## SEPTEMBER 24th MEETING

"A long time ago in a place far, far away..." The meeting was called to order and the "National Fish Story Day" started. I guess Leroy and Archie got together on this holiday banner, poles, 'Little' fly hook and fish on each place setting. Different and profitable because everyone not dressed in fishing clothes paid \$1.00—Lucky Nancy came in her hip

boots slicker and hat and didn't have to pay—good planning, Nancy!

Ken, don't leave your bank book around—\$2.00.

Frank Cercone when you have lunch with six women, make sure one of them is your wife—\$6.00.

No one told of Art King's, well—his wife's—new car (Z-3 BMW, Atlanta Blue) \$30.00. The books must look good; that's two in one year!

Gary gave \$5.00 for Cancer Walk and telling Cassidy Ward it was a parrot on the Rotarian cover. This month, a prairie woman on the cover could be Montana. Rolex ad in back like Al got—what happened to that fine? "I'll give you three clues".

Steve Davis came back from his Dental Reunion (30 years). About half of the class of 134 showed up. The rest overcharged and have retired or filled other jobs. Thanks for the \$30.00 and for the good work on all the teeth in this club.

Let's hope Charles James doesn't drop in on you with his latest toy—a '46 Stenton (airplane). It's called a Fabric Tail Dragon—\$26.00.

Mike Kelly was scalping tickets and made a little extra \$\$\$\$. He put \$100. into Paul Harris. Thanks!

Margie England gave a short talk on her background; Married 18 years—9 in Santa Rosa. Graduate of Fullerton—Law Degree, Family Law. She's nice and friendly then puts on her heels in court and becomes Ms. Law and wins cases. Put her on *your* side in court.

**RUSTY'S RAMBLINGS**

I just returned from my first session at Steele Lane school as a "reader". WOW! I spent approximately one-half hour with two first grade boys. I was more apprehensive than they were, I'm sure. I have read lots of books to my granddaughter and my own daughter many years ago, but I really did not know what to expect. They were a combination of shy, excited, willing, friendly and pleased to show me what they could do.

I also have a new appreciation for the teachers who have to be "on" for an entire day with a very diverse group of children. I could not do that and my hat is off to those who do.

I know Sylvia is still seeking some help with the KIDDS program (the introduction to money for young children). If you have an interest, please contact her.

It's only a rumor that Leroy was so tired Saturday because of so many fish to clean from Friday night's late netting!

**FUN • FELLOWSHIP • SERVICE**  
**"FESTIVAL OF BROTHERHOOD"**  
**FEBRUARY 1999**

What could be more rewarding than a service project that you know will help people who really need the help? A service project that combines good Rotary with good fun in the spring-like sunshine of Old Mexico. The third "Festival of Brotherhood", a district-to-district and club-to-club world community service activity, will take place in Guadalajara and Puerto Vallarta February 12-20, 1999. Four days in the colonial beauty of Guadalajara and four days at the premier Krystal Vallarta combined with international Rotary fellowship and outrageous fun make for a package that will leave you fulfilled and proud of what you and Rotary do together. The entire package, including air transportation, hotel, transfers, cocktail welcome parties, taxes and transfers is only \$895. per person—double occupancy. Isn't it time you got involved in the international work of our international organization. For more information and a reservation form by mail or fax, call Larry Kavanaugh at 707-585-2860 or Sid Berlin at 707-942-6566. Join us for this adventure in service. You need to act soon to reserve your seat on Mexicana and your hotel space. Thank you.

## YOU'RE INVITED

Your Interact Club welcomes you! The next meeting at Elsie Allen High School will be on Thursday, October 8th at 12:30 p.m. in the room of Brenda Brown, Room E13/32—located on the northeast corner of the campus. Remember, Interact counts as a makeup meeting.

## CANOE EXPEDITION

The Annual Russian River Canoe Expedition, River Cleanup & Barbecue is scheduled for Sunday, October 11th. Once again, Archie and Susan Julian have graciously offered to host a barbecue and swim party following the canoe trip. Please contact Archie if you wish to participate in the barbecue only. All Rotarians and families are invited to attend this fun-filled get-together. This year, an invitation is being extended to the Interact Club at Rancho Cotati, and Rotaract Clubs at SRJC and Sonoma State. We will all meet at Trowbridge Canoe Rentals, 60 Healdsburg Avenue in Healdsburg at 12 noon sharp. Bring your sun screen, a change of clothes and plan to get wet!

