask President Russ to define "that".

Dave Lorenzen drew the wrong marble, but Shauna got the sure \$10.

Pining for a Pint of Life. . . Your Blood: A chance to truly give of yourself. Frank Cercone collected sign ups fo our club blood drive. Sat., Jan. 30 and Sat., Feb. 6 the Blood Bank of the Redwoods at 2324 Bethards Dr at Yulupa will be happy to hook you up and tap into that very important resource known as your bloodstream to collect during a very needy time. To sign up or for futher details call the blood bank @ 545-1222. The need is great—be great by making some time for this important club effort.

The Rotary Youth Leadership Activity (RYLA) program will be held June 13 -18, 1999. This is a week-long instructional camp for the development of leadership skills. It is open to students who have completed their Junior year in high school and is being held at Westminster Woods, near Occidental. If you know of anyone who is interested and would like more information, please contact Jim McCracken.

YOU'RE INVITED

Your Interact Club welcomes you! The next meeting at Elsie Allen High School will be on Thursday, February 4th at 12:30 PM in the room of Brenda Brown, Room E13/32 - located on the Northeast corner of the campus. Remember, Interact counts as a make-up meeting. This will be a 'pizza' meeting.

APPEAL FOR HELP

Brenda Brown, the Interact Club faculty advisor at Elsie Allen High School is making an appeal for a family in need of housekeeping supplies. They need mattresses, blankets, bedding, sleeping bags, pots and pans, dishes, etc. If you can help, please drop items off to Mike Panas, Vice-principal at EAHS. Follow Your Rotary Dream

*Latest Paul Harris Fellow:
Red Badger, Ed Carette*

Congratulations and Beaucoup Thanks! If I had my dithers, (what are dithers, anyway), it'd be a PHD:

Paul Harris Dude (or Durette).

A Rotary Moment:

Del Raby, Boy Scout, Rotarian, Historian, Librarian, Archeologist, et al., imparted words 'o wisdom regarding the ever-evolving Paul Harris phenomenon. PHFs fuel great international projects and the bottom line is, we (Rotarians) make a difference in this world. Great things happen when you make a difference. That can mean reading to a child at Steele Lane Elementary School or fitting someone in Haiti with their first pair of eyeglasses. It can be making someone's day with a smile, a kind word, or both!

When making a difference, more is better than less.

In Case You Haven't Noticed, the weekly Sunrise has been taken over by editors, Dave Lorenzen and Eve Nighswonger. Any editorial excesses, or errors for that matter, can be attributed to Eve, as Dave is best known for his good judgment and accuracy.

Eve, on the other hand, is driven by EPS, aka "excessive personality syndrome" which has nothing to do with her already high testosterone levels and boot-scootin'-boogie tendencies.

Greatly Appreciated would be your input, in the form of happening Rotary events, nosy news, crafty comments, and curt criticism. Please e-mail the Evemeister at enighswo@crl.com

*Awa Mbaye

Fishin' For Fines: *It cost Dave Brown \$15 for buying Ken Coker's '72 BMW. Ken got away with a \$2 fine and a story of the ever-persistent would-be buyer that would'nt go away—so Dave inherited him. Plenty was fishy, but no fishing was involved, and, hence, no discount.*

El Presidente, Senor Lockner, *lost a gavel and gained a "mallet." Hemoraging hearts tell no lies so the \$5 fine was passed to Mike Panas—thanks Mike.*

Jim McCracken *really knows the meaning of giving. This birthday boy will spend his Saturday birthday, donating blood for our club blood drive, visiting mom in Sacramento, and, finally, enjoying his favorite dinner at home with the family.*

Fireside Report: Wild, Wonderful Times. *Sunrise Fireside @ Merle's*

Our last fireside gathering took place Jan. 21st, at the home of Merle Hayes, "Rotarian Extraordinaire." Nancy Aita reported that, quite frankly, very little "official" Rotary business took place at our recent fireside. However, mucho socializing occurred amongst some newer faces to our club. Dan Fee and wife Barbara, showed up with

Golf Tournament '99': Steve Amend, chair of the '99 Sunrise Golf Tournament announced that he's still looking for a few good Sunrisers (deux personnes, s'il vous plait) to help with the raffle component of what has traditionally been our biggest fundraiser, the annual Santa Rosa Sunrise Golf Tournament at Fountaingrove Country Club. Next committee meetin' date is Mon, February 22 at Moss Adams.

Flower Delivery: *Still room for a few more volunteer Valentines delivery persons and "jumpers." Flower delivery dates are Fri. Feb. 12, Sat. Feb. 13, and Sun. morning Feb. 14. If you're interested in raising money for our community service projects and having a good time, call Eve for more info.*

smiling faces as well as Brian Rondon, Hugh Helm, and Casidy Ward. The word is that Ezbon Jen would've been there, but finals were being held at Kodiak Jack's for the annual mechanical bull riding contest, so naturally, he was unavailable. Of course, it would've been even more fun if Merle had allowed us to dance on the tables, but fine furnishings require restraint, which is always a challenge for this cowgirl.

Speakin' of Cowgirls,

All of us feel real bad for Rusty's sweetheart, Susan Juvinal, who's got a long stretch of healing to do 'fore she's ready to hit the trails again. Hang in there, lady. We're ready to help you and Russ out in any way we can. Did you tell me the next fireside's at your place?

HOSTS NEEDED FOR DANISH STUDENTS:

Would you and your family open your home to a foreign student? 22 Danish college students are visiting Santa Rosa for two weeks from Friday, April 9th through April 27th. This is a wonderful opportunity to learn about Danish culture as well as to share your own. It is sure to be a memorable experience for both the student and the host family. Please call Eve for information, and an application to host a student.
