Coming Programs

Thursday

Dr. Tancredi D'Amore, a San Francisco Rotarian, will speak on the Rotoplast program -- Rotary-sponsored plastic surgery performed on needy children throughout the world.

D'Amore leads a team of specialists that performs surgery to correct cleft palates on children in poorer countries of the world.

The team is funded by Rotary clubs and Rotary International.

Thursday, March 20

The progress of Rotary's "Support Our Students Program," which began with a focus on truancy six years ago and has developed into a counseling program at 21 school, will be the focus of this meeting.

The four Santa Rosa Rotary clubs founded SOS in 1991 after researching the problems of teen-agers and the beginnings of gang activity in Santa Rosa. From a Rotary budget of \$10,000 three years ago -- the Sunrise club contributes \$2,000 annually -- the program has grown to about \$120,000 in funding ... only 11 percent of that from Rotary clubs.

During 1996-97 the SOS program was honored by receiving the "Spirit of Santa Rosa" award from the Santa Rosa Chamber of Commerce; the "Volunteer Group of the Year" award from the Santa Rosa City Schools Board of Education and the "Special Award for Community-School Cooperation" from the Jack London Excellence in Education Committee.

With in the last two weeks, the program was recognized in "The Rotarian" magazine for Rotarians throughout the United States.

SOS includes 24 counselors who provide more than 250 hours of counseling services each week in local schools. This has grown from seven counselors and 40 hours per week of counseling in just three years.

Sonoma State University is a major partner in the program. Dr. Mark Doolittle of SSU directs the program and most of the counselors are students earning their master's degrees.

Mystery Rotarian

If I give you any concrete information about this Mystery Rotarian, it would make him too easy to identify. So this time I'm going to do it a little different.

This MR:

- 1: Had no classmates from grade 1 through 4.
- 2: Delivered laundry to ferries.
- 3: Washed glasses and prepped vegetables on a cruise ship.
- 4: Toured Europe for 4 months in a VW after graduation.
- 5: Worked in a piggery.
- 6: Has three sons, two of whom are driving.
- 7: Has been regularly been awakened by moose scratching themselves on the corners of his domicile.
- 8: Has a dry, sly and subtle sense of humor that keeps us constantly laughing.
- 9: Has been a charter member of two Rotary clubs.

This is another easy one! Guess right and use the money you save for extra raffle tickets.

Annual Golf Tournament

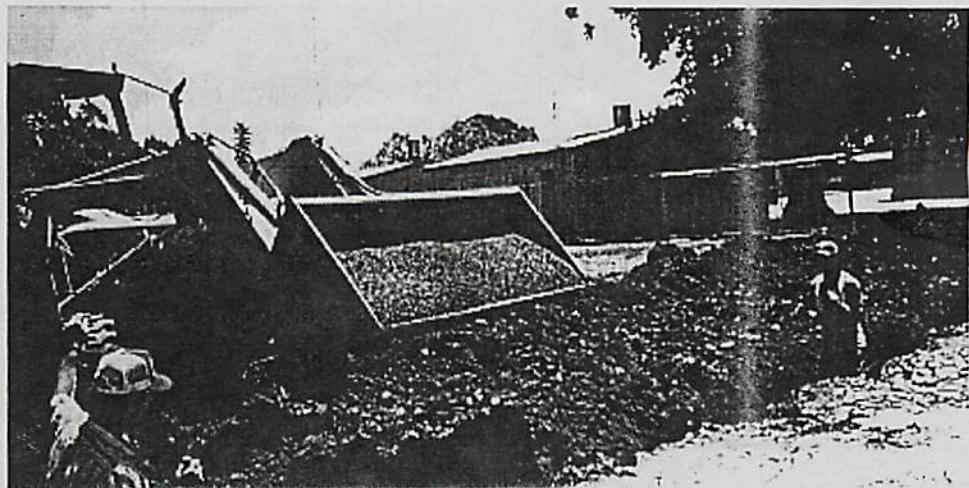

When: Friday, May 23rd. **Where:** Oakmont Golf Club.

Time: 11 a.m. registration starts

Co-chairman Steve Herron reports that about 20 percent of the foursomes are filled for the 8th annual club golf tournament -- which has traditionally been our largest fund raiser of the year. Steve said he expects the tournament to be sold out in April.

