### Last Week in Review - Potenza - Making a Difference

Winifred Potenza spoke on Making a Difference. She characterized Rotarians as a group dedicated to making a difference. She demonstrated how a single person committed to making something happen - CAN! In addition to describing her Hearts of The World project Potenza talked about Constitution Park and the "We The People" Project. After 4.5 years in the approval process, it will be constructed on 6 acres in conjunction with the Independence National Historical Park, Liberty Bell Pavilion, Gateway Visitor Center, and Independence Park Institute. There will be 50 walls, 30-50 feet high, one for each state, which will incorporate rock indigenous to each state. The building will incorporate construction materials from the steel and debris of the World Trade Center. Potenza is sending "This American Heart" T-shirts to each Congressman and Representative. In addition to her planned talk, the presence of the Seegmillers and their presentation prompted her to recount the loss of her own son to a drunk driver. The driver was convicted of 2nd degree murder. Potenza visited him in prison every week for 6 years. Now that man is on a campaign to educate youth in the prevention of such tragedies. ## The Golf Tournament

Friday May 31, 2002

Fountaingrove Golf & Country Club

It's all over for another year and it was a success. It was full (144 golfers) and the weather was fantastic.

A tremendous amount of hard work went into making this a success and the club thanks the golf committee for an event that added about

\$20,000 to our Community opportunity fund. A good dinner at the Hilton. More on this later

from Tux Tuxhorn

Watch this spot for news on the **Culinary Classic Celebrating Food and Wine**

## MAY 30 Meeting Notes

President **Steve Olsen** presiding. Among our visiting Rotarians and guests were **Kent** and **Joan Seegmiller**, who thanked the Santa

Rosa Sunrise Rotary Club for continuing the memorial recognition of Joan's son

**Michael Scott De-Shields** via the continuation and enhancement of our scholarship program. The scholarships are in character with Michael's vibrant, active, hard-working attitude towards life (see the bulletin from two weeks ago for this year's winners). The scholarship was founded in 1986, the first year of our Rotary club after Michael's untimely death.

**Brian Rondon's** Father passed away and **Steve Olsen's** Father-in-law passed away during this past week. Our condolences to the families.

There were several last minute Golf announcements, but those don't mean anything now.

## RECOGNITION

**Dale Zumfelde** said he appreciates the club holding a birthday celebration for him at the Hilton Hotel just after our golf tournament.

**Denise Gilseth** was born on Mothers' Day and her

Mother is continually reminded of the event via its date and the BBQ. She caught a 17-pound salmon!! making several other rotarians envious.

**Nancy Aita** offered up \$5 for her great weekend bed and breakfast experience in Yountville, which she purchased at the Wine and Wheels auction (along with a LOT of other stuff).

**Steve Davis** acquired a brand new Audi A6 to keep his boxter company.

**Russ Lockner** was all over the map (isn't he always) and he was traveling too: Colorado, Salt Lake City, Michigan (ever been to Detroit?), St. Louis, Phoenix and, you guessed it - Montana.

**Keith Taylor** met his son in Mesa, Arizona after the latter completed his bicycle ride from San Diego to Florida!! The bus he

## More Recognition

was riding from Florida, broke down 45 miles out of Mesa, so he just got his bike off the bus and road into town to meet his Dad.

**Jon Stark** had a great time at the Jazz Festival in Sacramento.

**Mike Downey** was recognized for the new Summit Bank building on Bicentennial.

**Larry Martin** paid for the recovery of his car keys.

What do these two have in common?

## ANNOUNCEMENTS

Call Jon Stark to help nominate 2 High School Juniors for the upcoming RYLA Leadership camp in JUNE.

