### President's Message

On a very serious note, our President asks all club members to exercise the Rotarian Four-way Test each week of their attendance and show respect to our invited guest speakers by staying for the entire hour Rotary meeting, if at all possible. If each of us puts ourselves in the speaker's shoes, we should understand completely. The award for the club member with the most early-leaver passes in 95/96: an appointment as Program Director for 96/97.

## **Sayonara SRKSEP!!!**

Best wishes to our SRKSEP group headed for Japan on Monday. Good fortune travels with you: Zack, Peter, Troy, Frank, Rick & Daniel and their escorts-- Steve & Dana Caspersen. Congratulations and enjoy your trip! (A flying tip to the young...bring a good book & grab pillows as soon as you board the plane.)

## **A River Runs Through It...**

Mark your calendars for the Interact Club Canoe Challenge on **Saturday, July 29th** on the Russian River!!!) This canoeing showdown will pit the Sunrisers against the Interactors in an all-out battle to see which side can out-trash (collect) the other. This is a great opportunity to meet with our Interact Students and have some cool, clean fun!

Contrary to earlier announcements, this event will not double as our annual picnic. The club picnic will be held later this summer, but don't let that stop you from attending on the 29th. Bring your partners and friends. And don't forget the suntan lotion.

Please RSVP with Archie Julien or Nancy Aita.

## **Dealer Draws A...**

Be advised. Your next birthday or recognized achievement will earn you or your spouse a brand new set of Sunrise Rotary Playing Cards, courtesy of our favorite executive gift proprietor. Of course these cards will require a modest donation. By the way, anyone interested in a great deal on some B-B-Q aprons, please see Mr. Owles.

## **"Hello?"**

Rolf tried to pass off some Dandy \$\$ on a recent purchase of club merchandise. And I thought Dan passed off the rest of these in Mexico. Sorry folks. If the currency collected on your next fine doesn't reflect either a "dead" or "short" president, we would suggest you pay by check.

# Our President's Inaugural Address To The Membership:

**"Have Some Fun...Do Some Good!"**

**But Seriously Folks, President Owles Shares His Goals For the Club Under His Leadership In 95/96:**

  - Experience ("net") growth in the club membership during the year.
  - Collaborate with another Rotary club on a joint project.
  - Improve on last year's successful fundraising raffle.
  - Develop a "major project" to better identify and distinguish our club in the community.
  - Experience 100% club participation in the Paul Harris Fellowship Program.
-

I'm glad to be on board as your new editor. I promise that Ken and I will do our best to get this to press on time and spell your names correctly (most of the time). ## Recognition Corner

### High Five, Shauna!

Shauna confessed to planning a mega-party celebrating four 40th Birthdays, including one for each of the Lorenzens. Maybe Eve can get you a group rate on decorating with black roses???

### Kudos to Del Raby!!!

Del was decked-out in his Sunday best tuxedo to kick-off his new position as designated "club greeter" to all visiting guests and rotarians. If Del keeps this up, perhaps we need to enlist a dry cleaner into the club.

### It Was A Light Week For Fines

Welcome back from Scottsdale, AZ, Mr. Franke!..How about an apron? That' be \$10.00 please.

Your new editor was fined \$10.00 as well for making certain propositions of marriage recently.

**And Speaking Of Fines...**Our President asks you to keep an eye on your fellow Rotarians for their accomplishments and deeds. He needs your reconnaissance for member fines; otherwise he promises to fine me every week of his presidency.

### Boy Scout Survival Kit

What would you do if you found the following items: dated "propaganda" from Dean Witter; a small flashlight; an old photograph, a bottle of Kaopectate; a pair of used sunglasses; a used comb; a blue cap, an article from the PD and a mesh bag from HealthNet? President Steve collected \$50.00 for the good of the club.

### **Editors Note:**

Just a brief commentary on the club fines situation. Thanks in part to Gary's Wheel invention and Mr. Sass's luck, Thursday was a cash flow "bust!" Perhaps we should go back to the approach Ms. Aita took toward fines...**NO MERCY!!!** Our president asks us to all keep an eye on our fellow Rotarians for their deeds worthy of mention.

### ***“South Of The Border”***

Our new Fund-raising team of Jerry Johnson, John Voyles & Mary Russell have cooked up a program to “out-do” last year’s successful club raffle fund-raiser. Rumor has it the program will run throughout the month of October with the theme revolving around sun, fun and tequila! Once again, the key to success its success will be 100 percent club participation. It’s not too soon to develop your list of prospects. Stay tuned, details to follow.

### ***A River Still Runs Through It...***

Keep your calendars marked in ink for the Interact Club Canoe Challenge on **Saturday, July 29th** on the Russian River!!!) This canoeing showdown will pit the Sunrisers against the Interactors in an all-out battle to see which side can out-trash (collect) the other. This is a great opportunity to meet with our Interact Students and have some cool, clean fun! Bring your partners and friends. And don’t forget the suntan lotion.

Please RSVP with Archie Julien or Nancy Aita.