## GARAGE SALE & BARBECUE

Save up your old 'good' stuff and donate it to the Interact Garage Sale to be held on Sunday, October 25th. This is a fund-raiser for our Interact Club. It will be held at 2420 San Pedro Place—the home of *Jim and Priscilla McCracken*. Contact Jim at 528-8681 (days) or 528-9459 (eves) if you want him to pick up the 'goods'... or bring your own 'goods' to an upcoming Rotary meeting. We need your support to be successful. Plan to stop by for a super special 'JJ Dog' by master chef Jerry Johnson... and some FUN!

## EDITORIAL

So transportation is the topic and just about everyone knows we need a through 3-lane freeway. The question is how to pay for it. Did you know back in the 40's a use or highway tax was put on gasoline and other fuels. About 7 years ago, our politicians just added it to the General Fund—state and federal. Now if there is extra in the General Fund, we get our highway fixed. This added tax is about the same thing—BIG SALARIES for managing this extra to pay for a highway we already paid for by buying fuel. Any questions—be there on Thursday, October 8th.

Representative Scott Holder and branch office administrator Susan Barnes of Edward Jones' Santa Rosa office have each accepted a limited partnership offering in The Jones Financial Cos., the holding company for the St. Louis-based financial services firm...

**MEETING** (page 1 continued)

I guess I missed who pulled the white marble but a young guest got the cool \$10.00—who was that?

Jim Murphy delighted the guys with this talk on the 1/4 mile race. Jim builds on the side—like the new Tides restaurant—and races because that's what to do in life. Holy Smokes was his car. Now it's Nostalgia Rail.

**SUNSHINE REPORT:**

Jim McCracken: Hope your mother is okay after her stroke—*wishes and prayers.*

**OCTOBER 1st MEETING**

Meeting because of a blue moon and, because of a paper shortage, last week's issue was included with this issue—in other words, I got busy!

Del gave craft talk—objects of Rotary which went through several changes, last in 1953. Main points: 1) Club Service 2) Vocational Service 3) Country Service 4) International Service. You know, we are here for a lot more than breakfast—it's Service—each of you, do what your skills allow you and try something new. Rotary is known for helping each other and those we don't know through Service.

We sang Happy Birthday to Babbo, October 1st—\$20.00 (Bob Scott). He also paid \$15.00. Something about printing lots of wine labels—aren't they fun!

John Dolinsek and Kathy celebrated their 5 year anniversary (24 total years married! Ha, ha!) at romantic spots in Pt. Reyes—\$15.00. Larry Martin celebrated his 12 year anniversary with 18 dinners in Italy—\$12.00. So where did you have breakfast? Any business lunches on the trip??—\$30.00 total. Thanks! Those travel people go to ALL the nice places! He knows just where to have dinner—ask him.

Randy Seelye—on the club raffle—came back

from Cozumel, Mexico. Fed fish—caught a plastic one for Prez Russ and it looks like we are starting a tradition—a t-shirt—this one you can see. Only \$17.00.

The attorneys and Tux are in the news about going down the sewer. \$10.00. Don't give up—the government will give the money back.

Birth announcement: Lucky Lou Ann, didn't even look pregnant. It's the grandkids that are the easiest to have and enjoy. Also, 25th high school reunion—boy, do you get around—put \$200.00 for daughter's Phil Harris. Thanks. Good luck with your grandson.

Ralph, the non-squealer (of Art's car), took a raft trip in the Grand Canyon; rain, rocks—oh my! Ask—it was SOME trip—\$20.00 Coolest Spot? Wisdom, Montana. Not knowing the answer cost Pat, Steve, and Wil \$2.00 each. Del needs a big van to go to Las Vegas. You know, like the one that Eve had (she now drives a green Honda—but don't tell). Lots of stuff needs to be moved. Please call Del, 838-6701.

**STOCK NEWS**

It's bad news—good news. Bad news: Gillette Co. will lay off as many as 4,700 employees as part of a worldwide reorganization plan. Good news: Gillette closed up \$1.68¾ at \$40.00.

—Scott Holder

November 14th will be our third annual progressive dinner. This is a fun event where we meet in small groups at various homes for entrees and salads then have a special "dessert venue". Get your forms back to Del as soon as possible.

Santa Rosa. Give them some good stuff and clean out the old garage.