### John Dolinsek Remembers

REMEMBER..... When the worst thing you could do at school was smoke in the bathrooms, flunk a test or chew gum. When a '57 Chevy was everyone's dream car... to cruise, peel out, lay rubber and watch drag races, and people went steady and girls wore a class ring with an inch of wrapped dental floss or yarn coated with pastel frost nail polish so it would fit her finger. And no one asked where the car keys were 'cause they were always in the car, in the ignition, and the doors were never locked. And playing baseball with no adults to help kids with the rules of the game. Back then, baseball was not a psychological group learning experience—it was a game. Remember when stuff from the store came without safety caps and hermetic seals 'cause no one had yet tried to poison a perfect stranger. When being sent to the principal's office was nothing compared to the fate that awaited a misbehaving student at home?

## Jerry Dodrill - Photography

"My experiences, both at home and abroad, have provided an expansive array of opportunities to photograph the world. A deep desire for travel and climbing has led to exotic destinations around the globe in search of remote alpine peaks and foreign cultures. Photography perfectly accommodates my need to create art while evocatively sharing my journeys to the edge of reality.

Through my 'experience-based' images I hope to communicate my respect and connection to the natural world. I seek graphic, elemental compositions, which portray the simplistic order, balance, and rhythm of life. My goal is to inspire others to be personally interactive with their environment and experience the invigoration and freedom of the wilderness."

Jerry Dodrill has been documenting his adventures with a camera since the early 1980's. When he began rock climbing near his home in Central Texas in the late '80's, the camera became a standard piece of his equipment. A trip to Yosemite in 1990 opened his eyes and changed his life forever. Within a year his family had moved to the Golden State and a life-long commitment to adventure was formed.

A well-rounded base of experience in all disciplines of climbing have attributed to his photographic success on the biggest walls in Yosemite and many tall peaks around the world. His excursions have led to Argentina, Bolivia, China, France, Greece, Italy, Kyrgyzstan, Mexico, Micronesia, Switzerland, and throughout North America.

Jerry studied photography and fine art at Pacific Union College (1993-1997) and received several rewards for outstanding achievement. His well-respected work has been exhibited in many prominent venues including the **Ansel Adams Gallery** in Yosemite Valley. His images and writing have appeared in **The North Face** catalog, **Outside**, **Elevation**, **Rock & Ice**, **Fitness Runner**, **Vanity Fair**, and others. He lives in Sebastopol, CA and teaches photography at Pacific Union College while continuing his stock, assignment, and fine art photography business.

### PROGRAM CHAIRPERSON FOR MAY IS STEVE WORTHEN

### **Last Week in Review: Honorable Arnold D. Rosenfield**

Judge Rosenfield did a great job describing the concept and practice of **Restorative Justice**. In the conventional system, once the cases get to court, the attention is all on the perpetrators and once they are in Juvenile Hall, they sit on their butts and learn about crime. Restorative Justice is not a program - it's an idea. It brings balance to the way we look at juvenile crime: ① What is the harm caused to the community, ② Who caused it, ③ How can the offender make it right with the victim/s. Judge Rosenfield provided some examples of the concept in practice. The process includes a family group conference which includes the victim, extended family, the perpetrator and family, police, probation officers, ... can be over 30 people. Understanding the impact of the crime enhances the probability the person will not commit another crime. Several members have commented that it is unnecessary to repeat the details of a presentation they have seen. There is much more on Restorative Justice on the internet. It's a great idea.

## June 6 Meeting Notes

President **Steve Olsen** presiding. Past President and current Assistant District Governor, **Randy Seelye**, presented the award that was presented to our club at the District Conference—we were first in Membership Development for LARGE clubs. Our district was first in membership growth in Zone 23. There are 530 districts in the world. That award will be presented in Barcelona.

**Jon Stark** made a last minute plea for candidates for the Rotary Youth Leadership Award week at Westminster Woods, June 16-21. It is a leadership development camp for students completing their Junior year.

**Linda Hauck** has volunteered to create the bulletin for the first 6 months of the new Rotary year, beginning July 1. THANK YOU, Linda.

**Dan Lambert's** father passed away. Our heart-felt condolences to you, Dan.

## RECOGNITION

**Mike Kelly** missed the meeting, probably to avoid hearing the club sing, as it was his birthday.

**Penny Millar's** birthday is on Friday. On Saturday she is having a family reunion. Her oldest son, **James**, will graduate from high school and received 3 awards at the Piner High awards night.

