# Coming Programs

## Thursday

The Group Study Exchange team from Finland will be visiting our club this week, the fourth Rotary Club stop on their tour of Rotary District 5130, which stretches from Petaluma on the south to Arcata on the north, and Napa on the east.

The Finland visitors are led by Kaj Kivinen, member and past president of the Turun Linna Rotary Club in Turku. He has worked for 30 years in Telecom Finland.

Team members are Kari Loukkaanhuhta, a heating, plumbing and air conditioning engineer; Juha Saarinen, who works for a Finnish technochemical-pharmaceutical company; Anne Linsuri, marketing manager for a company supplying products to beauty salons; and Helena Blomqvist, a lawyer specializing in environmental law who works for the Government of Aland on environmental matters.

The Santa Rosa Sunrise Rotary Club is taking on a large role in welcoming the Finnish visitors. Our club secretary, Jo Gennuso, is the district GSE chairman overseeing the visit. During the Santa Rosa portion of their visit, the visitors will be hosted by Del and Harriett Raby, Shauna and Dave Lorenzen, Carl and Judy Jacobson, LuAnn Poulsen and Jo Gennuso.

The team will be traveling up the coast learning about the area and meeting and staying with Rotarians. Their visit will culminate at the District Conference at the end of the month in Eureka.

## May 15

Tim Exline, director of the Sonoma County Department of Emergency Services, will discuss the county's emergency services operations. Included will be a report on the Emergency Operations Center, which serves as the headquarters during such emergencies as earthquakes, flooding, wildfires, plane crashes and tidal waves.

Prior to become director of the office of emergency services, Exline served as an Emergency Medical Technician and Paramedic and as a firefighter, rising to battalion chief.

He currently teaches EMT classes in the evenings at Santa Rosa Junior College. He is an avid skin diver and enjoys the martial arts.

# Golf tournament

It's coming ...

Our Eighth Annual Sunrise Rotary Club Golf Tournament is only 18 days away!!

Co-chairman Jeff Young reports the May 23rd tournament WILL SELL OUT SOON, with 124 golfers paid, and only 20 more spots available. The remaining places in the tournament will be filled on a first-in-with-the-money basis.

Tee and green sponsors are sold out, and the main area of emphasis now is raffle prizes for the Oakmont event.

Phil Sitzman reports that raffle prizes have been rolling in, and the committee is now organizing them for the big day. Those who haven't contributed prizes are asked to contact Phil. Members not donating prizes are asked to contribute \$50 so prizes can be purchased.

