BILL KOKKE started the meeting with the pledge of allegiance. HOWARD DAULTON II gave the invocation, in which he asked a special blessing for the impoverished baseball players and owners. JACK EDDINGER introduced visiting Rotarians.

MIKE SASS introduced his guest, JOHN LYNCH who is the Financial Director of California Homes. GARY DOOLITTLE introduced his guest GEORGIA BERLAND who is the County of Sonoma Human Services Committee Coordinator. She oversees grants given by Sonoma County to agencies helping underprivileged people.

**FINE TIMES**

DANA ANDERSON paid \$5 for delivery. Seems the last meeting he attended he received and left at his table a complimentary rose for his lovely wife. President SEEGMILLER delivered the abandoned flower into the hands of it's intended owner. KEN COKER is still moving into his new quarters. It cost him \$8. DR. FRANKE is celebrating his 38th BD today. Using IBM math the fine came to \$17. VICKIE LOCKNER will

celebrate her ??? BD tomorrow. Are there really only two questions a gentleman should never ask a lady?

JEFF and DEBORAH ABRAHAMSEN celebrated their 8th wedding anniversary on the 13th of February by visiting La Quinta. Also, his company ran an opulent quarter page ad and was identified by the SRBJ as the second largest (and gaining) insurance company in Sonoma County. For all of this he paid only \$40.

MICHAEL SASS vacationed in New Zealand where he bicycled 500 miles and bungie jumped 250 feet. He also closed a very large business deal. All told he paid \$100, \$25 went to his fine (he's now a bleeding heart) the rest went towards his Paul Harris. Our very own radio personality JOHN DOLINSEK conducted a talk show for KSRO. As a BH he passed the fine to RUSS QUISTGARD (\$25), for GP, and RUSS LOCKNER (\$5) for not having to buy a rose for VICKIE.

#### STORY TELLER GEORGIA CHURCHILL

Often there is no substitute for being there. Today is such a day. At age thirty GEORGIA decided she wanted to tell stories. She tries to find stories in their original form. Often written stories have been carefully constructed and arranged to make them flow smoothly and easily. Folk tales often incorporate so many details and facts about the surroundings, the people, their characteristics and history it often makes them flow erratically. They so carry emotion, and can only be told by a capable few.

She told or acted out three stories, one from Alaska about an Eskimo with only a head, another about an old man who thought he

could beat a bird at his own game. Last she told us of a wise king and a wise ghetto boy and the result of their silent negotiation. She captivated the audience. The adults were transformed into school kids actively listening to, and hanging on to, every word being relayed by their teacher.

I was told, when much younger, an Indian's wealth was judged by how many stories and songs he knew because of the happiness he could bring others. If that were true today, GEORGIA would be very wealthy.

President KENT presented her with a bottle of wine thanking her for a wonderful program. The audience showed their appreciation with a warm round of applause.

#### DARING FUNDRAISER JACK EDDINGER...

...is going to quit smoking tomorrow. He will donate \$1 for each day he does not smoke. If he makes it 100 days he will donate \$200 to the club.

In the spirit, WARREN SMITH stated he would donate \$.25 for each day JACK doesn't smoke. GARY DOOLITTLE, KENT SEEGMILLER, MARILYN PRATT, DAN LAMBERT, DAVE LORENZEN, RUSS QUISTGARD, RHOANN PONSETI, and others matched WARREN's offer. If you volunteered and are not mentioned here, or wish to join, call me at 546-7822. I'll gladly add your name to the list.

#### VOCATIONAL AWARD

Our club will honor some one who is doing a particularly good job in their chosen occupation. If you know of such a person call LEROY CARLENZOLI to nominate them. The person may or may not be a Rotarian.

#### BYLAWS AMENDED...

The club adopted the new bylaws overwhelmingly. I didn't see or hear a dissenting vote.

