PEOPLE OF ACTION

The Rotary Club of Fort Wayne

DECADES OF IMPACT

Organized in 1915, the Rotary Club of Fort Wayne has remained a club of action, with a wide variety of service projects. We sponsored Fort Wayne's first public swimming pool in Lawton Park and held a leadership role in routing the Lincoln Highway through Fort Wayne. We've sponsored Boy Scout Troops and established a long-standing Rotary Youth Exchange Program.

In the 80's we raised \$100,000 to help Rotary International's effort to eradicate polio.

In the 90's we donated the Avenue of Trees lining Clinton Street and Headwaters Park.

Today, we support numerous service projects each year, including providing tutoring and teacher support to Washington Elementary in downtown Fort Wayne.
