## Important Announcements: Annual Golf Tournament:

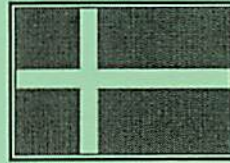

Steve Amend reminded us about our upcoming golf tournament.

It's time to get "McCracken" on this event. There's an early bird special for foursomes that sign up by March 30—so don't miss out and don't forget to talk this up with all the golfers you know. I almost typed "golfers." This tournament is our major fundraiser so we're lookin' for more than foursomes. We need raffle prizes (see Sylvia Higgins), corporate & tee sponsors (see John Dolinsek). "Bahboo" Bob Scott is thrilled to have seven students lined up for SRK-SEP's four week visit to Japan this summer, but there's room for more, so please refer candidates to him for this great oppor-

nity to experience Japanese culture.

**Huge Thank Yous** are in order for club members who came forward to host visiting Danish students this April. Thanks to you we've placed all 22 of these young people.

## Meeting of March 4th

Thank you, **Jim Brenton**, for leading us in the pledge, and, **Hugh Helm**, for doing a fine job introducing our visiting Rotarians. **Art King** gave us an inspirational thought from Wayne Dreski, "100% of the shots you don't shoot, don't go in." How true that is. Like Steve Amend, **Ross Andress** also has a son who's played a par game of golf. **Congratulations, Ryan!** This is certainly a fineable offence which Ross chose to pass on to **Nancy Aita**, who, by the way is convinced that she, too, is a bleeding heart. **Ralph Harryman** is dashing about town these days in a brand new van—a gray one. This cost him \$25. Ever talkative, **John Watson** has been missing from our meetings lately. Why? Because he's been soaking up the sun in Mexico living life in the luxury of his ultra fancy 5th wheel trailer. This reporter's jealous. **John** paid the nominal fee of \$7 for this great Mexican camping adventure. Speaking of adventure, **Steve and Lynn Olsen** were living life in style on their Caribbean

cruise through San Juan, Aruba, St. Martens, et al., all great places to fish, he explained to President Russ. This cost him a mere \$20. The Prez must've been pretty desperate to fine your reporter, **Eve**, \$5 for ordering a new Rotary badge. The old badge not only classifies me as a florist, but it had gotten all rusty—not really from wearing it in a hot tub as the Prez asserted, because that would indicate that my life is far more interesting than it actually is. **Jim McCracken** was fined for enjoying a cabin at Gray Eagle near a lake? Bet that lake had some fish in it.

\*\*\*\*\*

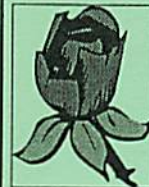

Please let me know about items for the bulletin by emailing them to me at enighswo@a.crl.com, or by fax or in printed form. I'm counting on you to keep me informed about important club meetings and events as well as roster info changes. Despite what you may think of it now, the bulletin will be a lot of nothing unless club members communicate to me what should be included. Thank you for your help with this. Awa

## The Guatemala Eyeglass Project

is scheduled for June 12th-20th. This will be our third eyeglass project abroad.

**John Jones** and **Ed Carrette** have been working on this for some time and Ed has arranged for lodging for our team, among other accommodations, at his hotel there. There's lots of work to be done in preparing an additional 2000 pairs of glasses for this project. John will keep us posted on opportunities to help. The cost of travel to participate in this project is a mere \$750. As many as 25 club members plan to participate by going on the trip. This is gonna be fun!

**Merci Beaucoup, Valentines Flower Delivery Persons!** Thanks to you, we delivered over 250 items and earned \$1600 for our community service projects—and we had fun, too. **Brent**, of Grohe/Santa Rosa Flower Shop rounded up our earnings to the \$1600 figure—thanks, Brent. He'd like us to do this again for the Friday and Saturday before Mothers Day. We need a volunteer to head this up—call **Eve** for details. 539-1886/ w: 524-1732

### THIS WEEKS PROGRAM

#### Andy Berliner of *Amy's Kitchen*

*Andrew Berliner is the founder, President and CEO of Amy's Kitchen, a producer of frozen vegetarian foods made from organically grown ingredients. Andy started off selling encyclopedias during his sophomore year at Purdue. He moved to Australia at age 22 to work for and eventually become president of a small cosmetics firm which he helped build into a multimillion dollar business. After returning to the U.S. (Northern California) in 1974 he worked for and became President of Magic Mountain Herbal Teas. Within 4 years, annual sales jumped from \$35,000 to \$12 million. Andy then turned his attention to his brother's Old Chicago Pizza Restaurant in Petaluma, and he marketed individual "Chicago Style" frozen pizzas in grocery stores, introducing vegetarian "Old Chicago Pizzas" into the natural foods marketplace. This venture did not prosper but the experience provided the basis for the establishment of Amy's Kitchen, a truly prospering business, which Andy will tell us about.*

