By Ernie Montagne
District 5500 Governor

Fellow Rotarians,

This will be the final issue of The Connection. Of course, the newsletter will continue under a different name starting in July. It has been my honor and pleasure to serve as your District Governor in 2010-11. I want to thank each member of a district committee for your valuable service. You have accomplished much.

As Governor, I am especially pleased to note these accomplishments of which you can all be proud:

Rotarians have generously supported The Rotary Foundation.

For the first time in at least several years, every club in the District made a contribution. As of June 15, per capita contributions to the Annual Programs Fund stand at \$140, exceeding the five-year average. Total giving exceeds \$400,000. Many clubs continue to make contributions.

For the first time ever, the District implemented a **District Strategic Plan**, establishing a vision, mission, and strategic priorities for the district, thus providing a road map for the future and a vehicle for improved continuity.

Every club has embraced the spirit of Building Communities – Bridging Continents, as

evidenced by the article, found elsewhere in this issue, describing the **accomplishments of which clubs are most proud**. I know it was quite difficult for the clubs to single out the proudest accomplishments, but as I read the input from each club, it made me proud to be a Rotarian, to see how our clubs are making a difference in the local community and in the world at large, improving the lives of the less fortunate, making the world a better place. You are truly bigger, better, bolder. I hope each Rotarian will take time to read this article and take pride in the accomplishments of your club and draw from that pride a renewed commitment to help your club be more effective, to share Rotary by inviting a friend to join your club, to support your club's service projects, to help your club meet its goal for support of The Rotary Foundation, to seek leadership positions in your club and beyond.

We stand at the cusp of the Rotary year, completing our year of service together, but also anticipating the coming year under new leadership. I am pleased to say our district is fortunate to have **outstanding Rotarians ready to serve in the coming years**.

DGE Michael Drake and his team are poised to help us Reach Within to Embrace Humanity in 2011-12. I hope to see many of you at Michael's District Governor Installation gala in Tubac, June 25-26. DGN Randy Brooks is preparing to serve in 2012-13, and DGND Nancy Cassel is planning for 2013-14. Please join me in wishing each of them, and each member of their teams, great success in serving you.

Cycling fundraiser will honor memory of District Rotarian

By Gary Hirsch
Tucson Rotary Club

In 2011, Tucson's own Perimeter Bicycling will once again host the UMC El Tour de Tucson, ranked by Bicycling Magazine as "one of the top three fundraising rides in the country."

Now in its 29th year, El Tour will host 8,500 cyclists and raise more than \$2 million for local and national charities on November 19.

In 2009 Tucson Rotary Clubs were designated an El Tour beneficiary, which meant that we were able to recruit Rotarians and their friends to ride in El

Tour and raise money toward our campaign to end polio.

That year, with little organization, 27 cyclists raised a total of \$4,550.

In 2010, Michael Harris of Casas Adobes Rotary convened a planning committee comprised of members of several District 5500 clubs and led an effort that resulted in 82 cyclists raising \$35,000.

Each rider's contributions would go toward his or her club's requirement to match funds from the Gates Foundation Grant. That year many Rotarians rode in new Rotary shorts and jerseys, making our riders easily recognizable in the crowd.

Just prior to the 2010 El Tour, Mike asked Gary Hirsch of the Rotary Club of Tucson to Chair the El Tour Planning Committee for 2011 so Mike could assume his duties as President of the Casas Adobes Rotary. Unfortunately Mike passed away earlier this year.

District 5500 has decided to honor Mike and his efforts in launching Rotary's participation in El Tour and has designated our 2011 efforts as the first Michael Harris Memorial Ride to End Polio and to establish a very "Mike-like" ambitious fund raising goal of \$100,000.

All Rotarians world-

wide and their friends and family are encouraged to ride in 2011 to end polio.

Please note that in order to ride and fundraise for Rotary you MUST download a unique Rotary application from the District 5500 website (www.Rotaryd5500.org) and submit it to the Casa Adobes Rotary.

Contributions you raise must be submitted to your club's treasurer or, if you are not a member, to your sponsoring Rotary member.

