Allen County Sheriff Ken Fries was our speaker Monday. After his opening remarks, he spent about thirty minutes answering member questions with his usual candor.

Fries said he needs the citizens' help to reduce crime. There have been 28 confirmed homicides in Allen County this year. There are currently 745 inmates at the Allen County Jail. Each year, between 15,000 and 19,000 inmates are locked up there, 92 percent whom are return visitors (and I'm guessing that is not because the beds are soft).

Sheriff Fries said drugs are almost always the center of all the crimes in the area - either directly or indirectly. He stated that he guaranteed there was a "drug house" within one mile of the home of everyone at the meeting. He said the department needs residents to get involved and call if they know something.

Fries advises people to be vigilant, pay attention and keep an eye on your property and your neighbors. He said that residents know what looks strange in the area, while officers do not. As an example he cited recent events in Boston - that the 2nd bombing suspect was caught because a resident noticed that the cover over his boat in the back yard appeared to be ripped and called police.

Fries closed by alluding to a quote from 19th century British statesman Sir Robert Peel: "The police are the public and the public are the police; the police being only members of the public who are paid to give full time attention to duties which are incumbent on every citizen in the interests of community welfare and existence."

The Four-Way Test
of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?

The Object of Rotary
is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: the development of acquaintance as an opportunity for service;
Second: high ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian of his/her occupation as an opportunity to serve society;
Third: the application of the ideal of service by every Rotarian to his/her personal business and community life;
Fourth: the advancement of international understanding, good will and peace through a world fellowship of business and professional persons united in the ideal of service.

Mission Statement for the Fort Wayne Rotary Club
To maintain its preeminent position as a fellowship of business and professional leaders dedicated to service above self, and committed to provide direction and resources in the four areas of service.