Gary Holt needs sign-ups for painting and yard work at women's shelters on Saturday, Oct. 24th.

If you haven't been at the meetings, see Shanna. She is tired of carrying your tickets. Your job is to sell tickets by Oct. 29th. This is the fall fund-raiser. Get your tickets and sell—Sell—SELL! Also, exciting 3rd place prizes are needed. You can offer services or items—just see Shanna.

What does walking, candles, memorials, raising funds, and the following people have in common?: Eve, Ken, Ross and Rus & family, Nancy, Art & family, Gary Bayless & family, Mike Kelly, Phil & family, Casidy, Steve Davis, Gary Holtz, Jo & friend (and others who we might not have mentioned—we apologize). The Cancer Relay for Life! There was good turkey, walking, T.V. games, walking, memorial luminaries, walking, pancakes and walking to raise awareness and money. Next year, you'd better plan to be a part of the Walk.

This year, the Rotary Rose Parade (in Pasadena) float theme will be "Service is Timeless" and will feature bunnies in line for a soup kitchen (wolf stew??). May be they need your help to pull this one off. See Prez Russ, if you want to help.

Another event to see Prez Russ about is San Francisco's Rotary Club's 90th Anniversary—cost: \$150. for ladies, \$100. for men. Who knows,

**RAFFLE TIME!** This is one of our two major fund-raising events. The committee worked very diligently to make our jobs easier ("Our" jobs are to each sell at least 30 tickets).

- People can buy 10 tickets for the price of 9 (this does facilitates "bulk" sales of a book).
- There is value in the coupons for redemption at Round Table Pizza and Bradley Video.
- Solicitation letters which you can mail out, do work and the committee can provide copies for you to use over your signature.

Carry your tickets with you and ASK people if they want to purchase some. If you are having trouble or need ideas or need some moral support or, or, or—call me. We will be using the proceeds this year for a very worthy endeavor—The Earl Baum center for the blind. This will be an ongoing center which will provide schooling and self-assistance skills for young people and adults.

maybe they get better seats or hors d'oeuvres.

Well, today was special. Ralph Harryman's birthday is today and he is old enough to live in Oakmont and play the course—which he planned to do today. Nice touch with the cowboy shirt but it still cost \$20.00—and the song was free.

Not to be out done and with lots of practice, we sang to Eve who also had her birthday today. She spent her day reading with her kids at Steele Lane school—\$20.00.—and today, acknowledgment of her Africa trip. In two months, she and other volunteers or peace corps. built mud ovens, planted trees and interacted with locals. Not to mention camels and 120° temps. The little mosquitoes carried not-so-nice diseases. After all that, somehow we found out you have a newer car—how? \$30.00. Hope those monthly payments are being met. And the tradition continues—a t-shirt for Russ; This one in French (a world in the palm of his hand) and a flamingo pen to write those official things a prez does. Thanks, it was fun.

If your selling tickets, think of also buying one or selling to other Rotary members. Russ McCracken bought only one and won third prize (\$300.) and didn't know how to spend it until he gave the club \$25.00. Thanks. And he said, "Good things happen to good people."

Another Russ—Andress—paid \$5.00 for being late. We noticed, when you didn't give the inspirational.

Randy Seely gave high \$5.00 for his daughter in Interact, at Santa Rosa High, as well as Larry Wassour.

Archie has a new old cabin in the redwoods, about 100 yards from the river. He gave \$20.00. and an extra \$5.00 for someone doing a little extra work on the cabin.

I gave \$5.00 to my PHIL Harris slip (Well he is a

good singer!) and an extra \$5.00 for people not reading the bulletin. Deebra, Dan Davis and Will Parker didn't read my sheet and paid \$5.00 for not knowing the cover of the Rotarian magazine.

The marble game was played this week by Gary Holdon who pulled the white one and Vicky got the Ezy \$10.00.

The meeting then fell to Death and Taxes. Two Measures, B and C, must pass to give Sonoma County the three lanes, train service, bus service and pedestrian routes. Measure A is: If there were funds, they should be used in 20 years to improve and widen 101, provide rail service, pothole repair, upgrade 116, bus service and bike routes. Measure C: Puts a 1/2 cent sales tax for the county to pay for Measure A for 20 years. If one of them does not pass, our friendly politicians in Sacratomato and Washington will feel we don't need the improvements.