For more information please contact Gary Hirsch at gary.hirsch@vistage.com or 520-904-3762.

DG Ernie Montagne was first in line to receive Rotarian-chef Marvin Swink's renowned sourdough pancakes at the Marana-Dove Mountain club's spring fellowship brunch.

Ernie presented the club with its 2010-11 Presidential Citation.

Swink says he's had his sourdough starter at least 50 years and has moved it with him from New Mexico to Alaska and back to Arizona.

Tournament will help fund club's annual youth programs

Sierra Vista West Rotarians Hank Huisking, Patty Frates and Anita Farrow prepare to sell raffle tickets to participating golfers

For the sixth year running the Sierra Vista West Rotary Club held a fundraising golf tournament.

The event was held at Turquoise Valley Golf Course, Naco, which is Arizona's oldest continuously operating golf course.

The golf tournament has been the club's biggest annual fundraiser since its inception in June 2006—the club chartered in 2005.

Most of the proceeds from the tournament are used to fund the club's youth programs.

These include hosting a youth exchange student, sending up to five students to the annual Rotary Youth Leadership Awards and buying dictionaries for third graders.

Children, teachers, and parents gathered with Tucson Sunrise Rotarians to celebrate literacy at Hollinger Elementary School.

Eleven classes came to the library in turns for an interactive presentation about Rotary, highlighted with children selecting a new book of their own.

Each session began with children seated in the center, surrounded by Rotarians and Hollinger parents and staff. Principal Kathy Bolles and Librarian Linda Rivera introduced the program.

Following an overview of Rotary each Rotarian told their personal story of what Rotary means to them and why Hollinger children are so important.

Rotary bookmarks were distributed and used for a Four-Way Test activity. Everyone then moved into the

main section of the library where books in a variety of interest and reading levels were displayed on tables, along with Tucson Sunrise Rotary gift stickers for inside the front covers. Children chose books, installed the

stickers, and received an activity sheet to support their reading of a new book.

Hollinger is one of only two elementary schools in the entire TUSD that is a Dual Language School, open to both neighborhood and district-wide families. It also has a GATE (Gifted and Talented Education) Program with children from all across the

city. The project was funded through a District 5500 Simplified Grant matched by the Tucson Sunrise Rotary Foundation. Larry Boone, Liz Cohn, AG Wendy Hobbs, Maria Tilton, Tom Tilton, Phil and Kathleen Silvers, represented Rotary.

Youth Exchange students take pride of place at convention

One of the highlights of the Rotary International Convention, and other large Rotary events, is the flag ceremony.

The flags of each nation where Rotary is represented are paraded and then displayed, making for a spectacular event.

At this year's RI Convention in New Orleans, the Youth Exchange students from the 35 South Central Rotary Youth Exchange (SCRYE) districts were asked by President Ray Klinginsmith to serve as flag bearers in the opening ceremony.

These included youth exchange students from District 5500.

Their participation was captured on camera by District Governor Nominee Elect Nancy Cassel.

District 5500 will send a Group Study Exchange Team to District 2450 in the Middle East this fall. The team will consist of a Rotarian Team Leader and four or five non-Rotarian young professionals age 25-40. The team will depart November 11, 2011, and return December 9, 2011. The team likely will visit Egypt, Jordan, Ramallah in the West Bank, and Bahrain.

They will stay with local Rotarians in their homes, visit local cultural and historic sites, give presentations to local Rotary Clubs, and have several vocational experiences in which team members spend a day with a local Rotarian of their same profession. The Rotary Foundation pays for inter-

national airfare and the team is hosted by local Rotarians while in District 2450.

Deadline for submission of team member applications is June 29 and interviews will be in Tucson July 9. The applications and information can be found at <http://www.rotary.org/en/serviceandfellowship/Fellowship/GroupStudyExchange/Pages/ridefault.aspx>. The District 5500 website is www.rotaryd5500.org. Applications and questions should be sent to Denny Scanlan at dscanlan@dakotacom.net (tel. 520-270-8555) or to Michael Drake at 2451 E. Calle Los Altos, Tucson, AZ 85718 or Michael.Drake@azbar.org (tel. 520-624-2488.)
