VOCATIONAL SERVICE MONTH

A letter from MELODY HAWORTH...

Dear Sunrise Rotary Club,

Bonjour! Everything has been simply terrific here in Belgium. I arrived safely and was met by my first host family Chez Culots. There were 4 children ranging in age from 6-12. It was a terrific start - I felt right at home from the very start and I was lucky enough to have 6 personal tutors! After 2 weeks I changed to my "real" family, Chez Descamps. I say "real" because I only stayed with the Culots because my family was on vacation when I arrived. I was a little sad to leave my first family so soon - but they only live 6 km away so I'm able to visit often. The first weekend in Belgium, I went to Normandie with the Culots. It was absolutely breath taking! The lighting was gorgeous. Pierre - my counselor and temporary host father - told me that many impressionists, like Monet, painted in Normandie often. Belgium is also a very beautiful country. The countryside is very green and there are many trees. It rains often, but I don't mind, it's been simply terrific the rain and all. I'm forgetting English though, that's a serious problem. I'm surprised that many people don't speak English. But I am very content with this. My family now never speaks a word of English with me. It has been a great learning experience thus far. School has also been terrific. I am taking Biology, Chemistry, Physics, Geography, History, French, English, Math (which includes Algebra, Geometry, Statistics, and Trigonometry), Religion, Computers, and Gym. It has been hard to fully understand each subject but I've been receiving alot of help from my fellow classmates. The school system is alot different than the states. There is a new schedule each day and each subject requires a different amount of hours. Every week we have the same schedule as the week before. I really enjoy this school. There are around 500 students and the ages range from 8 yrs until 18 yrs. After each year there is an exam which the students take in order to move onto a higher grade. I am in 5^{eme} and 6^{eme} (in California it is like being a jr and sr). I prefer the two grades, I am able to meet more people and have different teachers. I have been to four Rotary meetings. The Rotary Club here is similar to the Sunrise club, minus the women. In Belgium, the club is solely for men. They are very friendly and each meeting I attended I have felt extremely welcome. This Saturday is the first "get together" with all the students (excuse me), the second, the first was about two weeks ago, as an introduction luncheon, down the Lesse River. I am very excited. I will write you all (hopefully) each month to keep you up to date on what's going on over here. PS. I can't believe I've been here a month. Time is really going by too fast!

-- IN MEMORY --

Please keep a special prayer and good thoughts for our friend and fellow Rotarian John Watson in his time of sorrow. Wanda Watson, John's wife, passed away on September 29, 1992. She will be placed to rest in Arkansas. There will be a memorial service in Santa Rosa in the near future. (date/time unknown at this time)

MYSTERY ROTARIAN

by Loretta Slyh

This week's mystery Rotarian hails from Whittier, California. Dad is an engineer, mom a housewife and active community volunteer. The recipient of a Masters degree in both mathematics and administration, and a graduate of Leadership Santa Rosa. Our Rotarian enjoys fly fishing, weight lifting and music. Who can this wee-rounded individual be?

RECOGNITION CORNER...

by Loretta Slyh

BIRTHDAY WISHES *Steve Owles* was reminded that wife *Cathy's* birthday is October 8. Steve said he's going to take her to Scandia Night, October 15. Steve got a big WOW and \$10.00 fine.

HAPPY ANNIVERSARY *Cathy and Bill Vyenielo* are going to celebrate their 11 year wedding anniversary by going out to dinner Saturday night, ALONE. Cathy paid \$10.00 for this information.

WANDERING ROTARIANS *Russ McCracken* just returned from a business trip to Los Angeles. The four way test revealed it was half business, half pleasure. This honesty cost him \$10.00. *John Lynch* also had on his traveling shoes. He made a quick trip, as in 72 hours, to Houston. A reunion of old friends from all over the US helped celebrate a new partnership for a friend. John donated \$100 towards his Paul Harris. *Peter and Marie Treleaven* fulfilled a promise and took their kids all to Disneyland last week. They made a side trip to Knotts Berry farm. Daughter *Amanda* had heard about the roller coaster that goes upside down, they went on the ride at least 15 times. Peter was fined \$15 for all that fun.