Whatever you feel, VOTE, you must vote or someone will decide for you—and you won't be able to complain.

## OCTOBER 15th MEETING

Our weekly meeting was called to order by Prez Russ with inspirational by Steve Amend: *TAKE TIME...Take Time to think...it is the source of power. Take Time to play...it is the secret of perpetual youth. Take Time to read...it is the fountain of wisdom. Take Time to pray...it is the greatest power on earth. Take Time to love and be loved...it is a God-given privilege. Take Time to be friendly...it is the road to happiness. Take Time to laugh...it is the music of the soul. Take Time to give...it is too short a day to be selfish. Take Time to work...it is the price of success. Take Time to do charity...it is the key to heaven.* Marge England was the greeter and did her job with flair.

We quickly jumped to Jim McCracken who said more than a few words. The success of the canoe trip was measured in work and fellowship—34 showed up. Interact clubs from Elsie Allen, Rancho Cotati, SRJC and Sonoma State pulled together. Tires, trash and other discards have been pulled out of the river—making it look a lot better. Thanks to Archie for the barbecue afterward. Fun was had by all.

Gary Bayless reported on the Alzheimers Walk or Cancer Marathon. A record 35 times around the track by Gary and Eve—plus 24 hours of little sleep. This reporter only writes what he's given. Lou Ann walked 1:30 p.m.-3:00 a.m., during the oldies and goodies—which we all sang. It is surprising how coconut macaroons can keep a person walking. We were third on donations—next year, be there!

Art reported on the board meeting; slow ticket sales have pushed the drawing to Nov. 12. Our 2nd fund-raiser and last source of income (unless you want to be fined) is this raffle and everyone is encouraged to

## RUSTY'S RAMBLINGS

Board Action: The Board of Directors took the following action at their regular meeting of October 13:

- Approved a donation of \$750 to become a sustaining partner of the Rotoplast Project. This is an international project which provides free reconstructive surgery to children with cleft palates and other facial anomalies.
- Approved a \$500 donation to the Earl Baum Center for the blind in the name of Dick Sharkie from the Petaluma drug task force.
- Accepted a letter of resignation from Rik Goodell. His work schedule in San Francisco does not allow him to make our meetings on a regular basis.
- We are in the planning stages for a holiday party which we would host at the Chanate Senior Center across from the Sutter Hospital on Chanate Road. Our club would organize a holiday singing for the residents.
- Authorized President Russ to explore the possibilities of a joint fund-raiser with the downtown club. This would be a Concours d' Elegance to be jointly planned and shared between the two clubs. Shaunna and Russ will be meeting with the president and president-elect of the downtown club to begin the process.

*A letter from Richard Sharke, Executive Director of McDowell Drug Task Force:*

Dear Jim & Board Members,

I can't begin to tell you how impressed I was with your wonderful group. I can truly say without a doubt that you were the finest adult group I have ever had the pleasure of addressing.

I also understand that you are considering a grant to the McDowell Drug Task Force. What a wonderful gesture, when you already do so much for others. After reading about the vicious vandalism that took place at the Earl Baum Center for the blind, a project that all of you are involved in and consultation with some of my board members it was felt that any grant that you were considering for us be given to this very worthwhile cause. I would also like to volunteer the efforts of some of our members in your work party efforts at the Earl Baum Center for the blind. Please keep me informed of other projects that you have going and I am sure that we can and will work along side of you.

God bless you all for your friendship and your commitment to making Sonoma County a better place to live for all of our citizens.

Always a friend,  
*Richard W. Sharke*  
Executive Director  
McDowell Drug Task Force

## MEETING *(page 1 continued)*

try and sell 30 tickets. If you need help getting ideas—ask. You might want to buy one yourself. You and a friend might be able to leave town on a wonderful vacation—if your spouse doesn't find out. Winners last year: Steve Amend and Randy Seely. You could be this year.

Jim McCracken introduced the President of Interact at Elsie Allen who also is quarterback of the football team—Solomon—and Greg, also student of the months Sept. and Oct. Good work! For members, it counts as a make if you go to their meeting on Oct. 22 at 12:30. There will be pizza and they could use your support. If you haven't been there, ask Jim for directions.

Lou Ann introduced Susan from the Living Room. It's a quiet, safe place for women and their kids to go and regroup, get cleaned up, plan for a job or get some temporary baby sitting. We supported by giving \$600. for toys, personal items and diapers. Served per day are 40-50 low-income or homeless women and 10-15 children at the Church of the Incarnation, on Mendocino Ave. Hours are M-W-F 9:00 a.m.—2:00 p.m. Just another community project our funds support.

