The Four-Way Test
of the things we think, say or do:
1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?

Mission Statement for the Fort Wayne Rotary Club

Hayhurst Stumps for Congress

Calling himself an incrementalist, Democratic candidate Tom Hayhurst outlined his priorities if he is elected to Congress. “I don’t believe in massive change,” he said. “Anything the private sector can resolve is the best approach.” Hayhurst said he is running for office because of his four grandkids, and his priority is simple: “It’s jobs, jobs, jobs. We have to rebuild the northeast Indiana economy,” he said.

Hayhurst added, “We need to change our approach nationally. We need a new international trade policy.” Clean-energy jobs also are a big part of the picture. A proponent of the high-speed passenger railway, Hayhurst says a revamped passenger-freight rail would “take us a long way with jobs as well as help incrementally with a clean environment.”

A physician, Hayhurst has strong opinions about the recent health-care legislation. “What was already done was a giant leap and should have been done incrementally,” he said. “Tell the pharmaceutical companies, ‘if you want to provide medications to us, you need to bid for Medicare Part D.’ And tell insurance companies they need to compete vigorously against each other. We can save tens of billions of dollars through good old competition.”

Republican candidate Marlin Stutzman will address the club at its next meeting.

Cleo Fox Winner Says Thanks

Bassoonist Taylor Reid received Cleo Fox scholarship money last spring to attend the Ball State Bassoon Camp in the summer. She sent a thank-you letter to Rotary Club last month; following is an excerpt from her letter.

“One day I hope to be able to say that I am a successful musician that can lead others to the right path of being anything they want to be. I want to be able to give someone an opportunity like you did for me so I can help someone improve and make their dream come true. The scholarship money meant a lot to me and it still does because I am very grateful and honored that you chose me as one of the students to receive such an amazing opportunity; something that most people these days wouldn’t have. But I want you to know how much help as well as an impact this scholarship and program has because it surely did affect me. Thank you once again and I hope you continue changing lives like mine!”

Foundation Dinner is Oct. 22

Don’t forget to attend the Oct. 22 Foundation Dinner, where Past Rotary International President Wilf Wilkinson is the keynote speaker. The dinner is $100, of which $40 goes to the foundation’s programs. The dinner will honor Paul Harris Fellows and includes a performance by our own Rotary Singers. According to Floyd Lancia, the Rotary Foundation is made of three funds: restricted fund, used to eradicate polio; permanent fund, composed of bequests and from which no principal is spent; and annual program fund, which funds the grants submitted by local clubs.

Two Student Rotarians Introduced

Madison Moyle, a senior at Canterbury High School, and Emily Hayes of Bishop Luers High School, are this month’s student Rotarians. Madison, a National Merit Semifinalist, also participates in soccer, basketball and speech and debate. She led a mission trip to
Mexico, raising more than $42,000 in supplies. Emily, whose “passion is rugby,” volunteers at the St. Mary’s Soup Kitchen. The students will participate in Rotary activities for the next two meetings.

Paul Harris Fellows Named

David Borgen and Bill Raftree were recognized as multi-year Paul Harris Fellows. The fellowship is the highest award given by Rotary, and was established in 1947 following the death of Paul Harris, Rotary’s founder. Donations of at least $1,000 are given to the Rotary Foundation, which was created in 1917, and benefit health, education, community development and humanitarian needs.

David Borgen’s became a Paul Harris Fellow in 1998. His wife Laura also is a Paul Harris Fellow. He says that “Rotary is a wonderful way to give back to the community.” He currently is on the board of directors and is a volunteer at Washington School.

Bill Raftree was first named a Paul Harris Fellow in 2005. He has served on the board of directors and on Cleo Fox and Club Administration committees.

They Keep Giving and Giving and Giving

In our Rotary Club, there are 72 current members who are Paul Harris Fellows, and 37 of them are multi-year donors. Seven club members are part of the Paul Harris Society, a status obtained when two consecutive-year contributions of $1,000 or more are given. Paul Harris Society members are John Alexander, David Borgen, Tim Gibson, John Kowalczyk, Mike McKay, Bill Raftree and Lisa Waterman.

“BUD,” This Sign’s For You!

Did you see the Washington Elementary School sign this week? It was the school’s way of saying thank you to all the Rotarians, teachers, parents and students who worked so hard on Oct. 2 doing clean-up around the school grounds. Great work, Rotarian “BUD-dies!”

Rotary Youth Exchange Welcome Party

Speaking of hats, many thanks to the man who wears so many of them -- Rotarian, Rotary Youth Exchange Program co-chair and host
family dad -- Dan Carr, for hosting the welcome party for Yann, our exchange student from France. Also, special thanks to Dan’s staff at the Towne House Retirement Community for hosting this terrific event. And thanks to Doug Hiatt and all those who attended the dinner. It was a wonderful evening attended by Rotarians, students and family.