**Dave Lorenzen** will celebrate his birthday doing yard work. **Scott Holder** will celebrate **Tricia's** birthday by taking her out with 23 of his closest Edward Jones associates.

It was reported (by Russ Lockner) that **Jim McCracken** had been fly fishing at a private lake near Redding. He caught a 22" rainbow.

Just before he had a chance to stand up on his own to confess, **Steve Herron** was exposed as a winner of a wealth of prizes at the golf banquet, AND his 4some came in second, with the help of a ringer.

**Steve Worthen** was another winner—the

## More Recognition

Pampered Princess, which he couldn't really use himself but points are good. He contributed \$100 to a Paul Harris in celebration of his daughter's 21st birthday.

**Jerry Johnson** was awarded a purple heart for his injury in the line of pinholding duty at Friday's golf tournament. He was struck in the ankle by an errant putt.

**Peter Wolf** admitted to having his 6th wedding anniversary June 1 (not in the database). He and **Andrea** went to Pt. Reyes with an unexpected crowd and had dinner at Scala's.

**Ralph Harryman** avoided the accolades and accusations for winning the tournament, by not showing up for today's meeting.

Events since 1991. After successfully competing in the "singles" division for several years he has now moved to the preliminary "pairs" division. The brains of that enterprise are, of course, the two registered Morgan geldings, Annadel Chalmer's Choice and Calyn Keomah Chief, that are the pride and joy of the barn. Steve is the immediate past president of the Carriage Association of America and currently the United States representative to the International Driving Presidents' Council. The presentation will attempt to explain all of the foregoing.

### The Santa Rosa Sunrise Weekly Bulletin

Several comments, complaints, suggestions have been passed on to Linda Hauck (past and next bulletin editor) and I to make the bulletin better. They include: (1) decrease the file size to make it easier to download, by decreasing resolution of photos and eliminating the last 2 pages of the bulletin, (2) Eliminate the discussion of last week's speaker as it just repeats what everyone already heard, and (3) Eliminate the sponsor requirement as mailing costs have been decreased. Pass further comments on to Jim Moir.

## RECOGNITION

**President Steve Olsen** presiding. Steve was so happy to get his Mont Blanc pen back, he contributed \$100 to his nephew's Paul Harris Fellowship.

**Mike Kelly** thought about us singing happy birthday to him last week and it made him so sick, he missed the meeting and the golf tournament. It was not a happy birthday, but he plans on Trinity in July.

**Hugh Helm** celebrated Christine's birthday having friends over for the weekend and with a nice dinner at Capri Restaurant in Old Railroad Square

**Archie and Sue Julian** spend their 31st wedding anniversary camping at the bottom of King's Canyon, down by the river, doing what he likes to do .....

**Ralph Harryman** celebrated his 37th wedding anniversary by attending golf school while **Kathy** went to work .....! That was worth \$100 to Kathy's Paul Harris.

Speaking of Ralph — he and the rest of his ringer 4some, won the golf tournament with a 14 under par. Ralph says it was "just an accident" but they do get together and talk about it. Ralph was also "overlooked" when President Steve announced that Randy Seelye was the only male at a table full of the female power of rotary, and fined all male tables \$1 per member.

**Shauna Lorenzen** was recognized for completing the first of 3 tests to earn her 2nd degree black belt in karate. She leaped small girls with a single bound and broke 1"x12" #2 pine boards, only slightly injuring her board holder. One unworthy note is

that her instructor is Dan Sabatino, who quit the club when we invited women to become members.

**Randy Seelye's** daughter, Elly, graduated from High School and will attend University of Oregon next fall. Big party.

**Russ Lockner** announced that the confederate flag is still flying at official buildings in Jackson, Mississippi.

**Leroy Carlenzoli** was fishing at Gun Flint Lake in the boundary waters near Lake Superior in Minnesota, where there are a lot

## More Recognition

of rod and gun toting Leroy's about, but no Carlenzoli's. He said there were a lot of wanted posters for a wayward dentist named Steve Davis...

