THE MYSTERY ROTARIAN:

by ARCHIE JULIAN

Watch this space for future developments. All of our Rotarians are so mysterious it's hard to select just one.

Do you know why Vicky Lockner was not at the meeting today?
The Shadow knows:

She was winging her way to New York to be present for the birth of her first Grandchild!!

OCTOBER 21: JOB SHADOWING:

This is a good chance to have some influence on the career decisions some high school students will soon be making. If you have not already signed up, see Gary Jensen. The idea is to take one or two (more if you can do it) students on a "guided tour" of what your vocation is all about. Would you be doing what your are doing if someone had given you this chance??

This week's meeting speaker will be:

NANCY BOGLE: Come and learn what kind of new and innovative learning programs are being tried in our community.

RECOGNITION CORNER...

by Steve Olsen and Dale Zumfelde

Moving right into the Birthday Mode: Gary Doolittle was reminded that October 20 is Carolyn's birthday. Gary responded by announcing a Hi Five about his new car. It's "just a jeep" says Gary.

Buster Finch was properly recognized for his first anniversary as a member of the Sunrise Club.

Next we were all enlightened by John Dolinsek's WEDDING ANNOUNCEMENT. Seems he printed only one card because Gary Bayless got all the money (ring). It also seems that it's all Rhoann's fault, she introduced them. John memorialized the event by putting up \$150 to start Kathy's Paul Harris. The club added \$50. Great start John and best wishes to you and Kathy!!

Steve Owles had to kick in five for failure to collect Lockner's five last week.

Art King needed to contribute \$10 for going bicycling in Moab. Actually the fine was for making Irene stay home to work.

Carol Estes used her Nancy Buck to cover half the recognition for the new Accord.

World traveller Kent Seegmiller had to pry open the wallet to compensate the club for his trip to Scotland, England and France.

Bruce Reyes seems to be moving in fancy circles, rubbing elbows with Harrison Ford at Landmark Winery's recent fancy event.

More travellers: Randy Seeley just back from Toronto, Canada. He used his Nancy Buck to lighten the load.

Warren Smith Hi Five'd the marvelous event of a new transmission for his 1983 Buick.

Talk about new cars, how about Carl Jacobsen's new "Eddie Bauer" Ford Explorer -- Sounds good to me.

Baja, followed closely by a trip to New York.

Finally, co-editor Steve Olsen, with apologies to all, was
recognized for the lack of bulletin #15.

PUBLISHER: Jeff Young

Newspaperperson Randy Seelye stops the presses and issues the following news flash:

**The Santa Rosa Sunrise Rotary Clubs
Second Annual Ski Trip has been
scheduled for January 21, 22 and 23.
Heavenly Valley and Pacific Lodge**

Our ace, crack, cub, seasoned, veteran and underpaid reporters will all be working tirelessly and thanklessly to flesh out the who, what, when, where, why, why not, wherefore, whozzit, and forevermore of this important story. Stay tuned for all that and start getting the body in shape. There is not much time and, more importantly, there is not enough time!????

But before all that,

Scandia Night

**Thursday - 6:30 to 10:30 p.m.
October 28, 1993.**

\$12.00 per person for admission gets you \$10.00 worth of tokens, a drink and popcorn, and unlimited use of all the facilities. That's a deal that's hard to beat and this is the way the club makes money for the good work that we do. Please remember the goal of having every club member sell ten tickets so we can actually make some money on this project as well as have a good time. This is the last chance you have to get some more tickets from Steve Owles or just to come to Scandia on Thursday for the fun.

RECOGNITION CORNER...

by Dale Zumfelde

Stan Walker was introduced as the new Foundation Chairman. Stan is taking over the position formerly held by Mike Yaeger. Thanks to Stan for assuming the mantle and thanks to Mike for the work already done. We will all miss Mike and the good work he was always willing to do and his presence at the morning meetings.

Carl Jacobson accomplished the almost unheard of feat of rising to his feet during a meeting and not being fined. Just didn't seem appropriate I guess in light of all the great things Carl has done for the club.

Bob Scott celebrated a birthday with a Prospect Park dinner and a Cardinal Newman football game. Something about the evening made him feel young again. We don't ask, we just imagine.

John Jones planned nothing he would tell us about to celebrate a 38th birthday. Maybe we will hear more later. Maybe not.

Jeff Young was recognized for a one year Rotary anniversary with the club.

Russ Lockner told us a grand-daughter in N.Y.C., Ashley Victoria, that made him a first time grandfather. Did anyone else figure Russ had probably been a grandfather for years? Just kidding Russ. (Just a little joke.) (Did this result in a \$100.00 Paul Harris contribution? I guess the reporter's pen got a little rusty.)

Archie Julian and Peter Treleven told us about a wonderful "camping" trip to Yosemite. Sounds great. Let's all go! That one did result in Peter's contribution of \$100.00 to Marie's Paul Harris.

All it took was President Nancy asking Dale Zumfelde to stand to elicit a pathetic outpouring of contrition and blithering confession concerning his general inadequacies and specific culpability as the co-editor of an earlier phantom club bulletin. As if that weren't enough, an addendum to the confession detailed some undeserved good fortune that decended on Dale and Shirley while traveling through the Boston Airport recently. \$100 to Paul Harris salved the wounded conscience and the meeting thankfully resumed.