### **Mark Your Calendars For...Friday, August 18th!**

The next Fireside *affair* will be held next month. In accordance with our President’s vision for the new year, we hope to see a great turn-out of club members in attendance, especially our newest recruits. Details of the event will be forthcoming. Hope you can make it! For RSVP or questions, contact Dale Zumfelde.

### **A Rose For Rotary**

The Board is considering our club’s participation in the Rotary Float Entry into the Pasadena Tournament of Roses Parade on New Year’s Day! The suggestion is to send a contingent from our club to help decorate the float the night before. Many feel this could be a whole lot of fun in ringing-in the new year! Contact Carl Jacobson, if you are interested in participating.

## **Bulletin Sponsors...We Know You're Out There!**

To all those members who haven't had the benefit of sponsoring their firm's business card in this fine publication, please see Ken Coker. The privilege will only cost a mere \$90.00 for four consecutive weeks of club-wide advertising. Such a deal!!!

## **OOPS!!!**

It seems that your editor goofed on his first week out by omitting three of Mr. Owles top officials for the 94/95 session. My apologies for the oversight extended to: Terry Cheney, as Program Director; Bob Kingsley as International Service Director (not Bob Scott); and Dale Zumfelde as Vocational Service Director.

**"Dah, Da-Da-Dah**

**Da-Da-Dah,**

**Da-Da-Dah,**

**Da-Da-Dah---Dahhhh!"**

A special thanks to our designated greeter of the week, Hoss Cartwright...(I mean Archie Julien). The hat definitely works, Archie! Our president will no longer be requiring your services, however. Kindly park your horse outside of the doubletree.

## **Sounds Like A "Personal" Problem, Warren!**

Despite the fact that he left two guests waiting for him, our own Warren Smith showed up to club fifteen minutes late last week, attributing his delay to a "biological malfunction?" He topped it off by spinning the wheel of misfortune...netting a fine of \$1.00.

## **President's Message**

Just a brief note of thanks to all members who heeded my request in respect to our speaker. There were, few if, any who had to leave early this week.

Also, a note of thanks to all members for their excellence in overall attendance. The figures through June reflect overall club attendance averaging 84%. Keep up the good work! For those newer club members, keep in mind Rotary's attendance mandate. If you can't make your home club meeting, take the opportunity to visit other clubs as a make-up. Remember, make-ups can be credited one week either in advance of or following a scheduled club meeting.

## Recognition Corner

### Can I Borrow Your Sports Car?

A funny thing happen on the way to Pike's Peak last week for our own Gary Bayless. Gary's rented new Porsche somehow tangled with a Ford Aerostar which was *skiing* down a hail-covered mountain road. No injuries for Gary, thank goodness. However...

### I would Like To Spin The Wheel, Vanna!

The knock to Gary's head in the above auto accident, must have flashed a vision of creative, engineering marvel, as Gary rushed out and designed for the club its own "Wheel Of Mis-Fortune" for assessing club fines. However, the wheel seems doomed for our needs, as five separate fine spins produced only \$3.00 in fines.

### A Political Action "Massage?"

Leroy was confronted as to his recent appointment as Chairman of an Engineering & Surveying Association. Apparently this group is dedicated to the preservation of...it's membership. Congratulations anyway, that'll be \$10.00! [And no, you can't spin the wheel.]

### Patricia's Confession

Pat Solar confessed her new position as manager of the Sonoma County Schools' new Credit Union, currently under construction at the Stony Point Center. Her honesty almost spared her a fine, but the "pathetic" reference of her confession netted the club a \$50.00 donation to her PH Fund. Thanks Pat!

### A Lucky Son Of A #@\*#!

Despite odds of 1:18, Mike Sass pulled the lucky "kiss" in our raffle and claimed \$220.00. Mike was later said to be on his way to Las Vegas to parlay his winnings before the streak ended!!! Congratulations, Mike.

**President's Message**

The late Paul Harris came to our own president in a dream the other night, and offered him some kindly advice--"What the hell are you doing? As president you're supposed to *collect* the money first, *before* you spend it!"

## Recognition Corner

### Hip Hip, Hooray!!!

Hat's off to our newest Blue Badge, Mary Russell. And a class act at that, donating \$100 to her PH. Double kudos, Mary!!!

### Where's The Wheel, Steve? *I Really Want To Spin.*

Following three weeks of sun, fun & a fair amount of tequila Vicki Lockner returned from her Mexican Casa to be granted the sole privilege this week of spinning the "wheel of misfortune" as her penitence to the good of the club. Apparently, the curse was "off" Gary's wheel *this* week...as Vicki hit a the \$20.00 fine! How about two out of three spins, Steve?

### A Big Kahuna!

It seems that Al Abramson is growing quite fond of the public spotlight. Al was recognized for both his Master of Ceremonies work at a recent Good Morning S R breakfast as well as his *plans* for joining the Planning Commission. How about a political contribution to the fund? \$15.00.

Al also has a Corvette for sale. Anyone interested in a test drive (except Gary Bayless) should see the Big Kahuna.