NEW and more NEW We hadn't seen *Pat Solar* in quite awhile. She's been in training for her new position as a Financial Office. West America Bank. She might have to arrange her first loan to pay her \$20 fine. *Gary Doolittle* drove up today in his brand new car. His Lexus Coupe has a V8 and gold lettering. All this flash caused Gary to donate \$100 to wife *Carolyn's* Paul Harris.

CONGRATULATIONS *Jack Eddinger* announced he and *Vickie* will be married December 5. He also announced he's leaving on a hunting trip tomorrow. At least, he got his announcements prioritized. Jack paid \$50 for all this news.

HEALTHY BOOTH President-elect, *Nancy Aita* photographed beautifully in the recent Chamber publication. Her picture was taken while she was working at her Healthnet booth for the quarterly showcase. All this hard work cost Nancy \$10.00

MYSTERY ROTARIAN Neither *Rhoann Ponseti* or *Kent Seegmiller* knew the identity of this week's mystery rotarian, *Na. Mika*. They paid \$1.00.

VOCATIONAL SERVICE MONTH

GSE- Spring 1993 Group Study Exchange to Germany

This spring, Northern California Rotary District 5130 will participate in a Group Study Exchange (GSE) with German Rotary District 1810 which includes the city of Bonn and 48 Rotary Clubs with 2,310 members. The outgoing GSE team from California will leave May 7, for a four week visit ending June 4. The male team will be composed of a Rotarian leader and five young business/professional men who cannot be closely related to any Rotarian. While in Germany, the team will stay in the homes of German Rotarians. The hosting district will conduct tours of cultural sites, industrial firms, agriculture, and educational institutions within the areas. There will also be five vocational days for team members to be paired with members of their own profession to see how it is done in Germany. Calif. District 5130 will host a similar German GSE team April 23 - May 21. Each visitor will stay several nights in approximately eight Rotarians' homes within the six county district which extends along the coast from the Oregon border to Marin County including Lake and Napa counties.

Composition of the GSE team... The team leader is the District Governor's representative and must be a Rotarian who is knowledgeable about all aspects of Rotary and who is well informed about the US. The Team Leader is expected to have some background understanding of Germany and good knowledge of conversational German even though many Germans speak some English. He must have considerable stamina, as the GSE trips are very demanding. Applications are now being accepted for District 5130 GSE leadership to Germany. Application deadline is Monday, November 2, 1992. Interviews will be held the afternoon of November 14, in Santa Rosa. Applicants for the five team member slots must be business or professional men between the ages of 25 and 35 at time of application. They must be full-time in a recognized business or profession and cannot be a Rotarian or close relative of a Rotarian. They must be of sound educational background, enthusiastic about their chosen vocation, possess good communication skills, and be endorsed by a Rotary club within District 5130. The deadline for member applications is Monday, December 7, 1992. Interviews will be conducted all day January 23, in Santa Rosa.

SCANDIA FAMILY FUN NIGHT

Only a few more days to *sell, sell, sell!* Remember we don't have other work to do after the tickets are sold. We can have *fun, fun, fun!!!*

MYSTERY ROTARIAN

by Loretta Slyh

This weeks Mystery Rotarian is a true mystery. Born and raised on a space station. Dad is an ozone specialist, mom a technical engineer. Interest include collecting butterflies and pet rocks. A BIG Heraldo Rivera fan. Who is this space case?

RECOGNITION CORNER...

by Pat Solar

WHO AM I? *Steve Davis*, or was it *John Dolinsek*, was presented with his 2 year perfect attendance rocker. The confusion rose out of the fact that Steve was wearing John's membership badge. Steve paid a \$5.00 rental fee.

RED BADGE OF COURAGE... *Peter Treleaven* presented *Geo "Buster" Finch* as our newest club member. Previous to his absence from Rotary, Buster was a member of the "downtown" club. *Nancy Aita* presented him with his red badge of courage.

HAPPY BIRTHDAYS! Birthday wishes go out to *Carolyn Doolittle*, whose birthday falls on October 20th. To celebrate *Gary* is taking Carolyn somewhere special to work on her tan ... in Hawaii! *Gary* paid a \$10.00 fine. *Mike Sass* missed a timely recognition of his birthday on October 8th. Mike also announced his engagement to *Tracy*. The wedding is planning for next summer. Mike donated \$50.00 to his Paul Harris.