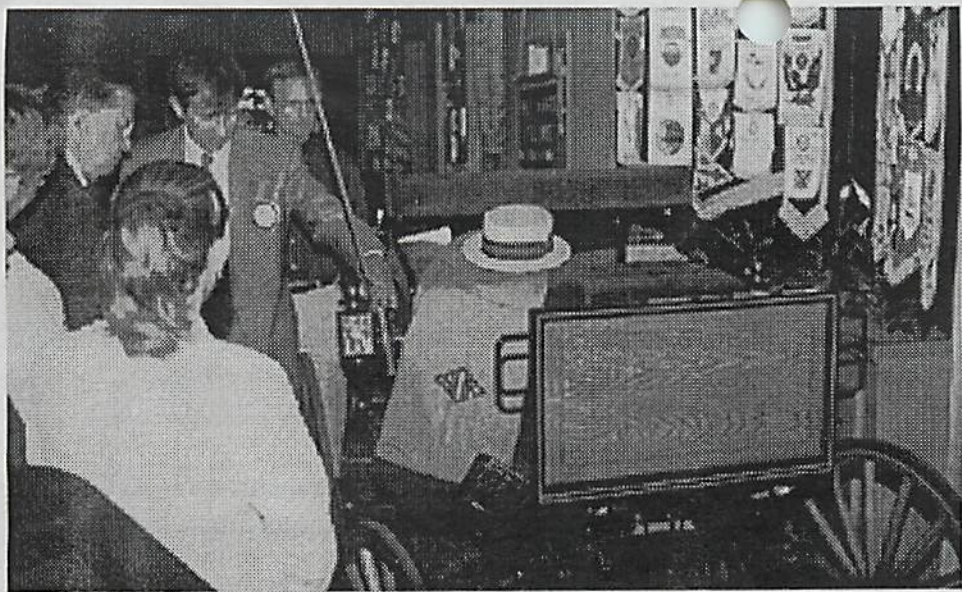

---

## Golf Preparation

Our regular meeting the day before the golf tournament, May 22nd, will be held at the Oakmont Country Club -- at the Chalais Restaurant. This 7:15 a.m. meeting will be a chance to discuss final details for the tournament and get ready for our biggest fund raising event of the year!!

---

**Golf tournament trivia:** The first golf tournament for the Sunrise Rotary Club was held on June 8, 1990, at Windsor Golf Club. Former member Howard Daulton (better known as Buster) chaired the tournament under President Kent Seegmiller's leadership.

# Return of Job Fair!

Sunrise Rotary Club's second job fair was a moving success -- with bicycles on display from Russ McCracken's shop, with attorney Steve Olsen's carriage office and Jim McCracken and son (below) with their graphics arts design displays.

## **Rotary fireside -- on Thursday!**

Stan and Valarie Walker, and their family, will host a club fireside this Thursday, May 8th, starting at 7:30 p.m. at their home, 2630 Knob Hill Dr. in Santa Rosa.

Stan is planning an evening of Rotary fellowship for Rotarians and their spouses (or significant others), and will offer some observations of Rotary's worldwide accomplishments through the Foundation and Paul Harris Fellowships.

The fireside is a requirement for new club members -- red badges -- to convert to blue badges and a great opportunity for new members to learn about our club.

The fireside is designed as a time of fellowship for all club members.

---

## **Perfect Attendance!**

Club members were terrific in attending meetings during April -- and while we won't make President Randy's goal of 100 percent, we will have boosted our attendance by nearly 10 percent during the month -- to close to 95% (only two people missing each week).

Randy's goal was to encourage members to make up when they miss the Sunrise Rotary Club meeting. Those who missed the last meeting in April (April 24th) can still make up through this Wednesday. The Santa Rosa East Club meets Tuesday and the downtown Santa Rosa Club meets on Wednesday (this week at the Santa Rosa Golf and Country Club).

Our club attendance for the first meeting in April was 97% (only 1 person missed) and we'll be at about 95% for the 2nd meeting. Make up slips are still showing up for the 3rd and 4th weeks.

President Randy plans to donate funds to SRKSEP and our Haiti project -- and the donation will be higher if we reach 95%. Director Dale Zumfelde said he will match Randy's donation.

# Golf tournament

## Friday's the day!

Our Eighth Annual Sunrise Rotary Club Golf Tournament will be held this Friday!!

Co-chairmen Jeff Young and Steve Herron report the May 23rd tournament IS SOLD OUT, in fact we've got additional golfers on a waiting list.

With corporate sponsors and tee sponsors all lined up, the financial success of the tournament is all but guaranteed.

There is one not-so-small detail left -- making sure the tournament itself is a success!

A lot of assistance from club members is needed -- and the May 22 club meeting will be a time for last-minute details to be worked out. This meeting will be held at The Chalais restaurant at Oakmont at 7:15 a.m. (our normal time).

Participation by nearly everyone in the club will be needed to insure success and keep the golfers coming back year after year!

**Our chance to make a difference:** Our club golf tournament raised \$12,388 last year for Sunrise Rotary Club Community Services projects -- nearly all of it helped fund our Steele Lane School Fields project. This year's tournament -- including estimated raffle ticket and betting hole proceeds the day of the event -- could raise \$17,000!!