## Meeting of March 11th

Luann Poulsen led the pledge and Gary Holtz acted as our greeter and introduced the visiting Rotarians—next time he'll bring his reading glasses. Hugh Helm gave the following inspirational thought: Concentration is the magic key that opens the door to accomplishment. It's important to have energy and the ability to focus our efforts on a single point. It's the first rule of success. Thank you, Del Raby, Rotary historian and Rotarian extraordinaire, for our Rotary moment. Happy Birthday, Mike Panas, he's got plans at the coast, fishy stuff, like Bodega Bay Lodge—hope it was fun, Mike. Margie & Pete England are celebrating 19 years of wedded bliss costing \$19 at Rotary. Del Raby is back from Anaheim and Las Vegas—doing Rotary work, course: \$12 for his travels. Now for being Irish, or having an Irish-sounding name: Mike Kelly & Deborah Corrigan \$20 & \$17, respectively. Mike won big bucks in a golf tournament recently. Congratulations, Casidy Ward & Ellen Johnson, you've earned your blue badges. Dale Zumfelde made a cameo appearance at our meeting. Thanks for joining us, Dale. You know you're always welcome, sunny side up.

Visiting Rotarian and lucky man, Guenter, chose the right marble and won \$240. It's always a visiting Rotarian, isn't it? Thank you, Brian Rondon, for your excellent craft talk. You're a welcome addition to our club.

## PRESIDENT'S MESSAGE

*Here is a test to find whether your mission on earth is finished: if you're alive, it isn't.*

## Cowboy Wisdom

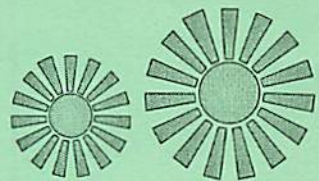

After eating an entire bull, a mountain lion felt so good he started roaring. He kept it up until a hunter came along and shot him. The moral: when you're full of bull, keep your mouth shut.

### THIS WEEKS PROGRAM

*Presentation by Santa Rosa's  
 Quad Club*

### *Support Our Students (S.O.S)*

*This is a counseling service for at-risk students funded and supported by the four Rotary clubs of Santa Rosa. This program is truly a collaborative effort with great results. Through this intervention kids with difficult home situations and other challenges are equipped with coping skills that help them deal with the hurdles they face every day. It is tremendously effective with success stories will bring tears to your eyes. This is just one way Rotary is making a difference in the lives of local troubled youths. This is also Bring a Friend to Rotary Day. What a wonderful opportunity to show a friend what Rotary does for our community.*

## Thank You Al & Robin

**Abramson** for opening up your home for Rotary fellowship last Thursday night. The Rotary Fireside is always a fun opportunity to socialize with your fellow Rotarians and their partners.

## Club Meeting of March 18

**John Dolinsek** stood tall leading us in the pledge of alligence. **Ross Jones** did an excellent job of introducing our visiting Rotarians. Thank you, **Brian Rondon** for a meaningful inspirational thought. I remember quite clearly it was meaningful because I nodded in agreement, however any inspirational thought that is longer than one sentence and includes polysyllabic words, unfortunately, will probably not be successfully recaptured for the bulletin by this reporter. Forgive me for not conveying it here. **Leroy Carlenzoli** briefed us on the status of the Earl Baum Center project. The lot has been finished. *Beaucoup* thanks are in order

for: **Lunardi Electric**, **Wyatt Irrigation**, **Ghillotti Construction**, **Carlenzoli & Associates**, and all the other contractors who donated time and materials to make this project happen.

Applause for **Leroy** for all his efforts in organizing this project.

## Meeting of March 18

**Archie & Sue Julian** have a long history of sharing birthdays. Archie's is on the 16th and Sue's is on the 17th. Apparently Sue cooked and Archie washed dishes for these two special occasions.

What a team! **Merle Hayes** had a landmark birthday Sunday. She said that she'll be spending the weekend with the Interact students from **Elsie Allen High School**, but I think her family has a surprise in store for this "special" birthday. Tell us about it, **Merle**. Congratulations, **Pamela Jacobson**, Carl's daughter, for getting that master's degree. Carl's one proud dad—thank you for contributing \$100 toward Pam's **Paul Harris**. Our Prez, **Russ Lockner**, noted a number of job titles that were ranked from best to worst in the PD. **Peter Treleaven** was the token stockbroker at the meeting and had to ante up for his profession. Thank you, **Peter**, for your \$100 contribution toward son **Peter's Paul Harris**

**Dr. Frank Cercone** was 129th on the list of 250, stammering something about his new car being a "business expense." What does that make the **Ferarri**, **Frank**?

**Ross Jones** paid \$25 for becoming

## Seeking Flower Delivery Coordinator

Since there's club interest in doing floral deliveries as a fundraiser the Friday and Saturday before Mothers Day—we need a leader to come forward. Don't be shy!