#### FUNNIEST FOUR

##### SENIOR CITIZEN'S PROJECT

Four tickets to the San Francisco Competition Funniest Four will be sold by silent auction. The show will be Sunday April 1 at the Luther Burbank Center at 8:00 p.m. The tickets include entrance to the LBC Gold Room where hors d'oeuvres and champagne are served prior to the show. The seats are in the 6th row off stage. The bid sheet will be on the sign-in table at the next meeting.

15 \$\$\$ JACKPOT \$\$\$ 280

JUDY MILLS won the opportunity to reach in the bag and prove her luck. The pot now stands at \$280. JIM KNAUFF won \$10 which he donated to the Community Service Project.

Wouldn't you be blue if you bought a ticket, only one, and watched as the next number won. So don't pass the deal, it's really a steal, buy 3 for 2.

#### NEW MEMBERS

The following have been proposed and approved by the Board of Directors for membership in our club. Their names will appear in the bulletin three times, to notify the membership and to allow time for members to make any objections known to the board. This is the third and last publication.

Proposed Member: Mr. DOUG BELL  
Classification: Energy Cogeneration  
Sponsor: WARREN SMITH

Proposed Member: Dr. BRUCE REYES  
Classification: Chiropractor  
Sponsor: GARY DOOLITTLE.

#### PRESIDENT'S CORNER

Man is the only animal who laughs. He also is the only one who has a legislature.

Special thanks to CAROL ESTES for diligently taking care of our flag banners.

PAT GALLAGHER started the meeting with the pledge of allegiance. DAN LAMBERT gave the invocation. LEROY CARLINZOLI introduced visiting Rotarians.

MIKE SASS introduced his guest, JOHN LYNCH who is the Financial Director of California Homes. STAN WALKER introduced his guest WALT WESSMAN who is President of Protect.Tor, Inc. They import and distribute computer parts.

**FINE TIMES**

BOB DUNN paid \$10 for visiting Toronto. He returned with a flag from the Toronto Eglinton Club. PETER TRELEAVEN visited Colorado with a Marine buddy. (male buddy) They skied by day and repaired his buddy's transmission at night. PETER said "I learned more about transmissions than I ever wanted to know." So Acting President GARY DOOLITTLE charged him \$10 for training. MIKE SASS, the heaviest fine Sunrise Rotarian just moved into a "very nice home". He passed his \$10 fine to RUSS LOCKNER (VICKIE paid for his breakfast).

**SONOMA COUNTY ALLIANCE**  
by DANIEL L. PELETZ

We were honored by having DAN back for the second time. He is currently President of the Sonoma County Alliance. This organization came about to support building Warm Springs Dam. At first it was a coalition of organizations. Today it represents business, agriculture, labor and individuals. It's goals are to protect private property rights, encourage a healthy economy, maintain a sound environment and to promote a responsive political process.

The Alliance has been felt by governments throughout Sonoma County. The Warm Springs Dam is in place and functioning. Jean Kapolcbok prepared and presented the Alliance's position to the Sonoma County Planning Commission. One member stated it was the most professional presentation given.

DAN invites everyone to attend their meetings. Next month the News media will question each candidate, which is usually a very lively meeting. He merely asks you to RSVP by calling (707) 525-8377.

**CROSS CRAFT TALK**

This is the first of a new kind of Craft Talk. JIM KNAUFF gave a Craft Talk on JOHN DOLINSEK. He did this very creatively by pretending he was Mr. ROGERS of TV fame. I will not try to duplicate the talk here. As you would expect, JIM did a professional (better than some shows I've paid to see) job.

JOHN was born in Santa Rosa and grew up in Novato where he attended Novato High School. He played and starred on the baseball team. Later

he attended Arizona State on a baseball scholarship. After college he played AAA baseball for 5 years in the Houston organization. This took him to exciting places, including Columbus, GA; Covington, VA; OK City, OK; Denver, CO; Newport News VA; and the Dominican Republic. His interests include bicycling, golfing, wine making, sailing and instigating good times, though often irreverent. He has 3 kids ages 18, 19 and 22.