**John Dolinsek** got in a couple of rounds of golf while avoiding his in-laws during a recent family reunion.

### **Thanks to Dale Zumfelde**

For photographing the golf tournament and banquet and for supplying many of the photos in last week's bulletin.

## DUES ARE DUE

### **GLOBAL QUEST WINNERS INCLUDE DISTRICT 5130**

Each Rotary club was asked to bring in one qualified new member per month in 2001-02, with a minimum net gain of five new members per club at the end of the year. Each district was requested to form a minimum of three new clubs.

The Campaign: Fifty districts and 100 clubs have been designated as Global Quest winners. At least one winning district is recognized from each zone, in addition to 16 at-large districts. The district with the largest net gain will be named the overall world winner at the 2002 RI Convention in Barcelona, Spain. Two clubs from each district: one with fewer than 50 and one with 50 or more members, in addition to 32 at-large clubs, are recognized as winning clubs.

## Meeting Notes & Recognition

The meeting was opened by some guy wearing a skirt and cracking a whip. Turned out to be President **Steve Olsen** in his Driving Apron, required for the formal class, along with coat, gloves and hat, when competing in the Combined Driving Trials.

Although his guest, Jim Henderson, was here, **Mike Kelly** was not here to present the inspirational thought. In his place, Vicki Lockner gave her Rub-a-dub-dub-thanks-for-the-grub speech. Kelly finally showed up and puzzled people with "The top of the mountain is warmer than those in the valley imagine", by Nietzsche. He also had gone on some hike. And his bright yellow shirt helped crank his recognition up further.

**Ken Coker** auctioned off two \$110-tickets to NASCAR, donating the proceeds to **Jim McCracken's** grand-daughter's Paul Harris. **Stan Walker** quickly bid \$110.

When **Jim Herron** was recognized for wife, Laura's birthday, he also admitted to some notoriety in this past weekend's paper and donated \$100 to his Paul Harris Fellowship

**Randy Seelye's** birthday was today and the singing (??) began. He was leaving later in the day for Barcelona for the International Rotary Convention.

**Jim Brenton** celebrated his wife, **Cindy's** birthday, playing horseshoes .....

**Steve Davis** is on his way to Paris right after his birthday. He will help celebrate the wedding of his significant friend's son.

**Bruce and Diantha O'Krepkie** celebrated their 24th wedding anniversary on Fathers' Day. He shot a 51 for 18 holes (at Scandia).

**Wendy** is in Chico and Stanislaus orienting new nursing students and **Warren** is playing hockey on their 27th anniversary (6/20). But they'll go to La Gare for dinner Friday.

**Dan & Susan Davis** celebrated their 29th anniversary, buying a new Suburban. Dan felt great about the results of his lengthy and tough negotiating of the price, until he saw it advertised for \$1000 less in the paper the next day.

**Linda Hauck** was heavily assessed for just returning from Italy and France (Tuscany, Provence and Paris).

## DUES ARE DUE

### A MEDICAL FIELD TRIP TO MEXICO

**Ezbon** accompanied approximately 3 staff and 15 health sciences students, (nursing & hygiene) to Ensenada June 2-25 for a Transcultural Health Care and Medical Spanish Classes". The students observed and assisted in in hospitals serving the poor and government workers and in a nursing home for the old and poor. Students also did health assessments at the largest orphanage in Baja and at a migrant work camp. They observed births, surgeries and perinatal education. Approximately, 300 patients were seen this way. In addition, the four hygiene students/recent graduates cleaned over 147 mouths and applied sealants to prevent decay on countless teeth at the orphanage, work camp and one of the schools (grade 1-6) in the poorest area in Ensenada.

