

BUDDY PLEDGE

I _____ agree to be _____

Buddy for the upcoming SRKSEP trip.

The purpose of having a buddy is to make sure you are in communication with him/her and know what their schedule is so if for some reason they miss showing up on time for an event or meeting the buddy would know how to reach them.

The buddy is not responsible for others behavior, but they are responsible to know what their buddy is up to for the day. Please keep in touch.
