NOVEMBER 5th MEETING

Our speaker spoke for all Rotarians in our club and the world—thanks, John Dolinsek. Together we have gone from a world where even a president could not escape the disease and thousands would die from polio. John painted the picture given to Rotary in 1988 of about 300 people dying every hour and thousands left in life with crippling scars of polio. our club was given the goal of raising a lot more. costs about 50 cents. But with events like in India (January 1997) when 127 million children were immunized in one day, more funds are needed.

Real soon, the world can say, “Thanks Rotary, you helped get rid of a disease.”

Dr. Dolittle talked on the Christmas Craft event—December 5-6 and 12-13. He needs raffle prizes, volunteers like elves, gift wrap and for you to buy something!

INTERACTIVE NEWS

A BIG THANKS TO SUNRISE ROTARY

Due to the outstanding support of our sponsoring Rotarians, the Interact Garage Sale & Bar-B-Que was a great success. Your 'good old stuff' netted \$510 for Interact. The money will be used to help fund worthwhile school projects. The left over items were given to St. Vincent dePaul and all of

the nicest women's clothes were donated to 'The Living Room', a self-help, drop-in center for single women and women with children. A big interactive thank you to Merle Hayes, Keith Taylor, Jerry Johnson, Liz Lopez, Phil Sitzman, Jim McCracken III, Bruce Mandel, Priscilla McCracken, Monica Mandel and everyone from Sunrise Rotary who donated the 'goods'.

YOU'RE INVITED

Your Interact Club welcomes you! The next meeting at Elsie Allen High School will be on Thursday, November 19th at 12:30 PM in the room of Brenda Brown, Room E13/32 - located on the North-east corner of the campus. Remember, Interact counts as a make-up meeting.

REMEMBER! November 14th will be our third annual progressive dinner. Get your forms back to Del as soon as possible.

FUN • FELLOWSHIP • SERVICE "FESTIVAL OF BROTHERHOOD" FEBRUARY 1999

What could be more rewarding than a service project that you know will help people who really need the help? A service project that combines good Rotary with good fun in the spring-like sunshine of Old Mexico. The third "Festival of Brotherhood", a district-to-district and club-to-club world community service activity, will take place in Guadalajara and Puerto Vallarta February 12-20, 1999. Four days in the colonial beauty of Guadalajara and four days at the premier Krystal Vallarta combined with international Rotary fellowship and outrageous fun make for a package that will leave you fulfilled and proud of what you and Rotary do together. The entire package, including air transportation, hotel, transfers, cocktail welcome parties, taxes and transfers is only \$895. per person—double occupancy. Isn't it time you got involved in the international work of our international organization. For more information and a reservation form by mail or fax, call Larry Kavanaugh at 707-585-2860 or Sid Berlin at 707-942-6566. Join us for this adventure in service. You need to act soon to reserve your seat on Mexicana and your hotel space. *Thank you.*

MEETING *(page 1 continued)*

Dad and Charter President Warren talked him into purchasing a ticket, we hope Warren allows him to go! Trip to Tahiti—Clem Carinalli with ticket sold by Leroy Carlenzoli.

After pulling the winning tickets and making some members happy—the rest?—well, your \$\$\$ is going to good causes and you might win the next time.

Board action from meeting of November 10:

- Approved \$1,000 for disaster relief in Nicaragua, district 5130 will match the first \$4,000.
- Approved \$750 for children's holiday party for the Sunburst Project.
- Approved \$250 for Latino Peace Officers Assoc. soccer team registrations.
- Approved \$250 to Cook Middle School for teen unity T-shirts.
- Approved \$450 for City of Santa Rosa "Adopt A Median" program.
- Authorized study committee for a report regarding underwriting Santa Rosa Symphony.
- Authorized study committee for a special project in Ensanada B.C. to chlorinate a well.

Sunshine Report:

Our heartfelt condolences to Eve Nighswonger on the passing of her brother.

Supervisor Tim Smith talked. Boy, you needed to hear. Couldn't even get highlights, it came so fast. But I got some: 101 failed. But water was the bigger issue as well as growth. It was during President Carter's administration that gas went from highway to general and repair and building of highways has been down ever since. Cloverdale bypass was the biggest project and took 30 years. So just sit in the traffic jams and wait until more funds come for 101. Roughly .35 of every federal \$1.00 goes back to the state and 3/4 of that goes to Southern California.

The problem with water: Everyone wants to control dams, prevent floods and provide summer flow. Nature flushed the rivers with floods and killed predator fish when river dried up in the summers. We are so smart at controlling nature. Well, the rest of you should have been there.

Del, thanks for the dinner, everyone met new people, ate great food and it was party-hearty with wine and desserts. Thanks again!

Meeting was coughed to order and then promptly called to order by Prez Dave. Why didn't we hear from Prez Russ? Well, you should have been there. Now, next, or this week don't be there or be a turkey. No meeting Nov. 26th.

Russ McCracken was called to explain tickets for the Christmas Craft Fair. Proceeds to S.O.S.—Support Our Students. Cost: \$2.00 each or 6 for \$5.00. Great deal—do the math.

Ken Coker announced our newest adoption—the median strip on Montgomery Drive, just west of Mission. There is a request for workers. With a light rain falling on Saturday, Ken's crew dug the trench for the sprinkler system. Hopefully, his crew grew larger than two. Did we get

MEETING *(page 1 continued)*

Aita claimed she could grow a beard but chooses not to—no fine. Art King—Trip to Tahoe and other miscellany—\$5.00. Randy Seelye—for winning last week's raffle and his daughter's success on the basketball court—\$100 to daughter Ellie's PHF. Archie Julian—for providing a home to the missing Halloween spider—\$10.00. Ralph Harryman—upcoming "heavy hitter" trip to Las Vegas—\$10.00. Russ McCracken—his son is starring in the "daring" Media—\$5.00. Leroy Carlenzoli—his son got a \$1,000 suite at the MGM for \$50.00; what's the secret?—\$5.00. Russ McCracken paid for birthday #53. Lu Ann Kelly had her birthday and anniversary with Mike Kelly—Mike put \$100. towards Paul Harris.

Announcements: November 28-29—"Adopt a Median Work Day". December 9—Holiday songfest for the residents of Sunrise at the Chanate, 6:30 p.m. December 10—Bring a Friend to Rotary. December 19—Holiday party for the children of The Sunburst Project, 1:00-4:00 p.m.

The speaker today was Archie and the history of Rotary or The Boys of 1905. Video followed the background talk and showed how Paul Harris and founding group worked and networked their business into an international action. Gus Loehner—a mining engineer, Hiram Shorey—a merchant tailor, Sylvester Schiele—coal dealer and our lawyer Paul Harris were the core founding "members". Business people "men" would get together and get better acquainted and help each other obtain more business was the idea and still is the reason. The dream stimulated the imagination and challenged the rest into action. The video showed the friendship and fellowship the group generated and duplicated in city after city until it was worldwide.

Now do your part; sing, ring bells, plant a median strip or any of the many activities we do together and meet others in our group. It's the beginning of a wonderful friendship that is worldwide.
