

## **J & K KISSINGER AWARD NOMINATION FORM**

**Deadline for Submission to [elkhartnoonrotary@gmail.com](mailto:elkhartnoonrotary@gmail.com): March 28, 2023**

The J & K Kissinger Award was created in 1989 by District 6540's then-Governor William H. Heinhuis to commemorate the Rotary life and service of John M. (Jack) Kissinger, a member of the Elkhart Rotary Club who served as District Governor during the 1963-1964 Rotary year.

Jack and his wife Kay built a successful business in the heating oil industry and traveled extensively throughout this country and internationally. Wherever he went, Jack wore his Rotarian status with pride, attending meetings at more than 2,000 Rotary clubs around the world, often in the company of Kay. Together they gave life and breath to our Rotary motto "Service Above Self".

The J & K Kissinger Award is presented annually to a Rotarian selected from nominations submitted by the club presidents of District 6540. All District Rotarians are eligible for nomination. The Awardee is that Rotarian who has best exemplified the type of Rotary service performed by Jack Kissinger, with consideration given to service internationally, service to the Rotarian's community, and service to the Rotarian's club.

Please use this form to submit your club's nomination for The Kissinger Award. You should nominate a Rotarian who has demonstrated exceptional Rotary service.

Please fill in all personal data below, as well as the sections on the reverse side of this page. Use the space provided (or create another document) to describe specific activities, projects, service, etc., which demonstrate the nominee's commitment to the Object of Rotary in each area of service. Give enough detail to illustrate the nominee's contributions and their significance.
