“Beyond The Numbers - Wisdom From A True Leader”

Past President and Present Day Speaker – Randy Roberts

Sometimes the very best things in life are right there under our very noses! A case in point was this week’s speaker! When our scheduled speaker chose to have his appendix removed over Rotary, it kicked Ronnie Greenberg and the Program Committee into hyper-drive searching for a quality replacement! Always putting “Service Above Self”, our own Randy Roberts stepped forward and volunteered an encore performance of the presentation he had made at his retirement four years ago in Houston. “Beyond the Numbers – Leadership, Language and Legacy” is a semi-biographical summation of the keys to outstanding leadership that Randy learned during his 42 years in business – most of them as the President of Lincoln Printing. Randy walked us through the fine points of leadership, culture, language, morale, customers, time, community and “you”. Anyone who knows Randy Roberts knows that, without question, he is a man who walks his talk. At the close of his remarks, Len Goldstien and Hugh Baldus both commented that it was “great advice – just 30 years too late for me”! Thank you Randy!

The Four-Way Test
of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?

Mission Statement for the Fort Wayne Rotary Club
To maintain its preeminent position as a fellowship of business and professional leaders dedicated to service above self, and committed to provide direction and resources in the four areas of service.

Created in 1932 by Rotarian Herbert J. Taylor

The Object of Rotary
is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: the development of acquaintance as an opportunity for service;
Second: high ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian of his/her occupation as an opportunity to serve society;
Third: the application of the ideal of service by every Rotarian to his/her personal business and community life;
Fourth: the advancement of international understanding, good will and peace through a world fellowship of business and professional persons united in the ideal of service.
Next Meeting: MAY 23, 2011

Tutors Needed at Washington School

Never one to miss an opportunity to promote a subject near and dear to his heart, Randy Roberts did use the podium at the end of his presentation to again make an appeal to our membership! Please consider joining with other Rotarians in supporting the “Study Connection” program at Washington School. The “Study Connection” offers each of us the unique opportunity to make a real difference in a child’s life! We had a delightful group of “Study Connection” alumni who joined us for lunch this week. Each of the students who joined us is currently paired with and being tutored by a member of our club (or in some cases, the spouse or child of a Rotarian as tutor!!). Join the fun and help make a difference by “Opening Doors Through Service” with a student at Washington School!
“MeloDEEs and Memories” Annual Dinner

Yes, we know you’re bummed not to have been invited to William and Kate’s wedding! Hey, none of us were invited! Want an invite to something even better? And, you won’t have to make small talk with a bunch of foreign royalty or buy a crazy hat! It’s the chic, the exclusive, the one and only Rotary event of the year – it’s our own “Annual Dinner”. Come mingle with our own “Rotary Royalty” and say thank you to soon-to-be Past President Dee Hoffman! You won’t have to pack a bag! You won’t have to burn a vacation day! You won’t even have to spend a lot of money! Dinner details follow at the end of this newsletter and your very own personalized invitation is waiting for you!

“Opening Doors Through Service”

Separated at birth? The resemblance is truly amazing!

Our month long branding roll-out continued this week, highlighted by an appearance of Jim Morrison and the “Doors”! Not seen since his untimely death in 1970, Jim (aka Jeremy Redding) and his entourage were in truly rare form! It was tie-dyed shirts and tambourines, as the club rocked to the smash hit “Opening Doors Through Service” (available on CD from Amazon and as a download from the Apple i-Store!) Several Rotarians appeared to be suffering induced acid flashbacks as they relived their Woodstock days during the song! A special “High Five” to Kenn Kunze and his Sergeant’s program “What’s In A Slogan?”. Kenn walked the club through a highly interactive look at the power of proper product branding! One can only wonder… how can we top this next week?

Congratulations to Stan Abramowski!

Please join us in congratulating Stan Abramowski! On Monday, Foundation Committee Chair Dick Conklin presented Stan with his fourth Paul Harris Award! Stan now is an official PH+3! The club gives sincere thanks Stan for his continuing support of the Rotary International Foundation - and for all of the really cool banners and signs he provides for us too! Congratulations and thank you Stan!

“Random Acts of Rotary” Wrap-Up!

Our club continues to explore opportunities for “Opening Doors Through Service”! A hardy group of Rotarians and Rotaractors gathered bright and early on Saturday, May 7th to spread out across the community, delivering “Random Acts of
Rotary” – an unscripted and ever so spontaneous event! The group broke into three teams and headed off to do good deeds! The team’s efforts ran the gamut from landscaping at the Wellspring community center building, planting flowers for some Rotarians in need of assistance, to delivering coffee and food gift cards to those who aren’t able to make do on their own!

Judging from the feedback from all of the participants, the day was a rousing success! Thanks to Jeremy and Jason for supplying the coffee and donuts! Nothing like a good dose of caffeine and sugar to kick-start a project day! Our “Random” Rotarians were Lisa Waterman, Dee Hoffman, Dan Katter, Jason Daenens, Holli Seabury, Nick Shah, Dave and Laura Borgen and from the Fort Wayne Rotaract Club were Jeremy Redding, John Hudson, Annie Kolb and Lauren Caggiano! WOW and THANK YOU!