He sells disability and life Insurance through the firm, JOHN DOLINSEK INSURANCE, located at 507 South E Street, in Santa Rosa, phone, 544-5493. He sells insurance to everyone, however, he specializes in small business owners and professionals.

**SOBER GRADUATION**

DEBBIE FIDLEMAN spoke to us about the benefits of a sober graduation program for high school seniors. She wants to break tradition of kids going to Salmon Creek, drinking until they pass out or the cops come, then driving home. Statistically, graduation night is the most dangerous for graduating seniors. This program puts together an evening of fun and entertainment. To continue the program, they need money, people's time, talent and energy. Also, they need to know of businesses that will donate prizes the kids can win. If you wish to take part contact one of the following: Piner HS, DEBBIE MARTINEZ, at A578-3344. Santa Rosa HS, JUDY ERNEY, at 539-5593. Cardinal Neuman/Erslie, TANYA LACY, at 538-4865. Montgomery HS, JUDY SWEZEY at 579-3235 or LYNDA LYNCH, at 538-8323.

**DARING FUNDRAISER UPDATE...**

JACK EDDINGER has not smoked for six days. WARREN SMITH, GARY DOOLITTLE, KENT SEEGMILLER, MARILYN PRATT, DAN LAMBERT, DAVE LORENZEN, RUSS QUISTGARD, RHOANN PONSETI, DEL RABY, and ARCHIE JULIAN owe the club \$1.50 ea.

**IF YOU READ YOUR ROTARIAN,  
YOU WOULD KNOW...**

In 1938 Chester Carlson made a discovery that would revolutionize the way business, government and everyone else save and or relay information. This device could have kept Alger Hiss out of prison. It has been used to detect lies. It may even be used to counterfeit. It is greatly feared and carefully controlled in Russia. What is this marvelous device?

How does the Rotary club of South Miami, Florida, take Rotary Service beneath the ocean?

The oldest living Rotarian wrote the following poem. Can you name him and his country?

At ninety plus, it must be told,  
I sometimes think I'm growing old  
My stick and glasses both agree  
And sometimes have sly fun with me  
More certainly as each day passes  
I need my stick to find my glasses  
But therein lurks their impish trick  
Sans glasses I can't find my stick.  
How old is he?

**VOCATIONAL AWARD**

Our club will honor some one who is doing a particularly good job in their chosen occupation. If you know of such a person call LEROY CARLENZOLI to nominate him or her. The person may or may not be a Rotarian.

15      \$\$\$ JACKPOT      \$\$\$      290  
CAROL ESTES won, but lost.  
LEROY CARLINZOLI won \$10.  
I would like just one thing better than to see your face grin should you learn you have a chance, the jackpot to win. So buy a ticket or three, you may win or better yet it may be me.

Rotary Ad.

ENJOY ROTARY!!!

Join us at the Annual District 513 Conference May 10 through May 13, 1990.

The District 513 Conference provides Rotarians with an opportunity to advertise in the official program for the conference while also financially assisting District 513 in providing the best conference ever.

The size of advertising space available varies from business card size, selling for \$30 to full page ad, selling for \$250. In addition to the ads, there will also be an opportunity for each member to donate to the program. All who donate will have their names listed in a special section of the program.

Checks should be made out to Rotary District 513 and sent in care of ART WILSON, the Program Advertising Chairman for District 513, American Speedy Printing Center, 443 Dutton Avenue #3, Santa Rosa, CA 95407

Advertising artwork should be in a form suitable for black and white reproduction. We will be shooting most advertisements directly from your artwork (as an example: your business card) so please provide clean, high contrast work for us to shoot. If your artwork includes a photograph it will necessitate having a halftone made prior to printing. Halftones increase the price of the advertising by \$10 to \$15 depending on the size of the photograph.

If you have any questions regarding this advertising opportunity please call ART WILSON at (707) 575-9334 or HANK SWANEY at (707) 542-5534.
