Our speaker this past Monday was Dan Ryan, who is the Rotary International Foundation Chair for District 6540. His first announcement was something that our Club can be proud of – last year we surpassed our Club goal of $18,750 for giving to the International Foundation by contributing $21,100. That is $158.65 per member, which puts us in very good standing with other large clubs in our district. (Note that the Rotary International Foundation is a separate entity from our local Fort Wayne Foundation.)

Dan detailed the success of Rotary International’s fight against polio. In 1985, 350,000 kids per year contracted the disease. Contrast that with 650 (that’s 650, not 650,000) in 2011 and 96 so far in 2012. We started 2011 with only four countries in which polio exists – Pakistan, Afghanistan, Nigeria and India. India is now off the list, so that leaves only three! However, it is becoming increasingly hard to reach out to these countries. The reasons include security issues, militant insurgents, and unfounded rumors that the vaccinations cause sterilization. A continuous challenge for countries that have been declared polio-free is that those governments sometimes don’t provide the needed funding for continued vaccinations.

There are many examples of the good work of Rotary – you can read about them on the RI website at www.rotary.org. You can help support them by contributing $100 (or other amount) per year toward becoming a Paul Harris fellow, and by attending the Foundation Dinner on September 28 in Elkhart.

Dan encouraged us to be builders, not more climbers, that what we get out of something is dependent upon what we put into it, and that giving is a privilege that fills the heart with joy. Those words were spoken by someone who knows!

Meet Our New Exchange Student

This week we were honored to meet our 2012-2013 inbound exchange student for the first time. Her name is Lisa Obata, and she is from Japan. President Dave got her pin collection off to a great start with a USA Rotary Pin, Opening Doors Through Service pin, Peace Through Service pin, End Polio Now pin, and a TinCaps pin. We look forward to seeing more of Lisa in the coming months.