Nancy was able to give husband Bob his Paul Harris. She won the board drawing last year. Remember, well lucky her—she also received the sapphire pin for her 2nd Paul Harris.

Marge had a surprise birthday for her husband this past weekend—it was her birthday also. Relatives from Canada and LA came to help surprise Pete. Hope it was a fun time. Thanks for the \$20.00.

We missed Frank Cercone. He went to a health spa with yoga, saunas and natural medicines. If ya got to get away, do something good to your body—\$15.00.

Gary gave \$10.00 for the cookies and walking. Also doesn't read name badges.

The marble game went to Dave Lorenzen, even knowing the odds of 1 of 30 to get \$170., pulled the white one while the ezy \$10.00 went to lucky Interact member Greg. Dave was also filling in for Shanna by carrying those tickets you haven't picked up. Dave said they're heavy but it easy for you to carry and sell 20-30 so pick 'em up. At least think of Shanna and Dave.

The speaker was Susan Vick from the Santa Rosa Symphony which is celebrating its 75th year. Under the direction of conductor Jeffrey Kahane, the sounds and activities are wonderful. We are blessed with a gold mine of music and high caliber performers. Thomas Quasthoff will make three appearances in the U.S.—New York, Boston and Santa Rosa. That's how we rate! Thomas' life experience was recently featured on CBS's 60 Minutes. It costs \$34,000. to have the orchestra play each and every time and ticket sales help pay but not quite enough so other funds must be raised. Even with that, Susan gave this secret number and words to get free tickets. The number is 546-8742. And the words? You must ask someone who was at the meeting to get tickets. Sorry, but BE THERE. Luther Burbank Center has discount tickets for students and wants to do a special Rotary show in February—with 500 seats for members and guests.

Everyone is taking bets on the next speaker with \$50 million being spent on the election Prop#5 is something you've got to hear!

**November 14th will be our third annual progressive dinner. This is a fun event where we meet in small groups at various homes for entrees and salads then have a special "dessert venue". Get your forms back to Del as soon as possible.**

## OCTOBER 22nd MEETING

So where were you when the meeting was called to order? We'll bet you missed a good one.

Another item you missed by the time you read this was Saturday Hands Across the Country. Planting and landscaping for shelters with Gary Holts—Saturday at 8:00 a.m. It lasts most of the day so you might call.

Eve announced that the Membership Meeting is on Nov. 3rd., 4:30 p.m. at Moss Adam's office—red badges. Ask your sponsor to see how

Shauna really wants your help to sell tickets. Dan Lambert asked if anyone sold 5 tickets. Everyone sold 5, some sold 30 and two people sold 100 tickets. If you need help—ask. She has lots of ideas.

Randy Seelye is selling tickets for wine tasting (to help support journalism scholarships)—Nov. 11th, 6:00 p.m. to 8:30 p.m., \$15.00 ea. Well, it's not Rotary so pay \$5.00.

Dave Lorenzen says the Founders Dinner is Nov. 7th at the Sonoma Golf Club. It's only open to the first 250. \$40.00 per person. Raffle prize is one week in Pebble Beach.

Leonard LaBranche missed last week so today we found out his birthday was celebrated at home. So the smoke alarms wouldn't go off; no candles were used but dinner was great.

Keith Taylor was asked about his trip—"which one"—now it's two trips: One with visitors from England touring northern California. The second one to Chicago. \$15.00.

Nancy has a new place to sit on the Board of Directors at LBC. The "GO YANKEES!" helped. \$20.00.

**RUSTY'S RAMBLINGS**

**Raffle Time Again.** Thank you Art King and Dan Lambert, for your informational and inspirational thoughts on the selling of tickets. We are only 20% of our goal so we need to keep pushing it.

It is very nice to give a check for \$600. to the Living Room, fund a youth grant for some high school student's project, help purchase band uniforms for a local school, give a vocational grant to a young Hispanic student, send medical supplies to Croatia, provide eyeglasses to recipients in a third world country, become a partner in the excellent work of Rotoplast, in fact ALL of the work we do in the community comes from our local fund raising efforts.

