LET'S GET BETTER ACQUAINTED

The Four-Way Test

of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?

The Object of Rotary

is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster

First: the development of acquaintance as an opportunity for service;

Second: high ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian of his/her occupation as an opportunity to serve society;

Third: the application of the ideal of service by every Rotarian to his/her personal business and community life;

Fourth: the advancement of international understanding, good will and peace through a world fellowship of business and professional persons united in the ideal of service.

4. Will it be beneficial to all concerned?

*Created in 1932 by
Rotarian Herbert J. Taylor*

Mission Statement for the Fort Wayne Rotary Club

To maintain its preeminent position as a fellowship of business and professional leaders dedicated to service above self, and committed to provide direction and resources in the four areas of service.

According to our RYE student, Lisa Obata, today's Japan is a blend of traditional culture and cuisine, and modern Western/International influences. Sumo wrestlers and soccer players. Sushi and Pizza Hut. Contemplative gardens and hip-hop music.

Still, some things remain uniquely Japanese – and important to know, if you visit – such as the carefully calibrated gradations of “bowing.” There's a big

difference between a bow that is merely a polite “how-do-you-do” and a bow that conveys deep respect or genuine contrition.

Accurately described by her

host family as “determined” and “positive,” Lisa is certainly embracing her RYE experience. In addition to improving her English language skills, she has already enjoyed “Black Friday” shopping; Lake Michigan sand dunes; a Nutcracker ballet; a Chicago field trip; and hosting her own party for Ft. Wayne friends. And on Spring Break, she's going to Costa Rica!

But she wants even more – swimming for regular exercise; a borrowed electric guitar to learn how to play; American baseball to watch, live; going somewhere she's never been or doing something she's never done. Most of all, however, she wants the opportunity to meet and talk to more Americans ... including each of you, my fellow Rotarians.

And that's the essence of the RYE experience – so well captured by these familiar lyrics from The King and I: “Getting to know you / Getting to know all about you / Getting to like you / Getting to hope you like me.”

AND THE WINNER IS

Congratulations! And maybe a deep, Japanese-style bow of respect, too! Allie Braun, from our own Rotaract Club, is going on a 13-day "Rotaract Germantrip" this coming June-July. It was a worldwide competition. And she was one of the thirteen finalists selected.

Is she excited and proud? You bet!

SPEECH CONTEST

Here are the ten contestants from South Side and Canterbury High Schools who participated in our local Speech Contest on March 18. Good luck in the upcoming District Speech Contest, April 13, at Chesterton H.S. in Chesterton, IN.

Stay tuned because the local winners in "Original Oratory" and in "The 4-Way Test" will be our program on May 6.

OUR MARCH STUDENT ROTARIAN

Amy Arthur, our March Student Rotarian from North Side, has already earned 30 college credits at IPFW! And in the process she found out how different college is from high school. "In college," said Amy, "I found out it was OK to come to class dressed and looking like you just got out of bed."

Of course, it just could be that many of those students in fact did ... just get out of bed!

CAN YOU HELP OUR RYLA COMMITTEE?

Here's an inquiry from Jeremy Redding, Chair of the RYLA Committee.

Every year, our Club sends local high school kids to the Rotary Youth Leadership camp near Lafayette. This year's RYLA is April 19-21. Normally, we rent a van for transportation, which we can get at a reduced cost. And we usually caravan with the Anthony Wayne and

Churubusco Clubs. The students really like to ride together. But unfortunately, we can't get them all in one van. So perhaps a bus this year?

Does anyone attend a church or know of a facility that would allow us to use their bus (seating at least 20) for a free or reduced rate? If so, contact Jeremy ASAP -- either by phone (490-7979) or by email (JeremyDRedding@gmail.com)
