Enjoy the history of nearby El Castillo (home to a fort built in the 1650's to guard the river from marauding pirates), tour the local biosphere reserve, kayak during the day and go on a Cayman spotting tour at night.

All excursions, transportation to and from San Carlos (location of landing strip) are part of the package. You can comfortably manage these two packages back to back to make for a nine-day eight-night package that you will remember for a lifetime. Adding more travelers to the San Juan River adventure can happen too. Contact John Jones for details. Check out the Sabalos Lodge website at www.sabaloslodge.com.

Airfares are not included. Air transportation from Managua to/from San Carlos is via LaCostena. LaCostena is donating a two for one air deal. John Jones can provide assistance and recommendations but winning bidder is responsible for airfares.
