HAPPY NEW YEAR!!!!!!!

STATE OF THE CLUB ASSEMBLY

We are half way through the year, and **President Shauna** took the first half of the meeting to recognize a whole

bunch of "Rotary Anniversaries" ranging from one year (including perfect attendance) by **Hugh Helm**, who received his one year attendance rocker, to 20 years as a Rotarian by John Dolinsek, who received a

book dedication in his honor to Steele Lane Library. We also saw the return to the Club from a temporary leave of **Pat McCallister** (formally known as Martin).

Contributions were made to the RI Foundation by Past Presidents **Archie Julian** for \$100, and by **Dan Davis** for \$50 for Susan. There was also a very luck and unlucky table where there was

raffle ticket trading and winning by **Al Abramson, Warren Smith, Jim Brenton and John Jones**. I'm also suppose to mention that **Bob and Kathy Scott** are celebrating "40 lovely years of wedded bliss", until he was fined for those forty **continued on Page 2**

What is Rotary

Definition of Rotary

Rotary is an organization of business and professional leaders united worldwide, who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world.

There are approximately 1.2 million Rotarians, members of more than 29,000 Rotary clubs in 161 countries.

A brief history

Rotary's first day and the years that followed...

February 23, 1905.

The airplane had yet to stay aloft more than a few

minutes. The first motion picture theater had not yet opened. Norway and Sweden were peacefully terminating their union. On this particular day, a Chicago lawyer, Paul P. Harris, called three friends to a meeting. What he had in mind was a club that would kindle fellowship among members of the business community. It was an idea that grew from his desire to find within the large city the kind of friendly spirit that he knew in the villages where he had grown up.

The four businessmen didn't decide

then and there to call themselves a Rotary club, but their get-together was, in fact, the first meeting of the world's first Rotary club. As they continued to meet, adding others to the group, they rotated their meetings among the members' places of business, hence the name. Soon after the club name was agreed upon, one of the new members suggested a wagon wheel design as the club emblem. It was the precursor of the familiar cogwheel emblem now worn by Rotarians around the world. By the end of 1905, the club had 30 members.

The second Rotary club was formed in 1908 half a continent away from Chicago in San Francisco, California. It was a much shorter leap across San Francisco Bay to Oakland, California, where the third club was formed. Others followed in Seattle, Washington, Los Angeles, California, and New York City, New York. Rotary became international in 1910 when a club was formed in Winnipeg, Manitoba, Canada. By 1921 the organization was represented on every continent, and the name Rotary International was adopted in 1922.

whether you are attending or not, call him at (h) 575-3078 or (w) 584.9750. The cost is only \$30 per person.

FIRESIDE AT S.R.J.C.: LouAnn

Campbell announced our next Fireside date and location. It will be hosted by **Ezbon Jen** at the new Santa Rosa Junior College

Health Science Building on February 22nd, and it will be catered by the SRJC Cullinary Department. Don't miss this one.

Hat of the Week: If you guessed that it was to honor "Atlanta being named the seat of the Confederacy", you were right!

FOUNDATION REPORT

Contributions of the last two weeks:

- John Dolinsek for Scott = \$200**
- Dan Lambert for Andrea = \$200**
- Leroy Carlenzoli for Jennifer = \$100**

PROGRAM CHAIRPERSON FOR JANUARY IS JERRY JOHNSON

IT WAS A DAY OF MAGIC!

If you missed our program this week, you missed a great one! Magician Jerry Camaro did a little slight of hand, a little mentalism, a little magic, even a great job of embarrassing

President Shauna with his interview where he asked her about preferences like "sex or peanut butter?" (she really does prefer nutella over peanut butter). Of course, our leader was not to be out done, so she did a little magic of her own with her hat of the week and a little furry rabbit. She then proceeded to do a little more slight of hand by removing money from the pockets of members present like Mike Kelly for buying a

WHAT IS ROTARY

Avenues of Service

For seventy years (since 1927), The program of Rotary has been carried out on four Avenues of Service (originally called channels). These avenues — club service, vocational service, community service and international service — closely mirror the four parts of the Object of Rotary:

Club Service includes the scope of activities that Rotarians undertake in support of their club, such as serving on committees, proposing individuals for membership, and meeting attendance requirements.

Vocational Service focuses on the opportunity that Rotarians have to represent their professions as well as their efforts to promote vocational awareness and high ethical standards in business. For decades, Rotarians have been applying the "4-Way Test" to their business and personal relationships and in recent years, a "Declaration of Rotarians in Businesses and Professions" has given expression to their concern for ethical standards in the workplace. From offering career guidance in high schools, to seeking ways to improve conditions in the workplace, Rotarians and their clubs engage in many different kinds of vocational service.

