MAJOR EVENTS

Llamas have been my life or a part of it for 18years. Before that my background was horses as a trainer of hunter/ jumpers and race thoroughbreds. While living in the late 80's there was a fire in Yosemite, which caused evacuations, and I was lucky enough to be one of the evacuees. We left, then got a call from a friend that they had a group of 12 llamas out. My Mother and I had those uneducated llamas moved in 3 hours with help from other llama people from that area. That was my llama experience.

After the evacuation I went to work for the original woman and many other owners in the surrounding Tuolumne area. One of my clients in the area was a breeder, which meant national events that I would attend with them and their National exposure to the llama industry had begun were I seemed to thrive a great interest.

October 15
Sunrise Culinary Classic

The greeter was the meeting was Ezbon Jen, the pledge was led by Peter Trelea and Steve Amend let us with an inspirational thought.

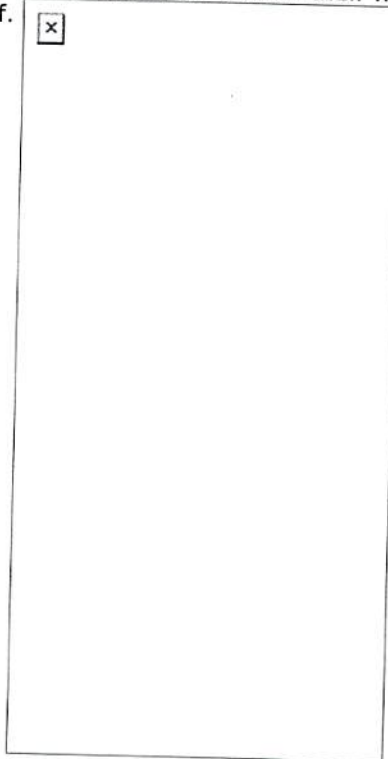

Visitors included Larry Wassem (Windsor club), Becky Christianson (friend of Ni Aita) and Alexander Stark (descendent of Jon Stack)

The pledge to our flag was led by Peter Treleaven.

Recognition and high fives included Nelish returning from a long trip (with bribe hand), birthdays for Ross Andress, Kathleen Amend Sue Cochran and Del Raby daughter just turned five years old and Ken Petro bought a new escalade.

Steve Schofeild reached into bag and pulled out the black marble worth \$180.0

The second half of the meeting was dedicated to the Culinary Classic. We were to a grape stomping demonstration where the audience was prompted to respo que cards. Several member shared their methods of putting together bundles to auction off.

The key here is if everyone only submits a \$150.00 item the club will not reach and match what has been done in years past. Creativity in assembling a numbe items together to make an attractive package to auction is the key to be succes combining a dinner, a great flower arangement, a limo and some wine will add u higher bid that the sum of individual items.

The item committee will be calling everyone this week to see what you have lin and perhaps help with some ideas. Let's support their early efforts rather than until the last week or two.

The Nonviolent Peaceforce

Talk and Discussions by
Dr. Shall Sinha

The idea of a **Shanti Sena** (or Nonviolent Peace Force) was conceived and developed by Mahatma Gandhi - for overcoming violence in many parts of India - and has been applied by many leaders around the world to achieve sustainable peace without the use of any violence. Dr. Martin Luther King, for example, employed the same technique during his **Civil Rights Movement** in US.

The vision of **the Nonviolent Peaceforce** is to train and build a Peace Army capable of being deployed in any part of the world for overcoming violence and building sustainable peace without using any kind of violence. A Pilot Project, employed in Sri Lanka, has proved the feasibility and long term benefits of a Peace Army and is now being made to train and deploy *Peace Army Soldiers (or the Nonviolent Peace Teams)* in various parts of the world that are currently experiencing human, environmental and other kinds of losses.

Dr. Shall Sinha is a Gandhi Scholar and has studied the Principles and Practices of *Nonviolent Peace Force* and his wife, Pramila Sinha, is a member of the *Second Team of the Nonviolent Peaceforce in Sri Lanka*. Dr. Sinha is also the author of a book including 'Words of Wisdom from Mahatma Gandhi'.

Dr. Shall Sinha
Professional Presenter of
Gandhi's Messages in Gandhi's Character
Notes from July 28th Meeting

Members were greeted at the door by Dan Davis, Steve Herron led us in the pledge to our flag and country, and Tom (black card) Eakin gave us some inspiration to start the day.

Visiting Rotarians included Chuck Baker (S.R.W.), Bill Daniels (Seb.) and Mark C. (Conn.). Mark has actually paid club dues to our club as well as his club.

SUNRISE ROTARY CALENDAR

October 15
Sunrise Culinar Classic

Board meeting is August 2 nd at Penny Millar's office 3637 Westwind Blvd., call directions.

Oakmont Rotary is having a golf tournament September 23. They would like a foursome from each Santa Rosa club. They are having some type of prize for the scoring Rotary foursome. Contact Herron or Floriani.

Distrust Governor Visit September 8 will begin with a fireside at Steve Herron's on September 7.

Carol Cooper reminded us that we need to start getting busy planning for Culinar Classic. Announced that a can of wasp and hornet spray has been added to the basket as has a smoked salmon from a Rotary club in Alaska.

Frank Cercone told us that the date for this years blood drive will be at Blood Bank the Redwoods on October 1 st.

Our program was on the handling and raising of Lama's. Danelle may have as well brought a Lama because she still had her hands full with the morning breakfast with just about every question and bit of humor you could imagine. Leroy was too excited. The Lama is probably the biggest of the bird species that he would like to his collection. If you missed this one, you missed one of the most funny moments we have had as a group. Now Rotarians, get back in some degree of order for next