All club members' help will be needed to make sure the day will be a success. The committee is in full swing securing golfers, tee sponsorships and corporate donors.

Club members are asked to secure raffle prizes with a minimum value of \$50 or be prepared to make a donation of \$50.

Trenches were dug last summer before the irrigation system was installed at Steele Lane School.

Steele Lane Dedicaton

The **BIG** event is planned for Thursday, June 5th. That's when we will dedicate the school fields project -- and the field will be opened for all to use in June ... or soon after that date.

Please put this date on your calendar. We will be meeting at noon on June 5th -- instead of our normal breakfast -- with a barbecue lunch served next to the 3-acre field. Vicki Lockner is organizing the food end of the event, and we will soon be setting up a committee to plan the activities -- and festivities.

Tentative plans include inviting the entire school student body, PTA, school board, city officials, companies that donated toward the project -- and the media. We hope to make the ceremony a media event, with a ribbon cutting ceremony -- followed by all of the students dashing onto the field for the first time!!

The \$120,000 fields project is the largest Community Services project our club had done -- we spent \$45,000 on the project, invested thousands of hours of time and received \$75,000 in in-kind contributions from local businesses.

Club Assembly

President-Elect Art King is organizing our club's delegation to the District 5130 Assembly to be held April 18 and 19th in Ukiah.

The Assembly is basically a training ground for incoming club officers. It also offers special discussions on getting the most out of Rotary for long-term Rotarians.

The program begins with dinner on Friday evening at Lake Mendocino Club. Breakfast and registration starts at 7:30 a.m. Saturday, with the program from 8:30 a.m. until 2 p.m.

Bring a friend day

Thursday, March 27th, has been designated as "Bring a Friend to Rotary Day." We have an excellent program on the 27th featuring Ron Oriti, director of the Santa Rosa Junior College Planetarium. The program will be on the Hale-Bopp Comet which can be seen during the early morning hours in the eastern sky.

Bring a Friend day is a part of the club's Membership Development program led by Eve Nighswonger.

Worldwide Rotary projects

Our club has two international events coming up -- one our annual student exchange program in Japan and the other our eyeglass project in Haiti -- that need support from club members.

Both projects depend on donations -- over and above what Sunrise Rotary Club can provide.

Bob Scott, who's directing SRKSEP (Santa Rosa-Kagoshima Student Exchange Program) is organizing a group to travel from Santa Rosa to Japan from July 8th through Aug. 4th. He needs to raise about \$2,800 to help defray costs of the trip for students.

John Jones is leading the eyeglass project to Haiti and about \$4,000 to \$5,000 (including our club) to defray expenses.

Coming Programs

Thursday

"Bring a Friend to Rotary" today for a special program on the Hale-Bopp Comet by Ron Oriti, director of the Santa Rosa Junior College Planetarium, one of the largest space science facilities in the state Community College system.

Oriti, who has authored a college level textbook on astronomy, has directed the planetarium for many years, including putting on special shows for the community. He was previously employed at the Griffith Observatory in Los Angeles.

The comet, which is visible before dawn and just after sunset, has been described as one of the best -- if not THE best -- comet of the 20th Century. The best views of the comet are this month and in April.

The program should be a special one, so be sure to bring a friend!

Thursday, April 3

Gay Shelton of Rio Nido, who directs the California Museum of Art at the Luther Burbank Center in Santa Rosa, will be our guest speaker.

Shelton graduated from the University of California at Davis with a bachelor of arts degree in performance art and a master's degree in fine arts with an emphasis on painting and critical theory. She received a full tuition and stipend fellowship from the University of California Regents for her master's program.

In 1994 she taught perspective drawing classes at Santa Rosa Junior College and has served as a guest lecturer at Bodega Bay Arts Alliance, Cerro Coso College and Sonoma State University.

She has exhibited her work at galleries and exhibitions throughout Northern California and was part of a traveling show exhibit to the Ukraine in 1991-92.

Mystery Rotarian

Our latest local yokel is another native Southern Californian who fled to the greener pastures of the north. This MR has many talents and achievements:

- A: Bench presses more than their body weight.
- B: Played piano in the Hollywood Bowl before age 13.
- C: Is a master at dealing with regulatory agencies on the job.
- D: Has had only two fillings in their entire life.
- E: Broke into a monastery in the wee hours of the morning.
- F: Met their spouse in Salzburg, Austria.
- G: Is an expert on parasites of hairy sites.