CUPID'S ARROWS HIT ANOTHER MARK! *Leroy Carlenzoli* announced that his son is also engaged. The glitch is the wedding ceremony is planned for the opening day of bow hunting season. Leroy is reportedly renting a camouflage tux for the event. Leroy paid a \$20.00 fine.

CHAI'O' BABY! *Bruce Reyes* spent the last two weeks in Italy, doing "research". This extensive research entailed consuming quality wines and cuisine from Italy's finest restaurants. Instead of working on his perfect attendance rocker by making-up in Italy, Bruce worked on an 8-course dinner. For all this hard "research", Bruce paid a \$30.00 fine.

IF I HAD A HAMMER... *Russ Lockner* did some recent carpentry work for *John Dolinsek*. Something about walls that are still standing, but the building moved??? Russ paid a \$10.00 fine.

IF I HAD A HAMMER, PART II... *John Dolinsek* was fined \$10.00 for a workshop that Russ did not work on.

WHO WAS THAT MYSTERY ROTARIAN? *Dan Davis* and *Jeff Abrahamsen* both paid a \$1.00 fine for not knowing the identity of a week's mystery Rotarian, *Vicki Lockner*.

VOCATIONAL SERVICE MONTH

What is Vocational Service?

Vocational Service is the way Rotary fosters and supports the application of the Ideal of Service in pursuit of all vocations.

Inherent in the Vocational Service ideal are: 1) Adherence to, and promotion of, the highest ethical standards in all occupations, including faithfulness and fidelity to employers, employees and associates, fair treatment of them and of competitors, the public, and all those with whom one has any business or professional relationships; 2) The recognition of the worthiness to society of all useful occupations, not just one's own or those which are pursued by Rotarians; 3) The contribution of one's vocational talents to the problems and needs of society.

Vocational Service is both the responsibility of a Rotary club and of its members. The role of the club is to implement and encourage the objective by frequent demonstration, by application to its own actions, by example, and by development of projects that help members contribute vocational talents. The role of members is to conduct themselves, their businesses, and their professions in accordance with Rotary principles and to respond to projects which the club has developed.

MYSTERY ROTARIAN

by Loretta Slyh

This Rotarian was born in Oakland and raised in Berkeley where dad was a Captain in the Fire Department. Early career was 17 years as a Highway Patrolperson. Worked the riots in Watts and the student demonstrations at UC Berkeley in the 1960's.

For "real" fun, our Rotarian and spouse enjoy frequent trips in their motor home and charter yachts to sail the San Juan Islands. Who is this person that walks on the wild side?

VOCATIONAL SERVICE MONTH

LETTER HOME...

28-10-92

Dear Sunrise Rotary Club;

Bonjour toute le monde! Comment allez-vous? Je suis tres bien! Merci pour la lettre, j'aime lire les choses qui ce passe avec vous. Everything is going smoothly on this side of the world. I go to Rotary meetings every other week. If I haven't said before, we meet every Monday for a lunch meeting in Dour. About 5 minutes from Quievrain, where I'm living. My host family here is fantastic! I live in an apartment above their restaurant. The restaurant is called "La Bourse" which is translated "Wallstreet". I'm taking dance classes, ballet and jazz in Mons, a town about 15 minutes away. I'm also taking Karate. My host father plays squash at the same building where the activities are, so it's very convenient. Everyone is extremely nice and I have met a lot of terrific people. My Rotary club's Rotex had a trip that I participated in which was in Houyet. We all took kayaks down the Lesse river. It was fantastic! I got a cold after, but it was absolutely worth it! It was a beautiful day and the countryside was very fairy tale like. Belgium is a gorgeous country. They experience all the seasons. Right now the leaves are all changing colors to reds and yellows. It has been very cold around 0 C and -5 C. I'm getting used to it, but I hear it will get a lot colder this winter. It will probably be a colder year this year than the past two years. Maybe there will be a lot of snow! I hope so. I'll be sure to send pictures and let you all know! My french is coming along pretty well. Everything has been better and more exciting than I had ever expected. Thank you all for making this possible. I'm enjoying every minute! There is only one bad thing to report - it's going by too fast! I've been here 2 months already! Happy Halloween! Please keep in touch.

Melody

(TRANSLATION: Hello everybody! How are you all doing? I'm doing very well. Thank you for the letter. I like to read the things that happening with you.)
