Last week's program on Radiology & what is happening in Radiology was very interesting & informative. Since the start of the magnetic resonance scanning program in 1985 at Redwood Radiology, approx. 5000 cases have been reviewed. MRI is used mostly as a diagnostic tool for the treatment of tumors in the brain & spinal area. It helps surgeons better analyze the size and location of the

problem so that when they operate to remove the tumor or other problem, there are no surprises.

The exam costs from \$650 to \$1000 and approx. 50 pictures are developed & given to the surgeon or diagnostician. The person to be treated must be less than 300 lbs. & able to pass through a narrow tunnel on a gurney.

Plodges are needed for Biathalon Run on Sept. 18,19 & 20.

Last week's meeting started off with the Pledge of Allegiance led by Gary Doolittle. Bob Dunn was next up to bat with the invocation. Six visiting Rotarians were among our regular Sunrise members.

The month of Oct. is PolioPlus kickoff time. Members will be calling for pledges. Pledge period can be 1-5 years.

Fred Temps gave us a 5 second report on the Antique Car Races that started & ended at the Petaluma Fairground. I good time was had by all.

Congratulations to Ken Coker & Wim van der Horst: Ken for his marriage on 8/29/87 & Wim for his 34th Wedding anniversary. Ken was fined \$10 for his marriage, \$5 for not being too smart & \$5 for his new wife's birthday. Wim's fine for serving 34 years was only \$10.

Bob Dunn--due to his incomplete recorder coughed up \$10.

John Dolinsek was fined \$5 for the big spread in the paper his wife received.

Jack Eddinger & Dana Anderson were fined \$5 & \$10 respectively for advertising.

Jim Ponzio was fined \$15 for his vacation.

Don't forget Peter's bet. He will put up \$100 if we put up 100% attendance in Sept.

Hello Govenor!!

Oct. 8th \_ Dist.Gov.Mtg.

### A Fine Time

Ray's "nice good-sized" new house cost him \$10. Apparently John Dolinsek helped in the moving. If you move have no more than three beers in the fridge! Russ forked over \$10 because his consultation on a \$30,000,000 development project made the papers.

Bob's 24th anniversary netted him a \$10 fine. Pat paid a hefty \$10 fine for a birthday(9/8) as well as anniversary (9/10)!

The new bulletin committee members are Gene, Pat and Jim. They gladly welcome any newsworthy items from all club members. Deadline is Monday.

September is Youth

### Sept. 14 Board Meeting

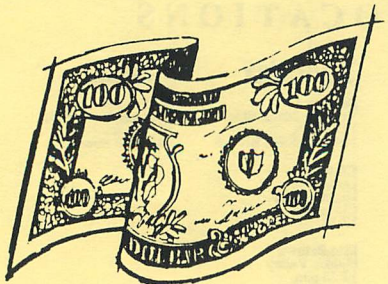

The Board of Directors voted to grant Bill St. Sure a medical leave as well as a leave of absence to Bruce Reyes till 10/1.

world record, but Bob Dunn's talk on business marketing was the fastest and most informative to date! Thank you Bob! And perhaps thanks to Pres. Peter for taking up a good portion of Bob's speaking time! Please fill out the questionnaire Bob graciously put together. It will be of great benefit to all concerned.

### A New Sunrise!!

Kent inducted Jim Daw into our growing club. Pres. Peter pinned the newest member who is with Sonoma Title Ins. By the way Dana bet Kent \$100 against Jim's membership, and happily paid the bet towards Kent's Paul Harris. Jim also had the winning raffle ticket! Nice start huh?

Don't forget Peter's bet. He will put up \$100 if we put up 100% attendance in Sept.
