The Four-Way Test
of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?

Mission Statement
for the Fort Wayne Rotary Club
To maintain its preeminent position as a fellowship of business and professional leaders dedicated to service above self, and committed to provide direction and resources in the four areas of service.

Fort Wayne Community Schools (FWCS) Superintendent, Wendy Robinson, updated the club in several areas of education, including the District and LEAD programs. “We Are Your Schools, Let’s Keep It That Way” was her overall topic. School of Choice was invented here! Choices include Magnet Schools and Programs, Neighborhood Schools, High School Programs of Study, and Career Education are all in FWCS! AYP (Adequate Yearly Progress) has increased greatly! FWCS improved in 37 out of 37 categories. It is one of seventy (out of 5000 school districts nationwide) to make AYP in two consecutive years! Congratulations teachers, students, and administrators! FWCS ISTEP results have improved in every category. Graduation rates are high than the state average. The update on the LEAD program included the areas of Culture/Learning Environment (commitment) and Curriculum/Instruction (what and how). The impact of LEAD on ALL schools: K-12 parent conferences, Wednesday professional development, and SIP/BSC process integrated and strengthened. Check their web site for information on Charter Schools. Also, you can write your representatives and senators about upcoming legislation! An encouraging update on FWCS! Babra Dadirai Chakanyuka, Family Support Manager, CVC, presented a program on Cultural Diversity in Fort Wayne.

Our “All America City” in diverse in race, ethenicty, gender, age and religion. Immigrants are often diverse when they come to this country. There are immigrants of necessity; i.e., persons who are unable to return to their home country. They have a refugee status. Problems immigrants may include: language (communicating), employment, integration, getting a driver’s license, understanding laws, and understanding the court system. A parent may bruise her child and she will feel guilty, but in this country there are laws against any child abuse. The parent may be working with the police, attorneys, and courts – all with little ability to communicate! What is needed? Communication (language) skills, cultural competency, individual and family counseling, drug awareness, and sexual sensitivity training. Where do you find more information?

Reach Within to Embrace Humanity
2011-12 RI Theme

Rotary International
President-elect Kalyan Banerjee will ask Rotarians to Reach Within to Embrace Humanity during the 2011-12 Rotary year. Banerjee unveiled the RI theme at the International Assembly in San Diego on January 17. He urged participants to harness their inner resolve and strength to achieve success in Rotary. "In order to achieve anything in this world, a person has to use all the resources he can draw on. And the only place to start is with ourselves and within ourselves," Banerjee said. Once Rotarians find their inner strength, he continued, they can accomplish great things in their communities and around the world. Read more about the new theme plus more Rotary International news!
