## HISTORICAL BACKGROUND

In April, 1865, fifteen young students left Kagoshima, Japan, to travel abroad and learn Western ways. After spending some time being educated in Great Brittan and Europe, these students returned to Japan and became the driving force behind Japan's modernization.

One of these students, Kanaye Nagasawa, did not return to Japan and eventually came to Santa Rosa, where he was the builder and owner of the Round Barn which is the historical link between Kagoshima, Japan and Santa Rosa.

Now, more than 75 years after Nagasawa's death, we are sending students to Japan to learn Japanese ways. We hope this cultural exchange will inspire many lifelong friendships and strengthen the bonds of world peace.

In 1987, the Santa Rosa—Kagoshima Student Exchange Program was founded as a joint venture of the Friends of Kagoshima and the Santa Rosa Sunrise Rotary Club. Santa Rosa Sunrise Rotary is now the sponsor. The purpose of SRKSEP is to send exchange students to Japan and to host exchange students from Japan in order to improve the cultural understanding of our young people and to broaden their horizons. The Programs sends students to Japan one year and the following year receives students from Japan. For the fifteenth time in 2017, Santa Rosa will send students to Japan.