**Joint Social.** The barbecue at the Santa Rosa Shone Farm on Saturday, October 17 was just excellent. There are about 35 people from both the Santa Rosa and Sebastopol Sunrise Clubs for a tour of the vineyards, wine tasting and dinner. The barbecued tri-tip was so good that several members were seen filling their plates for third and even fourth helpings. Thanks to Lu Ann Poulsen and John Dolinsek for the organizational efforts.

**FUN • FELLOWSHIP • SERVICE**  
**"FESTIVAL OF  
BROTHERHOOD"**  
**FEBRUARY 1999**

What could be more rewarding than a service project that you know will help people who really need the help? A service project that combines good Rotary with good fun in the spring-like sunshine of Old Mexico. The third "Festival of Brotherhood", a district-to-district and club-to-club world community service activity, will take place in Guadalajara and Puerto Vallarta February 12-20, 1999. Four days in the colonial beauty of Guadalajara and four days at the premier Krystal Vallarta combined with international Rotary fellowship and outrageous fun make for a package that will leave you fulfilled and proud of what you and Rotary do together. The entire package, including air transportation, hotel, transfers, cocktail welcome parties, taxes and transfers is only \$895. per person—double occupancy. Isn't it time you got involved in the international work of our international organization. For more information and a reservation form by mail or fax, call Larry Kavanaugh at 707-585-2860 or Sid Berlin at 707-942-6566. Join us for this adventure in service. You need to act soon to reserve your seat on Mexicana and your hotel space. Thank you.

## MEETING *(page 1 continued)*

McCracken in his western kilt. Now, guys, there are problems with wearing kilts while sitting on wood benches—splinters—and when it gets cold you would wish ya' had woollies on. Fun was had by all (35).

Lu Ann Poulson has new clothes. Well, they were sent to some cleaners back in May and she just NOW picked them up because she forgot which company she dropped them off at! \$10.00.

Phil gave his story about his finger. Almost lost it in his cutter Friday. \$5.00. He's happy to still have them all.

Vicki's granddaughter is 5 years old. Prez Russ also kicked in \$10.00 total. Then something was said about a new house which quickly was pushed under the carpet. Maybe next time.

The raffle was 1-32 marbles. What?—don't they take one out a week or do they add one? Anyway, Ellen Johnson pulled a white one and \$10.00 went to a guest.

The speakers told us the Indian side of the gambling proposition (Prop. 5). The Indian casinos generate more than \$55 million a year in Federal taxes and supplement their tribes—saving \$50 million in reduced welfare payments. Unlike what the other ads say, the gaming supports 50,000 jobs and does generate more than \$120 million per year in State and local taxes including sales tax. The Indians said only local tribal lands can be used for Indian casinos and most, except for Palm Springs, are in remote, out-of-the-way areas.

I bet you didn't know only about 11% of the general population gambles. The cowboys in Nevada are making a big deal out of Prop. 5 because any loss hurts their profits. Well, given some facts here and in voter packets, you read and should vote what you think is right. Given the chance to write on two propositions, I hope I gave facts and materials to make you think—now vote what you feel is right on Nov. 3rd.

## INTERACTIVE NEWS

### MEETING NOTES:

At the meeting on September 24th, and after some discussion, a motion was passed to donate \$350 to the EAHS football team for much needed safety equipment.

The canoe expedition and river cleanup was the main topic of conversation on October 8th. Club members were anticipating fun in the sun and the barbecue.

At our pizza party meeting on October 22nd, we all welcomed back Amber Taylor, who was out for three weeks due to an automobile accident. Amber is heading up a committee to help out at the Earl Baum center. Everyone is looking forward to the garage sale fundraiser/'cue on October 25th. Club membership to date is twenty-three.

### YOU'RE INVITED:

Your Interact Club welcomes you! The next meeting at Elsie Allen High School will be on Thursday, Nov. 5th at 12:30 p.m. in the room of Brenda Brown, Room E13/32—located on the northeast corner of the campus. Remember, Interact counts as a make-up meeting.

November 14th will be our third annual progressive dinner. This is a fun event where we meet in small groups at various homes for entrees and salads then have a special "dessert venue". Get your forms back to Del as soon as possible.

## OCTOBER 29th MEETING

So, if you thought this meeting was called to order in the proper manner, you weren't there! The little distracting creepy thing at the podium didn't help and was properly dropped in the hall. A proper trick or treat "thank you" was given to missing Archie—well at least nothing was fishy about any of the decorations. Everyone says "thanks". Oh, you weren't there? Boy, did you miss it!