I'm ready to hold your hand, helping you get this organized, fun, and profitable for our community service projects. Call **Eve**, aka **Awa**, for more information. 539-1886

chair of the Intellectual Property Bar Association. **Hugh Helm** was our Mystery Rotarian this day.

Wow! What a history: growing up in Ohio he fancied high school band and baseball, worked in a steel mill, dodged bullets in Viet Nam, got his law degree from **George Washington University**, and became an anti-war activist. You're a welcome addition to our club. Was that **Dale Zumfelde** at our meeting last Thursday? A second cameo appearance deserves recognition. Thanks for joining us, **Dale**. Don't be a stranger, **Dale**. You're an important part of our club and we've missed you..

\*\*\*\*\*

Special thanks to all club members who participated in the Business Exchange Day where volunteers talked to middle and high school students about their career and the "real world". They're a tough audience, but I can assure you that you made a difference, **Mae West** once said, "I may not be perfect, but parts of me are excellent." Look for the "good parts" of everyone you meet, know & love. *Awa agrees:)*

## Coming up at April 1 club meeting:

**John Jones** will present at short video of the Lake Atitlan area of Guatemala and pass around sign up sheets again. The **Guatemala Eyeglass Project** is scheduled for June 12th-20th. This will be our third eyeglass project abroad. There's lots of work to be done in preparing an additional 2000 pairs of glasses for this project. **John** will keep us posted on opportunities to help. The cost of travel to participate in this project is a mere \$750. As many as 25 clubmembers plan to participate by going on the trip. This is gonna be fun!

### Important Club Announcements:

**Dan Lambert** is looking for some volunteer drivers to help show the leaders of the visiting Danish Exchange Students how best to get around our community. They will have vans of their own and will be rounding up the students to take to SRJC on the weekdays. It would be very helpful and most appreciated if some clubmembers would ride along with them the first day or two so that they can get oriented.

#### Seeking Flower Delivery Coordinator

Since there's club interest in doing floral deliveries as a fundraiser the Friday and Saturday before Mothers Day—we need a leader to come forward. Don't be shy! I'm ready to hold your hand, helping you get this organized, fun, and profitable for our community service projects. Call Eve, aka Awa, for more information. 539-1886

#### Help Serve a Pancake Breakfast @ the Senior Center April 24th

**Hugh Helm** is heading up this project. Please contact him to let him know you are interested in participating. He's asking volunteers to work from 7:00am to 11:00am on that day. Sounds like fun!

## Golf Tournament News:

Don't forget that our annual golf tournament is fast approaching. Is your foursome all paid up? Do you know more golfers who'd like to sign up? Talk to Art King. Do you have tee sponsors to report? If so, contact John Dolinsek. Have you acquired your raffle prize of \$50 value or greater? If you prefer simply to write a check for \$50—Sylvia Higgins will be delighted to accept that in lieu of your raffle prize. Do you want to volunteer to help out the day of the tournament? Contact Steve Amend, our Golf Tournament Chairperson. I highly recommend helping out on this day. It's a fun day and a great way to get to now your fellow Rotarians as well as

the folks who support our club by participating in our tournament. Our Guatemala Eyeglass Project is scheduled for June 12th-20th. This will be our third eyeglass project abroad. There's lots of work to be done in preparing an additional 2000 pairs of glasses for this project. John will keep us posted on opportunities to help. The cost of travel to participate in this project is a mere \$750. As many as 25 clubmembers plan to participate by going on the trip. This is gonna be fun!

At this week's meeting, John Jones will present at short video of the Lake Atitlan area of Guatemala and pass around sign up sheets again.

## Meeting of March 25

Jeff Young has a birthday March 31st. So where's he going? Try Mexico "with the guys." Jeff says it's "Spring Break" and chose to finish off his Paul Harris. Sharing Jeff's birthday is Carol Carlenzoli, Leroy's lovely wife. Lucky lady that she is, Leroy's

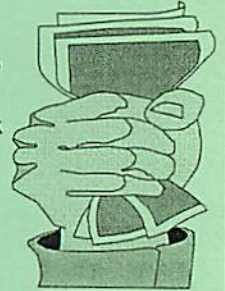

buying her a new motor for the bass boat. Ed Carrette and Kathryn Evart had their

33rd anniversary last month, February 20th.

It took a while for President Rusty to catch up with Ed to recognize this important event. The sweethearts celebrated by taking the train to Reno. Ed volunteered \$50 as his fine for the special occasion of this anniversary.

Ellen Johnson won only \$100 in last week's raffle, so Russ fined all of her table mates \$5 each: Frank Cercone, Russ McCracken, Stan Walker, Steve Heron, et al.

\*\*\*\*\*  
Special thanks to Steve Davis for taking meeting notes for reporter, Awa.\*\*\*\*\*

The Board of Directors has approved the following person for membership. If there are no objections from club members, this person will be inducted in April.