## UPCOMING PROGRAMS

Terry Cheney - Program Chairperson

- August 3** Wayne Goldberg: Local Urban Boundaries & The Future Of Downtown Santa Rosa
- August 10** Bob Fletcher - Owner, The Rohnert Park Crushers
- August 17** Ellen Draper - Friday Night Live! (A New Year's Eve Community Event)

***WE'LL GET BY WITH A LITTLE  
HELP FROM OUR FRIENDS!!!***

The program committee is asking all club members to help us in seeking-out the speakers YOU want to hear from over the next few months. Contact Terry Cheney, Steve Herron or Jerry Johnson with your suggestions, and they'll handle the arrangements. At this point, we're scheduling for the month of October and beyond.

### **Editors Note:**

To all S.C. Fair Horse Race Gamblers, a novice's approach to the races: Think twice about betting on the "odds-on favorite"...the smaller the "purse", the less predictable the odds. Besides, horses can't read the racing form anyway. Good luck & if you want hot tips, see Gary Doolittle.

**VOLUME 3: July 27, 1995**

### **A River *Will* Run Through It...This Saturday!**

Hope to see you out at the river this Interact Club Canoe Challenge on **Saturday, July 29th** at noon on the Russian River!!! According to Nancy, we've reserved ten (10) canoes for this half-day excursion, beginning with a noon picnic lunch held at Memorial Beach, (located at the intersection of Redwood Hwy. just north of Windsor and the first bridge across the river into Healdsburg.) See you there!!!

Please RSVP with Archie Julien or Nancy Aita or you might have to be towed from behind Archie's canoe.

### **Fireside Meeting...Friday, August 18th!**

The next Fireside *affair* will be held next month. In accordance with our President's vision for the new year, we hope to see a great turn-out of club members in attendance, especially our newest recruits. Plan to be there at Riki & Bob Intner's home. Contact Riki or Dale Zumfelde to RSVP & seek directions.

### **A Spectacular View!!!**

Tom Eiken is busy planning our third annual Camping Weekend in Yosemite. Mark your calendars and confirm your plans with Tom to attend, as October will be here shortly. Once again we will be camping at Hodgkin Meadows in Yosemite. For those who haven't made it up to Yosemite this year yet, this trip should a perfect opportunity to view the spectacular Yosemite water falls powered by last winter's heavy snow pack. Don't miss it!!!

### **Bulletin Sponsors...We Know You're Out There!**

#### **...Don't Make Us *Find* You!**

To all those members who haven't had the benefit of sponsoring their firm's business card in this fine publication, please see Ken Coker. The privilege will only cost a mere \$90.00 for four consecutive weeks of club-wide advertising. Next up...Gary Doolittle!!! (Thank, Gary!)

## Introducing A (Prospective) New Member!

In accordance with our policy for considering new club members, this is your notice that **Mark Montgomery** is being considered by our board for membership. Mark's classification is *Investment Funds*. [Perhaps you've read of Mark's work as the former investment advisor to The Orange County Treasurer's Office, specializing in highly-leveraged derivatives...just kidding!]

But seriously, if you have questions or concerns about Mark or his classification, kindly refer these to the board. This notice will be posted for each of the two week review period.

### *"South Of The Border"*

Our new Fund-raising team of Jerry Johnson, John Voyles & Mary Russell have cooked up a program to "out-do" last year's successful club raffle fund-raiser. Rumor has it the program will run throughout the month of October with the theme revolving around sun, fun and tequila! Once again, the key to success its success will be 100 percent club participation. It's not too soon to develop your list of prospects. Stay tuned, details to follow.

### President's Message

I am seeking "divine guidance" in an effort to expand the number of members available to provide the invocation each Thursday. I think few of us would argue that, to date, this responsibility has fallen too heavily on the shoulders of *past invocators*--Treleven, Raby, Julien and Lorenzen. Rather than risk the "burn-out" of these volunteers, I would ask for new members to help carry the load. Please let me know if you can help out.

## Recognition Corner

### Well, It's About Time...

Hat's off (again) to our newest Blue Badge, Eve Nighswonger! Eve demonstrated the virtue of patience, while waiting for her sponsor to eventually recognize this belated event! Let the record be straight--Eve completed her duties several months ago, earning her a permanent place in our club.

Eve, send yourself a dozen long-stems and the bill to Ms. Aita, and thanks for your patience!

### I Think We've Seen This Movie Before...

Our newest club member, Dave Brown was caught in the act of sporting his new BMW for all jealous members to see. Our benevolent leader bowed to peer pressure and let this rookie opt to spin The Wheel Of Misfortune for his punishment. It doesn't take "Carnac" to guess how this *turned* out...\$2.00!!! That's it, Bayless! Get this pizza-pan contraption out of here, now!

### "Gee, Dad If I Were You I'd Buy The Hot Car!"

It seems that we have yet another proud luxury sport automobile owner in the club. Frank Cercone traded in a (used) Marin Condo for a brand new, factory-direct Ferrari "Spider". We understand that Franks' son ("Jr.") influenced Dad's decision to *invest* in this cool set of wheels rather than seeking investment counsel from Peter Treleavan or Gregg Dobbin. I wonder how long it will be for Frank Jr. to plan *his* next date. Frank's bail was set at \$20.00.

[PS: Give us a break, Owles...twenty bucks for a Ferrari?]