JOB SHADOWING PROGRAM

The Collective Sunrise Rotary hat should be tipped to Gary Jensen for organizing what appeared to be a very successful Job Shadowing program with Piner High School. Gary generously shared the credit with the people at the school who worked with him to make it all happen. Credit also to the students who participated and took advantage of the opportunity. And most important of all, our appreciation goes to the members who took the time and expended the energy to do the real work of being shadowed. It was good to see some bright young fresh faces at the Thursday morning meeting too.

The FRIENDS OF KAGOSHIMA ASSOCIATION has extended an invitation to all Rotarians to attend a Commemoration Dinner to honor the ten year relationship between Santa Rosa and Kagoshima. It will be held at The Villa on Thursday, November 11 at 6:30 p.m. About 15 members of the Friends of Santa Rosa Association will be in attendance. The price of the entree, beverage, dessert, tax and gratuity is \$15.00. Reservations are requested by November 4. Please talk to Dan Lambert for information or to sign up.

The Santa Rosa Sunrise Rotary Clubs Second Annual Ski Trip has been scheduled for January 21, 22 and 23.

Heavenly Valley at Pacific Lodge

Randy Seelye will be coordinating this trip and will have more details for us as the time gets closer. For now, just put it on the calendar and make arrangements to attend.

An Update from Dale Zumfelde about Muza Mdzinarishvili:

Just a word to thank those of you who have offered to be of assistance to Muza as she tries to get her life organized here in the United States after leaving the turmoil of her native Republic of Georgia. Muza is currently in school at Sonoma State and is looking for a place to stay (as an "exchange student") that will make it easier for her to get to school by bus. Muza is trying to plan for the future, to the extent that she can, and next week I'll address some specific ways that our club may be able to help.

Just a note to say the misspelling of the word "Halloween" in last week's bulletin was neither an act of subversion nor a veiled allusion to a ribald and puerile joke that is better left unremembered. It was just a simple misspelling and a case of shoddy proofreading. Sorry!

Scandia Night:

The night at Scandia has already been proclaimed a critical success. We await the final accounting from the organizers before it can be proclaimed a financial success. The weather cooperated with a wonderful, mild, moonlit night and everyone there seemed to be having a great time. Everyone is asked to return any tickets and money not yet turned in. Steve Owles again did a great job of organizing the event. Our thanks to Steve for all of his time and efforts in running another Scandia Fun Night.

RECOGNITION CORNER...

by Dale Zumfelde

GARY JENSEN was given much deserved recognition from the club at large for his work in organizing the JOB SHADOWING project. BUSTER FINCH added his compliments to Gary as did STAN WALKER who talked about the value of the program to everyone - students and "shadowees". DAN LAMBERT added his accolades, said it was a first time for him, and encouraged others to become involved the next time it happens.

BUSTER FINCH, we were told, is now our very own, new, Club Service Board Member. Congratulations and thanks to Buster.

STAN WALKER told us about the Foundation Dinner and introduced BOB INTNER to talk about the Rotary Foundation. Bob packed a lot of meaning and a lot of feeling into a couple of minutes before he presented RIKI with her Paul Harris Fellowship. Thank you Bob for the important reminder and congratulations to Riki.

DAVE LORENZEN presented a pin to DEL RABY to mark 32 years of perfect attendance. That's 100% for 32 years. Congrats to Del (again) and I hope it was a very big pin. It should be.

RIKI INTNER celebrated a 27th anniversary on November 30. Congratulations to Riki and to Bob.

JOHN JONES, RICK FRANKE and GARY DOOLITTLE (the Butterlid Kids) were recognized for seven years of membership.

GARY DOLITTLE told us about his trip to Yosemite where he nearly became intimate with a coyote. Inspired by Bob Intner's comments earlier, Gary offered to complete his wife Carolyn's Paul Harris.

AL ABRAMSON told us how Hillary managed to foul up his trip to Chicago and his night with the Blackhawks. He got a sweatshirt anyway and the Foundation got \$100.00

DAN DAVIS was off to Tahoe for work. Thanks for the \$10.00

BUSTER FINCH shared the good news of his promotion to Manufacturing Manager. A mere \$10.00 paid the bill.

RHOANN took a BUSINESS trip to L.A. as a guest of _____ and \$210 to P.H. closed the speculation but opened the negotiation for matching contributions from the club.

More talk of confidentiality from Bob, and flowers, and then \$20.00 of hush money. That was all it took to end the discussion and send us to the raffle.

JOHN LYNCH pulled out the wrong marble and got nothing.

MYSTERY ROTARIAN

BY ARCHIE JULIAN

*He grew up on Chicago's North side,
Where he attended school with great pride.
To sports he also gave his all,
Playing foot, base, and basketball.
He lacked skill, but he was cunning,
and excelled in Cross Country running.
For College he went to Depauw University,
to learn subjects of wide diversity.
Then to Indiana U. for an MBA,
then to work to earn his pay.
When he talks about the pits,
he refers not to cherry seeds,
but, Chicago Board of Options deeds.
He enjoys, in his spare time,
sports, travel and good old red wine.
If you think you know this man,
when Nancy asks, raise your hand.
The name you cite I hope is right,
if not your wallet will be light.*

*My grandfather once told me that there
are two kinds of people: those who do
the work and those who take the credit.
He told me to try to be in the first
group; there was less competition
there.*