Community Service includes the scope of activities which Rotarians undertake to improve the quality of life in their community. Many official Rotary programs are intended to meet community needs, whether it be to promote literacy, help the elderly or disabled, combat urban violence or provide opportunities for local youth.

International Service describes the activities which Rotarians undertake to advance international understanding, goodwill and peace. The spread of Rotary clubs across the globe allows for the concerted Rotary support

SO, WHERE DID ALL THOSE STRANGE QUESTIONS COME FROM?

It seems that **President Shauna** spent a little too much time with her trivia book this week, based on questions like "Name two famous composers borne on this day in history?" (Mozart and Schubert), and "What patent was first established on this day in history?" (the incandescent light), or "What famous Society was established this day in history?" (The National Geographic). As it turned out members like **Ed Carrette** and **Russ Lockner** actually knew some of the right answers!

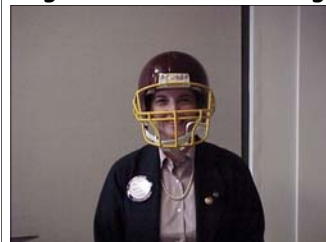

THANKS TO THE WEEKLY SCHEDULERS! Every week, without fail, we

have an official "Greeter" and someone to provide the "Thought of the Day". But somehow, this week **Hugh Helm** scheduled **Lou Ann Campbell** to be our

Inspirational Thought Provider, and **Jim Brenton** scheduled **Lou Ann** to be our Greeter. Thanks for pulling double duty Lou Ann, and thanks to Hugh and Jim for taking care of the weekly schedule. We couldn't get

through a meeting without your help!
SUPER BOWL HAT OF THE WEEK! That's right, the hat (or helmet) was for "Super Bowl Sunday", but based on the response by the club on the trivia questions this week, **President Shauna** might need that helmet again!

**President's
Message**
**Rotary 2000:
Ringing in the new
millennium**

As we enter the 21st century, Rotarians worldwide have their eyes on the future — the future of their clubs and districts, the future of their communities, and the future of Rotary. If the past century is any example, however, the future holds only one certainty that change will continue at an increasingly rapid pace. From the Internet to the global marketplace to the role of women in society, the world has changed beyond recognition since Paul Harris called that historic gathering on 23 February 1905. And to thrive — and even survive — in the new millennium, Rotary must change as well.

The time has come to rethink our rules — to reconsider territorial limits, attendance requirements, types of membership, and the way we conduct district conferences and the International Assembly. We have the opportunity now to propose forward-looking resolutions to the 2001 Council on Legislation that will build a stronger Rotary with more effective clubs. Our theme this year is made up of three C's: consistency, credibility, and continuity. Let me now add two more C's: the courage to change. If we do not begin the 21st century with the courage to change, Rotary's future stands in danger. If we do not prepare for and conduct a visionary Council on Legislation in 2001, we will have missed an opportunity that may not come our way again.

Change can start from the top down, but it must not occur only at the top. It is up to club and district leaders to generate the grassroots support that is essential to any success in Rotary. We need to create a shared vision for Rotary's future — one that

embraces the whole Rotary world and fully acknowledges the realities of life in the 21st century. With that vision and a renewed sense of purpose in Rotary 2000, I predict that Rotary will take on even more ambitious humanitarian challenges in the new millennium and continue its increasingly vital work for world understanding.

**ROTARY MINUTE
HIGHLIGHTS**

Charter President Warren Smith enlightened us on the pleasures of fellowship in Rotary.

The world's first service club was founded on 23 February 1905 when lawyer Paul

Harris and three friends met in a small office in downtown Chicago. These men wanted to rekindle in the turn-of-the-century city the spirit of friendliness they had known in their home towns. Word of the club soon spread and others were invited to join.

Rotary offers fellowship at meetings, at work parties, at committee meetings, and just about any other place it gathers to do service.

Thanks for the info Warren!

The Library is OPEN!

This last Friday, January 28th, at 8:05 am, the new Steele Lane Elementary School Library was dedicated by it's Principal, and Sunrise member **Vicki Lockner**. Also on hand was **President Shauna**, presenting to the library all of the books that have been signed by our speakers this year, as well as the books purchased by the membership.

Remember, next time you want to brag about something

special, do it by being a **"Boastful Book Buyer"**.

DON'T FORGET !

This **FRIDAY, FEBRUARY 4th**, is the **Annual Valentine Social and Dance** at Paradise Ridge Winery, 4545 Thomas Lake Harris Drive. If you still have not told **Steve Amend** that you are planning on attending, call him, right now; (h)