## June 27 Meeting Notes

President **Steve Olsen** presiding. He ran late last week, so didn't present the horse book to the Steele Lane Elementary School library - he did it today. Visitors included Santa Rosa East past president Doug Wayman 73-74, Santa Rosa West PP Jim Benoit 87-88, and Richard Levin (Sebastopol). We received a thank you letter from **Laci Moore**, who we helped with a student grant. She graduated from the 8th grade of Piner Olivet Charter School and proceeded directly to Santa Rosa Junior College.

## RECOGNITION

**Jim Moir** in Europe. **Ross Jones'** wife, **Jane** celebrated her birthday with a day in SF. **Steve Herron** appeared on the cover of a scratch pad ...? As a bleeding heart he passed his assessment on to **Peter Treleven** who passed

it on to **Bob Scott** and **Tom Eakin**.

**Ed Carrette** announced his new career as the new Remax franchise owner in Guatemala. Since he proceeded to advertise real estate in Guatemala, he was assessed. But he pledged \$100 to his deceased father-in-law's Paul Harris.

**Leroy Carlenzoli** proudly announced that his son works for Worldcom.

**Dale** gave his long-time exchange student away in marriage last Saturday, in Sacramento. Goga had also received a green card.

**Rusty Lockner** Hi 5'd Steve Olsen for his last meeting as President.

**Jon & Terry Stark** had a long chat with a charming, down-to-earth lady named Laura Bush.

**Keith & Carmen Taylor** intend to celebrate their 50th wedding anniversary on a balloon ride this weekend.

**Merle Hayes**, who had found her twin grandsons to be so cute in the beginning, is now finding one chewing on her shoulder while the other chews on her leg. She's doing her duty as a helper and babysitter.

The Santa Rosa Sunrise Rotary Bulletin is published weekly and emailed to most members in the form of a printable color PDF file. Members have the option to have a b&w copy of the bulletin mailed to them. Web-site: [www.santarosasunriserotary.org/](http://www.santarosasunriserotary.org/)

## SRKSEP

15 students from Kagoshima, Japan will be coming to Santa Rosa for a 2 week homestay from July 27-August 10. They will be visiting Sunrise Rotary meeting on Thursday, August 8. Adults from Friends of Santa Rosa Association in Kagoshima will also be at the meeting. They are honoring the 150th anniversary of the birth of Kanaye Nagasawa, son of a Samurai, who established the first winery in Santa Rosa, Foundaingrove Winery and Round Barn. Thanks to Bob Scott for continuing this great project initiated by Dan Lambert.

### SHAUNA LORENZEN

A 3-peat for Shauna: She was the club treasurer in 94-95 and the President in 1999-2000. Welcome her back as this year's Secretary.

## Rotary Convention

### Rotarians celebrate achievements, ponder future at convention

More than 19,000 Rotarians traveled from 147 countries to attend the 93rd RI Convention in sunny Barcelona, Spain, on 23-26 June. The event opened with remarks from RI President Richard D. King, who focused on the increased need for organizations such as Rotary in the face of wars and tragedies.

"The world looks to us for direction," he said. "And why not? We are the most dedicated, energetic, and committed citizen-leaders that the world has ever known." President King then presented a Rotary Award of Honor to U.S. humorist and humanitarian Jerry Lewis.

A highlight of the convention was the announcement on 24 June of the winners of the Global Quest by the RI president and Kenneth Boyd, chairman of the RI Membership Development Executive Steering Committee. Thirty winners received jeweled globes for their achievements, and President King announced that an unprecedented number of more than 72,500 new Rotarians were inducted during 2001-02.

On 25 June, former Soviet Union President and honorary Rotarian Mikhail Gorbachev made a keynote address on the importance of service organizations in promoting world peace, health, and environmental protection. "I would like to congratulate your movement on its great accomplishments and salute all those who are doing projects that respond to the hopes of the people in the 21st century," he said. President King presented Gorbachev with RI's Humanitarian Service Award, in recognition of his groundbreaking efforts to promote peace and social development. ### President's Message

"There is a theory which states that if ever anyone discovers exactly what the universe is for and why it is here it will instantly disappear and be replaced by something even more bizarre and inexplicable. There is another theory which states that this has already happened." *Douglas Adams*