## ROTARY FOUNDATION MONTH

Tux started with the flag salute followed by Debra with an inspirational reading. Eve reminded us of the Nov. 11th lunch—red badges and those with one year or less of membership should show up. Bring your lunch and plan to learn more about Rotary.

Dave asked about Founders Day Dinner—Nov. 7th.

Shauna—raffle again. We only have a short time. Bring in \$\$ and push the thermometer up to the goal. Sell tickets and we can support many projects.

Nancy gave a short talk on Quad Club which does a Christmas Craft Fair. Making her talk longer, she added \$100. to son's Paul Harris. Thanks!

Gary Holtz was our representative for Hands Across America. Put in phone lines, fire alarms and fixed up shelter. He could of used a little more help.

Prez Russ had the honor of reading three thank yous:

1) Isela Rosales, attending Stanford and will go far. Ready?, OK, 20 units—working part time and is a tutor and still has a social life. Remember, we thought enough of her to give her \$1,000. and it's working.

2) Robin Williamson is attending SRJC.

3) Lastly, Jo Gennuso is recovering from hospital stay and doing OK. Flowers and cards were welcome.

## MEETING *(page 1 continued)*

We all know computers don't make mistakes so Russ and Jerry paid \$5.00 each and Gary Holtz paid \$10.00 for his birthday (well, anyone who goes to a Mumbo Jumbo band...) and his wife Pam's birthday was not fined. As well as this new home someone has...

Margie England reported her husband Pete had a wonderful birthday—\$20.00. While Warren Smith has a wonderful card for his wife—with a fish on it—\$20.00. Hope you can get her a gift to go along with it. Brian Rondon and his wife Karen celebrate 9 years—only \$18. Jeff Young was accused of scaring the bull elk away with his goatee and bagging a cow elk in Colorado. It cost him \$20.00 for only the fine—lots more for the trip. Steve Olsen liked this trip to Colorado and became president of his Carriage Association International—6000 members of 31 countries. Also, hotel had a Stanley Steamer. Wow! Some people really know how to have fun. Steve put \$100. into his Paul Harris. Brian Rondon used his last "E" coupon on his 2nd visit to Disneyland—first trip was when he was four. This time, Brian had his family along—cost \$5.00 again, just the fine.

John Dolensek told of his Mr. Toad's wild ride in Arizona—an engagement party with his X of 25 years ago—combat pay was \$15.00. Next time, go to Disneyland.

If you dress like a fisherman an' go to Trinity an' say ya caught 8 fish but don't get any pictures then it takes a lot to prove it was catch and release. Mike Kelly even said that they all were rainbows but it still cost him \$16.00.

The guy we have a hard time getting to stand up was told to—as coach—Warren has a reputation: Two games with no one ending up in the hospital. Other teams don't even want to play his team. \$5.00.

Prez Steve pulled the white marble, while Casey pulled the ezy \$10.00.

The speakers today painted a picture of a lonely, secret world of HIV. A world that only shows a thin skin to the world of normal living, while the soul is

dying of a disease so cruel that no one will outlive. Then one week a year in Cazadero, the world turns inside out and a camp called Sunburst tells the kids that this is the normal world. Friendships start to grow, art expresses the love and camp activities replace the pressures of daily life. Sadly, real life is *too* real. Friendships sometimes don't blossom because a life is plucked all too soon. Art becomes a memorial of what was and could of become if death wasn't such an early experience. Camp activities are sometimes listing those who couldn't be with us this year.

These kids with such a short childhood need a permanent camp, staff volunteers, directors and nurses to keep camp going year to year. They also need a Santa and three elves for a party in two months as well as gifts and food. They also asked for our help.

### NEXT WEEK...

### POLIO PLUS—NOV. 5TH

**"Louis Pasteur's theory of germs is ridiculous fiction."**

—Pierre Pacht, Professor of Physiology at Toulouse, 1872

November 14th will be our third annual progressive dinner. This is a fun event where we meet in small groups at various homes for entrees and salads then have a special "dessert venue". Get your forms back to Del as soon as possible.

### *President's Message:*

We shall draw from the heart of suffering itself the means of inspiration & survival.

### COWBOY WISDOM

-Thursday, October 22nd-  
*Sorry looks back. Worry looks around.  
Faith looks up.*