# Mystery Rotarian

This week's Mystery Rotarian is a native of Prineville Oregon and grew up in the state of Washington.

Hard work and family fulfills this MR who runs their own business, enjoys their two boys age 16 and 14, has many interests and seldom sleeps.

This MR was recently named executive of the year by the Sonoma County Executives Association. I'm sure this is a "fine" award. This MR is also one of an elite group of two recently added to the membership of a prestigious local service organization.

We're awarding honorary golf bag carrier duty to anyone who can guess the identity of this MR

-- Steve Davis

## Top-notch attendance!

Our club achieved 93.3 percent attendance for the month of April, about 8 to 9 percent higher than previous months -- and possibly a club record. With an additional makeup card or two that haven't been turned in yet, we could top 95 percent.

While the attendance fell short of President Randy's goal of 100 percent, club members attended many other clubs in the region -- and out of state -- and that was his ultimate goal. About one-third of club members had not been making up if they missed meetings -- and making up can be one of the joys of Rotary ... being welcomed at other clubs as if you were a member.

President Randy donated \$100 to our World Community Services projects for the improved attendance -- \$50 to the Haiti eyeglass project and \$50 to our Santa Rosa-Kagoshima Japan exchange program. Director Dale Zumfelde match Randy's donation.

The April total increased our attendance for the first four months of the year to 86.3%.

## Visitors from Finland

President Randy welcomes the Group Study Exchange team visiting Rotary District 5130 from Finland.

---

## Steele Lane Dedication

Plans are under way for a large dedication ceremony June 5th for our Steele Lane School Fields Project -- a chance to wrap up our largest Community Services project ever!

At this ceremony we will be honoring those who made the project possible -- our club and many businesses donating heavy equipment, time and materials.

In attendance at the lunch barbecue will be 450 Steele Lane students, and invited guests -- businesses who helped with our project, Santa Rosa school officials, Santa Rosa city officials, Rotary district leaders and the media.

The event is designed for maximum media exposure, with local TV, radio and newspapers invited. At the end of the ceremony, Steele Lane students will get to romp on the field, carrying colorful streamers.

The ceremony will begin at 11:30 with check-in, 11:40 lunch and then a ceremony from 12:15 to 12:35. The pupils will eat before us and sit on the edge of the grass as the program starts.

The dedication is being organized by club Director Pat Solar and Principal (and club member) Vicki Lockner.

# Coming Programs

## Thursday

We meet at 7:15 a.m. at The Chalais, the restaurant at the Oakmont Country Club. Our program beginning at 8 a.m. will focus on the next day's club golf tournament.

Please attend, this meeting is crucial to the success of the tournament.

The country club is located on Country Club Dr. -- the main entrance to Oakmont off Highway 12 east of Santa Rosa.

---

## **District Conference**

A reminder that Rotary District 5130's annual Conference will be held May 29-June 1 in Eureka. The time to sign-up is dwindling.

The keynote speaker on Friday evening will be Chuck Yeager, famous test pilot of "The Right Stuff" fame. On Saturday a full western BBQ and dance will be put on in Fortuna by the Ferndale and Fortuna Rotary Clubs.

President Randy has forms if you want to attend.

---

**Resignation:** The Board of Directors has accepted the resignation of Riki Intner, a current board member in charge of Club Administration -- Activities. She has been a member of our club for four and one-half years, serving on the board the past two years. She has maintained perfect attendance. Riki has been splitting her time between Santa Rosa and San Francisco, as her husband, Bob Intner, a member of the downtown Santa Rosa Club, focuses his law practice there.

"It is with sadness and regret that I submit this letter," Riki said. "...I have enjoyed meeting and working with our club and will miss you. I have joined the Fisherman's Wharf Rotary Club as I truly enjoy Rotary and all it stands for."

Riki plans to continue her counseling service in Santa Rosa (early in the week) and have a small private practice in San Francisco. She has new numbers in SR (539-3600) and SF (415-392-2633).