A free parasite inspection for anyone who can guess the identity of this Mystery Rotarian.

Annual Golf Tournament

When: Friday, May 23rd. **Where:** Oakmont Golf Club.

Time: 11 a.m. registration starts

Your help is needed to make the 8th annual golf tournament a success.

Co-chairmen Jeff Young and Steve Herron report that foursomes are filling up for the event -- which has traditionally been our largest fund raiser of the year. Steve said he expects the tournament to be sold out in April.

All club members' help will be needed to make sure the day will be a success. The committee is in full swing securing golfers, tee sponsorships and corporate donors.

Club members are asked to secure raffle prizes with a minimum value of \$50 or be prepared to make a donation of \$50.

Perfect Attendance!

April, the first full month of spring and longer days, has been designated as Perfect Attendance Month for the Santa Rosa Sunrise Rotary Club. All club members are asked to attend four meetings during April -- including making up for any misses.

Perfect Attendance Month is designed to remind and encourage Rotarians to participate. Attendance is the cornerstone of Rotary ... and besides there are a lot of great clubs around us to visit!

President Randy has offered to contribute \$200 to our World Community Service projects if the club is successful -- \$100 to our Haiti eyeglass project and \$100 to Santa Rosa-Kagoshima Exchange Program.

Tentative plans call for a group makeup day at the Sebastopol Rotary Club -- since so many members of that club attend our meetings.

Director Eve Nighswonger said all club members are being paired up for the month.

If your "Rotary Buddy" doesn't attend a meeting, call them to make sure they make up -- or make up with them.! Remember, Rotary allows make ups two weeks before a missed meeting and two weeks after. Attending the District Assembly counts as a make up.

Here's the "Buddy" list:

Gary Bayless & Al Abramson	Leroy Carlenzoli & Nancy Aita
Ken Coker & David Brown	Steve Davis & Frank Cercone
Jo Gennuso & Laura Christopherson	Ralph Harryman & Dan Davis
Rike Intner & John Dolinsek	Carl Jacobson & Steve Herron
Archie Julian & Scott Holder	Art King & Jerry Johnson
Russ Lockner & John Jones	Vicki Lockner & Mike Kelly
Dave Lorenzen & Dan Lambert	Shauna Lorenzen & Larry Martin
Jim McCracken & Dale Zumfelde	Steve Olsen & Bob Scott
Russ McCracken & LuAnn Paulsen	Del Raby & Warren Smith
Randy Seelye & Pat Solar	Phil Sitzman & Peter Treleven
Stan Walker & Jeff Young	Rolf Wessman & Jeff Young

Left over: Eve Nighswonger ... she is organizing the Perfect Attendance Month and promises to attend all 4 meetings!

District Assembly

President-Elect Art King is organizing our club's delegation to the District 5130 Assembly to be held April 18 and 19th in Ukiah.

The Assembly is basically a training ground for incoming club officers. It also offers special discussions on getting the most out of Rotary for long-term Rotarians. If you're going, get the application for to Art by Thursday, March 28th.

Attending the Club Assembly counts as a makeup for attendance purposes.

Worldly success!!

A year-long frustration for Director Dale Zumfelde, our director of International Service, has finally ended in success!!

Dale helped raise money more than a year ago for our project of buying medical supplies to help war-torn Croatia. The project has long been completed on our end -- a total of \$4,152 was raised, and then matched at the district and international level.

We were ready to send the supplies, but unfortunately communication was difficult with a Rotary Club in Croatia and despite Dale's repeated attempts, could not get a letter from our partner club in Croatia. But finally, that letter has been received by the Rotary Foundation and the long-awaited medical supplies should be delivered soon!

New Club Officers will be taking office in July, but they may ask for support during the next few months as they get organized. Please offer your assistance.

1997-98 Sunrise Rotary Club officers: Art King, president; Jo Gennuso, secretary; Steve Herron, treasurer; Russ Lockner, president elect; Randy Seelye, past president; and directors Pat Solar, Steve Olsen, Jeff Young, Dave Brown, Eve Nighswonger and Jim McCracken.
